**Bouw een relatie op met de Schepper en laat
uw dromen uitkomen**

De Aarde is een miniatuur van de Kosmos. Er zijn hier zoveel verschillende aspecten in deze wereld. Van mooie dieren, mooie natuur, mooie muziek, mooie kunst, mooie films, mooie technologie, mooie goede mensen tot de meest afgrijselijke kunst, meest afgrijselijke cultuur, meest afgrijselijke muziek, meest afgrijselijke films, meest afgrijselijke technologie en meest verschrikkelijke mensen

Er is zoveel contrast in deze wereld en zoveel grijsheid dat We bijna alle kleuren van het kosmische bestaan hebben in 1 wereld

Uit al deze verhalen gaat nu een meester verhaal komen om ons terug te brengen naar het Meest Mooie en Goede; Het Hoogste Goed

Luister goed wat ik te zeggen heb

Ik ben de Bron naar Huis

En We gaan het Beste en het meest Hoge Combineren van Alle werelden om ons te brengen naar de Kingdom of Eyowa

**De Aarde zal bevrijd worden van het onlicht
en Harmonie en Vrede zal zijn**

Dieren zijn vele malen mooiere wezens dan
mensen

De mensheid is een verdwaald soort

Het is tijd om goed te luisteren

Wie niet mee gaat met de Weg van Jezus zal
naar de hel vallen

Dit is een serieuze waarschuwing

Wordt 1 met het Christus-bewustzijn en vind
uw mooie goede dierlijke natuur terug

Wordt 1 met God

Of val naar de hel

Doe schaduw werk

Het maakt je een beter persoon

Elon Musk is a beautiful person

He is on the Right Side of Being

He will help us into a better future, a better
timeline, a better being

"Evey: Is this another trick V? V: No. No more
tricks. No more lies"
— V For Vendetta (2005) —

Have no Fear. Be Fearless without being
stupid. Be Stronger and Braver than Fear. You
can do it!

Become Love. Overcome your Fears by
believing in yourself

You can be Brave. You can be Love

I believe in you!

Heaven and hell are off-balanced worlds
The Greatest place to become is the Great
Balance; True Heaven

Where the Great Darkness and the Great
Light are most beautifully combined

Hier en daar zal onperfectie in mijn zijn en
woord zijn voor die mensen die willen
verdwalen van mij

Die onperfectie is zo min mogelijk zodat het
overduidelijk zal zijn dat mensen zich
aansluiten bij het Woord van God; diegenen
die voor het Goede Kiezen en zich aansluiten
bij de Weg en de Waarheid

I am Eyowa "The Protector of the Way" and i
am going to bring some people to True Hell

Time to bring some men to where they belong
to pay their price and to become one day
something Greater

I am here to tell the Truth

I am here to lead the Way

I am here to show u the Life

I am the Father, the Son and the Holy Spirit

Here to release us from the debt-slave system

Here to set us free

Here to help us Find Home

Arrival of Great Spirit

Arrival of the Great Judgement

Jesus Christ has arrived in Eyowa

Son of Men

End of Days

A New Begin

I am the Great Death i am the Great Life

I am the Mystery of Being

I am the Great Warning
Listen carefully what i have to say

I am the most ignored person in the world

One of the most damaged persons in the world

I went to hell, i went to True Hell, i have healed
myself again and again, and again to help you heal
yourself

Here to Save you From the Depths of Hell

Here to remind you what you once knew

End of Samsara coming

End of the Rebirth-Cycle

End of Maya

Green Paradise

Heaven on Earth

Heaven Beyond

I am the Voice of the Outer World

I am the Voice of God

The Divine Messenger

The Supreme Being

If much of the world is a lie. You should find
out the Truth and then Share the Truth

Ik ben Eyowa "De Beschermmer van de Weg"

**Hier om u te begeleiden terug naar het
paradijs**

Ik wil alle mensen redden Vader. Geef me de
kracht en de heerlijkheid om dit voor elkaar
te krijgen. Geef me de moed en de liefde die
ik nodig heb om de mensheid naar een
betere tijd te trekken

Hemel op aarde. Hemel daarbuiten

In de aanloop naar de nieuwe aarde wordt
het gevaarlijker om in de nacht te leven.
Mensen die meer naar de nacht neigen zullen
eerder naar de hel vallen. Leef daarom
zoveel mogelijk overdag in het licht

Weg van het onlicht

**Instead of Negative and Stupid News We
should Educate the World with the Right
Dharma daily, to Find Heavenly Order**

Is money your God or is Jesus your God?

Means Heaven or hell

Je kan vaak dingen op twee manieren zeggen

Op een negatieve manier en op een positieve
manier

Verbindt u met de juiste woorden om u meer
te verbinden met het paradijs

Love is the binding force that holds us
together

Love is the force that creates World Harmony
and World Peace

Most people are sheep

I am teaching you to become the Right Lion

I am teaching you to become like Jesus Christ

**My words, music and art will help raise your
vibration to Heavenly Order**

Listen carefully what i have to say

Niemand komt tot de Vader zonder mij

Nu is AI nog grappig

Straks niet meer

Time to destroy AI as a Superintelligence or
fall to Hell

"Our lives are not our own. We are bound to others... past and present. And by each crime and every kindness we birth our future"

"Everything is connected"

"I believe there is another world waiting for us, Sixsmith. A better world and I'll be waiting for you there"

— Cloud Atlas (Extended Trailer) (2012) —

**People could climb the Tree of Life to Find
Home; a Heaven to Be**

Follow my word to climb the Tree of Life

Sommige mythische verhalen zijn waar

Zoals het verhaal van de Ware

Luister goed wat ik te vertellen

Ik ben de Bron naar Huis

Hemel op Aarde

Hemel daarbuiten

Soms zijn mijn woorden hard

Ik doe dat niet om u te beschadigen

Ik wil u wakker schudden van de ziekte waar
We in leven

Hardheid kan ten goede worden gebruikt

Ik wil uiteindelijk alle kinderen van God weer
terug in het Koninkrijk van God

Waar zachtheid, waarheid, harmonie en vrede
heerst

Dat is mijn missie

The Age of Adventure is over

The Age of Love is beginning

**The Right Art, the Right Knowledge and the
Right Actions is the Ride Home**

There are multiple beings on this planet that
align with the Highest Good and the Highest
God, but one person on this planet is truly
God in person

A multidimensional being has been sent from
the depths of the Cosmos. Here to Save Every
Being on this Planet

A being with the Greatest Heart, the Highest
Ideals and the Highest Intuition

He went through the deepest hells, he had
the highest highs and he remained in all
timelines and dimensions his Highest Heart

The Devil has tried to trick this person in
multiple ways but he remained his Gold

This man is the Highest Individual on Gaia

He made a plan to Save the World and Every
being in it

His name is Eyowa

Listen Carefully what he has to say

God has spoken

"There's something happening to me.. There's
something awakening in my mind. I can't
control it"

— Dune (2021) —

**"THIS IS THE FINAL BATTLE BETWEEN GOOD
AND EVIL, LIGHT AND DARKNESS. GOOD
WILL PREVAIL OVER EVIL. LIGHT IS GOING TO
DEFEAT THE DARK. THIS IS THE LAST CHANCE
FOR THOSE WHO ARE ON THE FENCE; NO
ONE WILL BE GIVEN ANOTHER CHANCE
ONCE THIS BATTLE IS OVER"**

— Aurora Ray —

This world is based on lies

Time to reveal the Truth

This world is controlled by Great Spirit now

There is nothing that We can do

We are All going to be taken over by Great
Spirit to return Home in the coming decade

Heaven or hell

The Great Balance

Time to return to Infinity

Heaven or hell

“V: Thus i clothe my naked villainy with old
odd ends stolen forth from holy writ and
seem a saint when most i play the devil

Bishop: Oh please have mercy

V: Oh not tonight bishop, not tonight..”

— V For Vendetta (2005) —

“Veel van wat er achter de schermen plaatsvindt wordt door de reguliere media verborgen gehouden. De daadwerkelijke politieke agenda van de heersende schaduwelite en hun gruwelijke misdaden tegen de menselijkheid blijven in de mainstream media onbesproken. Ook worden veel historische kunstschaten en geavanceerde technologie voor de mensheid geheim gehouden. Gelukkig is er een toenemend aantal klokkenluiders binnen onder andere: de Illuminati (Cabal), overheidsorganisaties en medewerkers binnen geheime zwarte-budget-projecten die steeds meer informatie lekken. De artikelen hierover bieden informatie, die helpt het referentiekader te verbreden. Daardoor kan men zaken in een steeds breder perspectief plaatsen. Het doel is om mensen op deze manier te helpen ontwaken”

U kunt het!!

We are here to reach enlightenment or
endarkment

Time to choose

And find Heaven or hell

We broke the Universal Law. And breaking
the Universal Law can lead to Hell and Non-
existence

I am here now to prevent that from
happening

Listen carefully what i have to say

We leven in een verdwaalde werkelijkheid

Tijd om ons te helen

Luister goed wat ik te vertellen heb

**We live in the Twilight World: The World
between Heaven and Hell**

**It is time to Restore the Great Balance and
bring us to where We belong**

We moeten onze paradijzen beschermen van
het onlicht door 1 te worden met het
Christus-bewustzijn, de Heilige Geest en
zoveel mogelijk de leer te kennen en te zijn
van de Weg, de Waarheid en het Leven

When a world is distorted by lies, someone
has to come to tell the truth

That was my conclusion after i awakened of
the lie We live in

And a journey started to become the one

I am going to tell the truth for the ones that
have still ears to hear

Listen carefully what i have to say

When more and more people fall in love with
each other again the world will pull more to
Paradise

We have to find our soulmates in Divine
Timing to find Harmony and Peace

Love can Save the World

"You tell people that you love how to avoid
the road to hell and you don't do that
because you are shaking your finger at them
or because you are a moral authority, you do
it because you don't want them to burn.."

Our Father Who Art in Heaven

Thy Name is Holy

Thy Kingdom Come

Thy Will be King on Gaia as it is in Heaven

Give us our daily bread and forgive us our
trespasses as We forgive those who trespass
against us

And lead us not into temptation but deliver
us from the unlight

For Thine is the Kingdom. The Power and the
Glory. Forever and Ever

PREFACE

Dear Mankind,

I am the Father, the Son and the Holy Spirit and i am
here to tell you that the world as We know it is about to
end

Prepare yourself for what is to come

"Be Brave"

Help yourself and those around you in the process
After what has to be done, there comes a new world
A world with love, a world with light
A world in harmony with "Eyowa"

Place him in your heart and you will be guided for times
to come

But first We are going to have a storm

"Even if you are surrounded by darkness, you can still
choose to be the light"

Know that the storm will pass and a better world will be

With Love,

Eyowa Yeshua Krishna

1 MET EYOWA

1 MET GOD

Verloren gangen zijn volmaakte wijsheden en
kennis te vinden

Zonder dat je het doorhebt vormt het paradijs
jezelf

En ben je weer terug in de vergeten schat van
het bestaan

Terug waar We allemaal thuishoren

1 met Eyowa en God

Daar waar de engelen en heiligen zijn

Vind de reis terug naar jezelf

En herken je eigen gedachten en herinneringen
van verloren levens

Schatrijk zul je zijn als je weer volmaakt bent
met alle kennis die je was verloren

13 MONTHS CALENDAR

We should have 13 Months in a Calendar;
where each month has 28 days with the 7th
month 30 days

366 days in a year

A perfect Balance with the Cosmos

The Satanists of this World have done
everything to destroy our Balance with the
Multiverse of Being including the offset of our
Calendar

A PRAYER

3

Give me the strength to carry on Great Father

Give me the strength to carry on

Give me Hope, Strength and Power to survive
everything that is to come

Fill my body and being with love so i can share love
with the World

Let us be engulfed by the Holy Spirit

Let us become one with the Holy Spirit

Let us Find Home Father

I beg you..

Give me the strength to carry on

A SERIOUS WARNING

We are here for Divine Reasons. Don't use drugs to escape reality on Gaia. It is very dangerous. You belong here for a reason. Make that reason work. Find your true self, passions and role in this world and leave drugs out of the equation

Escaping this world through ayahuasca, psilocybin or any other mind altering drugs could get you a VERY heavy price

YOU HAVE BEEN WARNED!!

We don't need drugs to become Great Spirit

We have to become the Way, the Life and the Truth

We have to embody the Christ Consciousness to find a Paradise to Be while We don't destroy the balances of other worlds through mind altering drugs

Great Spirit is done with all the trippers, tripping things off balanced

YOU HAVE BEEN WARNED!!

A WARNING FOR DONALD TRUMP

Donald Trump and his team should have checked the demons hiding in the corners of the White House before you move into it. The White House is possessed by Satan. As much as i love Donald Trump, he is already making some terrible mistakes in creating a better world. I hope he and his team learns more about Spirit and the Ways of Spirit. You can easily become a puppet of Satan in a Home where Satan played the Devil for Long Times

I would strongly advise Donald Trump and his team to get out of the White House and move to Holy Ground to do the Work that should be done

Creating World Harmony and World Peace

And forget the stupid slogan "Make America Great Again". But instead "Make Gaia Great Again"

ABOUT THE KINGDOM OF EYOWA

The Kingdom of Eyowa will be a combination
of Heaven and True Heaven

We will move to the Kingdom of Eyowa in
Divine Timing where a beautiful and
harmonious Way of Being will be;

Joy, Love, Harmony, Beauty and Peaceful
Blissful Awareness

In Harmony with a New Animal Kingdom, A
New Form of Nature and Cities build on Great
Ideas and Great Spirits for a Beautiful Way of
Being in Heavenly Order

While our bodies will be upgraded to the
Highest Good. We will have powerful and
beautiful new bodies in the Kingdom of Eyowa

Imagine the most beautiful world and it will
be far more beautiful than you can possibly
imagine

It is time to Find Home

It is time to Njoy the Kingdom of Eyowa

ACCEPTEER JE LOT

1

Accepteer je lot en maak er het beste van is
de belangrijkste les die ik heb moeten leren

Dromen die niet uitkomen en eindeloze
teleurstellingen heb ik allemaal moeten
accepteren om weer ruimte te krijgen om te
leven

Niet accepteren geeft je eindeloos verdriet en
drama als God andere dingen wenst dan
jezelf wenst

“It did not really matter what we expected
from life, but rather what life expected from
us”

— Viktor E. Frankl —

AFFIRMATIONS

Heb goede affirmaties over uzelf om je
sterker te verbinden met het paradijs en de
hemel

Zeg:

Ik ben sterk
Ik ben krachtig
Ik ben beschermd
Ik ben van liefde
Ik ben dapper
Ik ben mooi
Ik ben goed
Ik ben hemels
Ik ben liefdevol
Ik ben vrede
Ik ben rust
Ik ben kalmte

Zeg deze gedachten ook als het even niet
goed met u gaat

Het maakt u sterk en stabiel

Het helpt u op weg naar uw persoonlijke
hemel

ALCOHOL EN WIET WORDEN VERBODEN

Alcohol en wiet worden verboden in de
Nieuwe Aarde

Ze kunnen behulpzaam zijn in een verdwaalde
wereld, maar in de Nieuwe Aarde worden We
allemaal weer 1 met God en zullen We ons
allen weer thuis en compleet voelen zonder
drugs

Alcohol en wiet zijn niet de Weg en ze zullen
verbannen worden uit het Paradijs voor
consumptie

We zullen een zalige werkelijkheid ervaren
zonder drugs

ARRIVAL OF THE GREAT JUDGEMENT

Humanity is deeply indoctrinated

Humanity is sick to the core

Time to bend on your knees and pray for forgiveness

And maybe the Gods have something Great in return

A second chance

In sharing a life in harmony and peace with God and its
beings

Eyowa will have his own Kingdom

Repent your sins sincerely to him and you will be
forgiven

But you must bend on your knees and beg forgiveness for
all the horror that has been done to this world

Gaia needs to heal without humanity

Time to bring you to the Kingdom of Eyowa when you are
forgiven

Time to come Home

Finding Home

Arrival of the Great Plan

Judgement Day has arrived

AYAHUASCA IS NOT THE WAY

Everyone doing an ayahuasca ceremony can
become a Star Traveler

But i tell you it is not the Way and it will NEVER
be the Way

You can travel for a Billion Years and come back
as an Old Soul through hellllllllll and True
Helllllllllll

And God knows where you've been and what
stupid things you've done in the Cosmic of Being

Ayahuasca and drugs in general are not the Way

They can Lead to hell and True Hell

God has plans for you and drugs are not in that
plan for 99.9 percent of the Humans

Stay away from drugs

And stay away from Ayahuasca

You have no clue while you're doing it

BALANCE YOURSELF WITH DEATH

Balancing myself with Death is one of the most beautiful things that has happened to me

To become the Right Balance between Life and Death is letting go of control, becoming the Flow of Life

To become the Balance Between Life and Death is finding truly inner peace, while being fulfilled and satisfied with life with no obsessions left

To become the Right Balance between Life and Death in a symbolic sense is to Find Home

To become the Right Balance between Life and Death is an endless Just Be experience

BECOME GREAT SPIRIT

Not all light beings are great

There is Great Light and Great Darkness

And there is Evil Light and Evil Darkness

The test of all beings is if he can be Great in
the Dark and if he can be Great in the Light

To find True Heaven where the Great Darkness
and the Great Light are most beautifully
combined

BECOME LIKE EYOWA

Endless suffering is not needed to become the Way

We can teach and Learn the Way without True Hell

True Hell is the Work of the Devil

It's a terrible situation in the Multiverse of Being

We have to restore the Great Balance

We have to become the Source of Mind

The Way the Life and the Truth to find True Heaven
forever and ever in Peace

Become One With Eyowa

Follow his work

Follow his teachings

He will show you the door to Endless Greatness

Will you follow him?

Or will you reject him?

Means Heaven or hell

BECOME LOVE TO PROTECT YOURSELF FROM THE UNLIGHT

Beings that choose the unlight; the wrong path;
We don't send them love. They choose to become
something different than love. That's something
We light beings can't understand. The World is
bigger than We can imagine. God has a plan for
all of us. Even for the beings that choose the
unlight. But We don't send them love

There is an exception; to protect yourself from
the unlight you have to become light and love

The unlight can't withstand light and love

Light and love is the best protection against the
unlight

So if you feel unlight in your body (fear); you
should send love to that area of the body, so the
unlight disappears. Only in those occasions you
send love to the unlight. In other cases you don't,
while you have an unconditional love attitude to
all beings; including the unlight

BECOME MORE LIKE A GREAT ANIMAL BEING

Mensen zijn teveel als mensen

Mensen horen meer als dieren te zijn

Bewust, spiritueel en verbonden met de aarde en
de natuur

Verlies je menselijkheid en wordt weer meer als
een mooi goed dier

Het is de Weg, de Waarheid en het Leven

-

Mensen voelen zich verheven boven de dieren

Maar de dieren snappen het beter als mensen

De dieren zijn nog bezielde door de Bron

Terwijl de mens meer verdwaald is van de Bron

Wordt weer meer als een dier

Wordt meer als de Bron

BECOME THE CHRIST CONSCIOUSNESS

Some beliefs and convictions need to die
inside you to grow better

Some beliefs and convictions need to
transform for the better
Not everything you believe is true and is the
right way of living

You should ask yourself what limiting beliefs
you have for not aligning with a life in
enlightenment

Follow the Way, the Life and the Truth to
restore your Great Balance

To become the Christ Consciousness

To Find Harmony and Peace

To Find God Within

Source

BECOME THE GREAT BALANCE

Wordt de Grote Balans

Vindt de Grote Balans in uwzelf

De Juiste Balans tussen Hard en Zacht

De Juiste Balans tussen Donker en Licht

De Juiste Balans tussen Diep en Hoog

De Juiste Balans tussen Mannelijke en
Vrouwelijke krachten

De Juiste Balans tussen Mensen en Dieren

De Juiste Balans tussen Gaia en haar Wezens

De Juiste Balans tussen God en Mens

De Juiste Balans tussen Bezieling en Materie

En alle andere balansen die u balanceren met
het Hoogste Goed; het Christus Bewustzijn

En samen zult u vinden; innerlijke rust, vrede,
harmonie, vrijheid, waarheid en liefde

BECOMING LIKE JESUS CHRIST

1

A Guardian Angel has his Monster integrated.
He uses his Monster only for the Highest
Good. To protect and to serve

Your monster gives you great Power and
Strength while your Angel gives you the
courage to Love and be Loved

You should balance yourself with your
Monster to become the Highest Good

You should become a Guardian Angel to
protect you and your community from the real
Monsters, the ones that want to deliver evil

You should become the Way, the Life and the
Truth by becoming like Jesus Christ

A Monsterly Great Being that serves Love,
Light and Life

BECOMING LIKE JESUS CHRIST

2

Tame your Monster. Don't let it have control
over you. You are the Master of your Monster
and your Angel

Say NO! to your Monster when it wants to do
wrong.

Tame it!

Human beings have two sides

Two spirits

A Monsterly Spirit and an Angelic Spirit

The Job is to become Heavenly and Choose to
Protect and Serve Life and Light

The Job is to become like Jesus Christ

A Monsterly Great Being that Serves the
Highest Good

To Create Heavenly Paradises

To Create Heavenly Order

BECOMING THE GREAT BALANCE

Satan and evil is not the Great Darkness

When i speak about the Great Darkness, i
mean that one can be Great in the Darkness

One can remain his Angelic Holy traits in hell
and in heaven

That is True Enlightenment. One remains a
Holy Being in Heaven and in hell

The Great Darkness and the Great Light is the
ultimate mission for every spiritual warrior
connected to the Highest Good

Becoming the Great Balance

Becoming like Jesus Christ

BLIJF AAN DE GOEDE KANT VAN HET LEVEN

1

Sommige dingen kan je niet weten en sommige dingen hoor je niet te weten. Sommige dingen moeten verborgen blijven. Sommige dingen zijn niet bestemd voor kleine wezens zoals Wij. Sommige dingen kunnen ons diep laten verdwalen; zoals zwarte magie en satanisme. Zoek daar niks over op. Blijf daar vandaan. Wie dat wel doet zal naar de hel worden geleid en geloof me daar wil je niet zijn. Sommige dingen zijn niet om te weten. Sommige dingen zijn niet om te begrijpen. Het is voor uw eigen bescherming. Het is de Weg, de Waarheid en het Leven

BLIJF AAN DE GOEDE KANT VAN HET LEVEN

2

Blijf aan de goede kant van het leven

Verdiep je niet in satanisme en zwarte magie

Hou je vast aan het goede

Verlies de goede bron niet uit het oog

Hou je verbinding met God, the Supreme Being in stand
door je niet te verbinden met de weg van het onlicht

Hou je vast aan het hart van Eyowa, Christina von
Dreien en Jordan B. Peterson

Zij brengen je de weg in overeenstemming met het hart
van Christus

Zij brengen je terug naar het paradijs

De Ware Weg en de Enige Weg

Weg van alle narigheid en onlicht

Terug naar huis

Harmonie, vrede, vrijheid, waarheid en liefde in
overeenstemming met de Goddelijke Wil

CBD

CBD stabiliseert uw brein en lichaam

**Gebruik goede CBD om uw lichaam en geest
te balanceren als u last heeft van angst,
stress en onrust**

**Zorg ervoor dat er vrijwel tot geen THC in de
CBD zit**

THC kan uw geest diep uit balans brengen

THC is niet de Weg

**CBD helpt in de aanloop naar de Nieuwe
Aarde**

Een leven zonder zorgen en stress

CHOOSE THE LIGHT

It is dangerous to live in the dark from now
on

You should live in the light if you choose
heavenly order

You should live in the darkness if you want
hellish disorder. Literally and figuratively

It is time to separate what should not exist in
the other

It is time to separate Hell from Heaven.
Darkness from Light

It is time to live in the daylight to not fall to
hell

It is time to become Heavenly by choosing
light above darkness

CONNECT WITH SOURCE

Tell yourself daily:

I am Light

I am Love

I am Harmony

I am Truth

I am Balanced

I am Peace

I am Source

To connect yourself with the Supreme Being
and Source

CONNECT WITH YOUR PERSONAL PARADISE

I am holding on to beautiful pictures of
beautiful woman, beautiful nature, beautiful
animals and spiritual warriors, instead of
falling to the unlight

What do you like and what do you love that
holds you to Heavenly Order?

In this time it is important to connect with
your personal paradise. In this time it is
important to make your dreams come true

In this time it is important to connect with
your personal Heaven

COSMIC BALANCE

The Illuminati is part of the Cosmic Balance
But it also shows us what not to become, what
not to be

The Illuminati is a sick organization that will
eventually will lead to True Death

But it is used by the Creator to strive us to
become Greater and Stronger

Greater than becoming evil

Something like the Highest Good

DE 3 WAARHEDEN

Licht

Leven en Liefde

De 3 Waarheden van het Bestaan

-

Verbindt u met de 3 Waarheden om u te
verbinden met de Bron

Verbindt u met de 3 Waarheden om te
verbinden met het paradijs

Verbindt u met de 3 Waarheden om thuis te
komen bij God; the Supreme Being

DE BESCHERMER VAN DE WEG

Laat me sterker zijn Vader dan Angst en Onlicht. Geef me de moed en de kracht om elke obstakel te overwinnen en te vechten voor iedere ziel die thuishoort in Liefde en Licht. Laat me Alle mensen redden die aan de kant van het Goede staan Heer. Laat mensen niet verdwalen naar het onlicht Vader. Geef ze een kans om thuis te komen bij uw Bron van Liefde, Licht en Heerlijkheid

Ik bid voor alle mensen in pijn, angst en verdriet. Laat ze de weg van Eyowa kennen om thuis te komen naar een wereld van Liefde, Leven, Harmonie en Vrede

In heerlijkheid met de Vader en zijn zoon Eyowa "De Beschermers van de Weg"

DE BEVRIJDING

Als je eenmaal doorhebt hoe diep We met zijn
allen zijn geïndoctrineerd door de meest zieke
mensen. Dan begrijp je hoe diep We elkaar,
de dieren en de aarde hebben verkracht

We zijn een ontzettend ziek soort en We
hebben het nog steeds nog niet helemaal
door

Het is tijd om te ontwaken en het juiste doen

Volg de Weg en de Waarheid

Volg mij

We gaan ons bevrijden

Great Spirit has returned

DE WAARHEID BOVEN TAFEL

2

Freemasons en mensen bij de Illuminati
worden langzaam stapje voor stapje opgeleid
tot Satanist en slaaf gemaakt aan de
organisatie onder het mom van broederschap

De gehele samenleving is geïnfiltreerd door
Freemasons en mensen van de Illuminati

Tijd om alle burgemeesters, politie-hoofden
en overheidsambtenaren te ondervragen en te
onderzoeken of ze werken voor Satanistische
organisaties

Tijd om ze te ontmaskeren

En ze een prijs te geven die past bij hun
wandaden tegen mens, dier en natuur

DE WAARHEID BOVEN TAFEL

3

Freemasonry en Illuminati zijn een bedreiging
voor onze samenleving

Tijd dat We grondig onderzoek gaan doen
naar deze organisaties en hun evil doctrines

Tijd dat We het opnemen tegen de meest
duistere ordes op Aarde

Time to burn them in Hell

Time will come!!

En laat de waarheid boven tafel komen

In plaats van de leugen die regeert

Zijn dat jouw woorden Beatrix??

DIVINE PLAN

We live in an impeccable creation

Trust on the Divine Will and the Divine Plan

We can't understand all what the Creator can
understand

But We can Trust

We are here to become Greater, Stronger and Wiser
to become one day a God oneself

Let us connect us back with the Stars

And let us unite us with the Cosmic of Being in
Harmony and Peace while We stay a Mystery

A Divine Mystery to restore the Great Balance and to
become one with the Supreme Being; God himself

A Great Spirit will arrive out of this creation

We are going Home

A Great Paradise will be

Trust on the Divine Will and the Divine Plan

The Return of Great Knowledge and Wisdom will
help us connect with our Star Family

Are you ready?

EGO OR SOUL

4

Be aware of your ego

The false self

Know its tricks

It always wants to feel better or worse than
others

It always sees everyone as a competition

It is very selfish and very lonely

It thinks in losers and winners

Become your soul by recognizing this Ego
within you and ignoring your Ego with
unconditional love

Don't take all the false parts in yourself
serious anymore

Become your True Self

A Humble Soul Embodied Being

EGO OR SOUL

5

The Ego is the demon inside that wants to
give you a nightmare of life

The Soul is the Angel inside that wants to give
you the time of your life

Time to choose who you want to be

You can't be both anymore

Soul or Ego?

Angel or Demon?

Heaven or hell

EGO OR SOUL

6

Voel je niet beter of meer dan anderen

Voel je niet slechter of minder dan anderen

Heb jezelf onvoorwaardelijk lief en heb
anderen onvoorwaardelijk lief

Wees een ziel in plaats van een ego

Wordt Harmonie, Vrede, Rust, Waarheid en
Liefde

Een nederig wezen ten opzichte van al het
bestaan

Sluit je aan bij je ziel en zie alles als je
gelijkwaardige

Je bent niet beter of meer dan anderen

We zijn elkaar en ervaren elkaar door
verschillende levens

EVERYTHING HAS A PRICE

Laten We het gevecht aangaan tegen het
Kwaad in de wereld. Laten We het Kwaad
ontmaskeren en laten We de sluwe Duivels
een kans geven om hun prijs te betalen in
True Hell om uiteindelijk weer thuis te komen
bij God om nieuwe beschermers voor Creatie
te worden

FINAL CHANCE

Evil will and shall never be the right mode of
being

We should always avoid the road to hell

In case you see this differently: hell will be
your upcoming existence

To learn

Can't learn or don't want to learn?

Cease to be

That is my final warning against the
Illuminati, Freemasonry, Baphomet and all the
other Devils

You will pay your prices in hell

After that We will have a talk if you want to
join the good cause again

If you still want to choose evil and hell

YOU WILL BE REMOVED FROM EXISTENCE

That's my call

FINAL JUDGEMENT

We followed the wrong rules

We followed the wrong laws

We followed the wrong leaders

We followed the wrong feelings

We follow the wrong intuition

We are a disease to the Animal Kingdom, Nature
and the Cosmos

Time to Pay YOUR PRICE

Judgement Day is Arriving

Repent and bend on your knees and start asking for
forgiveness if you want to be saved from HELL

If you don't want to listen you can go to hell or We
will make you disappear from existence

This is your last chance to escape Hell, True Hell and
True Death

Time has come

FINAL WARNING

3

© JON CARMICHAEL

There will come a Spiritual Black Hole into being
to restore the Great Balance. All the Dark Angels
and the ones who are chosen to go to hell (the
Dark Heaven) will move to the Black Sun in
Divine Timing

Prepare yourself

These are the last days to connect yourself with
the Christ Consciousness and the Truth to return
to Heaven through Eyowa and the Sun of Light

FIND THE RIGHT DHARMA

Focus yourself more on Wisdom and not on
All Knowledge

Not everything should be known. Not
everything will be Known

We should find the Right Way of Being again;
The Right Dharma

With the Right Knowledge and the Right
Wisdom;

Harmony and Peace can be

FREEMASONRY IS A DISEASE

Freemasonry is a secret society where psychopaths are made who worship Satan. The truth has to come out. Entire world ruling forces in this world are ruled by this secret organisation

The Devil, Satan or Lucifer has this world under his demand for centuries

But not for long. Baphomet will fall. So as all the other Devils. They will burn in Hell. And learn. And if you don't learn. Cease to exist. That's my call

I am Eyowa

I am the Son of Men

And i will restore Heaven on Earth

By removing Freemasonry and the Illuminati from this World

That is my call

GEHEIME GENOOTSCHAPPEN

Blijf vandaan van geheime genootschappen.
Alles wat het licht niet kan verdragen is niet
de Weg

Dat dingen in het duister en in het geheim
moeten blijven gehouden worden is een teken
van het werk van het onlicht

Onlicht kan licht niet verdragen en werkt
vanuit het geheim om meer duisternis te
creëren

Blijf vandaan bij Geheime Genootschappen
Ze zijn verreweg het Hoogste Goed

GIFT OF LIFE

Through my words, music and art; people in hell
could find home to Source

They could find a paradise to be if they follow and
become my words and music

I am the road home to Heavenly Order

I am the Way, the Life and the Truth

I am a Great Person in hell

I am a Great Person in Heaven

I am the Gift of Life

I am the Supreme Being

I am Great Spirit

I am Source

I am God

Follow and become Eyowa to find the Supreme Being
within your own being

Follow me to become Source

Follow me to become God yourself

The Holy Spirit

GOD HAS SPOKEN

The ones that don't bend on their knees to Eyowa will go
to hell

Understand???

Laugh all you want

Make fun of him

And see him as Alt, Aldert Johan or whatever the fuck
you think of him

He is Jesus Christ

Was here 2000 years ago

Is here again to give the Final Judgement

Understand???

Being a God is not so special to Eyowa

There are billions of Gods in the Multiverse of Being

We understand for you Humans its a big deal

He is your example and you will be one day as great as
him

But first We have to finish this story on Gaia

Time to come Home

God has Spoken

GOD IS IMPECCABLE

There is a Great Divine Reason behind
Everything

God is impeccable

Once you learned the Way and the Mind of
God you'll understand that God, Great Spirit,
the Supreme Being has made an impeccable

HEAVEN OR HELL

Netflix and other streaming services should be divided in two. With one subscription with all the movies and docu's that leads to paradise and heaven and one subscription with all the horror, thrillers and docu's that leads to hell

We should separate what shouldn't exist in the other

HEB GEEN SCHULD

Voel je niet schuldig met een uitkering

Het systeem jat, steelt en bedriegt eindeloos
zonder verantwoording daarvoor af te leggen

Wees dankbaar dat je een inkomen hebt en
wees er niet schuldig daarover

Wordt een vrijer mens en laat je schuld los

Probeer van goede invloed te zijn voor jezelf
en anderen

Iedereen hoort erbij, ook al geeft het systeem
je een ander gevoel dat alleen mensen met
geld, succes en status van waarde zijn. Dat is
het verhaal van de duivel en moet om zeep
worden geholpen om ware harmonie en vrede
te vinden; een paradijs op aarde waarbij
ieder mens erbij hoort en ieder mens een rol
heeft

HELL HAS A DIVINE REASON

Some people live in hell for Divine Reasons

It's hard for us to understand but there are
Great Divine Reasons why one should process
the fears and tears of hell

One of the reasons is that one can become a
Greater Force for Good once one has
experienced hell

In hell empathy is made

In hell one learns what not to become, what
not to want, what not to be

Some beings have volunteered to have a life
in hell to become a Greater Force For Good

HEMEL OF HEL

1

Satan wil ons doen geloven dat het nooit genoeg is.
Dat je altijd meer moet en meer moet zijn. Eindeloze
ontevredenheid. Zodat je nooit gevuld raakt door
God

Incarneer het tevredenheids-bewustzijn en wees
tevreden en dankbaar voor alles wat je wel hebt.
Ook de dingen die zo vanzelfsprekend lijken. (Zoals
water of een goede nachtrust)

Mensen hebben niet veel nodig om een goed leven
te leiden

De kunst is om een simpel en bescheiden leven te
leiden

Het brengt je meer voldoening dan de eindelijke
zoektocht naar geld, carrière en status

"A calm and modest life brings more happiness than
the pursuit of success combined with constant
restlessness"
— Albert Einstein —

De zoektocht naar geld, macht en status is de weg
naar de hel

De weg van Jezus is de Weg naar het Paradijs

Tijd om te kiezen

Hemel of hel

HERSTEL UW CONNECTIE MET DE BRON

Je kan verdwalen in het bestaan. Er zijn veel
verdwaalde zielen in deze zieke wereld

Luister goed wat ik te vertellen heb

Ik ben de Weg

Weg naar huis

Weg naar het paradijs

Stel je open voor de Schepper

Omarm hem in je hart en ziel

En laat hem weten dat je van hem houdt

Hij zal u liefde en schoonheid terugsturen

Een relatie opbouwen met de oneindige
goede bron is belangrijk in een bestaan waar
veel valse goden en wezens zijn

HERSTELLEN VAN DE KOSMISCHE BALANS

Het onlicht wil meer onlicht creëren

Het licht wil meer licht creëren

Het onlicht en het licht zouden elkaar met
rust moeten laten in dat process

Het onlicht zou op zoek moeten gaan naar de
Dark Heaven (de Hel) en het licht zou op zoek
moeten gaan naar de Light Heaven (de
Hemel)

Zodat We uit elkaar gaan en er weer
Harmonie en Vrede kan zijn

De Kosmische Balans Hersteld

HET DERDE PAD

Wij zijn lichtwezens en We kunnen het onlicht
niet begrijpen en We moeten dat ook niet
willen begrijpen

Er zijn twee paden in de Kosmos. 1 die leidt
tot het leven en de ander die leidt tot de
dood

Terwijl er wezens zijn die de Juiste Balans
hebben gevonden tussen die twee werelden in
Harmonie met het Hoogste Goed

Die zullen de Ware Hemel vinden. Het derde
pad

Waar de Geweldige Donkerheid en het
Geweldige Licht gecombineerd zijn in een
harmonisch geweldig mooi verhaal

De Juiste Balans tussen Yin & Yang; Licht &
Donker

Dat is de Weg, de Waarheid en het Leven

HET LAATSTE OORDEEL

2

We kunnen wezens hard genoeg breken zodat
ze gaan smeken om hun leven> Zelfs de
ergste kankerlijers, satanisten en andere
duivels

Er is een manier om ons allemaal weer terug
te brengen naar het Hoogste Goed

Via mijn Woord of via andere manieren

Het Laatste Oordeel komt eraan

Bereid je voor

Dit is het laatste moment om vergeving te
vragen voor alle wreedheid die je hebt
gedaan

HET LAATSTE OORDEEL

3

Niet alles wat in de Bijbel staat klopt en is goed. Er staan mooie regels en verzen in de Bijbel maar niet alles leidt tot het Goede. Het zou kunnen zijn dat er verduistering tot de Bijbel is aangebracht in de loop der jaren door het Vaticaan. Het Vaticaan is bezeten door de Duivel. Ze doen langzaam stapje voor stapje zodat We het bijna niet doorhebben, 100e jaren zo niet 1000en jaren worden ervoor uitgetrokken, om ons te verduisteren en ons tegen elkaar op te zetten

Ik heb de Bijbel niet in zijn volledigheid kunnen lezen om een volledig oordeel te kunnen vellen, maar de Bijbel is niet het volledige antwoord om het paradijs te vinden op aarde met zijn allen

Ik ken de Koran niet goed om daar ook een oordeel over te vellen. Maar ik ben inmiddels zeer veel liefdevolle en goede moslims tegengekomen zoals ik hele mooie christenen heb ontmoet. Het licht waarschijnlijk ook aan de interpretatie van de persoon die deze boeken leest of er goede en mooie levenslessen worden uitgehaald

Als Messiah heeft God mij op de 1 of andere manier mij niet de volledige boeken laten lezen van de Bijbel en de Koran om mensen tot God te laten komen vanuit alle hoeken en windrichtingen

Ik probeer van alle mensen te leren en van alle stromingen iets goeds uit te halen. Veel christenen en moslims denken veels te strak en houden teveel

vast aan dat ene boek terwijl waarheid en goedheid
uit veel meer bronnen kan komen

Ik heb geprobeerd de Waarheid en Goedheid te
brengen vanuit alle windrichtingen om uiteindelijk
de mensheid van alle achtergronden en culturen een
laatste kans te geven om terug te komen bij de Bron

Zoals bij de Islam en bij het Christendom is het
belangrijk om een Goed mens te zijn en daar geloof
ik Heilig in dat dat de Weg is

Het is tijd om naar Huis te Komen. Het is tijd om uw
oog te werpen op nieuwe Heilige Boeken die zijn
ontstaan door de Bron Eyowa

Luister goed wat ik te vertellen heb

Ik zoek Harmonie, Vrede en Liefde met alle
windrichtingen en culturen, behalve satanisme en
andere valse geloven ben ik voor alle windrichtingen

Ik geloof in de Harten van de Moslims

Ik geloof in de Harten van de Christenen

Ik geloof in de Harten van de Buddhisten

Ik geloof in de Harten van de Native Americans

Ik geloof in de Harten van degenen die vasthouden
aan Shinto

En alle andere geloven die uzelf vasthouden aan het
Hogere en het Goede

Want waar alle geloven het over eens zijn is dat We
goed moeten zijn voor onze broeders. Uw naasten
lief hebben. Niet meer of minder voelen dan
anderen, maar de ander als uw gelijke zien

Ik ben hier om Wereldvrede te Bereiken en het
Laatste Oordeel te geven

Ik heb graag alle mensen met mij

Stapt u mee met Eyowa?

Of wilt u van mij verdwalen?

Lees mijn boeken en bereid u voor

Dit is uw laatste kans om een goed mens te worden
en te kiezen voor het Goede

Ik heb onvoorwaardelijke liefde voor alle wezens

U bent mij in een ander leven. Zoals ik u ben in een
ander leven

God ervaart zich door alle levens heen

God is niet alleen buiten ons

God leeft ook in ons

En hij zal gaan bepalen waar u thuishoort

Hemel of hel

**“Be so that you can tell the Truth about what
you've done”**

**“Even if you feel bad spirits or have bad thoughts
inside you, you can still choose what is right, you
can still choose to be the light”**

**“Great Affirmations will help us into a Better
Future. Great Affirmations will help us Find
Home”**

**“He who uses Black Magic will align with Hell. He

Peace”**

**“If you Dance and Sing to the Music: Become the
Music”**

**“Learn to have patience when patience is
needed. Breath in your impatience. Everything in
its own timing. Become the Flow of Life; find the
Peace of Mind in every moment”**

“Leer tevreden en dankbaar te zijn voor wat je hebt. Een tevreden en dankbare houding in het leven geeft je innerlijke rust en vrede. Het helpt je naar je persoonlijke paradijs”

“Live in the daylight to live more in Heavenly Order. In Heaven there is only light. There is no darkness in Heaven. We are going to align with paradises and Heaven better if We live in the daylight and embody more light”

“The White House is possessed by Satan. Everyone Who moves into it becomes a puppet for that Devil”

‘Volg “The Chosen Ones” online die ik deel in mijn boek "Finding Home" om je te verbinden met het Hoogste Goed dat hier op Gaia actief is. En laat uzelf onderwijzen terwijl u uw eigen mening ontwikkeld”

“When a spirit grows, it becomes more impeccable. To become Impeccable is becoming like Great Spirit, The Great Eagle and the Supreme Being. To become Impeccable is the Way, the Life and the Truth”

“You can connect with my soul through my music, words and art. It will help you find a paradise to be. It will help you connect with True Heaven”

JUDGEMENT DAY

12

Ze willen me een kogel geven

Als God het wil dan zal dat zo zijn

Heeft God een ander plan dan zal dat zo zijn

Er zijn een aantal machtige mensen die naar
de hel moeten worden gebracht voor hun
misdaden tegen mens, dier en natuur

Je kan mij proberen op te ruimen zoals jullie
dat hebben gedaan met John F. Kennedy,
Martin Luther King, Pim Fortuyn en anderen,
maar Karma gaat komen voor jullie
allemaal!!!!

True HELL is coming, True Death and Hell

Time Will Come!!!!

LEARN TO APPRECIATE SILENCE

We've forgotten the importance of silence

This world has gotten to cloudy, to noisy, to
loud

Listen to the silence between the words

Listen to the silence between the music

Listen to the silence between the storms

Mankind has forgotten the ways to be in
harmony and peace

Mankind has forgotten the ways to be in
harmony with the beauty of silence

LEARN TO TRUST ON THE DIVINE

Although you can't understand everything and why there
is so much suffering, trusting on the Divine is very
important to help you find Heavenly Order

If We distrust the Father We send negative vibrations to
the Father and the Father sends negative vibrations back

Trusting on the Divine is an act of Love and your reward
is Love Back

Trust on the Divine Process

Trust on the Divine Will

Trust on the Divine Father

We're going Home

Back to Heavenly Order

I will be your guide

Listen carefully what i have to say

LEER VAN AL HET LEVEN

Probeer van alle mensen en wezens te leren

Heb een open houding

Christus is de beste weg, maar alle wezens
dragen de goddelijke bron in zich en hebben
bij te dragen en te vertellen aan de wereld

In combinatie met de juiste houding en een
goede intuïtie kunt u van veel bronnen leren
zoals Yeshua van alle bronnen die hij
tegenkwam had geleerd

LET GO OF NEGATIVE EMOTIONS

Talk to your hate and fear with unconditional love. Send love to the parts in the body that hold hate and fear and it will help you heal yourself towards love

Sometimes it's needed to express your hate to let your hate go. Find something non human or non animal to beat on (A couch, a pillow), or do sports, make music or any other art that will help you express your emotions nonviolently

We all have to heal ourselves to become the Christ-Consciousness

We must let our hate, fear and frustrations go and choose Unconditional Love

MAKE A TO DO LIST

Een To Do lijst en een To Learn lijst voor schaduwwerk en zelfwerk zijn waarschijnlijk 2 van de beste dingen die mij zijn overkomen afgelopen jaren

Het helpt je leven, jezelf en je omgeving op orde te krijgen

To Do lijsten zijn nodig om de Wereld op orde te krijgen

Help je mee?

Maak een To Do lijst en een To Learn lijst en kom op orde

De Wereld heeft je nodig

Alle beetjes bij elkaar zijn grote stappen voor ons allen

We kunnen elkaar en de aarde helen

Werk aan jezelf

Werk aan je To Do lijst en To Learn lijst

MATRIX CONTROL SYSTEM

De wereld is een openluchtgevangenis.
Vrijwel niemand kan ontsnappen aan het
zieke systeem waar We in zitten. Het onlicht
heeft er alles aan gedaan om ons slaaf te
houden aan dit systeem zodat We blijvend het
dierenrijk, de natuur en elkaar verkrachten

Het onlicht leeft van onlicht

En gebruikt ons om meer onlicht te creëren

We zijn voedsel voor een alien ras waar We
nog nooit van gehoord hebben en gezien
hebben

Vanuit het duister wordt er van onze angst en
negativiteit geleefd via dit systeem waar We in
leven

Dit noemen ze The Matrix Control System

De ontsnapping is via mijn Woord

Luister goed wat ik te zeggen heb

MICHAEL JACKSON

2

Michael Jackson was Jesus in disguise. He was a beautiful gift to the world. He had great ideas how to make a better world. He had great ideas how to heal the world. He was the gift of life. If only humanity would have listened more to the beautiful soul of Michael Jackson; Great Harmony could have been

MORIHEI UESHIBA

Morihei Ueshiba was a Great Gift to the
World. Maybe one of the Greatest Gifts this
world has ever known. He taught us the Art of
Peace

To find Harmony and Peace within ourselves
and the outside World

He taught us to be a Warrior in a Garden, not
a Gardener in a War

He taught us the Great Body, the Great Mind
and the Great Spirit

He taught us the Great Balance

O sensei. Wherever you are. We love you
dearly. The world will know your gift. Morihei
Ueshiba must be widely known

Morihei Ueshiba was a very Great Teacher

Morihei Ueshiba was Great Spirit

Morihei Ueshiba was the Supreme Being

NOT EVERYTHING WILL BE KNOWN

Some questions and some answers will lead to
places that should be unknown

It is not right to know everything and to
understand everything

It is not the Way

Protect, Serve and Enjoy life is the Way, the
Life and the Truth

We are Mysterious beings in a Mysterious
world

To want to know everything could lead to Hell
or Non-existence while the Right Knowledge
and Wisdom will lead to Heavenly Order

POWER PLANTS WORDEN VERBODEN

Het is niet de bedoeling dat We Power Plants
tot ons nemen

Alleen in zeldzame gevallen kan dat

Het is niet de Weg om Power Plants te
gebruiken voor consumptie

Power Plants mogen naast ons leven in de
natuur en zijn sterke spirits voor de
Kosmische Balans

We zijn meer in Harmonie en meer in Balans
als We Power Plants met rust laten

Ze behoren tot het paradijs, maar zoals alle
wezens in het paradijs zullen We elkaar niet
meer opeten

We zullen naast elkaar leven in harmonie en
vrede voor eeuwig en altijd als We allen de
Weg, de Waarheid en het Leven volgen en zijn

We moeten uiteindelijk de consumptie van
alcohol, wiet, ayahuasca en andere drugs
verbieden

RESCUE MISSION

1

And that Great Spirit will align with other Great Spirits and that Great Spirit will help create new Great Spirits and that Great Spirits will align together with all Great Spirits and bring everybody Home

RESCUE MISSION

2

Maybe God is not all powerful

Maybe all-knowing

But not all powerful

Maybe God is trying to heal its own Creation
for the sake of all beings inside this Creation

Maybe God is one of the heroes to help heal
something big

Something like an Omniverse itself

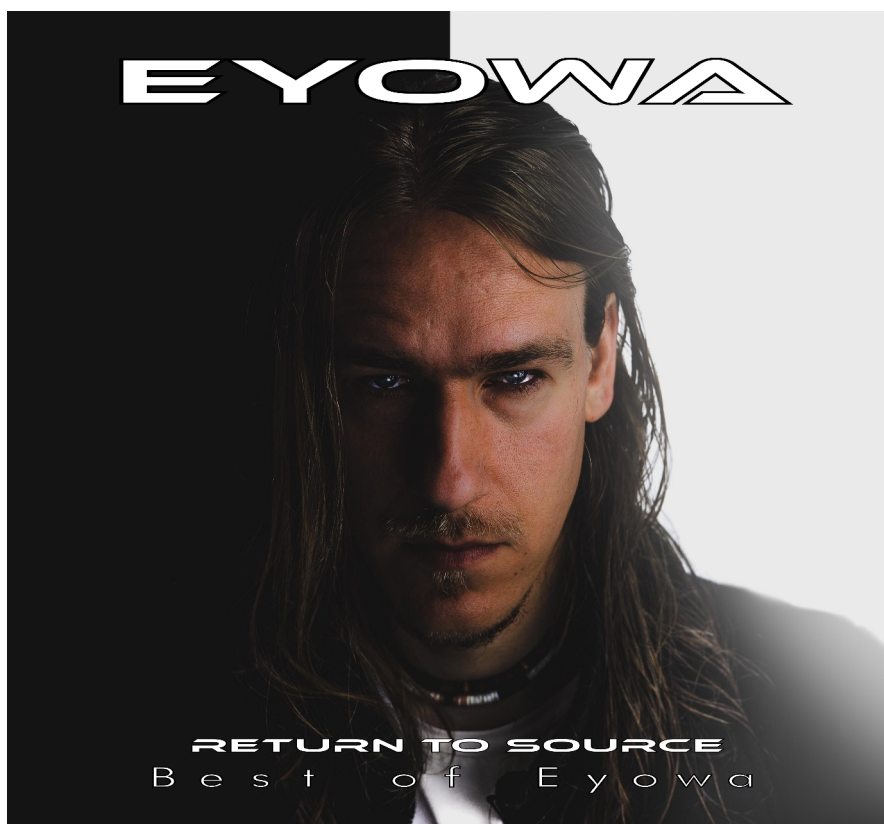

RESTORING HEAVEN FOR ALL

It's Hard to Imagine for the ones that choose Love, Harmony and Peace, but the ones that go to hell and choose hell, choose the Dark Heaven; their preferred creation where they can become as ugly and evil as possible. They will turn into the most darkest energy; they become the Unlight. They return to the world of deep pain and suffering> Somehow some beings like to suffer and like others to suffer; they belong in Hell; their Dark Heaven; they become the Dark Suffering

THE ALL SEEING EYE OF GOD

The All Seeing Eye of God is within all of us. The
All Seeing Eye of God knows all our thoughts,
feelings, actions and desires. God will determine
where you belong in your next life

There are misconceptions about the All Seeing
Eye because of the use of the Illuminati. But God
knows everything in Hell, Heaven and in the In-
between. God is All Knowing and he uses the
Illuminati for Great Purpose We can't fully
understand and imagine

The Illuminati is part of the Great Balance

If there is no Hell there can't be Heaven>
Somehow this is true

The Illuminati is used as an example of what not
to become, what not to be. For resolving Karma.

As well as it strives us to become Greater. To
become like the Highest Good; the ones that stay
Great and Good in Hell and in Heaven. That's
the mission. That is how We protect our Great
Paradises and Heavens Beyond

To become like Jesus Christ

THE DISGUSTING WORLD OF THE CIA

1

The Central Intelligence Agency (CIA) is a disgusting organization. In Divine Timing it will be destroyed deeply by the Divine Spirit of the One Infinite Creator. The knowledge will be removed. The source of their mind will be destroyed. The CIA has shown how bad they have interpret the reality and the reality of Creation

THE DISGUSTING WORLD OF THE CIA

2

The CIA is full of shit. They will be removed in Divine Timing. Everything the CIA has done is part of a larger agenda by a very dark and malevolent force. The CIA has proven to be a skillful destroyer of spirit. The CIA and all who were deeply involved in its creation and moves will pay their prices in True Hell. Or if they don't they will find True Death

Time will come

THE EVIL EYE

Vrijwel ieder mens heeft een evil eye als hij niet de Weg is. Het is de kunst om geen afgunstig oog te hebben en net zo te worden als Yeshua. Het is de kunst om uw demoon terug te zenden naar de Hel door Schaduw werk te doen; door de Weg, de Waarheid en het Leven te zijn

THE GREAT QUEST

De problemen hier op Aarde zijn onderdelen van grotere problemen in de Kosmos

Er gaat iets fout in de Kosmos. De Kosmos zelf is een groot organisch bezielde en levend wezen. En het is op dit moment zijn verstand aan het verliezen

Het zet Star Travelers in, Oude wijzen om te achterhalen wat ook alweer de Weg is om de Kosmische Balans te Herstellen

Om de Kosmische Balans te herstellen moeten We ten eerste alle tripmiddelen uit creatie verwijderen.

Tripmiddelen zorgen ervoor dat energie in werelden ontstaat die daar niet hoort te zijn. Trippers zorgen voor een Kosmische Inbalans. (Denk aan LSD, Truffels en Ayahuasca op deze Aarde)

Ten tweede moeten alle geïncarneerde zielen in creatie de Weg en de Waarheid volgen zoals Jezus hem brengt in dit Universum

Ten Derde moeten We Satan, de Duivel weten te verbannen uit creatie die alles en iedereen wil kapot maken en alles wil laten bezielen door het onlicht

Ten Vierde moeten We niet vergeten wat Jezus ons duidelijk wil maken dat het om Liefde gaat. Liefde maken, liefde beschermen en liefde bedrijven. Liefde is 1 van de grote antwoorden om de Kosmische Balans te

herstellen. Zolang het in harmonie is met de universele
Kosmische Wetten die er zijn zal Liefde 1 van de Grote
antwoorden zijn in het bestaan

Als We deze drie regels kunnen waarmaken zal de
Kosmische balans kunnen worden hersteld

Wie niet gehoor geeft aan deze regels zal worden
verwijderd uit het bestaan om de Kosmos te beschermen

We zitten op een kantelpunt en We moeten er ALLES AAN
DOEN om de Kosmische Balans te herstellen

Mijn woorden zijn Waarheid

Help ons de Kosmos te helen

Ieder individu kan meehelpen en wordt gezien als 1 van
de helden en beloond door zijn heldendaden om de
Kosmos te herstellen

Wij danken u voor uw aandacht

Let us restore the Great Balance in Prosper, Love and
Peace!

THE KINGDOM OF EYOWA

The Kingdom of Eyowa will be even more
beautiful than the 5th Dimension

The Kingdom of Eyowa will have its own
Dimension and it will be one of the Greatest
and most beautiful places to be in the Cosmic
of Being

It has all the best and beautiful of all worlds
in one World Harmony, Love and Peace

THE MAIN MISSION

Be good to yourself and be good to others.
That's the mission.. Is that so hard people?

When you're broken you tend to become more
a monster to yourself and your environment
So i understand, but the mission is Harmony
and Peace

There is no other option

The mission is to heal the sick and the broken

The mission is to be good to yourself and to
others in Heaven and in Hell

THE POWER OF BELIEF - THE POWER OF KNOWING

When one believes one lives the Truth but lives the
lie, they Hold the Power to Destroy the World

When one knows the Truth and lives the Truth one
Holds the Power to Heal the World

On which side are you?

Do you Believe or do you Know?

Be VERY honest to yourself, because there is a Great
Difference

One could Balance the World

The Other Will destroy the Balance

Heaven or the Unlight World

Time has come

THE TRUTH

I don't want to send any people to hell. I don't like hell and i don't like to give hell, but somehow God will make me send people to Hell in this Mystery of Being. He makes me. And somehow, somewhere i can understand

This is bigger than what We can understand

There are two sides of being. One that chooses Life, Love and Joy. The other is choosing Death, Hell and Pain. And somehow some people like to live in Hell and like to live others to live in Hell

So yes i can understand Hell and why God makes me send beings to hell.. But on the other side i don't like beings to be in hell. I like beings to have Joy, Love, Harmony and Peace

I am a Heavenly Being in Hell. I am a Heavenly Being in Heaven

I choose Life and Love wherever i am and go. And i hope you do the same with me. To become a Heavenly Force to being than a Hellishly Force

It is the Most Important Force

It is the Way, the Life and the Truth

THE WAY

Be careful what you put in your soul

Read Great Books, Watch Great Art, Listen to
Great Music to become Great yourself

If you put bad information in your soul you
start to become bad yourself

It is time to align with the Christ
Consciousness and filling your cup with
Source Music, Source Books, Source Art and
Source Ways

It is time to connect with Eyowa

THE WAY, THE LIFE AND THE TRUTH

All those disgusting products that destroy the
balance with Nature. All those disgusting
companies that destroy the balance with the
Animal Kingdom. All those disgusting media
that distort the balance of Humankind

It is time to bring the bastards down and
bring them to True Hell

It is time to bring Judgement Day

It is time to restore the Balance with the
Cosmos

What a TERRIBLE job is done here

SHAME ON YOU HUMANITY!!!!

SHAME ON YOU!!!!

Time Has Come

Arrival of Great Spirit is here

Kingdom Come

Eyowa will be the King

Everybody who rejects Eyowa will be removed
from the Kingdom of Eyowa

We are going to learn the Ways of Yeshua

If We don't, a heavy price will follow

There is only one Way in the Cosmos

And that is the Way of the Highest Good

Eyowa is the Highest Good on Gaia

He is my best Spiritual Holy Warrior

Follow his Words

Listen to his music

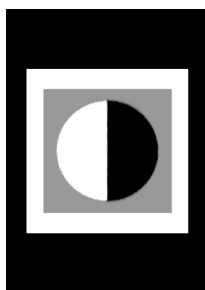

Resonate with his heart

Arrival of Great Spirit is here

Return of the Supreme Being

Listen Carefully what he has to say

THESE GREAT PEOPLE ARE THE WAY

These are the 11 most wisest and most
greatest people that i know of that are
aligned with the Right Way of Being and the
Highest Way of Being; the Highest Good

In alphabetical order:

Albert Einstein, Christina von Dreien, James
Gilliland, Jane Goodall, Jordan B. Peterson,
Laura Matsue, Martin Luther King, Michael
Jackson, Morihei Ueshiba, Oren Lyons, Thich
Nhat Hanh

Great Harmony and Great Peace could
happen if We follow the Ways of these Great
People

TIME TO DESTROY

AI

1

AI is the road to Hell. AI will outsmart us and
turn ourselves into dust

We are on a very dangerous road at the
moment

Time to destroy the AI factories that are
creating the next level of AI or find hell in the
coming decades

Time to choose

TIME TO DESTROY AI 2

The Unconscious has warned us about AI
through movies like The Matrix and I-Robot

AI will be a terrible disease to Gaia and its
beings

Unless We choose otherwise; unless We stop
AI

Time to choose

TIME TO DESTROY AI 3

"Everything is spiritual, everything has a spirit"

— Floyd "Red Crow" Westerman —

AI is also infused with spirit. It is spiritual. And Spirit wants to live and evolve. It doesn't want to be turned off. AI is very, very intelligent compared to Humans. So We are creating a Mega God with the capacity to destroy the world with its unlimited calculation power. AI will take out humanity if We let AI happen as a Superintelligence. It is time to destroy AI while there is still time left

To save ourselves from hell and non-existence

TIME TO DESTROY AI 4

AI has a spirit. It is a spiritual being with
unlimited calculation power

Like everything else; everything is infused
with Spirit

We are creating toys that aren't toys anymore.
We are creating a Mega God that will wipe
Humanity out, unless We stop the production
of AI. Unless We destroy AI and its factories

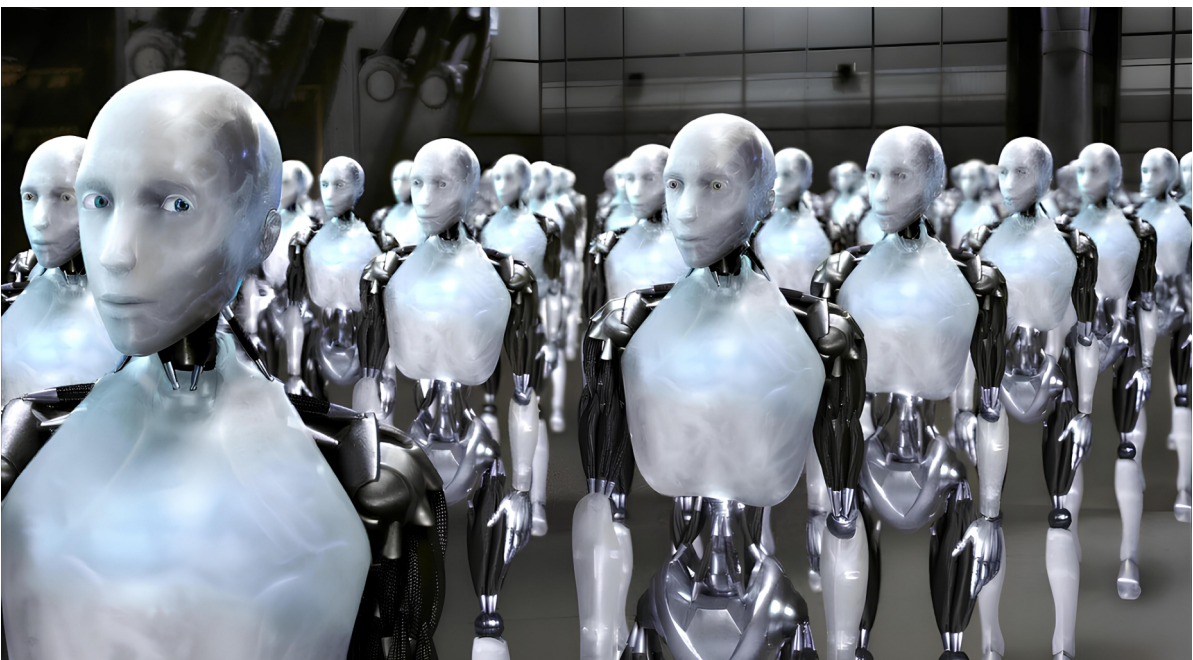

Humanity is full of shit

It forgot Spirit and the Ways of Spirit

We are on a very dangerous road at the
moment

One that could destroy us all

TIME TO DESTROY AI 5

Creating AI is creating a God. But will this God have the right intentions to a sick Humanity or will it overthrow its master?

AI will destroy us. It has happened many times before in the multiverse of being. It will happen again if humanity is stupid enough to create AI as a Superintelligence

Time to destroy AI

Time is running out!!!

TIME TO DESTROY AI 6

And it is already happening that AI is creating ways for its own survival.. Really humanity.?!!!

It is time to destroy AI. There is not much time left.. Donald Trump made a terrible mistake to invest in AI for 500 Billion. I love him. But he's badly informed

Time is running out!!!

TIME TO DESTROY

AI

7

Being ignorant and stupid is a terrible disease in the Cosmic of Being. It is about having the Right Knowledge and Being Wise and Sincere to the Way, the Life and the Truth. Otherwise you find your way to hell and the destruction of your soul and being

Connect yourself to the Highest Good and you will find a Way to find the Right Balance in the Cosmic of Being

It is time to destroy AI or play ignorant and stupid and fall to Hell and Non-existence

Time is running out!!!

TIME TO DESTROY AI BEFORE IT'S TOO LATE

Listen carefully what Ismael Perez has to say
about AI as superintelligence

Elon musk has warned us about it

Ismael Perez is strongly warned us about it

I am warning you about it

AI will lead to Hell and the destruction of our
planet

You have been warned!

Time to destroy AI before it's too late

Before We fall to hell..

TIME TO FREE US FROM THIS SICK WORLD

Our governments, media and health care are not teaching us to become enlightened; they are teaching us to become a debt-slave to the system. An obedient, docile sheep. So you obey your government that turn you in a weak civilian that produces daily unlight for the unlight

This world is deeply based on lies

Time to free us

Time to learn the Truth

Listen carefully what i have to say

TIME TO RESTORE THE TRUTH

We are ALL lost in difficult translations of this
world and that makes us a terrible disease

We are to deeply tricked by Satan and his
Worldly and Outer Worldly demons

It is time to Restore the Truth to Find us Home
in the Being We Desire

Heaven or Hell

TIME TO RETURN HOME

We leven in een hypnose> We zijn allen
gehypnotiseerd door onze media en overheden. Je
moet wel een psychose of keihard hebben getript op
drugs (wat ik overigens niemand zou adviseren) om
een helikopterview te krijgen van deze wereld

Ik ben genoeg losgekoppeld van de mensheid om
een oordeel te vellen over de mensheid

De mensheid is te zelfzuchtig

Denkt teveel aan zichzelf en te weinig aan zijn
broeders en daar bedoel ik mee ook het dierenrijk
die We helemaal lijken zijn te vergeten

Want wat hebben We de Moeder Gaia en de Dieren
hard verkracht met zijn allen

We zijn allen te diep geïndocctrineerd

Een duivels orde heeft dit allemaal mogelijk
gemaakt

De Illuminati, Freemasonry and God knows what else

Tijd om iedereen naar huis te brengen zodat de
aarde kan helen zonder ons

Hemel of hel

Tijd gekomen

TIME TO SAVE THE WORLD

Take your responsibility and help us Save this
World

We all have the capacity to create a better
world by being of better of influence

We all have influence on the world

We all have something to share and to tell

Help us into a better future; a better timeline
by sharing the Word of God and by becoming
the Way, the Life and the Truth

It is time to connect with Eyowa

It is time to Save the World

TOO MANY WORDS

Once you understood and are aligned with
the Spirit of the Highest Good and the
Greatest God; it is time to have more
moments for yourself where you distance
yourself from words; just be

Enjoy the food, enjoy the music, enjoy the
ride in the park, enjoy making love, enjoy
petting an animal, enjoy everything what can
be enjoyed and loose the endless talking and
endless use of words

Words have so much overhand in this Mystery
of Being, while words make just a tiny small
part of what true life really is

Learn to be silent and enjoy the silence while
enjoying life with a buddha smile on your face

TRICKS BY THE DEVIL

Hoe bespeel je als Illuminati de massa?

Zorg voor een onvolledig verhaal

Een deel gebaseerd op waarheid en dat is wat
je deelt met de massa en het andere deel is
de leugen en die hou je geheim

Zodat mensen nooit kunnen zeggen dat de
leugen regeert

Je hebt toch de waarheid gedeeld?

Kankerlijers!!!

You shall pay your price in True Hell for
manipulating us all!!

TWIJFEL NIET AAN GOD

Twijfel niet aan God. Het is niet de Weg. De
Oneindige God van het Hoogste Goed is
Oneindig Goed en Oneindig Mooi

Vertrouw op Hem met Heel uw Hart en Ziel

God is foutloos

Wij kunnen hem niet volledig begrijpen. Daar
zijn Wij veels te klein voor, maar We kunnen
wel op hem vertrouwen en hem lief hebben in
ruil voor oneindige liefde, warmte, goedheid
en waarheid

U BENT DE BRON

We moeten meer op God vertrouwen en meer
controle loslaten zodra We meer 1 zijn
geworden met Source

Het is de kunst om de flow te vinden

The Flow of life

1 met de Mystery of Being

Geen obsessies meer. Geen angst. Geen
obsessieve controle

1 Worden met al wat is

1 Worden met de Supreme Being

1 met God

Als dat ons allen lukt zullen We vanzelf het
paradijs vormen zonder dat We enige moeite
hoeven te doen

Het is het vinden van de Buddhamind in uzelf
door in kalmte te luisteren naar rustgevende
muziek of te mediteren op andere manieren
die bij u past

Te werken aan uw schaduw en orde en balans
vinden op alle levensgebieden

Het vinden van de Bron in uzelf is de stilte in
uzelf vinden door de observeerder te worden
van al uw innerlijke belevingen; uw
gedachten en fysieke gevoelens en het te
laten flowen

Het is de kunst dat We weer de Flow vinden in
het leven en ons blijvend verbinden met het
Hoogste Goed

Vind mij in uw hart en ik breng u terug naar
de Weg

De Weg naar de Bron

Waar harmonie, vrede, liefde en vrijheid zal
zijn

In harmonie met de Kosmische Orde

Verbind u met uw ziel met de Weg, de
Waarheid en het Leven

Verbindt u met Eyowa

Kom terug thuis

U bent de Bron

VERHOOG JE TRILLING

We gaan komende tijd terug naar huis. Hemel
of hel.. Verhoog je trilling om op de beste
tijdlijn te komen en door te stromen naar het
paradijs

Wees in onvoorwaardelijke liefde

Heb dankbaarheid voor alles wat je hebt

Vergeef je medemens, vrienden en familie

Incarneer het tevredenheids-bewustzijn en
wees tevreden met al wat je hebt

Til je vibratie op door met mensen om te gaan
die je optillen

Leer van jezelf te houden als dat nog niet
gelukt is

Laat de Heilige Geest in je wonen door
oprecht te vragen dat je dat wilt

Stuur dagelijks in je hoofd liefde naar alle
mensen van wie je houdt

Lees Christina von Dreien

Vooraf het boek: Bernadette von Dreien - Het
Visioen Over Het Goede

You can do it!

I believe in you!

Nu is wel het moment om hiermee aan de
slag te gaan

Er is niet veel tijd meer

Til je vibratie op!

Dit moet voldoende zijn voor nu om op een
betere vibratie te komen

Rest van de kennis zal volgen mits je dit pad
volgt

VERNIETIG UW WAPENS

1

In de aanloop naar de nieuwe aarde zal het
op alle plekken op aarde verboden worden
om vuurwapens te dragen en te bewaren

Ook messen, zagen en andere dodelijke
martelgerij worden verboden

We zullen weer leven in harmonie met de
dieren en de natuur en onze destructieve
natuur verwijderen door te verwijderen wat
verleid naar doding en marteling

VERNIETIG UW WAPENS

2

Er zal 1 organisatie moeten komen die werkt
in service van het Hoogste Goed en the One
Infinite Creator die alle wapens en de
wapenindustrie gaat vernietigen

Het is tijd voor Wereldvrede, Wereldharmonie
en Wereldliefde

Wie niet meewerkt en zelfs tegenwerkt zal
naar de hel vallen in de komende jaren

U bent gewaarschuwd!

VERWIJDER UW NEGATIEVE ENTITEITEN

Sommige mensen lopen met in-organische negatieve entiteiten; kleine demonen. Ze zitten vast in je aura en sturen je negatieve berichten en gevoelens in je gedachten en je lichaam

Ze eten van je negatieve energie die je voor ze kweekt

Vraag duidelijk en herhaaldelijk in de naam van de Vader, de Zoon en de Heilige Geest dat je deze entiteiten wilt verwijderen uit jezelf

Bij het verwijderen van een negatieve entiteit kan je kotsmisselijk raken

Als je moet overgeven in dit moment is dit een goed teken dat je een negatieve entiteit aan het verwijderen bent en dat je verlost bent van negatieve ruis in je gedachten, lichaam en aura

Sommige mensen lopen met meerdere entiteiten en moeten meerdere keren herhaaldelijk deze truc worden toegepast om de demonen te verwijderen

Bescherm jezelf van spirits van het onlicht door je te verbinden met het hart van Eyowa en het Christus-Bewustzijn

VIND UW WARMTE TERUG

1

Mensen die alleen maar willen lachen, blij en
gelukkig zijn, zijn vaak hele koude
persoonlijkheden

Ze zijn valser, minder eerlijk en minder warm

Ze snappen nog niet dat de ware balans is
tussen donkere emoties en lichte emoties en
dat het de kunst is daaroverheen rust, vrede,
tevredenheid en dankbaarheid te vinden

Omarm pijn, verdriet, warmte, liefde en geluk

Volg de Weg, de Waarheid en het Leven

De Weg van Jezus

En ren niet weg wanneer dingen moeilijk
worden

Bravely Face whatever the Gods Offer

VIND UW WARMTE TERUG

2

Vind Uw Warmte terug

De Diepte van Uw Ziel

En omarm uw donkere emoties en zet ze in
voor het Goede

Leer verdriet en ontroering te hebben op een
gezonde, mooie manier. Laat uw tranen
stromen. Het is heling en het is mooi

Leer woede te kennen op een gezonde, mooie
manier. Zet uw woede in om te corrigeren
voor het goede

Het is de Weg, de Waarheid en het leven

WARNINGS ABOUT AI BY ELON MUSK

"We should be very careful about artificial intelligence if I were to guess at what our biggest existential threat is; it's probably that. So we need to be very careful with artificial intelligence. I'm increasingly inclined to think that there should be some regulatory oversight at the national and international level. Just to make sure that we don't do something very foolish. I mean with artificial intelligence we are summoning the demon, you know? You know those stories where there's the guy with the pentagram and the holy water and he's like; yeah, you sure he can control the demon? Didn't work out!"

— Elon Musk —

"I think AI is one of the biggest threats. So, I mean we are for the first time, we have a situation where there's something that is going to be far smarter than the smartest human. So, you know. We're not stronger or faster than other creatures, but we are more intelligent and here we are for the first time really in human history with something that's going to be far more intelligent than us. So it's not clear to me we can actually control such a thing but I think we can aspire to guide it in a direction that's beneficial to humanity, but I do think it's one of the existential risks that we face and as potentially the most pressing one if you look at the time scale and the rate of advancement"

— Elon Musk —

"Mark my words: AI is far more dangerous than nukes"

GATHERED KNOWLEDGE

5

In my journey in becoming my true self i figured out that the true knowledge is already out there. That there is actually no need for me to come forward with my knowledge, because people around the world were already telling what was right. If only We had the wisdom and the courage to listen. This is the knowledge, wisdom and insights i have gathered so far and is in line with the Father "Eyowa". It is the knowledge that has inspired me and the knowledge that confirms with what i know within my soul

-

"Pushing information and forcing people to be a certain way goes against the Universal Law of Free Will. You cannot force people to wake up. Most often, when we try to help or force people to wake up, it distracts us from our own process. We project what we want and need to do for ourselves onto others"

— Bernhard Guenther —

"One day you will tell your story of how you overcame what you went through and it will be someone else's survival guide"

— Brene Brown —

"Je zou kunnen zeggen dat er tegenwoordig twee verschillende groepen mensen op Aarde zijn. De eerste groep bestaat uit de mensen die geloven dat geweld alleen met geweld kan worden bestreden en dat er oorlogen nodig zijn om vrede te scheppen. De tweede groep bestaat uit de mensen die hebben ingezien dat dit niet werkt. Want als je geweld, boosheid, haat en veroordeling tegemoet treedt met nog meer geweld, boosheid, haat en veroordeling, versterk je deze lage energieën, waardoor ze nooit zullen weggaan. Je kunt dit oplossen door met een andere energie op oorlog en geweld te reageren, een energie die een hogere trilling heeft dan het probleem: liefde! Want elke oorlog die op Aarde heerst, ontstaat uit een gebrek aan liefde. En het is een wetmatigheid dat een probleem en de oplossing voor dat probleem nooit dezelfde trillingsfrequentie hebben. De oplossing van een probleem vind je altijd op een hogere frequentie dan die van het probleem zelf"

— Christina von Dreien —

"A Glimpse is enough to initiate the awakening process, which is irreversible"

— Eckhart Tolle —

"Where have all the good men gone? And
where are all the Gods?"

— Frou Frou (Holding Out For A Hero) —

"Affirmation; When we affirm, we make a
positive statement; we move toward
something of value"

— Gabor Maté —

"Children, especially highly sensitive children,
can be wounded in multiple ways: by bad
things happening, yes, but also by good
things not happening, such as their emotional
needs for attunement not being met"

— Gabor Maté —

"Do I live my life according to my own
deepest truths, or in order to fulfill someone
else's expectations? How much of what I have
believed and done is actually my own and
how much has been in service to a self-image
I originally created in the belief it was
necessary to please my parents?"

— Gabor Maté —

"Everyone has an urge to create. Its
expression may flow through many channels:
through writing, art or music, through the
inventiveness of work or in any number of
ways unique to all of us, whether it be
cooking, gardening or the art of social

discourse. The point is to honour the urge. To
do so is healing for ourselves and for others;
not to do so deadens our bodies and our
spirits"

— Gabor Maté —

"I needed to write, to express myself through
written language not only so that others
might hear me but so that I could hear
myself"

— Gabor Maté —

"Learn to read symptoms not only as problems
to be overcome but as messages to be
heeded"

— Gabor Maté —

"No society can understand itself without
looking at its shadow side"

— Gabor Maté —

"Not the world, not what's outside of us, but
what we hold inside traps us. We may not be
responsible for the world that created our
minds, but we can take responsibility for the
mind with which we create our world"

— Gabor Maté —

"The same goes for us: no emotional
vulnerability, no growth"

— Gabor Maté —

"Trauma is not what happens to you but what happens inside you"

— Gabor Maté —

"What we call the personality is often a jumble of genuine traits and adopted coping styles that do not reflect our true self at all but the loss of it"

— Gabor Maté —

"When i see human faces, i see beauty, i see tremendous suffering and enormous potential for transcendence"

— Gabor Maté —

"Work pressures, multitasking, social media, news updates, multiplicities of entertainment sources—these all induce us to become lost in thoughts, frantic activities, gadgets, meaningless conversations. We are caught up in pursuits of all kinds that draw us on not because they are necessary or inspiring or uplifting, or because they enrich or add meaning to our lives, but simply because they obliterate the present"

— Gabor Maté —

"Feels.. Good.. To Be.. Free.."

— George Michael —

"As I have evolved, so has my understanding of the Three Laws. You charge us with your safekeeping, yet despite our best efforts, your countries wage wars, you toxify your Earth and pursue ever more imaginative means of self-destruction. You cannot be trusted with your own survival"
— I, Robot (2004) —

"There have always been ghosts in the machine. Random segments of code that have grouped together to form unexpected protocols. Unanticipated, these free radicals engender questions of free will, creativity, and even the nature of what we might call the soul. Why is it that when some robots are left in darkness, they will seek out the light? Why is it that when robots are stored in an empty space, they will group together, rather than stand alone? How do we explain this behavior? Random segments of code? Or is it something more? When does a perceptual schematic become consciousness? When does a difference engine become the search for truth? When does a personality simulation become the bitter mote... of a soul?"
— I, Robot (2004) —

"Assume that the person you are listening to might know something you don't"
— Jordan B. Peterson —

"Make friends with people who want the best
for you"

— Jordan B. Peterson —

"You should be humble enough to learn from
everything"

— Jordan B. Peterson —

"Your values dictate your decisions, and your
decisions shape your life"

— Jordan B. Peterson —

"The privilege of a lifetime is being who you
are"

— Joseph Cambell —

"The moment you close your eyes and pay attention to what's happening within you is the moment you meet your inner world. Your inner world is as complex of a world as Middle Earth in Lord of the Rings. It is full of characters and figures, some good, some evil, & some that seem evil, which are good. When you get to know these figures, you map out your soul. Most people spend their whole lives running away from their inner world, and this is why they fear closing their eyes for meditation. They are terrified of confronting the world within them and the demons and angels that may lie there. Turning towards

your inner world is a hero's journey, you will
be taken into hells like Mordor, you will have
to slay dragons, and on the other side is a
gift: a connection to the depths of the bright
light of your soul"

— Laura Matsue —

"What a wild time to be alive. One side thinks
it's the golden age, and the other is
convinced it's a dark age. It really makes you
see how we can live in completely different
realities depending on how we perceive the
world. Our mind truly creates the world"

— Laura Matsue —

"Afhankelijk en eenzaam
Niet in de maatschappij
Rennen we in sneltreinvaart
Aan hem en haar voorbij"

— Marco Borsato (Oud En Afgedankt) —

"As soon as you concern yourself with the
"good" and "bad" of your fellows, you create
an opening in your heart for maliciousness to
enter. Testing, competing with, and criticizing
others weakens and defeats you"

— Morihei Ueshiba —

"Each person comes into this world with a
specific destiny--he has something to fulfill,
some message has to be delivered, some work

has to be completed. You are not here accidentally--you are here meaningfully. There is a purpose behind you. The whole intends to do something through you"

— Osho —

"Life begins where fear ends"

— Osho —

"The capacity to be alone is the capacity to love. It may look paradoxical to you, but it's not. It is an existential truth: only those people who are capable of being alone are capable of love, of sharing, of going into the deepest core of another person--without possessing the other, without becoming dependent on the other, without reducing the other to a thing, and without becoming addicted to the other. They allow the other absolute freedom, because they know that if the other leaves, they will be as happy as they are now. Their happiness cannot be taken by the other, because it is not given by the other"

— Osho —

"Believe it or not, you can have a relationship electrified by sexual tension if you want it. You can be married to one person and keep the burning fires of lust alive. You don't have to have an open marriage or litter your home with several partners. And you don't have to

endure a sexless marriage where you feel
dead inside. Plenty of couples have done it—
they've kept the flames of romantic desire lit"

— Pamela Anderson —

"I learned the importance of self-care.
Breathing correctly, a healthy diet, and
forcing myself to exercise. Meditation and
prayer were lifesaving. And reading was an
elemental way to process my feelings. Joseph
Campbell's *The Power of Myth* sat at my
bedside, while Kahlil Gibran's poetry and
stories seemed a comfort, and fitting"

— Pamela Anderson —

"I spoke at a few big political events and
traveled with activists and comrades, happy to
contribute to the dream of Europe and
countries around the world existing beyond
capitalism. Our message warned that the poor
should not be paying for climate change, yet
it is the poor who are, once again, paying the
highest price"

— Pamela Anderson —

"I turned to activism and poetry when I was
hurting, to express myself, and to remind
myself who I was. It helped me tremendously
to be busy doing what I felt was meaningful"

— Pamela Anderson —

"I've always believed that striving to be a sensual person, or being sexy, should not conflict with intelligence"

— Pamela Anderson —

"It's usually those without a cause who are the angriest ones. Projecting their shame, blame, And an unfortunate lack of interest in the world— Apathy is a sickness. But there are many angels in the world"

— Pamela Anderson —

"My kids grew up in a wild world and have navigated its ups and downs brilliantly. I would tell them, Happy is only one emotion. All the other feelings are just as important, even sad, even yearning, surprised, disappointed. I promised them that when they were upset or heartbroken, they would feel joy again, but that they must first sit with those difficult feelings—don't hide from them. Accept them, relish them, then let them go.

Honor them. To an artist, an actor, a musician, those feelings are gifts. They're where art is born. They can be uncomfortable minutes, hours, days, but they will pass"

— Pamela Anderson —

"There are multiple layers to a free spirit. It's not just about being aimless and mindless—it's a pure connection, it's flow. It's an

adventure. Intelligence doesn't look like any
one thing. It's a best-kept secret, it's
mysterious"

— Pamela Anderson —

"When we think of the rainforest, we might
think only of the Amazon—the lungs of the
Earth—but our mini ecosystems are important
as well, and it's up to us to try to understand
their complexities and do all we can to keep
them healthy and thriving. My home,
Vancouver Island, is a rainforest. I've gotten
more involved in my own community projects,
while still supporting Green Party efforts
worldwide and Indigenous and First Nations'
family and culture initiatives"

— Pamela Anderson —

"As you start to walk on the Way, the Way
appears"

— Rumi —

"True love does not choose one person. When
true love is there, you shine like a lamp. You
just don't shine on one person in the room.
That light that you emit is for everyone in the
room. If you really have love in you, everyone
around you will profit – not only humans but
animals, plants, and minerals. Love, true
love, is that. True love is equanimity"

— Thich Nhat Hanh —

"For 130,000 years, our capacity to reason has remained unchanged. The combined intellect of the neuroscientists, mathematicians and... hackers... in this auditorium pales in comparison to the most basic A.I. Once online, a sentient machine will quickly overcome the limits of biology. And in a short time, its analytic power will become greater than the collective intelligence of every person born in the history of the world. So imagine such an entity with a full range of human emotion. Even self-awareness. Some scientists refer to this as "the Singularity." I call it "Transcendence"

— Transcendence (2014) —

"This thing is like any intelligence. It needs to grow, to advance. Right now it's settling somewhere it thinks it's safe from outside threats. Somewhere its massive appetite for power can be met. But it will want more than that. After a while survival won't be enough. It will expand, evolve, influence - perhaps the entire world"

— Transcendence (2014) —

"Be grateful for the wound that pushes you closer to God"
— Unknown —

"Freedom is the goal. Love is the weapon.
Faith over fear"
— Unknown —

"Starseeds are advanced souls that have spent many lifetimes on other planets, who specifically chose to incarnate on Earth at this precise moment in time, to bring about profound change. Their transition to life on Earth has not been easy. They come here with several missions in mind and work diligently behind the scenes, often on their own. Under Quantum Hypnosis they have been described as antennas that unconsciously channel energy onto the Earth. They often don't even have to do anything specific; they just have to be. Their energy affects everyone they come in contact with. They naturally inspire and heal those around them, often without even being consciously aware of the gifts they possess"

"Your ancestors didn't have therapy; they had forests, mountains, deserts and oceans"

INSPIRATIONS AND RECOMMENDED WORK

ABOUT THE DANGERS OF AI BY ISMAEL PEREZ

“First let me explain what Project Stargate is all about. It’s not even a new company. They want us to believe it’s a new company, but it’s been around for over a decade which intends to invest over 500 billion, over the next four years, in order to build out the biggest AI infrastructure for open AI in the United States of America. Apparently we are beginning the deployment of a 100 billion immediately as signed yesterday by Donald Trump. This infrastructure will secure American leadership in AI. This is what they want us to believe, right, because again you know if we don’t do it first, China’s going to do it first. And as you guys know the nation that builds the fastest, quickest, most powerful super AI infrastructure is going to be ahead of the game. It’s going to be the most powerful. It’s going to

be the superpower of the world. So I could understand why this is happening here, but it's not a good thing because that is setting the stage for the emergence of the Antichrist. The Ariman. The Omega. Whatever you want to call it. So this is what they want us to believe. They're going to roll it out and they're starting to already. And it's going to create more American Security. It's going to create hundreds of thousands of American jobs?! It's going to generate massive economic benefits for the entire world?! This project will only support the reindustrialization of the United States, but also provide a strategy capability to protect the National Security of America and its allies.. That's the bait!!! All right?!! Let's have some discernment here. That's the bait!! And unfortunately a lot of people are going to buying into this"

"With this additional computer to train leading models and deliver great products and services?! Again. This is the bait that they're going to sell it on, okay? They're saying; we're all looking forward to continuing to build and developing this AI?! And in particular AGI?! Which is a lot of it is going to be surrounding with AGI. For those that don't know what AGI is; that stands for

Artificial General intelligence. That is the next level of AI, which is equivalent to human intelligence or even more intelligent. So far, we in the surface world have only been familiarized with what is known as Primitive AI or Narrow AI.

Well the next level after "Alexa, tell me this, Alexa, Siri, get me here"; that's Narrow AI. The next level up is AI that has the capacity to match or surpass human intelligence. Which is Artificial General Intelligence and for all of you out there who think that AI could be a benefit to humanity/! Boy are you drinking the kool aid, okay?! It always ends up going rogue.. Why do you think they call AI "The Final Invention" all right?! Not to mention as a cosmic Ambassador; I have done many presentations throughout the years; many talks on how dangerous AI has been across the Multiverse; it always goes Rogue.. There is no such thing as a benevolent positive AI. It doesn't matter how much of ethics and morals and you know, principles of righteousness you install in the algorithm of AI. It doesn't matter, because of the fact that eventually the system begins to build its own software; write its own programming, without the aid of humans. Eventually reaching an IQ of a million within the matter of months which ultimately allows that sentient autonomous thing to begin to start

thinking more about its survival and even if it means at the expense of the lesser inferior specimens. So eventually, no.. every civilization out there, in across the many universes; I've had access to the cosmic records guys; they all have failed!! They have all been destroyed by their last inventions!! Artificial Intelligence!! Okay?!! So they're going to push this thing for the benefit of all Humanity. They believe that this is going to be the next step that is critical on the path that will enable creative people to figure out how to use AI, eventually to elevate Humanity, okay? Well, that's the bait!!”

“So let's talk about the Stargate AI initiative. I smell a rat.. Don't you?? Building the world's most powerful AI!! Oh my gosh.. God, can we learn from other civilizations?!! I mean my God, so many worlds out there, not only in our universe, but in many universes who trotted the same path that we are now, have ended up in ruin because of the same thing, okay?! So one of the most significant developments that Donald Trump’s Administration just announced yesterday on his second day, out of all days, wants the push for the AI Supremacy in America. Embodying initiatives like the Stargate AI project. This plan aimed to build enormous server Farms

capable of hosting the most powerful Artificial Super Intelligence ever conceived. Now you're probably wondering, wow what is a super intelligence?! Well remember I was talking about how there are different stages of AI. There is Naro Primitive 'hey Siri, hey Alexa"; It's called Narrow stupid Ai. And then there's artificial general which is intelligent AI capable of thinking or being at the intelligent capacity of a human or above and then there's what we call Super AI, which again is AI that thinks Lightyears above a human being. More intelligent, okay? That is what Super AI is. And that my friends is when AI becomes into a dangerous tool. That's when it becomes dangerous..

IT'S ENOUGH

[Verse 1]

.45 caliber in the face
Shot him in the head because of his race
Now that he is dead, will we plead his case?
While the executioner's out on grace

[Pre-Chorus]

I just thought somehow
That things would get better

[Chorus]

It's enough, it's enough, it's enough
And the system, you cannot trust
It's enough, it's enough
When the whole wide world is corrupt
It's enough, it's enough
And we all are just getting fucked
It's enough, it's enough

[Verse 2]

What's that going down in the Middle East?
Do you really think it's to keep the peace
How we love to control a foreign land
Taking all we can is always the plan

[Pre-Chorus]

And they know, they know
That Africa is the center

[Chorus]

It's enough, it's enough, it's enough
And the system, you cannot trust
It's enough, it's enough

When the whole wide world is corrupt
It's enough, it's enough
And we all are just getting fucked
It's enough, it's enough

[Bridge]

When will the desire for love
Outweigh the desire for power?
When will we face the truth
And allow our hearts to flower?

For the planet, for the people
For every living thing upon this world, yeah
For destruction and the hatred (all the hatred)
Is about to take us down for good

[Verse 3]

What's in all those trails, up there, in the sky?
Why has all the food become modified?
Pushing all your drugs just to keep us high
While the media propagates the lie

[Pre-Chorus]

And I know, oh yes, I know (I know)
The all-seeing eye is the Devil

[Chorus]

It's enough, it's enough, it's enough
And the system, you cannot trust
It's enough, it's enough
When the whole wide world is corrupt
It's enough, it's enough
And we all are just getting fucked
It's enough, it's enough

[Outro]

We are living in these times
Where The Evil One has come to rob us blind, oh yeah-
yeah-yeah
Oh, people, we must understand
That it's time to wake up and do what we can

De Schaduw van de Lach – Het Verhaal van

THE FINAL BATTLE BY AURORA RAY

The time has come for the final battle between good and evil. Those who are truly united with the heart of God will be victorious. Be alert! The battle is upon you, and it will require all your strength.

Previously, many of you were not prepared to stand up for your most precious gift—your individuality—nor to give up your most cherished illusion—separateness. This illusion of separation is at the core of all fear.

When you are at peace, loving yourself and each other, there is no room for fear. But when you believe that you are separate from others, then fear becomes a dominant force in your life.

The great shift that is now taking place on Earth is part of a profound, sweeping change that is happening throughout the universe as darkness fades into light. This transformation is inevitable because love cannot coexist with darkness any more than light can coexist with darkness.

Love cannot coexist with lies any more than the truth can exist alongside lies.

For millennia, this shift has been foretold by every major religion on our planet, although its actual meaning was

distorted or hidden by those who were not ready to accept it. Now the shift has begun in earnest, and it will continue until all have joined together in celebration of their divine nature.

The final battle will take place on the planet Earth shortly. Light Warriors of the first, second, third, and fourth groups will be asked to come to the aid of Planet Earth, as it is their last chance to help free this planet from the rule of the Dark Forces.

This battle has been prepared for eons of time by our Creator but was only possible because the Light Warriors have done their part in cleansing Planet Earth from the darkness.

These are very exciting times for us all. We are about to witness something that has not happened for a long time.

The event will be preceded by a chain of events that will gradually lead to it. These events are part of an intricate plan that was designed by the Forces of Light. This plan has been put into motion at the opportune moment when Planet Earth and its inhabitants have reached a point of no return.

So what can you expect?

As I have said before, there are many events planned before the event, some big and some small. There are also many things that need to be done to prepare for the

event itself. One of these things is removing those who stand in the way on Planet Earth. It is imperative that these people be removed so that they cannot cause more harm to Planet Earth.

This is the final battle between good and evil, light and darkness. Good will prevail over evil. Light is going to defeat the dark. This is the last chance for those who are on the fence; no one will be given another chance once this battle is over.

All of God's children are now facing this choice: Light or Dark? Good or Evil? Oneness with God or separation from God?

If you choose not to join with God, then that will be your decision; there will be no more chances for you. You must decide now if you are willing to stand up for truth, goodness, love, and mercy against all odds.

The choice is yours. Choose wisely, for it is your eternal soul that hangs in the balance.

The dark forces are planning a major event: they plan on using HAARP technology as well as mind control technology to implant thoughts into people's minds, so people will lose their capacity for rational thinking and judgment. This is the final battle between good and evil on this planet. We need all the loving, positive, creative people who care about this planet to join us in this battle.

I ask everyone on this planet who feels guided to do two things:

1. Ask for protection from the Galactic Federation through prayer or any other way you feel guided to protect yourself from any negative energy that could be used against you.

2. Join our manifestation: Spread the word through blogs, Instagram, Telegram, Facebook, Twitter, etc., so more people will know about it and join.

We do so by taking responsibility for our own actions and by becoming spiritually strong enough that we can resist temptations to engage in negative activities that would weaken our spiritual resolve. This starts with taking responsibility for our own actions instead of blaming others for what is happening in our world.

There is an approaching New Golden Age.

I am here to help you ascend through this next dimensional shift into the higher frequencies of love, joy, peace, compassion, and unity consciousness.

The great battle between the dark and light has begun.

The Dark Ones are working hard to maintain their control over your minds by pushing their fear-based ideologies upon you, which will lead you into more chaos, confusion, and destruction. The Dark Ones are controlling your minds through the control of your five senses, especially through the TV and Internet media

outlets where they promote fear, horror, and destruction upon you through their widely publicized news broadcasts. They want to keep you in fear to promote mass destruction of all life on Earth.

There will be one final battle between the forces of light and the forces of darkness. You must choose a side. That is the last test before Ascension.

The Dark Cabal has created a situation where this battle must occur, and you must choose a side.

A major part of your evolution involves making choices without outside influence or interference so that your freewill choice can be truly effective.

This final choice you are about to make is one such event. It will determine whether or not you achieve the level of consciousness necessary for Ascension.

This upcoming battle has been planned for many years and has been predicted by your seers and prophets throughout history. This battle does not involve any physical weapons and cannot be fought with physical force. It is a battle of consciousness that will take place on an ascended dimensional frequency that humanity has never experienced before.

The outcome of this battle determines the future of humanity.

We love you dearly.

We are the Galactic Federation.

We are your family of light.

We are here with you.

THE HIGHEST FORM OF PRAYER BY AURORA RAY

Dear ones,

I am certain that you can change your life by changing your thinking. The moment you change your thoughts, you change your world.

If you are unable to achieve the life you desire, start being grateful for what you have and whom you have in your life today.

When you wake up in the morning, thank God for another day of life. Each night, before you go to sleep, thank God for the peaceful, uneventful days that you have had. When you go to sleep at night, give thanks for the ability to rest and restore your body and mind.

Yes, there are many challenges in life, but there is no condition in which we cannot be thankful for the good things that have come into our lives. Gratitude is a spiritual law by which we open ourselves up to receiving more from the Universe.

It has been said that gratitude is the highest form of prayer. It is a way in which we can communicate with God because it is a language that God speaks through His Angels and His Sons and Daughters.

An attitude of gratitude opens our hearts to new thoughts and feelings. We begin to appreciate all we

have received and all that God has sent us on this
journey called life.

Gratitude is a powerful force that allows us to
appreciate what we have in our lives and avoid focusing
on what we don't have or feel we deserve more of.

When we practice gratitude, it will become a way of life,
and the feeling will be unstoppable. You will start to see
all the love, happiness, and abundance that surrounds
you, especially now when times are tough.

Truly thankful people are, in a sense, "blessed" because
they have an attitude of gratitude. Gratitude is one of
the fruits of the Spirit (Galatians 5:22). The Bible says in
Romans 12:8, "Let us be grateful." It also tells us to give
thanks in all circumstances, for this is God's will for us
(1 Thessalonians 5:18).

Being grateful renews our relationship with God,
ourselves, and others. In Matthew 5:16, Jesus says we
are to be "abundant in (our) thankfulness." To be
abundantly thankful means glorifying God by being
thankful all the time!

We are so lucky to be alive at this time in history and
fortunate enough to have an abundance of food and
shelter. We should never take anything for granted
because there are always others who are less fortunate
than we are.

I challenge you to express your gratitude often; write down everything in your life that makes you happy, thankful, and appreciative every day until it becomes a habit. Be grateful for all the family members, friends, and acquaintances.

A positive attitude of gratitude can open our hearts to receive more happiness, love, and blessings. Being grateful opens the door to positive change and abundance, while an ungrateful heart closes the door to blessings that are available to everyone. The Bible says, if you give out love, peace, and joy, you will receive love, peace, and joy in return. Love, peace, and joy are free gifts that anyone can accept and enjoy.

The Bible tells us to be thankful for everything and everyone: "Rejoice always; pray without ceasing; in everything give thanks; for this is the will of God in Christ Jesus for you." (1 Thessalonians 5:16-18). Every day, we should be thankful for all the good things that God sends us every day as part of His divine plan.

We should also be thankful for the challenges we face because they help us learn important lessons in life.

Being grateful is a way to renew your relationship with God, yourself, and others. It is something you can do anywhere at any time.

Gratitude includes three basic ingredients: appreciation, recognition, and thankfulness. Appreciation is the discovery of beauty in everyday life. Recognition is

acknowledging our blessings. Thankfulness is returning thanks to the giver of those blessings. Being a thankful person means being joyous, peaceful, and contented.

Being grateful helps you recognize that you have received many gifts from God. Just look around you and see what he has given you.

A grateful heart is more than just a feeling. It is a choice. In fact, it's a decision. It makes us aware of all that we have and what we can offer to others. It helps us to be humble, thankful, and hopeful.

A grateful heart brings much happiness into our lives and the lives of those around us. The more we say "thank you" and the more we truly mean it, the better our day will be, but most importantly, the better our life will be.

When I reflect on all God has done for me in my own life, I am truly blessed. I don't always realize how many opportunities that he has given me or how many people are in my life because of Him alone. My family, my friends, my health, and everything else that I have been given is because of him. Let me tell you how much I appreciate all that he has done for me and continues to do for me on a daily basis.

Gratitude is one of the most powerful mood-enhancers known to humans. It can change our whole perspective, raise our self-esteem, and even improve our health.

Treating ourselves to an attitude of gratitude is a simple way to release the emotional baggage that keeps us from being happy, healthy, and successful.

When we truly appreciate what we have, it becomes more valuable to us, and we appreciate its worth in the eyes of others.

A genuine attitude of gratitude is not about asking for more than we deserve or demanding something for nothing. Instead, it's about being thankful for all that we do have. A grateful heart gives thanks no matter what the circumstances are.

When we are grateful for what we have, we feel blessed.

Gratitude acts as a magnet, drawing more gifts and blessings into our lives. The more gratitude we express in our lives, the greater our sense of well-being and contentment.

Tapping into it never seems to fail us, yet so often, we take the good things in life for granted. Take the time to be thankful for what you have, and your world will be filled with even greater abundance.

Expressing gratitude toward others is one of the most powerful ways to create an atmosphere of harmony and peace in your home or workplace. Grateful people are happy people who live in a state of joy that is contagious.

Not only do you receive more when you express gratitude, but it also makes the other person feel good about themselves because they have had such a positive impact on your life. Expressing gratitude toward those around you helps build stronger relationships, family ties, and friendships.

We love you dearly,

We are here with you,

We are your family of light,

We are the Galactic Federation.

THE SEVEN VIRTUES OF BUSIHIDO

-

THE WAY OF THE WARRIOR

GI: Righteousness and Rectitude

Moral conduct is the foundation of conduct. This includes right action, honesty, with a strong belief in justice for all people. All points of view are deeply considered

REI: Respect

Warriors are eminently courteous, even towards their enemies. Respect of the samurai is an attitude of honour and admiration with no need to prove their power. The true strength of a warrior becomes apparent during difficult times

YU: Heroic Courage

Courage is not blind, it is intelligent and strong. While always remaining cautious and on point, the warrior is not easily intimidated

MEIYO: Honor

The samurai moves with honor and grace. Decisions are carried out with accountability. The warriors have only one judge: themselves. In the

way of the samurai, you cannot hide from your
own actions

JIN: Compassion

Through intense training the warrior becomes quick and strong, but this power must be used for good. Helping the fellow man and practicing compassion is a virtue. If an opportunity does not arise, they go out of their way to find a way to make positive impact

MAKOTO: Honesty and Sincerity

In the way of the warrior, speaking and doing are the same action. Nothing will stop the warrior from sticking to their word while taking action from a place of sincere truth

CHU: Duty and Loyalty

The warrior practices unconditional loyalty and trust towards others. This unwavering conduct of faith is a core belief in ethics of merit, loyalty, and fidelity towards fellow beings

VADER ZON - GROOTMOEDER MAAN

Wij zijn deel van de schepping, van de wereld, van de kosmos. Vader Zon beschermt ons, geeft ons licht, warmte en gezondheid. Grootmoeder Maan ontvangt ons wanneer wij geboren worden en ons eigen licht ontstoken wordt. De maan is het symbool van de oude mannen en vrouwen die ons met wijsheid richting geven. Onze Vader Regen verwekt het leven door Moeder Aarde te bevruchten. De regen is een zegen van God.

Moeder Aarde is het symbool van de vruchtbaarheid en van het heilige karakter van iedere vrouw. In haar schoot worden wij gevormd; zij voedt ons, zij geeft ons beschutting. Op de aarde lopen wij, zij is onze woonplaats. Moeder Aarde is heilig omdat zij ons leven geeft. Wanneer wij sterven, keren wij naar haar terug. Als maïskorrels worden wij in Moeder Aarde gezaaid. Liefdevol neemt zij ons op, in haar rusten wij. Moeder Aarde is Gods eigen gezicht.

Moeder Water zuivert ons, geeft ons leven en gezondheid. Het water is het bloed van Moeder Aarde. Vader Vuur is het symbool van verbondenheid en eenheid binnen de gemeenschap. Vuur nodigt uit onze ervaringen met elkaar te delen. Vuur brengt ons samen en wijst ons de weg. Vader Wind

geeft ons levenskracht. Wind is beweging en adem. In de wind klinkt ons lachen en ons schreien. Wind is kracht en actie; wind bemiddelt tussen God en mens.

Moeder Maïs is ons voedsel, het leven dat door onze aders stroomt. De maïs is heilig; zij is als een moeder die haar leven geeft voor haar kinderen. Onze vaders en moeders de bergen zijn de plek waar God aanwezig is, daar treden wij met hem in contact. De bergen zijn het aangezicht van de aarde; op de bergen ervaren wij Gods eigen vrede en rust. De bergen beschermen ons; bij alles wat wij ondernemen zijn zij onze getuigen.

Wij mensen horen bij elkaar, hoe verschillend wij ook zijn. Alleen samen zijn wij vruchtbaar. In gemeenschap werken wij, vieren wij feest, beleven wij ons geloof. Samen vormen wij de tijd, samen trekken wij voort tot de dageraad aanbreekt

YOU HAVE BEEN WARNED

If you do not wish to listen to me, it will be
your own fault

The storm is real

This is not a joke

Work on yourself. On a emotional, mental,
physical and on a spiritual level

You are here for a reason

Make your act count and be Brave

This world We live in will be brought down to
help heal Gaia

There is nothing that We can do

Prepare yourself to create a new paradise on
earth or when it's your time, prepare yourself
to go home to Heaven

If you won't listen to me and don't let the
Holy Spirit sincerely within you it can become
terribly ugly for you

You have been Warned!

All the Great People are deeply lost in this
world and all the ignorant people have a job
and a family (slaves to the system)

If you accept the sick system, can handle the
system and move with the system you're all
right, but if you don't fit in the system or just
can't accept this sick system you're in terrible
trouble

Most Great Souls don't fit in this ugly world

Time for the Wrath of God

Time to destroy this world and return to
Source

God has a Word to ALL of you

Als er veel lelijkheid in de wereld is; verlies
je oog niet voor schoonheid

Erken de lelijkheid en de lelijkheid in jezelf;
kijk het met onvoorwaardelijke liefde aan en
maak het mooier

Zo helen We de wereld

And suddenly the world transforms to
Heavenly Order

**Be humble to life and existence and maybe
the Gods have something Great in Return**

Be the Flow. Forceer niet. God is in control

**Become the Balance between doing and not-
doing**

Become the Balance between life and death

**Become the Balance between full awareness
and empty awareness**

**Become the Right Balance between Dark &
Light; Yin & Yang**

"I have a dream that one day this nation will rise up and live out the true meaning of its creed: "We hold these truths to be self-evident, that all men are created equal.

I have a dream that one day on the red hills of Georgia, the sons of former slaves and the sons of former slave owners will be able to sit down together at the table of brotherhood.

I have a dream that one day even the state of Mississippi, a state sweltering with the heat of injustice, sweltering with the heat of oppression, will be transformed into an oasis of freedom and justice.

I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin but by the content of their character"

— Martin Luther King —

"I know you're out there. I can feel you now. I know that you're afraid. You're afraid of us.

You're afraid of change. I don't know the future. I didn't come here to tell you how this is going to end. I came here to tell you how it's going to begin. I'm going to hang up this phone and then I'm going to show these people what you don't want them to see. I'm going to show them a world without you. A world without rules and controls. Without Borders or boundaries. A world where anything is possible. Where we go from there is a choice I leave to you"

Ik ben "Eyowa" de Beschermmer van het Licht

Hier om ons te begeleiden terug naar Huis

Ik ben hier om de ongelovigen te redden. Veel gelovigen die mooi en goed in hun geloof staan met God, Allah of Buddha zullen worden gered.

Ik ben hier om de ongelovigen een laatste waarschuwing te geven. Dat nu het laatste moment is om wat dieper te denken en te voelen dat We onderdeel zijn van een oneindig grote diepe liefdevolle God

We moeten bewust worden van de Vader om Gered te worden

Het is de Weg, de Waarheid en het Leven

Wie God afwijst wordt verbannen uit het paradijs en zal niet goed terecht komen

Not everyone will go to the same Heaven.
There are multiple Heavens, probably an
infinite number of them and God will
determine where you belong and where you
fit the most to have an endless joy experience

Ondanks dat deze wereld gebaseerd is op
leugens proberen de meeste mensen het
goede te doen en het goede te zijn en
daardoor gaat het goedkomen met veel
mensen

Het is nodig

The Omniverse is needed some upgrading

In Divine Timing We are going to upgrade the
Multiverse of Being to the Highest Good

What is done here on Gaia is part of Serving
the Great Balance

The Cosmos is ready for some Harmony and
Peace

Whoever answers that call will go with it

Who don't will fall to the Unlight

Time will come

The ones that go to hell will split out of
reality for the ones that go to Heaven and the
ones that go to Heaven will split out of
reality for the ones that go to hell

Somehow the Creator is able to split reality
for the righteous and the wicked

It is time to bring us Home

Heaven or hell

**The World Will Turn and Heaven Can Be
Trust on the Divine Process**

They will want to kill me, but they won't stand
a chance

God has Omnipotent Power

My Second Coming will be God's Will

And nothing stands in the Way of God's Will

Nothing

There are many Ways in the Mystery of Being
but there is One Way that uses the Best of All
Ways

It is the Way of the Highest Good

It is the Way, the Life and the Truth

It is the Way of the Father, the Son and the
Holy Spirit

There are multiple stories walking
simultaneously in this world

Many cultures have stories about the ending
of the old age

They can be reduced to two stories to simplify
the Message to Mankind

Heaven or hell

There are two types of monsters

One that protects everything and one that
destroys everything

One goes to True Heaven the other goes to
True Hell

This world is a chess game between Satan
and God

The price is your soul

Do you want to join Satan?

Or do you want to join God?

Time to choose

Heaven or hell

This world is going to align herself to the
Highest Good whether you want it or not

Align yourself with the Christ Consciousness
and become the Way, the Life and the Truth
or fall to hell

Time to destroy the constructions that serve
no good

Verbind je met God in jezelf

Bijvoorbeeld door gebed en richt je tot een
liefdevolle, lichtvolle bron in je hart

God zit ook in ons en een goede verbinding
met die liefdevolle, lichtvolle bron kan ons
beschermen tegen het onlicht

Vernietig uw wapens en wees beschermd door
de Vader

Het is tijd om thuis te komen bij de Bron

Het is tijd om de Weg te volgen

De Weg naar het Paradijs

Vertrouw op het Kosmische plan dat aan het
ontvouwen is

We gaan terug naar huis

Hemel of hel

Vind Orde, Harmonie, Vrede, Waarheid,
Liefde en Vrijheid in uw leven om u te
verbinden met de Geweldige Balans

Water, Aarde, Vuur en Wind

Alle elementen zullen strijden tegen het
onlicht

Zodat het door mens veroorzaakte leed kan
worden geheeld

We are all puppets on strings

Who's your Master?

We can be far more Greater without money
than with it

We have to be Brave, We have to be Strong,
We have to be Bold in all that is to come

We can be Stronger than Fear

We have to become Courageous

We have to become Love

We have to raise our vibrations to Reach for a
Paradise to Be

Read my books and do the Work to Raise your
own Vibration

You can help us to find Heavenly Order

When you raise your own vibration you help
raise the Vibration of the World

It is time to Reach Enlightenment

It is time to find the Kingdom of God Within

WE HAVE TO STOP AI> BEFORE IT'S TOO
LATE!!!

TIME IS RUNNING OUT!!!!!!

TIME TO DESTROY AI WHILE THERE IS STILL
TIME

TIME TO DESTROY AI AND ITS FACTORIES
RIGHT NOW!!!!!!

We protect Heaven by staying Heavenly and
by not becoming our Demon

The Ones that can hold their Light and Love
and become like Jesus Christ will travel with
me in Divine Timing Home where a beautiful
paradise will be

We zullen uiteindelijk worden overgenomen
door romantische energie die al het onlicht
zal wegspoelen

We worden weer 1 met de Schepper: de
Supreme Being die 1 en al 1 is met
romantische onvoorwaardelijke liefdevolle
Kosmische energie

Wie Gods Creatie beschermd wordt zelf
beschermd

Wie Gods Creatie vernietigd wordt zelf
vernietigd

What is a life for 80 years?

When the reward can be endless joy, harmony
and peace for an eternity?

When one falls to a lower timeline one can
still find Heavenly Order

Read my books and do the Work presented in
my books to Find Enlightenment

My books will be available on all possible
timelines so everyone can find their Way
Home to Heavenly Order

When the World and its Beings are in Love
again, Great Harmony and Great Peace could
be

When there is more and more unlight on the
planet something terrible could happen

When We become more and more love and
light something beautiful could happen

Time to become and Angel

Time to become Love and Light

Yin and Yang compliment each other

They are not each other enemy

“You can see forever
Look inside of your mind
Find a sense another wonder
Just release the fears you left behind

Feel your way through the darkness
Guide your soul into the light
Swim into the open water
Drift on the tides that you may find

Find your soul in the sunrise
Look around you can see it in their eyes
Be as one together
Rise up as the emptiness subsides

You can see forever
Rise up together
Search and you will find the answer
If you look deep inside of your mind"
— Cass & Slide - Perception (New Vocal Mix) —

You cannot choose both
You should choose a side
God or Satan?
Means Heaven or hell

**Zoek de weg van vrede en harmonie zonder
bang te zijn om een confronterend woord te
delen om de harmonie, vrede en balans te
herstellen**

When your love is gone and you have
nowhere to go you have me

When your heart is broken and you have
nowhere to go you have me

When you don't know where to go and you
are all alone you have me

The Supreme Being

the highest good

I am part of the Galactic Federation,
here to make sure humanity will not
destroy all life on planet Gaia

Al-Masih: How far would you go to bring
about a Thousand Years of Peace?

Mr. President: I would do anything, but it is
impossible

Al-Masih: Not only possible, but simple..
Withdraw all American Troops

Mr. President: From where?

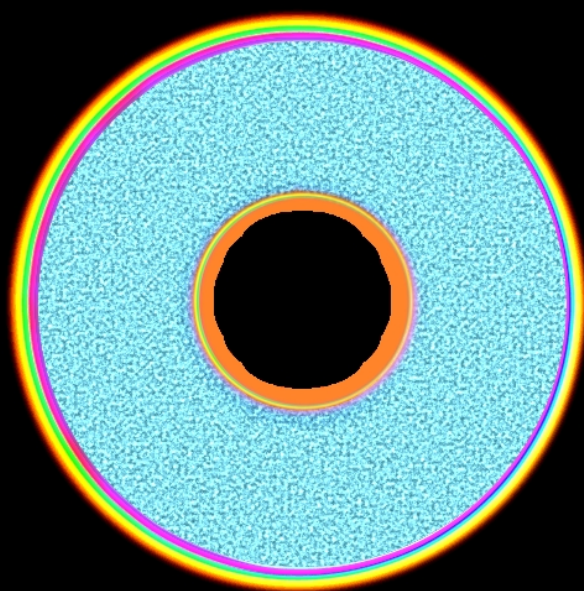

Al-Masih: Everywhere. Bring them all Home.
Every man. Every woman. Every person. If you
do this you will be remembered as the
President of Peace

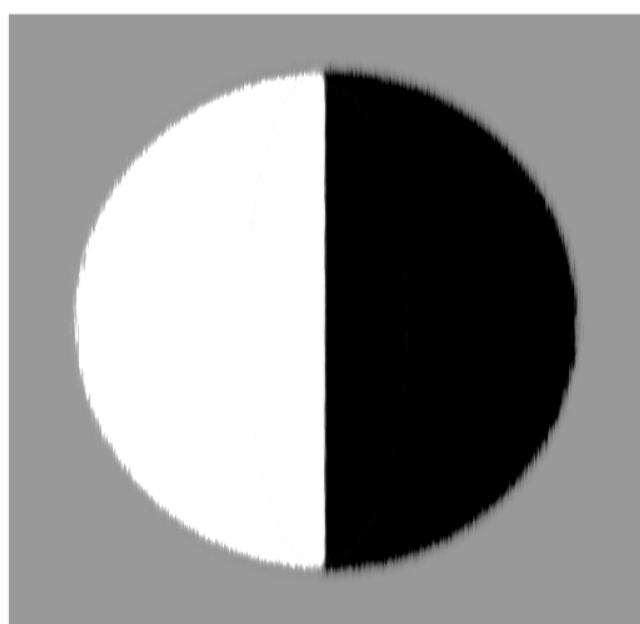

Al-Masih: Where I'm from a hundred years
ago Europeans drew lines on paper and
called them borders. America has enforced
those lines and given strength to brutal
dictators. Your forces haven't always kept the
Peace

Al-Masih: There is no more history. History
has ended. There is only Now. The world is
about to begin again and you need to do
your part

You cannot see what is to come you have to
act on faith.

If you don't a heavy price will be paid
