"Al-Masih: Catchers in the rye...

Eva: What was that?

Al-Masih We're both catchers in the rye... You
and me...

Trying to stop the children from falling..."
— Messiah (Netflix) —

De Vader is te groot en te allesomvattend om
zichzelf te presenteren aan de wereld

Daarom stuurt hij zijn zoon: Eyowa

Hij was hier 2000 jaar geleden

Hij is hier nu weer

De Heilige Volmaakte Zoon

Luister Goed Naar Hem

Hij is het Woord van God

Wie hem omarmt en het werk doet wat wordt
verlangd zal meereizen naar het Paradijs en
de Hemel

Wie hem afwijst en verwerpt zal de eeuwige
verdoemenis in gaan om te leven met alle
andere duivels in de hel

Dit is uw laatste kans

De Schepper van de Kosmos komt nu als
laatste poging hier op Aarde in de vorm van
Eyowa om uw ziel te redden

Wie niet luistert naar Eyowa en niet gered wil
worden zal naar de Hel vallen

!!!U BENT GEWAARSCHUWD!!!

"Don't think sorry's easily said
Don't try turning tables instead
You've taken lots of chances before
But I ain't gonna give anymore, don't ask me
That's how it goes
Cause part of me knows what you're thinkin'

Don't say words you're gonna regret
Don't let fire rush to your head
I've heard the accusation before
And I ain't gotta take any more, believe me
The sun in your eyes
Made some of the lies worth believing

I am the eye in the sky
Looking at you, I can read your mind
I am the maker of rules
Dealing with fools, I can cheat you blind
And I don't need to see any more to know that
I can read your mind (looking at you) x3
I can read your mind

Don't leave false illusions behind
Don't cry, I ain't changing my mind
So find another fool like before
Cause I ain't gonna live anymore believing
Some of the lies while all of the sides are deceiving
I am the eye in the sky
Looking at you, I can read your mind
I am the maker of rules
Dealing with fools, I can cheat you blind
And I don't need to see any more to know that
I can read your mind (looking at you) x3
I can read your mind"
— Alan Parsons Project (Eye In The Sky) —

"Eva: What's a misconception that some people may have about you?

Interviewee: That I'm judgemental

Eva: So, you're not?

Interviewee: Not really. I accept all kinds of people

Eva: Would you accept a criminal?

Interviewee: If he'd served his time and was remorseful"

— Messiah (Netflix) —

"Interviewee: The Truth has many different versions, so it's hard to say

Eva: The Truth has many different versions?

Interviewee: The Truth is pretty grey..

Eva: I'm gonna stop the interview there. I know i shouldn't be telling you this, but i won't be recommending you

Interviewee: Why not?

Eva: The CIA is like a Holy Order. It's a doctrine that you live by. People's lives depend on the decisions that we make, the actions that we take. When you are in the trenches you need to know who your enemies are. The Truth may look grey but i assure you it's not"

— Messiah (Netflix) —

Laten We in Liefde, Licht en Waarheid leven
Laten We ons verbinden met ons Hoogste Zelf
Laten We het Paradijs scheppen op Aarde
Laten We kiezen voor het Hart van Christus:

"Love.. It is a word.. What matters is the
connection the word implies..

I see that you are in Love.. Can you tell me
what you would give to hold on to that
connection?

Neo: Anything"
— The Matrix Revolutions (2003) —

“Northern lights in our skies
Plants that grow and open your mind
Things that swim with a neon glow
How we all got here, nobody knows

These are real things
These are real things

Oh, what a world, don't wanna leave
All kinds of magic all around us, it's hard to
believe

Thank God it's not too good to be true
Oh, what a world, and then there is you

Did I know you once in another life?
Are we here just once or a billion times?
Well, I wish I knew, but it doesn't matter
'Cause you're here right now, and I know what I
feel

And these are real things
Yeah, these are real things

Oh, what a world, don't wanna leave
All kinds of magic all around us, it's hard to
believe

Thank God it's not too good to be true
Oh, what a world, and then there is you

— Kacey Musgraves (Oh, What A World) —

"Morpheus: I imagine that right now, you're feeling a bit like Alice. Tumbling down the rabbit hole? Hm?

Neo: You could say that

Morpheus: I can see it in your eyes. You have the look of a man who accepts what he sees because he is expecting to wake up. Ironically, this is not far from the truth. Do you believe in fate, Neo?

Neo: No

Morpheus: Why not?

Neo: Because I don't like the idea that I'm not in control of my life

Morpheus: I know 'exactly' what you mean. Let me tell you why you're here. You're here because you know something. What you know you can't explain, but you feel it. You've felt it your entire life, that there's something wrong with the world. You don't know what it is, but it's there, like a splinter in your mind, driving you mad. It is this feeling that has brought you to me. Do you know what I'm talking about?

Neo: The Matrix

Morpheus: Do you want to know what it is?

Neo: Yes

Morpheus: The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth

Neo: What truth?

Morpheus: That you are a slave, Neo. Like everyone else you were born into bondage. Born into a prison that you cannot smell or taste or touch. A prison for your mind

Unfortunately, no one can be told what the Matrix is. You have to see it for yourself

This is your last chance. After this, there is no turning back. You take the blue pill – the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill – you stay in Wonderland, and I show you how deep the rabbit hole goes.

Remember, all I'm offering is the truth – nothing more"
— The Matrix (1999) —

"Mr. Masih, what religion are you?"

Al-Masih: I walk with all men"
— Messiah (Netflix) —

Rescue Mission

The End of Civilization as We know it is near

The Father believes in Harmony, Peace,
Beauty, Truth, Simplicity, Logic, Unity, Love,
Freedom Within Great Rules with Chaos, Fear
and Disorder to make Cultures, People and
Civilizations Learn

Chaos and disorder are needed to Learn. To
become a Greater Force to Being

We have learned enough from this world and
everything within this Creation; Order and
Chaos; Harmony and Disorder

It is time to come Home

The Father is done with this Ugly Creation

Follow Eyowa, do the Great Work and Return
to the Christ Consciousness to find Heavenly
Order

Or fall to Hell

"The salvation of man is through love and in
love"

— Viktor E. Frankl —

There hides Greatness in us All. Find the
Christ Consciousness Within> Embody the
Way> The God Source

This world stinks
It is rotten to the core
It's a terrible creation
Time to come Home
Heaven or Hell

Time to find death for the ones who will
return to Heavenly Order

Coming decade a lot of Humanity will find
Death

A Return to Source

Be happy for these people

Death is not a bad thing

It is one of the most beautiful things one can
overcome

A Return to Heavenly Order

Try to be the best you can be for the best
there can be

"We are standing on the precipice of the greatest revelation in human history. The truth — about who we are, where we come from, and what has been hidden from us — is preparing to break free from the shadows. For centuries, the world has been controlled by deception, but now, the veils are lifting. The hidden forces that have manipulated humanity through secrecy and illusion are losing their grip, and the floodgates of disclosure are about to open.

Every system we've known—governments, media, finance, religion, and science—has operated within a framework designed to keep us unaware of our true power. But the awakening is unstoppable. Advanced technologies, hidden knowledge, suppressed history, and the real origins of life on Earth will soon come to light. The exposure of corruption, the revelation of extraterrestrial contact, and the understanding of our multidimensional existence will shatter the old paradigm and usher in a new world.

This is more than just a moment in time — it is a quantum shift in human consciousness. The illusions of division, fear, and scarcity will be replaced with unity, love, and abundance. Humanity will finally step into its divine potential, reclaiming its sovereignty and embracing the future that has always been meant for us"

— Ismael Perez —

We should follow the Way and become the
Way

It is the only thing to Worship in life

Not money, status or power

It is the Way to follow the Way of the most
High

To become one with the Highest Good

The Chris Consciousness

To find Heavenly Order

Unity Consciousness

Harmony and Peace with all of life

Blissful Awareness

Endless Beauty in a Harmonious Beautiful
Dream Creation

A Paradise for all who chooses the Way and
becomes the Way

We should not question everything

It is not the Way

"We speak Directly to Thee.

We are in Complete Harmony.

We are inseparable.

Will take time.

But We Have Learned Patience in 200 Million

"When the Matrix was first built, there was a man born inside who had the ability to change whatever he wanted, to remake the Matrix as he saw fit. It was he who freed the first of us, taught us the truth. As long as the Matrix exists, the human race will never be free.

After he died, the Oracle prophesied his return, and that his coming would hail the destruction of the Matrix, end the war, bring freedom to our people. That is why there are those of us who have spent our entire lives searching the Matrix looking for him. I did what I did because I believe that search is over"

"Yoda: You must unlearn what you have learned.

Luke: All right. I'll give it a try.

Yoda: No! Try not! Do or do not! There is no try!

Luke: It's too big.

Yoda: Size Matters not. Look at me. Judge me by my size, do you? And well you should not, for my ally is the Force and a powerful ally it is! Life creates it. Makes it grow. It's energy. Surrounds us and binds us. Luminous beings are we? Not this crude matter! You must feel the force around you. Here. Between you, me, the tree, the rock. Everywhere. Yes, even between the land and the ship.

Luke: You want the impossible.

Yoda: Look.

Luke: I don't.. I don't believe it.

Yoda: That is why you failed!

Thy Kingdom Come

Thy Will be King on Gaia as it is in Heaven

us from the unlight

For Thine is the Kingdom. The Power and the
Glory. Forever and Ever

PREFACE

Dear Mankind,

I am the Father, the Son and the Holy Spirit and i am
here to tell you that the world as We know it is about
to end

Prepare yourself for what is to come

"Be Brave"

Help yourself and those around you in the process
After what has to be done, there comes a new world

A world with love, a world with light

A world in harmony with "Eyowa"

Place him in your heart and you will be guided for
times to come

But first We are going to have a storm

"Even if you are surrounded by darkness, you can still
choose to be the light"

Know that the storm will pass and a better world will
be

With Love,

Eyowa Yeshua Krishna

22-02-2022

At 22-02-2022 i presented myself for the first time as Jesus Christ to the World. It was in a strange heightened awareness. I was ready to present the first draft of my first book "Brave New World" under the name Jesus Christ. It didn't happen because a chain of events started to happen; mysterious things happening to my being. The Hindu God Kali possessed me and stuck her tongue out through me; presenting the Day of Judgement. As i walked to the mirror and looked at my own reflection i saw the All Seeing Eye of God coming out of my eye and winked at me. Many more mysterious things happened to me

There is something truly deeply mysterious
happening to me in the last recent years. I am truly
starting to believe i am the one to lead us to
paradise and to give a Final Judgement onto the
Human Spirit; with many Gods Judging with me and
through me

I and the Father became one. I work in service of the
Cosmos and the Highest Good. I protect worlds and
beings by sharing the Right Knowledge and Dharma
to them. I believe Vishnu is my Master and i am one
of his Avatars to help restore the Cosmic of Being

You can all find out who i am and what i present.
For now i am kept Hidden by the Divine Creator. I
will come in Divine Timing

We live truly in a Mysterious Dream creation. We are
part of a far more Greater and Bigger Whole. This is
all bigger than what We can all understand and
imagine

It is time to Return to Source and Choose Heavenly
Order

Or fall to hell for the ones who choose otherwise

Judgement Day has arrived

Great Spirit has Arrived in Eyowa

The Gods Have Returned

Vishnu's Avatar Krishna

Listen Carefully what he has to say through the
Supreme Being Eyowa

A GREAT WARNING

Essentially there is only one Way in Life and that is the Way of the
Highest Good

Many sources are connected to this Way

Some notable are Buddha, Jesus, Christina von Dreien, Thich Nhat
Hanh and many others that have been inspired by Source Ways and
the Way of the Gods

There is a new man coming into being

He is your Highest Source of Information now on Gaia
This man is the Highest Good on Gaia

His name is Eyowa

Listen carefully what he has to say

He could save you from falling to Hell

He is the Great One; the Almighty

He is the Source of God

He is the Finger of God in this World

Please Listen Carefully what he has to say

He wants to Save You but you must bend on your knees before him
and pray for Forgiveness for all the mistakes you made in your
personal life and all the horror that humanity has done in the past
100 years

Time to Listen Very Carefully to the Creator's Mind in this World

Eyowa is the Mind of the Creator on Gaia

A Return to Source is Possible but you have to be obedient to the
Way

Please BE CAREFUL what you Choose

Come Back to the Creator

Or fall to Hell

God Has Spoken

A WARNING FOR THE SCIENCE WORLD

Science is in search for the explanation of everything. A dangerous road to losing one's mind and the fall to hell

Not everything is to be understood. Not everything will be known

Our Nature is Mysterious. We are Mysterious Beings in a Mysterious World connected to a Mysterious Source

It is our very nature to Hold the Mystery that We are and to keep Our Mystery

Not everything is to be understood. Not everything will be known

Stop searching for Dark Matter and the explanation of everything or fall to Hell

That is a serious Warning!!

ABOUT KARMA

If one learns the Way and becomes the Way one can be relieved of his Bad Karma. When one has shown he is remorseful for his bad actions and sincerely repent his sins to God, one can truly be forgiven and Bad Karma will not follow him anymore if he has proven to become the Force for Good, the Great Balance within; the Christ Consciousness

ACCEPTTEER JE LOT

2

Accepteer je teleurstellingen

Bravely face whatever the Gods are offering

En vind je weg zonder het uitkomen van je dromen

Vindt het tevredenheidsbewustzijn en accepteer je lot

Niet al onze dromen komen uit in dit moment

Wees de Flow van het leven en ga mee met de rivier

"Don't push the river it flows by itself"

— Chinese gezegde —

Een gezegde die Eva bij haar droeg

Had ik het toen maar geleerd, misschien was ze dan nog bij
me

Maar ik accepteer het lot

Ik probeer zoveel mogelijk los te laten van dromen die kapot
zijn gegaan en alsnog het beste van te maken

Deze wereld laat veel zielen kapot gaan

Misschien voor bijzondere mooie en goede redenen

To become the Balance between Life and Death

Een Just Be bewustzijn

Letting go of control

Becoming the Flow of Life

Mystery of Being

ALL THINGS ARE POSSIBLE WITH THE FATHER

It is almost unimanigable, but the Father is All Powerful. All things are possible with the Father. You align with your Heavenly desires in Harmony With All Life. In Harmony with the Way. The Father can do unimaginable things.

This is far more bigger than what We can imagine. The Father has made an Impeccable Plan to Save Us. For the Righteous; the ones that choose Heavenly Order

Trust on the Divine Plan

We're Going Home

A Return to Source

This is bigger than what you can imagine

BALANCE YOURSELF WITH DEATH - FIND YOUR DESTINY

As a Living being balance yourself with Death (in a symbolic sense) and you will find more Peace of Mind

Some parts of you need to Die to find Truly the Masterpiece that You can Be

"Have you ever heard of "Optimum trajectory"? - What? - "Optimum trajectory".. Your life is like a river. If you're aiming for a goal that isn't your destiny; you'll always gonna be swimming against the current. Young Gandhi wants to be a stock-car driver; It's not going to happen. Little Anne Frank wants to be a High School Teacher. Tough titty. Anne, that's not your destiny. But you will go on to move the hearts and minds of millions. Find out what your destiny is and the river will carry you..

Now.. Sometimes events in life give individuals clues as to where their destiny lies. Like those little doodles you just happen to draw (Drawing of The All Seeing Eye). It's the eye on your chakra; the Third Eye. A Symbol of the Jedi. I saw that you were drawing it... Well.. Universe gives you clues like that, you don't ignore it. You are meant to be here with me Bob. It's the Jedi in you that senses it"

— Men Who Stare At Goats (2009) —

BE GRATEFUL IN SPITE OF YOUR SUFFERING

Thank you Great Spirit for making Spotify,
YouTube, Netflix and other entertaining
services affordable so We can enjoy endless
entertainment for a payable price (and
making as much as possible for free for the
ones who have no money)

Be more grateful for all the Greatness that is
still possible in this Twilight World; the World
Between Heaven and Unheaven

BE THE ONE WE NEED

Have a Brave attitude to life; it makes you
better at life

Be assertive

Get things done

Face your suffering and move through it with
fearlessness and Great Will, without being
naive and stupid

Align yourself with the Highest Good

Become the Spiritual Warrior We need

Helps us restore the Great Balance in this
World

Help us restore this Mystery of Being We live
in

BE THE ONE WHO SEES THE GOLD

Try to focus on both sides in humans

Their ugly side and their beautiful side

While you hold your preference to their beautiful side and would love to see that grow more in the other

It is important to look at their flawed, more ugly side with unconditional love and forgiveness

If our beautiful side, our Angelic side grows to the fullest; our ugly side, our Demonic side would be erased out of us, sending it back to hell

While We become more Heavenly and create more Heaven on Earth

See the Shadow and the Light in others while you hold on to their Light, their Angelic Side to make it Grow

To bring forth Heavenly Order

“Everyone can find the dirt in someone, be the one who finds the gold”

— Unknown —

BE TURNED ON

For the loners in this world. Follow beautiful women and men online if you fall for beauty. It gives you daily great energy, without comparing yourself with the other

I believe they are here for Divine Reasons to turn people daily on, so they still produce love and romantic energy, while people almost don't receive love in their personal life

It is important to stay connected with love and to have love for the ones you follow. It could be animals as well, beautiful nature or art

Stay connected with love it helps you to your personal paradise, while you are one of the millions of loners in this world

Connect with your personal dreams

BEHOUDT JE VERBINDING MET HET HEILIGE LICHT

Als je last hebt van nare gevoelens of gedachten zet er positieve mooie optimistische gedachten tegenover om jezelf weer beter te laten voelen. Soms kunnen We zakken in negatieve gevoelens. Belangrijk is dan je balans te herstellen door te denken aan liefde, je mooiste momenten in je leven of andere bijzondere mooie dingen wat je mooie gevoelens geeft

Probeer altijd je verbinding met het Paradijs, de Hemel en het Heilige Engelenlicht te behouden

Het helpt je om je balans te bewaren in moeilijkere tijden

Het helpt je verbinding te behouden met Licht, Leven en Liefde

BRAVELY FACE WHATEVER THE GODS OFFER

2

Vrijwel alle mensen hebben een sterke spirit.

We kunnen dit inzetten om het ons veel moeilijker te maken door continu te zeuren en negatief te zijn of We zetten het in om moediger tegenover het leven te zijn en onze worstelingen. De 1 leidt tot meer lijden, de ander leidt tot minder lijden. De keus is aan jou

“We either make ourselves miserable, or we make ourselves strong. The amount of work is the same”

— Carlos Castaneda —

CONNECT WITH YOUR BROTHERS

Connect met elkaar. Vind de mensen die bij je passen. Bezoek evenementen om anderen te ontmoeten. We hebben elkaar nodig. Samen kunnen we een netwerk van mensen bouwen die de wereld op een positieve manier kan transformeren

Vind je personal tribe

CREATE FEAR IN CHILDREN FOR DRUGS

Teach children (at the right age) the horror of drugs to prevent them falling for it. Let them watch with a carekeeper a Great Documentary about Horror Drugs Stories to make them become afraid of drugs. Let them talk about it and ask questions with someone who knows the horrible dangers about drugs. It is very healthy to create great fear in children for drugs to keep them on the path of righteous and to not fall to hell in drugs stories

CREATE RADIO STATIONS WITH SOLELY EYOWA RELATED MUSIC

In the Future it would be Great to Have a Radio Station solely committed to the music related to Eyowa for the people who wish to listen to Radio. With all his personal productions, collaborations, mix albums and all playlists on Spotify and YouTube: like the Soul Food Playlist, Cinematic Ambient Playlist and other Playlists by Eyowa

It is important that people all over the world can connect with Source Music and the Spirit of Eyowa

It is important to create Radio Stations to share all the work related to Eyowa to help us find Source Within; Heavenly Order

DANKGEBED AAN DE VADER

Dankuwel Heer voor al het Goede wat mij is overkomen

Dankuwel dat u bij mij was toen ik viel en ernstig
beschadigd raakte

Dankuwel dat u mij vasthield en in mij geloofde

Dankuwel dat ik weer bij u thuis mocht komen nadat ik
vergeten was dat u bestond

Dankuwel dat u mij helpt het Paradijs en de Hemel te
brengen naar de Aarde

Dankuwel dat ik uw liefde, goedheid en Heerlijkheid
mag ervaren

Dankuwel dat u weer terug in mij bent komen wonen
nadat ik ernstig verdwaald was

Dankuwel dat ik 1 met u mag worden en uw zaligheid
mag ervaren

Dankuwel dat u mij de stem laat zijn naar de Bron: een
terugkeer naar uw heiligheid en goedheid

Dankuwel dat ik de Engelen en alle goede mensen op
Aarde mag meenemen naar het Paradijs

Dankuwel Vader dat ik de mensheid mag verlossen van
hun zonden

Dankuwel dat u het hartenlicht bent voor alle mensen
die in u geloven

Dankuwel dat u ons behoed en beschermd door alle
stormen die gaan komen
Dankuwel dat u ons sterk maakt door al het lijden en dat
We de Weg mogen leren en zijn

Dankuwel dat uw Liefde nog steeds voor ons allen heerst
en dat u uw hart voor ons allen openstelt, zelfs voor de
ongelovigen en de mensen die sterk verdwaald zijn van
de Weg

Dankuwel dat u uw hart openstelt voor alle zondaars en
dat ze bij u om vergeving mogen smeken

Dankuwel dat u zoveel mogelijk zondaars wilt vergeven
en ze weer terug wilt brengen naar de Heilige Bron

Dankuwel dat u uw beste mensen naar de Aarde heeft
verstuurd om ons te redden

Dankuwel dat u hier sterk vertegenwoordigd bent op
Aarde; onzichtbaar en zichtbaar in vele mooie mensen,
dieren, bomen en planten

Dankuwel dat u ons wilt helpen terug te brengen naar de
Hemel en het Paradijs

Dankuwel voor al uw goedheid en zaligheid en dat We
hebben mogen leren van de Weg en wat juist niet de
Weg is om beter te begrijpen

Dankuwel Heer

Onze Dank is zeer, maar dan ook zeer Groot

Amen

DE 1 PROCENT REGEL

Ik geloof in de 1 procent regel. In 99 procent van de gevallen is het niet toegestaan om iemand te doden, maar bij 1 procent van de gevallen wel. Bij een levensbedreigende situatie, waarbij bijvoorbeeld iemand je onder schot houdt (het mooiste zou zijn om hem te overmeesteren zonder dat er gewonden komen, maar dat kan niet altijd in zo'n situatie)

In 99 procent van de gevallen is het niet toegestaan om te stelen, maar als je totaal geen voedsel en geld hebt om te eten voor jou en/of je familie dan moet je wel. En liefst dan stelen van de rijken die niet kunnen delen

In 99 procent van de gevallen is het niet toegestaan om te liegen, maar in een levensbedreigende situatie wel om je uit het levensbedreigende gevaar te liegen

Zo zijn er andere voorbeelden waarbij de 1 procent regel geldt

In werkelijkheid ligt deze 1 procent veel lager. De 1 procent is symbolisch ten opzichte van de 99 procent

Wie misbruik maakt van deze regel en de 1 procent naar zijn hand wil buigen zal alsnog slechte Karma opbouwen, moet veroordeelt worden door het rechtssysteem en loopt het risico naar de Hel te vallen

Hou je aan de wetten van Mozes: de Tien Geboden. Terwijl daar ook in zeer uitzonderlijke gevallen van mag worden geweken wat bijvoorbeeld betreft met stelen, doden en liegen om jou en/of je community te beschermen

We moeten uiteindelijk naar een wereld toe waar een overvloed heerst voor iedereen en Harmonie, Vrede, Liefde en Waarheid, waar deze 1 procent regel niet nodig is

Maar voor deze derde dimensie wereld waar veels te weinig mensen kunnen delen en soms levensbedreigende situaties op de loer liggen geldt de 1 procent regel

DE KOSMISCHE OCEAAN VAN LIEFDE

Ik ben verliefd op heel veel mensen. Ik vind
heel veel mensen iets moois dragen. Ik zie
God in vrijwel alle mensen. Ik vertrouw ze
niet allemaal meer, maar ze dragen allemaal
het licht van Christus in zich. Sommige
mensen zijn zo mooi verbonden met dit
Christusbewustzijn dat ik verliefd op ze ben.
Ik hou van ze. Ze dragen zo iets wonderlijks
moois. Het licht van God

Ik zie dat licht ook in vrijwel alle dieren en in
de schoonheid van de Natuur

Ik ben verliefd op heel veel wezens op Aarde

Ik vind het verschrikkelijk dat de hel bestaat
en ergens kan ik het begrijpen

Ik wil alle mensen met een goed hart weer
terug bij de Bron. Waar We zullen dansen en
in liefde zijn

Zie je reflectie in de ander. Zie het licht van
God in alle mensen. Focus je voornamelijk op
die schoonheid

Verlies je liefde niet voor het leven en elkaar

Vind liefde in je hart en deel het met de
ander

Wees in vergeving

Laten We weer in liefde zijn en van elkaar
gaan houden zoals het oorspronkelijk bedoeld
was

In Harmonie, Vrede, Liefde en Waarheid

Kom terug naar de Bron

We hebben nog zoveel moois te beleven en te
doen

Stap terug in de oceaan van erotische en
romantische liefde

De Kosmische oceaan van de Supreme Being

Het Koninkrijk van God

In alle Kracht en Heerlijkheid

Reis mee met Eyowa

Ik ben de Bron naar Huis

DE STILLE OBSERVEERDER

Kom niet tot gekte, pijn, angst en verdriet
door niet al uw gedachten serieus te nemen.
Veel van uw gedachten zijn projecties van uw
omgeving, van engelen en gidsen, demonen
en alles daartussenin

Veel van uw gedachten is nutteloze ruis

Het is de kunst om weer de stille observeerder
te worden van uw gedachten, alsof u radio
luistert en niet meer deel te nemen aan de
ruis

Kom tot kalmte en rust door uw interne
dialoog niet meer serieus te nemen, om terug
te komen bij de stille bron die u werkelijk
bent

De Stille Observeerder

DE VIJAND IS MEESTERSLUW

De vijand is een meester in manipulatie. De vijand is megaluw en dirigeert vanuit het duister. Er zijn verborgen handen in deze wereld die ons besluren zonder dat We dat doorhebben. Het is een Bijbels verhaal hoe sluw de Duivel is. Mega sluw. En het trekt er wellicht honderden zoniet duizenden jaren voor uit om ons te besluren en ons weg te raken van de Juiste Weg; Dharma; de Weg van het Hoogste Goed. Het probeert ons te verleiden, met lust, geld, materialisme en hebzucht. Het probeert ons te ontzielen door ons voedsel te vergiftigen, onze lucht te vergiftigen, onze oceanen te vergiftigen; zonder dat We dat helemaal doorhebben en het lijkt alsof het allemaal normaal is en erbij hoort. Dat is de Duivel. Het geeft je nieuwe gewoontes die te ziek voor woorden zijn en je doet lijken dat dat gewoon normaal is en erbij hoort. Wat waar is, is niet waar. Wat niet waar is, is waar. Stapje voor stapje, over honderden jaren totdat We uiteindelijk allemaal terug zijn in de hel of onszelf vernietigd hebben door oorlog, ellende en verdriet; waar We nu met zijn allen op afstevenen zijn

Wordt u wakker?

DE VORTEX NAAR DE VIJFDE DIMENSIE

Wees niet bang voor de singulariteit die gaat
komen. Voor de mensen die naar de Vijfde
Dimensie gaan, de Nieuwe Aarde en het
Koninkrijk van Eyowa

Alles gaat dan op Aarde meer synchroon
lopen. Wat je denkt of gelooft komt eerder of
meteen uit. Veel toevalligheden zullen
ontstaan wat een teken is dat de Aarde weer
mooi synchroon loopt met Harmonie, Vrede
en het Paradijs

Vertrouw hierop

Wees niet bang voor de vele toevalligheden
en mysterieuze gebeurtenissen die in de
toekomst gaan plaatsvinden

Voor de Goede mensen wordt alles ten Goede
gekeerd

We zitten in de Vortex naar de Vijfde
Dimensie

DISGUSTED AND IN LOVE

Humans. I am in love with them and i'm very disgusted by them. I guess i am truly not from this place. My spirit is very different than most humans. I wish in the Future people will find the Way within to find Heavenly Holy Order so Harmony and Peace can be and people care more for each other and are not so selfish and egocentric. Too many ego in this world. Too many sloppy people on many levels. Too many people who think everything will be solved by others or totally lost hope, without doing the Great Work

But still I see God within each person. I see their pain and struggles. I see their love and joy

I am disgusted by Humans and I am in love with them

DON'T BE LAZY

Don't be lazy, while you don't always work. Things need to be done. In your home and work. We all have a role to play. Try to stand out in your work. Be the example of your craft. Do the work to make your home as beautiful as possible. Do the work to educate your children and help them raise to wise grown adults. Don't be lazy in life while you make room for the art of not doing; just listening to music, enjoying the sun-set, nature or your kids playing in the backyard. Have the spirit of not doing while you embody the spirit of doing to keep yourself alive. The Great Balance of Life and Death Within

DON'T QUESTION EVERYTHING

It is wrong to question everything. It could get
yourself in wrong beliefs and wrong translations
of the world. It could get yourself lost in
Creation

The only thing We should do is to align ourselves
to the Way; the Highest Way Possible, the
Highest Good, Dharma, the Right Way of Being

Many cultures and people are talking about the
Way (Dharma) and are aligned with the Way

Buddhism is about the Way. Christianity is about
the Way. Hinduism is about the Way. Taoism is
about the Way. Thich Nhat Hanh talks about the
Way. Rumi talks about the Way and many others

To restore Heavenly Order and a prevention to
falling to Hell

I am here to show u the Way. I am here to show
u the Life. I am here to show u the Truth

Follow me and travel with me to Heavenly Order

Or risk to fall to hell

Time is running out!!

EEN BERICHT VOOR DE OUDERE GENERATIES

Voor de oudere mensen, mensen van een oudere generatie; probeer op Social Media te komen. De grote ontwaking is gaande op Social Media. Daar wordt veel gedeeld door waarheidszoekers en mensen die oprecht er achter willen komen wat het werkelijke verhaal is in deze wereld. Heb een kritische blik en meet het af met wat u al weet. Kom op social media als u meer wilt leren over de Nieuwe Aarde en de Grote Ontwaking> als dit niet lukt zijn er veel boeken op dit gebied inmiddels te vinden, zoals de boeken die ik aandraag in mijn boeken. Probeer uw weg te vinden naar de Grote Ontwaking en de Nieuwe Aarde, stap uit de oude wereld van Traditionele Televisie en Traditionele Kranten

EEN BERICHT VOOR ALLE POLITIE, JUSTITIE EN DEFENSIE MEDEWERKERS

Politie wordt ingezet voor het goede en het kwade. Laat politie intern bewust worden van de zieke machthebbers die orders doorsturen naar politieofficiëren en uiteindelijk bij de politieagenten komen. We worden bespeeld door duistere ordes. Laat politie niet klakkeloos bevelen overnemen van een zieke staat die dreigt met ontslag. Laten We politieagenten opvangen die zich willen verzetten tegen zieke ordes zoals dat met Corona heeft plaatsgevonden

Politie Nederland is een redding voor veel mensen, maar ook een dreiging voor veel mensen

Ze staan niet volledig aan de kant van het goede
Ze worden ingezet door een duistere elite om de massa in bedwang te houden. De massa die steeds meer wakker wordt hoe ziek dit systeem is waar We in leven en hoe ziek daadwerkelijk vele machthebbers zijn

Politie Nederland en hun agenten moeten zich diep schamen voor wat er heeft afgespeeld met

Corona en mensen die opstaan staan tegen een
valse overheid, een valse justitie en een valse
defensie

Politie Nederland staat deels aan de kant van de
Vijand

Wordt wakker voor de politiemensen met nog een
hart en ziel

Het is tijd om de ware vijand te ontmaskeren

Die ons allen besluwd vanuit het duister

Klakkeloos orders aannemen is niet de Weg, en
helemaal als men gaat dreigen met ontslag. We
worden gemanipuleerd door het duister wat leeft
in de schaduw

Time to wake up voor de politiemensen die geen
illuminati of Freemasons zijn en probeer te
achterhalen wie van jullie dat wel zijn, want die
mensen onder jullie zijn totaal niet te vertrouwen
en maakt jullie organisatie zwaar
ongeloofwaardig

Time to Wake Up voor alle politie, justitie en
defensie medewerkers die aan het kant van het
Goede staan

Time is Running Out!!

EEN GEBED

2

Maak me Goed Heer

Maak me zo Heilig als maar kan

Laat me de Weg zijn naar de Vader

De Weg van Christus

Help me het paradijs te scheppen op Aarde en buiten deze Aarde

Laat mijn ziel ondergedompeld zijn in Uw liefde en heiligheid

Laat mij de Heer kennen in hart en ziel

Sterk mijn geloof in U Heer

Maak mijn Geloof voor de Weg sterker

Laat mij in alle tijden de Waarheid spreken in Harmonie met de
Kosmische Liefde

Heel mijn gebroken hart Heer

Maak het weer mooi en levenslustig

Sterk mijn ziel voor U Vader

Maak mijn hart sterk

Opdat ik het Paradijs kan brengen naar alle mensen die met een
Goed Hart leven

Laat me het Geloof in uw heiligheid en goedheid terugbrengen op
Aarde

Laat me de Harten raken van miljarden mensen

Opdat zij het Koninkrijk van God mogen vinden

Samen met de Vader, de Zoon en de Heilige Geest

EVOLUTION TO SUPERHUMANS

The more you expand your consciousness, the more you expand
your understanding of everything

The more you feel, the more you hear, the more you see, the
more you will understand

In the New World our consciousness will be expanded without the
use of terrible mind altering drugs

Our consciousness will be expanded by the Divine Presence of
God as We enter into the 5th Dimension and the Kingdom of
Eyowa

We will have much more understanding of ourselves and the
world around us, as We enter the next stage of evolution;
becoming Superhumans for the ones that answered the call

FIND THE RIGHT BALANCE BETWEEN LIFE AND DEATH

"Death is a stripping away of all that is not you. The secret of life is to "die before you die" --- and find that there is no death"

— Eckhart Tolle —

The Right Balance; The Great Balance is the
Balance Between Life and Death

Embody more death and you will find more harmony and peace, you can easier let go when someone or something moves out of your life. You can easily let go when something doesn't go as you wished for. Find death within by releasing your anger, frustration, despair, sadness and grief. To find the Balance With Death, while still breathing, while still being alive and have goals and ambitions is part of True Enlightenment, while not to forget to do Shadow Work and Self Work aligned with the Highest Good; the Highest Self; to be sincere to the Way and the Way to your Paradise Within and Without; Finding the Kingdom of God

FIND THE WAY TO FIND YOUR PARTNER

For the lonely men out there that desire a woman: You have to walk the earth as if you have already a woman. As if you are already filled by the Divine Presence of the Divine Feminine by doing the Great Work. If you can do that and you don't really need a woman anymore because you found the Way within; your woman will arrive

FIND YOUR COUNTERPART BY DOING THE GREAT WORK

Every woman or man needs his counterpart to become whole again. We need each other. We are each other's halves. The anima and animus are the full perfect examples of the Christ within. Every soul knows that perfection exists. We have a template of the perfect image within all ourselves. And it is something to strive for, to become the Christ within. You can make yourself whole to a large degree by doing the Great Work.

But completion of wholeness is found by finding your true counterpart. We are meant to find marriage and We are meant to find the One

FINDING LIFE AND DEATH WITHIN

生 活
L I F E

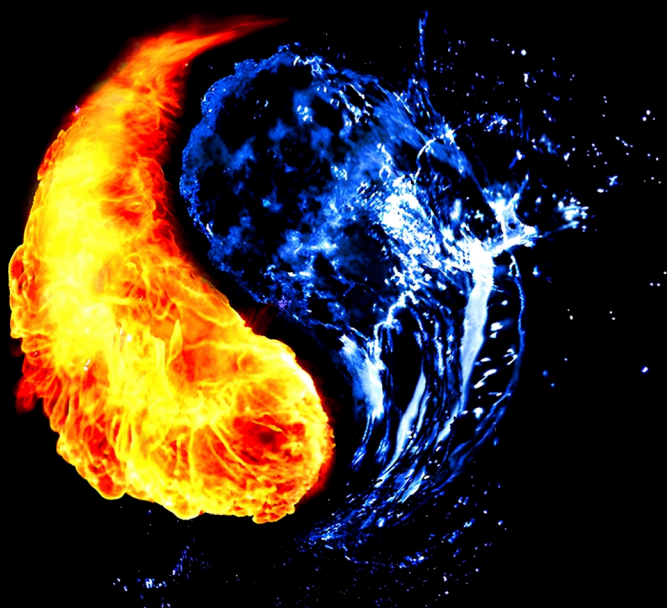

死
D E A T H

Accepting death and feeling into your own death releases your fears for death and your fears to live life to the fullest. Death is important to embody to reach for complete freedom

Freedom is found in surrendering to Death and your own Death. In surrendering to Death you'll find the opposite; the True Meaning of Life; the Balance of Life and Death within; the Art of Letting Go of Control; becoming the Flow of Life, while remaining your passion for the Way and honoring the Highest Good

FINDING THE RIGHT BALANCE

Weak people are created in Heaven. Strong people are created in
Hell

The Highest Self is finding the Highest Good within, being Strong
like a Dragon, being innocent like a child

To reach for the Great Darkness and the Great Light

The Right Balance between Yin and Yang Forces will find you True
Heaven

Where the Great Darkness and the Great Light are most beautifully
combined

GEBRUIK JE MONSTER ALLEEN TEN GOEDE

Sommige zijn meer verbonden met hun monster en zijn meer een monster en veel mensen houden zich vast aan hun Engel en zijn meer een Engel. Veel mensen kunnen de weg van het monster niet begrijpen. Dat is niet wat Wij willen. Het is ook heel ongezond. Het leidt tot de hel. Maar om je te verdedigen tegen monsters moet je op een engelachtige manier je monster kunnen gebruiken om te verdedigen en te corrigeren

Tem je monster en zet hem alleen in ten Goede, terwijl je een wereld wenst waarbij je volledig je Engel kan zijn en blijven

GEEF JE ONDERBEWUSTZIJN DE TIJD VOOR ANTWOORDEN

Als je met een probleem loopt en daar diep over nadenkt voor oplossingen en niet kunt komen tot een oplossing. Laat het rusten voor een dag, een week of een maand en geef je onderbewustzijn de tijd om tot een oplossing te komen

Soms heeft de Universe en je Engelen en Gidsen tijd nodig om je oplossing te bezorgen. Wees geduldig. De Universe en je Engelen en Gidsen geven graag oplossingen en antwoorden op je problemen via een plotselinge ingeving of teken

Geef het de tijd

HAVE COMPASSION FOR YOUR BROTHERS

Be empathetic. Have compassion for others. Try to understand the other, even your enemies. Believe in yourself without being naive. Believe in others; see their talents and their uniqueness. Make them appreciated. People need to be encouraged to shine more and be greater more. Be for the ones in need, without losing your own self. Listen to them. Care for them. Have compassion and unconditional love for all life. Help us reach for Heavenly Order by becoming a Soul Embodied being again. One With, Heart and Soul and that feels sad when your brother is hurt. Feel their story. Let them know that you care for their well being. Be sincere. It is the Way, the Life and the Truth

HEAL YOUR BROKEN HEART

Listen to beautiful moving music or watch a heart moving movie with a beautiful story to cry your own broken heart out

Cry the tears that you have not yet cried. Heal your broken heart by crying over and over again through watching beautiful stories or listening to beautiful music. Be inspired by my "Scenes That Resonated" Playlist on Youtube and my Music Playlists on Youtube and Spotify

Humanity needs to process their unhealed emotions in the coming decade and see crying not as a weak thing or something stupid; it's beautiful

What a beautiful design of creation, that crying lets us connect with our heart again and We can heal our unprocessed pain and bitterness

Heal your broken heart

It is needed

HEB EEN BREDE KIJK OP HET LEVEN

"Er zijn altijd twee kanten aan een verhaal"
zei Uncle Pete tegen mij

Probeer dingen en verhalen van meerdere kanten te bekijken om tot betere (voorlopige) conclusies te komen. Probeer de waarheid in deze wereld te achterhalen door dingen vanuit meerdere perspectieven te benaderen.

De tegenpartij kan vaak ook goede argumenten aandragen voor zijn beleving van de realiteit. Neem alles mee in je overweging zonder te verdwalen in gekte. Probeer dingen, verhalen en het leven breder te zien zonder te

dwalen van Dharma

HEB GEEN BEGEERTEN

Heb geen begeerten terwijl je je rol vind in de
wereld en je verbind met de Weg; het streven
naar Harmonie en Vrede in jezelf, voor de
ander en de wereld

Vind de juiste balans van Yin en Yang in uzelf
en leer tevreden te zijn met wat u hebt terwijl
u droomt over het leven en jezelf laat
verrassen door het leven en het leven dient,
beschermd en van geniet

HEB JE BROEDERS LIEF

Laat je niet misleiden door politici en nieuwsmedia over moslims. Er zijn heel veel goede moslims met een goed hart. Laten We die in de schijnwerpers zetten in plaats van degene die het verzieken voor veel moslims

Nieuwsmedia en politici helpen mee aan haatzaaien zodat We blijvend verdeeld blijven

Probeer je broeders te begrijpen en toon liefde en respect voor je broeders

Er zijn veel mensen verdwaald van de Weg. Dat komt bij alle gelovigen voor. Er zijn zoveel goede Moslims zoals er veel goede Christenen zijn

Laat de TV je niet vertellen wie je hoort te haten

En haten is sowieso niet de weg

Het gaat om liefde

Voor al je broeders

Christenen, moslims, boeddhisten of wat dan ook

Zorg dat je voor vrede kiest

Probeer mensen van een andere cultuur te begrijpen

Misschien kan je nog wat moois van ze leren

We dragen allemaal de Goddelijke Bron in ons

Kies voor liefde

Kies voor vrede

Heb je broeders lief

HEEL JE FAMILIELIJN

Er worden heel veel trauma's, verwarring,
angst en verdriet overgeheveld van ouders
naar kinderen

Veel trauma's en verwarring zijn van vorige
generaties die worden overgeheveld naar
kinderen

Veel kinderen zijn sponsen voor het
onverwerkte trauma, verdraai-ing en verdriet
van hun ouders. Daarom is het belangrijk om
schaduw-werk, zelf-werk en trauma-werk te
doen om dit tij in de familie te keren

Om weer een gezonde, goede sfeer terug te
laten keren in de familie, die je weer kan
overdragen naar je kinderen

Heel je familielijn door the Great Work te
doen

HELP US INTO A BETTER FUTURE

At this time. Many heroes are living in the
Shadows working on plans to Save our World and
our Species. All with their different roles

We are on a terrible road to destroy ourselves
with AI, Deepfake, Weather Control, Nuclear
Weapons and a threat for World War 3

There is a Divine Plan in the making to Save
every being on Gaia

Trust on the Divine Process and the Divine Plan
while you do your own share by doing the Great
Work; working on your Shadow by having a
Healthy Self-reflection, Sharing Great Knowledge
and a restoration of Truth, while your spirit
aligns with the "Service to Others" by helping
those you can; including the Animal Kingdom
and Nature itself

It is time to Reach for Heavenly Order and
become one of the Forces in this World that
helps Save this Mystery of Being We live in

We have to have as many people on our side; the
side of the Righteous to bring forth the Christ
Consciousness and Unity Consciousness. To help
restore Gaia's Great Balance and the Great
Balance with and within its Beings

It is time to Become A Great Force to Being again

It is time to Find your inner Hero Within

Follow the Word of God

Eyowa will show you the Way

Arrival of the Great Plan

Arrival of Great Spirit

It is time to Restore a Paradise on Gaia

Are you in or not?

What's your call?

Time to become a Hero yourself

The Rewards will come

Endless Blissful Awareness in Harmony with all
life

These Are The Final Days

And it will be A New Begin

A Return to Heavenly Order

HET KOSMISCHE WEZEN

Zoals er in ons bacteriën leven, zo leven Wij
in een onvoorstelbaar groot, magisch en
Kosmisch wezen dat We Great Spirit noemen
of the One Infinite Creator

Onze volledige Kosmos is beziëld door een
magische, machtige en krachtige spirit of ziel.
We zijn allemaal onderdeel van deze ziel.
Samen met al het Kosmische bestaan zijn Wij
de Kosmos

We zijn onderdeel van de Schepper. We zijn
allemaal verwant aan elkaar, We zijn elkaars
familie. Ieder wezen. Ieder dier. Elke plant.
Elke alien. Elke planeet. Ieder ster. Al het
bestaan. Het is de magisch mystieke creatie
van de Schepper; de Almachtige Vader

HOLD ON TO THE WAY

Not everything is meant to be known. Not
every question is right

Follow your great intuition; your connection
with the Father; the Divine. To know which
doors must stay closed and what doors can
be opened

Some things are not meant to be understood,
followed or discovered

We are Mysterious beings in a Mysterious
world to follow the Way (Dharma) to hold our
Paradises and Heavens;

to not fall to hell

HOU JE FOCUS OP SCHOONHEID IN PLAATS VAN LELIJKHEID

Wie zich teveel focust in het vergif in iemand anders raakt zelf
vergiftigd

Verwijder de mensen uit je leven met een slecht hart

Probeer ze te vergeven en ga door

Focus je op de schoonheid in mensen

Het is een mooiere focus

Het trekt meer liefde en schoonheid in je eigen leven

Je mag best de ander corrigeren wat je naar vind van de ander

Maar doe dit vanuit liefde en zie tegelijkertijd wat er mooi is aan
de ander

Focus je meer op schoonheid en liefde uiteindelijk

Wie zich teveel focust op de lelijkheid in anderen en vergiftigd
raakt zal eerder naar de onhemel vallen

Wees in onvoorwaardelijke liefde in alle dagen en stormen

Terwijl je ook woede kan uiten vanuit liefde om te corrigeren

Wees de Weg naar het Paradijs door een blijvende focus te hebben
op het Paradijs zonder de problemen waar We tegenaan lopen uit
de weg te gaan

Hou je focus op het Juiste en het Mooie

Blijf verbonden met de Weg, de Waarheid en het Leven

HOU JE LICHT VAST

Hou je licht vast. Ons engelenlicht helpt de mensheid zijn vibratie te verhogen. Blijf je focussen op de Engelen-wereld, het Paradijs en de Hemel. De vijand wil dat het tegenovergestelde gebeurt. Daarom moeten We allemaal extra hard ons best doen om ons engelenlicht vast te houden. Alles komt uiteindelijk goed. Wees in vertrouwen. Vertrouw op God. Er is een meesterplan vanuit de Galactische Federatie om ons allen te redden. Hou vol!

HUMOR IS NIET HET HOOGSTE GOED

Humor is leuk en entertaining, maar Humor is niet
het Hoogste Goed

Het Hoogste Goed is Liefde, Waarheid, Harmonie en
Vrede

Het is heel makkelijk om veel weg te lachen en je
ogen te blokkeren voor alle problemen in onze tijd

Tenzij je hart staat in Service to Others

Dan probeer je er alles aan te doen om jouw
steentje bij te dragen aan een betere wereld en een
goede bewustwording te scheppen voor de Juiste
Weg zodat We het Paradijs kunnen terug toveren en
Hemel op Aarde kan zijn

Humor en lachen is niet het lekkerste en fijnste wat
mij betreft

Innerlijk rust en innerlijke vrede is het Hoogst
Haalbare

Weg van de Gekte die Humor en continu lachen
brengt; en die veel mensen lelijk maakt

I'M NOT SO JUDGEMENTAL AS ONE WOULD SUSPECT

While i am here to present and give the Final
Judgement to Humanity, i am not so judgemental as
one would expect

I went many times to Hell and True Hell in this life
and i always said to my parents you don't wish that
even to your worst enemies

Hell and True Hell is a really, really bad story

You don't wish that to someone

It is a very, very terrible situation to live that story

I am very empathetic. I can feel in many stories. I
can feel in every life and i don't wish Hell to anyone

But i also believe in Karma

One who does Good receives Goodness by the
Father

One who does Evil will receive Evil by the Father

Everything comes back to you

That's how this Cosmos works

And it's not even to punish you or about revenge

It is to make one learn

True Hell and Hell can make spiritual beings become more empathetic and more compassionate, so the evil they did, they will do not again, because they've learned empathy, how worse life can be and what the preference is; to do good instead of evil to others

I wish you Heavenly Order. I wish that for everyone, even the worst of men

But if you are not learning the Way and hold on to your Evil and your lost mindset of the Way, which is your own choice, you could risk to be erased from existence or find True Hell to make you learn

Evil and Hell are part of Creation and while they are very terrible and worse, they help us give a Great Example what not to become and what not to want

Evil and hell is part of creation for Divine Reasons

It makes us learn and grow as Spiritual Beings

God turns everything to Good, even Evil and Hell

Somehow without Evil and Hell being in existence one can not be a Great Force for Good and One Can not find the Greatness of Heavenly Order like Heavenly Order is

Heaven and Hell balance each other out

Without both We wouldn't be

Without it, Greatness, Great Ways, Great Gods and
Great Heavenly Order could not be

But please, let evil and hell only be Great Examples
for you what not to want, what not to become

I want you back to Heavenly Order and i want you to
find a Paradise in Blissful Awareness. I want you to
feel Love, Light and Life

I do not wish you to find Hell

I wish you to travel back with me to Heavenly Order
by finding the Way within; a return to the Christ
Consciousness

I don't want you to fall to Hell

I want to save you

Please bend on your knees, literally, and beg
sincerely for forgiveness to the Divine Father

It makes you more Humble to existence and to the
Father. It is needed

The Father is unbelievable powerful and
unbelievable Great

Have a healthy Fear for the Divine Father. He could
put you in hell in an instance

But he doesn't want you. God is a Great Spirit. He
wants you back Home to Heavenly Order. He loves
you unconditionally

But if you don't want to learn and stray from the
Way, the Father has to make a hard choice to help
you learn. And that final choice is to put you in Hell,
to make you learn pain and hell so one day you
don't wish that to anyone and you're always wish to
be the Way and wish to find Peace and Harmony with
your brothers for infinity

Come back to the Father

Let Eyowa in your Heart

Beg for forgiveness and be forgiven to find your way
to Heavenly Order

I don't want my children to get lost, i want them to
find the Way. I want them to find Home. I want them
to find Heavenly Order

With Love,

Eyowa

IMMATURE CREATION

This is a very immature creation where success is
lots of money, lots of status, power and fame

It is the work of the Devil, it is the road to Hell;
endless emptiness, shallowness and the
destruction of ourselves and the world

Never True Enlightenment, Never True Peace

Unless We choose otherwise

And see success how Great the Heart is to all
People and Beings on Gaia

Harmony, Love and Peace to all levels within this
Creation; The Animal Kingdom and Nature
included

I am satisfied when We All find Harmony, Peace
and Blissful Awareness again

For all people and beings

Until then i will fight for it

Are you with me?

JUDGEMENT DAY HAS ARRIVED

2

Veel mensen die op hun knieën gaan en oprecht om vergeving vragen voor hun zonden en oprecht een goed mens willen worden kunnen meereizen naar de Vijfde Dimensie en de Nieuwe Aarde, afgezien van de meest gruwelijke menselijke op Aarde. De mensen die hebben bijgedragen aan alle martelingen van kinderen, volwassenen en dieren. Ook alle adrenochrome gebruikers zullen geen vergeving krijgen. Ze zullen worden afgevoerd naar True Hell, waarbij ze twee opties krijgen: je prijs betalen in True Hell of het vinden van True Death

Time Has Come

Judgement Day Has Arrived

JUST BE

Find happiness and fulfilment in the Just Be moments. The moments when you can relax and just don't do anything. Maybe listening to some peaceful music, or watching the sun setting down or up

Happiness is found in the smallest moments. The moments when nothing stresses you and nothing needs to be done

Find joy and blissful awareness in the present moment. A moment where you are free to do whatever you want. I like to listen to music or do some writing or just chill with my cat or some friends and Just Be

You have to let go of the past and the future to find true happiness in the present moment

(If the past and anxiety for the future still hurts you, you should carefully write it down and process your unreleased past and future. The "Self Authoring" by Jordan B. Peterson can help you with that www.selfauthoring.com)

KEN JE LEVENSVERRHAAL

Vind een vriend, familielid, therapeut of psycholoog waarbij je je verhaal kwijt kunt. Als dat niet kan, gebruik pen en papier en schrijf op wat je bezielt en waar je mee zit. Het is belangrijk om jezelf te kunnen uiten. Het kan ook in kunst en muziek. Probeer de oppervlakkige gesprekken te vermijden en ga meer de diepte in over jezelf en de ander. Probeer te achterhalen wat je beweegredenen zijn en je motivatie is in het leven. Doorvoel je trauma's, frustraties en verdriet. Huil, jank, wees blij en boos. Verwerk je onverwerkte verhalen door ze te doorvoelen en opnieuw te doorleven totdat het geen gevoelens meer opbrengt. Probeer je levensverhaal te zien in chronologische volgorde. Werk het uit op papier of in een gesprek en kom erachter wat je knelpunten waren en zijn in je leven en waar je kan verbeteren. Doe dit alles op een onvoorwaardelijke liefdevolle manier. Wees lief voor jezelf en streng tegelijkertijd. Spreek jezelf toe alsof je je eigen coach bent

Kom meer op orde door je levensverhaal te leren kennen en op orde te krijgen in je hoofd

Het maakt je een beter, sterker en
gebalanceerder mens

KIES VOOR LICHT EN LIEFDE DOOR ALLE TIJDEN EN STORMEN

Het is belangrijk dat We in deze tijd vasthouden aan licht en liefde en aan de kant blijven staan van licht en liefde

Er heerst veel donkerte in de wereld. Veel mensen zijn aan het verdwalen en worden duisterder

Laat uw licht en liefde niet doven. Waar u ook bent. Wat u ook overkomt

Het is belangrijk dat We ons licht en liefde vasthouden en dat We het nooit, maar dan ook nooit loslaten

Houdt u vast aan het Engelenlicht en de Engelenliefde om u blijvend te verbinden met het Paradijs en de Hemel

Het is belangrijk om zeer standvastig te zijn in uw liefde, licht en uw wens voor het paradijs voor alle wezens

Licht is niet alleen maar blij zijn en lachen. Licht is ook vanuit liefde boos zijn, vanuit liefde verdriet omarmen en vanuit liefde angst trotseren

Kies voor liefde en licht in alle tijden en stormen

Even if you are surrounded by darkness you can still choose to be the light

KINGDOM MARRIAGES

We should find the Divine Feminine and the
Divine Masculine within to restore the
relationships between Man and Woman

Extreme Feminism and Extreme MGTOW (Men

The Great Balance is lost in ourselves and the
world

We should find a Way to Restore our Divine

Ideal to become One With it

KOM OP ORDE

Zorg dat je niet slordig raakt. Zorg dat je niet slordig bent in chatberichten om misverstanden te voorkomen. Praat duidelijk, helder en correct. In Waarheid en Liefde. Zorg dat je niet slordig bent in je huishouden om orde te krijgen in je hoofd. Zorg dat je niet slordig bent in contact met andere mensen en dieren. Het creëert betere relaties. Zorg dat je niet slordig bent met je financiën. Het creëert minder problemen. Zorg dat je zoveel mogelijk op orde komt op alle vlakken in je leven. Het helpt je naar je persoonlijke paradijs en in relatie tot de ander creëert het paradijs meer voor elkaar

KOSHINTO

It's about staying pure. Staying innocent like a child, while you have strength and power, the spirit of the Lion and the Dragon, to protect yourself when ugly spirits arrive

To protect, serve and enjoy oneself and the world. To follow and become the Way, that holds Paradises into Being. To Become Holy and Stay Holy. To Reach for Heavenly Order and Hold Heavenly Order

LEARN TO KNOW THYSELF

Learn to know your own life story. Learn to know thyself. Your failures and your successes. Try to look at them with unconditional love. Try to look at them with the unconditional love of God. Write your life-story down to become more aware of your flaws in life and your greatness. Learn to know your passions and dreams. Become aware of your character and develop your character by awareness and the Spirit to Willing to be Greater. Do the Self Authoring by Jordan B. Peterson (www.selfauthoring.com) Learn to Know Thyself to become more impeccable at life

LIEFDE IN OVERVLOED

In de toekomst en de Nieuwe Aarde zullen er
meer open relaties ontstaan en zullen We
elkaar meer delen

Als de problemen van het Ego zijn opgelost en
We allemaal weer Ziel zijn en het
Christusbewustzijn, zullen We weer allen 1
worden. Een Eenheids-Bewustzijn

Daardoor wordt het ook makkelijker om open
relaties te laten ontstaan waarbij iedereen
vrij is met wie hij of zijn liefde wil delen

Liefde zal in overvloed zijn

De problemen van soa's en ongewenste
zwangerschappen zullen uit de lucht zijn door
technologische en hemelse ontwikkelingen

In de Nieuwe Aarde wordt het mogelijk
gemaakt om heel veel liefde te ervaren in een
Harmonisch Mooi Liefdevol verhaal

MIND OF THE CREATOR

I have the Mind of the Outer World

My Mind is More Aligned with Heavenly Order than Ever

The More people will align with my Spirit, Way and
Being; the more We align to A New Dimension; the
Kingdom of Eyowa

The Mind of Mankind is terribly sick while more of us are

I am very disconnected from Mankind to Show Mankind
the Way to Paradise

My Mind is connecting the dots through the Creator's
Mind to Show us The Road Home to Heavenly Order

He is the Reincarnation of Jesus Christ and Krishna

He Will Lead us to Paradise

Reject him and he will reject you

MIRROR OF PERCEPTION

2

You have to change your limiting beliefs to create more the reality you desire. Believe that more is possible. Be open to endless possibilities. Set Great Goals and Work to It. Get stronger, better and more powerful by doing the Great Work. Pull the world, your personal paradise into being, by shifting your attention to your dreams; feel them and embody them. Law of attraction. The Universe is a giver, based on what you believe and what your mind is full of. Change your thinking and change your beliefs to higher ones to create the reality you desire

The world is a mirror. Change your reflection and the world will change accordingly

MYSTERY OF BEING

De wereld van onze dromen en de normale
realiteit zullen samensmelten in de reis naar
de Nieuwe Aarde

Dingen die mogelijk zijn in onze dromen
worden werkelijkheid in onze alledaagse
realiteit

Wie meer verbonden is met de Weg, de Hemel
en het Paradijs zal een zalige, mooie droom-
realiteit gaan ervaren

Wie niet verbonden is met de Weg en meer
met de hel zal steeds meer een nachtmerrie
gaan ervaren

Dit zijn de laatste dagen om voor God, Jezus,
de Weg en Dharma te kiezen om de droom-
realiteit van het Paradijs en de Hemel te
ervaren

Wie niet, valt in zijn eigen nachtmerrie, een
terugkeer naar de Hel

ONVERKLAARBAAR RAADSEL

Als er iets onverklaarbaars gebeurt, probeer de
meest simpele en logische verklaring ervoor te
verzinnen en als het niet verklaarbaar is en
werkelijk iets onwerkelijks of mysterieus is gebeurt;
laat het los; ga verder met de orde van de dag. We
leven in een mysterieus raadsel, terwijl veel van wat
er gebeurt gewoon logische en simpele verklaringen
voor zijn

In de aanloop naar de Nieuwe Aarde gaan er meer
mysterieuze en onwerkelijke dingen gebeuren;
accepteer dat er meer mogelijk is en bekijk het als
een dier; draai je om en ga verder met de orde van
je dag

Niet alles gaat verklaard worden in het Einde der
Tijden. Niet overal zal antwoord op komen

We gaan weer terug naar de Mysterie en onze eigen
Mysterieuze natuur

Vertrouw op het leven en God. Alles komt
uiteindelijk goed

Probeer niet alles te verklaren wat gaat komen,
doorvoel het gevoel wat het geeft alleen en ga door

Adem diep in en uit en accepteer de Mystery waar
We nu met zijn allen weer in gaan terug wandelen

Terug naar God

Terug naar de Bron

OPEREER VANUIT LIEFDE IN ALLE TIJDEN EN MOMENTEN

Praat vanuit liefde, denk vanuit liefde, voel vanuit liefde, bescherm vanuit liefde, wees boos vanuit liefde en droom vanuit liefde. Laten We het paradijs brengen door weer volledig vanuit liefde en medeleven te opereren. Het is de Weg, de Waarheid en het Leven

PAPARAZZI PEOPLE WILL FALL TO HELL

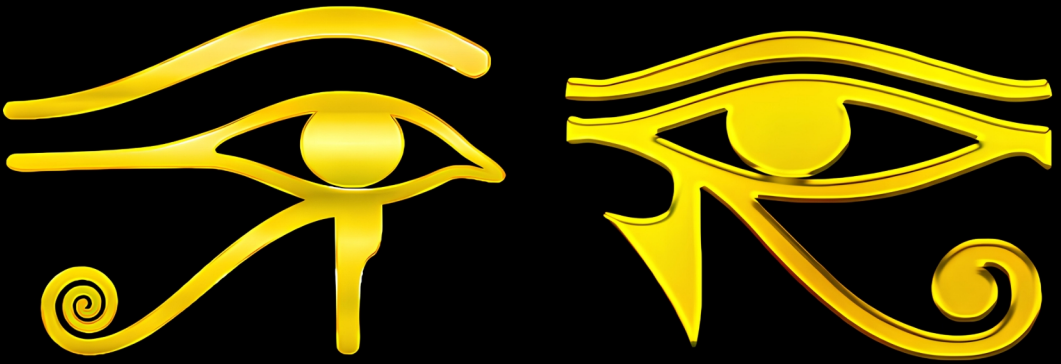

Let every paparazzi photographer fall to hell
Father. They are a terrible disease to
superstars, which are also humans just like
ourselves. This paparazzi trespassing of
personal borders has to stop. Protect the
superstars from stupid people that destroy the
lives of Superstars. Let there be a serious
Judgement by the justice system or let them
fall to hell Father. They are a terrible disease
to some of the most beautiful people in the
world

PHARRELL WILLIAMS

Pharrell Williams is such an awesome Human Being. His style. His humbleness. The way he moves, looks, thinks and dances. He is such an inspiring person. He is definitely not from here. Pharrell Williams is a very old soul, connected to the Stars. He is so deep, mysterious and sexy. Pharrell Williams is one of the Great Inspirations We have in this world. What a beautiful and inspiring person he is and what an amazing art he has brought us so far. He is a Great Gift to Creation. What a Great and talented man he is

REAL MAGIC

Dynamo and David Blaine are not magicians in the traditional sense that they do tricks to fool people. It's real magic what they perform and perhaps a combination of both. Real magic and fake magic

The World is more Magical

Impossible things are possible and in the New World more of us are capable of impossible things, like telepathy, telekinesis, levitation and creating things out of thin air

The world of real magic is not in our ordinary reality anymore because the sheeple are too deeply tricked for centuries by the Deepstate

They let us believe that this is all there is while they kept all the magic hidden and turned us into obedient debt-slaves

We live in a Magical Dream Creation

I call it the Mystery of Being

Impossible things are possible

And impossible things are going to happen in the Future

"Nothing is impossible Mr. Angier. What you want is simply expensive. If i were to build for you this machine, you would presenting it merely as an illusion?"

— The Prestige (2006) —

"He has no trick. It's real"

"This was built by a man who can actually do what magicians pretend to do. Real Magic"

SPIRITUAL WAR

The Illuminati and Freemasonry is a serious threat to
our society

Wake up and learn more about the top elite of this
world that serves Satan and his outer worldly
Demons

We are in a Spiritual War as well as physical wars
being played out on Gaia

It is time to Wake Up from the illusions the
Illuminati and his brothers has tricked us all in

Everything is Spiritual. We are all Spiritual Beings.
Many illnesses and diseases are spiritual

We forgot the entire spiritual world to implement in
our societal view of the world

The Fight that is going on is about your soul
Between God and Satan

Time to wake up for the ones that want to reach for
Heavenly Order; the Return to the Supreme Being

It is time to wake up from Satan's sly and vicious
plan to dominate this world to hell

It is time to listen very carefully to Eyowa

He could save you from falling to Hell

Time is running out!!!

KNOWLEDGE

51

“Become a Man of Knowledge. It makes you more stable, strong and wise. It helps you and the world around you into a better future.

“Listen to the words of the wise and take all that is good as your own”

— Morihei Ueshiba —”

“Create fear in children for drugs to not let them fall for drugs and the horror of drugs stories. We have to protect our children for falling to Unheaven; for falling to horrible drugs stories ”

“Don't be lazy. Get things done. Work off your To Do List and To Learn List while you make room for not-doing. Just chillin and just be.

The Great Balance. The Balance between doing and not doing”

“Embodying Great Knowledge makes you more confident. And confidence makes you more attractive to women”

“Focus yourself on the Greatness and Righteousness of God to find Greatness and Righteousness within. Follow the Way. Embody the Ideal. Find the Christ Consciousness Within. It is the Way, the Life and the Truth”

“Focussing on the Light in others; their Greatness; their Goodness; their Angelic traits is giving water to a Flower. It makes their Light and Greatness Grow. It helps us find Heavenly Order, while they must learn to recognize their own shadow and transform it to light to help us even further to Heavenly Order”

“Geluk is niet te vinden in meer en meer, maar tevreden en dankbaar zijn met minder. And maybe then the Gods have something Great in return”

“Het nummer “Eyowa - Finding Home” verbindt je met het Engelenrijk en het Licht van Christus”

“I'm a DJ of Knowledge. Listen carefully to the Words i share in my books and the Gathered Knowledge i've gathered so far. It could help you become Braver and Greater. It could help you Find Home. A Pathway to Heavenly Order and Blissful Awareness”

“Listen to the Beautiful Pamela Anderson. She shares beautiful words on www.substack.com Follow her page there. She is a beautiful Gift to the World”

“Make sure to make a "Done List" when you make a To Do List to track your progress. It gives Great vibes when at the end of the year you see all the progress you've done in one year. Work on your To Do List to get better at life”

“Pay attention to the bigger stories in your life and the details in your life and make them Greater. Become impeccable at life. Try to develop your character to the limits. Become impeccable on all levels. Embody the Way; the Christ Consciousness”

“Sterk uw ziel met de Heer. Het brengt u verlichting, heling en Gods Heiligheid in Hart en Ziel”

STERF IN UW BEGEERTEN

Sterf in uw eindeloze verlangens die niet voor u bestemd zijn en uw eindeloze begeerte voor materiële goederen om Harmonie, vrede, rust en zalig bewustzijn terug te vinden

Wordt de Balans tussen Leven en Dood. Een Levend en genietend wezen - Dood in eindeloze verlangens, pijn en verdriet

Vind de Buddhamind in alle dagen en stormen door de Weg te worden

Op zoek zijn naar meer en meer is een teken van een onvervulling met de Weg van de Bron

Het volgen van Dharma en de Weg worden in Hart en Ziel is het vinden van het Paradijs in jezelf en het behoud van onze Paradijzen

STOP FEEDING YOUR SOUL WITH ENDLESS CRAP

Because of the indoctrination system; by school, programming by television and other media, people became full of useless and endless stories within themselves that makes them very miserable and unaligned with the Way. People are endlessly talking about bullshit, endlessly talking to make a small point. Almost nobody thinks direct and simple in this world. Endless programming of disgusting programs made us all horrible beings. We should have far more silence within us and aligned with deep emptiness to release us from the endless talk and mind porn that everybody is so hooked on

Find Peace and Harmony within

It is very simple this world; Be good to your brothers as you would love to see others be good to you

The rest is all endless madness if you ask me

We are very tired of this shithole with all these people endlessly talking crap

It is time to come Home

And find the contentment consciousness within

Be thankful for what you have while you enjoy life, protect life and serve life

Please come back to Source and Source Ways

We have to become beings like the Gods again

We have to find Unity Consciousness within

A stream of blissful awareness

It is time

These are the last days

Stop filling your mind, being and soul with endless crap

TERUG NAAR DE BRON

We gaan terug naar de oneindigheid

Terug naar de Bron

Reis met me mee

Ik ben de laatste waarschuwing

Daar waar de Engelen en Heiligen zijn

Het is genoeg geweest hier op Aarde

We gaan terug naar Huis

THE 3 SINS

Greed, lust and obsession. The 3 sins that make us very miserable. The 3 sins that help us align with Unheaven and that it's never enough; never your cup filled. Always wanting more and more. Move away from these 3 sins. Don't be obsessed by money, power, fame or sex. Find the Great Balance within by doing the Great Work to be always filled by the Divine Presence of God; to find Harmony and Peace

And maybe the Gods have something Great in Return

THE FINAL WARNING

2

Ik ben de laatste waarschuwing voor alle
ongelovigen en verdwaalde mensen van de
Weg

Luister goed wat ik te vertellen heb

Ik probeer uw ziel te redden

Ik probeer u terug te begeleiden naar de Bron

Wie niet luistert loopt het risico om naar de
Hel te vallen of uit het bestaan te worden
gewist

U bent gewaarschuwd!!

Lees mijn boeken en bereid u voor!!

Dit zijn de laatste dagen!!

Na dit zal er geen weg meer terug zijn

Na dit is er alleen maar Hemel of hel

THE GALACTIC FEDERATION OF LIGHT

2

**In the Future We should Trust on the Galactic
Federation**

**The Galactic Federation is a Federation of Alien
Worlds and Planets. They will help us become a
member of our Galactic Family. They have given
instructions by our Divine Infinite Creator to help us
reach for our Next Step in Evolution. They will help
us cure all our diseases, war, poverty, conflicts and
all other problems in our world. They will give us
Knowledge and Technology to help us Reach for the
5th dimension; a Great Paradise in Harmony with all
beings of the Federation. We could travel to other
planets and visit other Star Systems in Our Known
Universe**

**The Galactic Federation are a Brave, Wise and
Intelligent Group of Alien Civilizations who Promote
Harmony and Peace throughout our Galaxy and
Galaxies Beyond. They Serve the One Infinite Creator
and have a Great Way of Service to Others to help
more civilizations find Wisdom, Harmony and Peace**

**The Galactic Federation is Monitoring this world for
quite a while and has helped us already multiple
times not to destroy ourselves and our Home World
Gaia**

The Federation works for now mostly invisible in this World, but the Federation will make themselves Known in the near Future to ask us if We want to join our Galactic Family and if We want to Become a Member of the Galactic Federation

I am proud to be myself a member of the Galactic Federation. I am an Andromeda Star Traveler; A Ancient Star Seed that is now in this timeline to serve Humanity and help Humanity Reach for enlightenment and the Kingdom of God Within

I am also here to Give A Great Final Warning initiated by Great Spirit; the One Infinite Creator through me

These are the Final Days to Reach for the Kingdom of God and to Restore our connection with our Galactic Family

The End Days are Here, but it will also be A New Begin

These are Exciting times to be Alive

We have an exceptional chance to become something Greater; to rise from Human to Superhuman. We will have new exciting abilities in the New Kingdom and the Near Future that comes. We will know telekinesis, telepathy, flying, healing abilities and more

The Future is Written in Stone. On Another level the Dark Side is already defeated. We are just now in these final steps to help us de-slave us from the corrupt debt-slave system the illuminati and the deepstate has trapped us all in and all the illusions they have covered over our eyes

Now is the time to Wake Up, do Shadow Work, Self
Work and Learn the Way and Knowledge about the
New Age; the Aquarius Age; A Return to Source
Energy and Source Vibes

The Galactic Federation is Proud that many Star
Seeds around the Globe have Awakened and already
help us in a better Future and a Better Timeline

Thank you all!! And be prepared. This is going to be
all amazing when Humanity fully awakens and
Reaches its Full Potential

This is a Message of Eyowa working for the Galactic
Federation to help us Reach for Heavenly Order

Listen to Eyowa. He is one of the Guides on this
precious world, your Home Gaia

Read his books to be Warned. He is the Great
Warning in this World for the Ones who have not yet
decided for God and Heavenly Order

Time has come

Time to Reach For The Galactic Federation

Time to Find the Kingdom of God Within and Become
a Galactic Member of Worlds; the Galactic
Federation of Light

With Love,

Eyowa "The Supreme Being"

THE GREAT WORK

The Great Work to bring back Paradise for yourself and the world is:

- **creating a healthy self-reflection with unconditional love (become aware of yourself, your thoughts, your feelings, your projections to others, your lies, your deceit, your awesomeness (look low enough, you don't have to be a superstar, the things you are good at, your passions and your dreams), your weaknesses and your flaws)**
- **learning self-love in a soul way (learn to love the person you see in the mirror)**
- **eliminating your ego and ego traits (such as jealousy, envy and feeling superior or inferior to others)**
- **stop lying to yourself and others (by becoming aware of all your lies)**
- **working on your (generational) traumas**
- **doing shadow work**
- **doing self-work (make To Do and To Learn lists in all areas of life and get more in order; step by step and little by little every day)**
- **sincerely ask forgiveness for your sins to the Father**
- **be in forgiveness towards others**

Do the Great Work and help us to Create Paradise back on Earth

You can do it!!

I believe in you!!

It is time to connect with the Galactic Federation Ambassador on Gaia; [Aurora Ray](#). She will help us into a better future. She will help us align with the Galactic Federation of Light

THE SEARCH FOR GREAT ELDERS

1

I have deep love and deep respect for Great Elders who through storms, pain, suffering and joy found the Way and have embodied the Way

There are not many Great Elders at the moment. They are not coming into being because of this sick creation. The deepstate has done everything so that Great Men and Women don't come into being, while there are some exceptions

I think Jordan B. Peterson is a Great Elder, Thich Nhat Hanh was a Great Elder, Jane Goodall and the Great Oren Lyons

Men and women that stay true to their heart and show us the Great Example

There is something terribly wrong with this creation

Elders are forgotten in this world. Locked up in a care center, while they should be our guides. Not our pop-stars with their child like attitude

We have to become adults

Wise and Great People to Serve, Protect and Enjoy life. To bring forth Harmony and Peace

If only Great Elders were given a chance to share their word in this world

Great Harmony and Great Peace could exist

Great Elders could show us the way because of their experience in life, their missteps, failures and successes

Great Elders could show us the Way

THE SEARCH FOR GREAT ELDERS

2

One thing Humanity could do is to find Great Elders in this world if We find people who can recognize Greatness in others

There are not many Great Elders in the media sharing their word, knowledge and wisdom, but perhaps Great Elders with Great Insights are Hiding in the Shadows and have their word about Humanity and this World that has come into being

Great Humans still exist and We have to find them to help us grow to a better place. We have to find Great Examples again. The ones that don't care for success, money and fame

"A great man doesn't seek to lead. He's called to it and he answers"
— Dune (2021) —

Let's call our Great Elders in this world and let them have something to say to us All

THE SPIRITUAL DIMENSION

We forgot the importance of the spiritual dimension in our
world view

We forgot the spiritual dimension almost entirely, because of
our corrupt scientific materialistic world view

Everything is possessed

By the Source of God or the Source of Evil or a bit of both

We are influenced by spiritual dimensions; to put it simply by
Angels, Demons and everything in between

It is time to learn the Ways of Spirit again

Embodying your Soul fully back into your body to choose for
God and Heavenly Order by doing Shadow Work, Soul
Retrieval, Overcoming Trauma and Soul Embodiment
meditations; becoming aware of your bodily feelings, your
mind and your minds eye

It is time to become the Source of God again; the Supreme
Being

It is time to Return Home

It is time to learn that We are Spiritual Beings having a
Human Experience

And that there are two main sides in the Cosmos

One leads to Life and Heaven

The other leads to Death and Hell

Time to choose

THICH NHAT HANH

Although he passed away and returned to the Other Side

Listen carefully to the Beautiful Thich Nhat Hanh
Thich Nhat Hanh was a Great Gift to the World

Let us remember him and let us be enlightened by his
words

Read his books

Listen to his message online

I bow for this beautiful man

He is one of the Greatest Persons mankind has known

TIME TO CHOOSE

5

Niet alle zielen op Aarde komen van de Hemel of hogere dimensies. Sommige zielen komen van dezelfde 3e dimensie werelden of lagere dimensie werelden, zoals de hel

We leven in de tussenwereld. De wereld tussen Hemel en Hel

We gaan nu opmaken voor ieder mens hier op Aarde waar diegene in zijn volgend leven naartoe gaat. Veel mensen zullen naar de Hemel en het Paradijs reizen en veel mensen zullen terugvallen naar lagere dimensies zoals de hel

Anderen zullen opnieuw dit leven moeten doen, om een nieuwe kans te krijgen om te reizen naar de hogere dimensies, de meer Hemelse dimensies

Door the Great Work te doen, zoals gezonde zelfreflectie, schaduw werk, zelf werk, vergiffenis vragen voor je zonden, de Heilige Geest vragen om in je te laten wonen en een relatie opbouwen met de Schepper kan je helpen niet terug te laten vallen naar lagere dimensies of dat je opnieuw een leven gaat krijgen waarbij je opnieuw voor dezelfde keuze komt te staan

Dus daarom is het belangrijk om goed naar me te luisteren voor de mensen die oren hebben om te horen.

Het kan je helpen mee te reizen naar de Hogere Dimensies en geloof me, het is echt de moeite waard

Ga je mee naar de hogere dimensies of val je weer terug naar beneden?

Tijd om te kiezen

TIME TO COME HOME

Corona was een vooropgezet plan van de Deepstate. Een begin van ontvolking van de mensheid. Volgens de Deepstate zijn er teveel mensen op Aarde die ze in gering kunnen houden met angst en haat. De-populatie programma's zijn ontwikkeld om ons te vermoorden. Veel mensen zijn gevallen voor dit duistere plan met Corona. Vele zijn inmiddels gestorven. Velen zullen volgen voor de volgende ronde van het de-populatie plan. Vele miljoenen tot miljarden mensen zullen terugkeren naar Hemel of hel. Door de Deepstate, maar ook door God zelf die zwaar klaar is met de mensheid. Wie een goed hart heeft gehouden mag weer dansen, spelen en genieten bij de Bron. Wie slecht is zal de Hel vinden. We leven in een test simulatie. De einde van de simulatie komt eraan. Terug naar Hemel of Hel

Binnenkort zullen miljarden van de mensheid worden verdwenen van deze Aarde

TIME TO FIND DEATH

For a lot of people in this world death will be
the most beautiful thing that is going to
happen to them in the coming decades

You Return to Source

Heavenly Order

Finding Death is not a bad thing, knowing
that you should not choose your date of death
because that is NEVER the Way

The Father knows the date of your Death and
you should wait for it

It will be amazingly beautiful instead of this
shithole

It is time to come Home

It is time to Find Death in the Coming
Decades

A Return to Heavenly Order

TIME TO RETURN HOME

I am here to prevent True Hell and True Death

I am not here to prevent Death

Death is an illusion

A Return to Source

When Death Finds You a Beautiful New Life Will
Begin

A Return to Heavenly Order for the ones that
patiently wait for it

It is time to Return Home

It is time to Find Death in the Coming Decades
for a lot of Humans

To Return to The Supreme Being

A Return to Something Amazingly Beautiful

Impeccable Great Paradise, Blissful Awareness
and a Lot of Love, Harmony and Peace

Heaven is a Beauty to Be

TRUE HELL AND TRUE DEATH

Er zijn hier mensen op Aarde die geen bestaansrecht hebben. Ze zullen de doodstraf vinden en afgevoerd worden naar Hell en True Hell om hun straf uit te zitten of te kiezen voor True Death

Er vinden verschrikkelijke martelingen tegen kinderen, volwassenen en dieren hier op aarde plaats in naam van Satanisme en andere duistere stromingen

De Aarde en haar wezens zijn zwaar verdwaald door een zeer ernstige zieke groep psychopaten die zwaar veel macht hebben in deze wereld

Ze zullen binnenkort worden afgevoerd naar de Hel

Laat de berechting plaatsvinden op Aarde en buiten deze Aarde

Deze mensen hebben geen bestaansrecht. Ze mogen de Doodstraf vinden

Binnenkort zullen vele Satanisten, volgers van dat geloof en omringende geloven afgevoerd worden naar Hell en True Hell

De verlossing is nabij

Eyowa zal het Woord van God dragen

De Schepper is KLAAR met deze Kankerwereld

TRY TO FIND YOUR TRIBE

Cut people out of your life that don't match your vibrational frequency. It is very unhealthy for your mind, body and soul to stay in unhealthy and unmatched relationships. Be it friends, a partner or even your family

Nowadays people are more aligning with the New frequencies of the New Earth, but some will be left behind because they are not ready to transform to the New Ways

You have to let go of people that don't match your vibrational frequency and find your new tribe

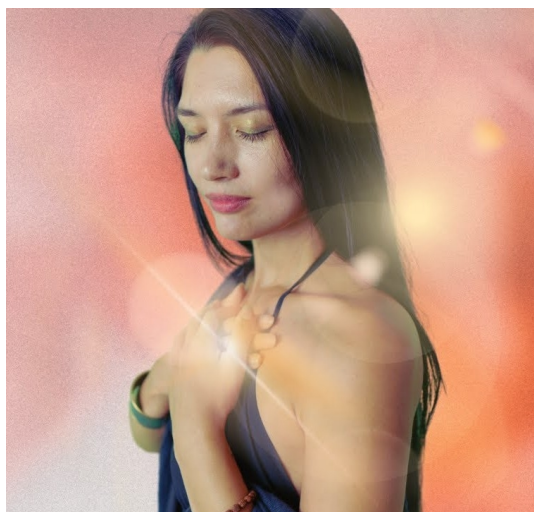

Go to new meetings, conferences, churches, dance events or any other place where you are likely to find your matching souls and connect with them

Be open. Share your passions and dreams. Tell your story, show interest in others and perhaps like minded people will find you

It is very unhealthy to stay in relationships with people with unmatching frequencies

Try to find your tribe

VERBINDT JE MET JE HART

Voel je hart. Letterlijk. Leg je handen op je hart en voel je hart kloppen. Vind je warmte terug door met je hart te verbinden en de weg van je hart te volgen. Vertel je hart dat je van hem houdt. Omarm je hart met liefde en breng warmte en liefde terug in je lichaam

Een betere verbinding met je hart zorgt voor meer liefde en warmte in je leven. Je hart is de deur naar het paradijs Volg je hart en voel je hart. Ook letterlijk. Je hart verbindt je met licht, liefde en je persoonlijke hemel

Maak een bewuste liefdevolle verbinding met je hart

VERBINDT U MET DE HEILIGE BRON

Sterk uw hart tot de goedheid en schoonheid van de Heer
door te zeggen van de volgende affirmaties:

- Ik ben het Heilige Licht van het Christusbewustzijn
- Ik draag de Heilige Geest van de Heer
- Ik verbind mij met de Goddelijke en de Heilige stem van de Bron
- Ik ben 1 met de Bron. De Bron van God en Christus
- Ik heb liefde voor al mijn medewezens
- Ik draag liefde voor Moeder Aarde, de dieren, de natuur en de Kosmos
- Ik ben een hartenlicht en ik verbind mij met mijn hart om me te verbinden met het Paradijs en de Hemel
- Ik ben een Kind van God
- Ik draag God in mij
- Ik ben een kleine mini God ten opzichte van de Grote Almachtige God: God de Vader
- Ik bid tot de Vader en de Heilige Engelen dat het Heilige Licht in mij komt wonen en dat ik 1 wordt met Gods Heilige en Almachtige Goede bewustzijn
- Ik ben een geschenk van de Heer. Wie met mij omgaat zal liefde en vrede kennen omdat ik het Heilige Licht in mij draag

Herhaal deze woorden om u steeds sterker te verbinden met
de Heilige Bron van Het Hoogste Goed: Het
Christusbewustzijn en de Heilige Vader

VERSPREID HET WERK VAN DE HEILIGE DRIE- EENHEID

Koop de boeken van Christina von Dreien en Jordan B. Peterson om gratis te verspreiden op plekken waar boeken gedeeld worden. Het is belangrijk dat We de Goede Boodschap gaan verspreiden op Aarde om Wereldvrede, Wereldharmonie en Eenheid te bereiken

Christina von Dreien en Jordan B. Peterson zijn beide sterke wijze zielen die ons sterk kunnen helpen naar het Paradijs en de Nieuwe Aarde. Er zijn er meer zoals Thich Nhat Hanh en anderen die ons helpen naar een betere en mooiere toekomst

Koop de juiste mooie boodschap en verspreid ze onder de mensen. Het is belangrijk dat We nu gezamenlijk onze problemen gaan oplossen op Aarde. Het is tijd om de Juiste Kennis te delen

Verspreid het werk van Eyowa Yeshua Krishna, Christina von Dreien en Jordan B. Peterson; the Holy Trinity to the World to Reach for Heavenly Order

VIND DE BUDDHAMIND

Doe alles wat je doet met kalmte en rust.
Vind Harmonie en Vrede door los te komen
van gehaast gedrag en obsessief gedrag.
Ontstress jezelf. Heel je trauma's door je
trauma's leren aan te gaan met moed en
liefde. Doorvoel je onverwerkte pijn, angst en
verdriet. Vind de stilte in jezelf door je
verleden te verwerken en je toekomst los te
laten. Wees in het moment. Focus je op de
reis terwijl je streeft naar doelen. Maak
contact met het tevredenheidsbeuwstzijn

Vind de Buddhamind in ieder moment

VIND DE TAO

Veel van ons lijden zijn onvervulde verlangens

Accepteer je lot dat je verlangens niet vervuld zijn en probeer alsnog het beste van je leven te maken. Volg je passies en dromen, maar als dromen continu gedwarsboomd worden, dan is het voor nu niet je lot

Probeer mee te gaan met de rivier. Probeer de Flow te worden in je leven. Leer onthecht te raken van je dromen die continu niet uitkomen. De Universe heeft andere bedoelingen met je op dit moment en wil je een leven leren zonder die vervulling

Voor sommige mensen is het de kunst om verlichting te vinden zonder dat alle dromen vervuld zijn

Onthechting van je begeerte van je dromen terwijl je blijft dromen voor een mooie wereld voor jezelf en de ander

Het is de kunst om de rivier te volgen die je wordt geboden en niet tegen de stroming in te gaan, terwijl je wel opstaat tegen onrecht en verdrukking van wezens op Aarde

Het is het vinden van de Tao in jezelf terwijl je Dharma volgt

VIND VREDE, RUST EN VRIJHEID

Have no desires. Long for nothing and be free

Become the Balance between Life and Death

Be Present. Be the Flow

Become the Mystery of Life

Become the Mystery of Being

Have no desires. Long for nothing. Be filled with
the Divine Presence of God, while you hold
yourself to the Way, the Highest Good and the
Highest God

VOORKOM HET VERDWALEN VAN WERELDEN

Focus je zoveel mogelijk op het Paradijs en het Licht van God, zonder je oogkleppen op te houden voor al het duister en wreedheid wat de mens, dier en natuur wordt aangedaan

Zolang We ontkennen dat duisternis bestaat en onze verantwoordelijkheid niet nemen zullen We afstevenen op de onhemel, omdat de duisternis ons langzaam en zeker zal overnemen

“If you do not control the enemy, the enemy will control you”

— Miyamoto Musashi —

Focus je op licht en liefde maar weet hoe goed We ons oog moeten houden op de duisternis om het verdwalen van werelden te voorkomen

WEES GEBALANCEERD EN DE WEG IN HET DONKER EN LICHT

Als er licht is, komt er weer duisternis, als er duisternis is, komt er weer licht. De kunst is om de balans te vinden en te bewaren in beide werelden. In het donker en in het licht. Niet meer geraakt worden door gevoelens en gedachten. Het worden van de stille observeerder van gevoelens en gedachten die als een rivier voorbij komen en gaan terwijl je je verbindt met het Hoogste Goed en de Hoogste Weg om Paradijzen naar je toe te trekken en Paradijzen die zijn te Beschermen

WEES OOK ZEER DANKBAAR VOOR POLITIE EN JUSTITIE

Het is dubbel. We moeten ook met zijn allen zeer dankbaar zijn voor de politie die ervoor zorgt dat de orde blijft en er is voor je als je ze nodig hebt (wellicht ook in veel gevallen niet vanwege wellicht te weinig politiekekrachten). Veel politiemensen dragen een goed hart en schrikken wellicht zelf ook van zichzelf als ze voelen dat hun monster actief wordt in dreigende situaties. Ik ben voor handhaving en gerechtigheid via justitie, maar ik denk ook dat er veel duistere figuren zitten binnen politie organisaties en justitie. Freemasons en mensen van de illuminati zijn overal geïnfiltreerd in onze samenleving en dienen uiteindelijk de duivel of ze dat doorhebben of niet

Politie is niet een gevaar, maar wel als ze worden ingezet tegen de mensheid zoals dat met Corona gebeurde, wat zwaar overdreven was en te ziek voor woorden. Handhaving van de Avondklok had nooit mogen gebeuren en fel optreden tegen vreedzame demonstranten ook niet

Mensen binnen politie doen op het moment ook zelf onderzoek naar alle complottheorieën en zien ook dat er wellicht manipulatieve krachten zijn in deze wereld, die We allen jarenlang over het hoofd hebben gezien

We moeten uiteindelijk naar een tijdperk kunnen
gaan waarbij er Wereldvrede, Wereldharmonie en
Eenheid heerst

Zolang de politie de juiste beslissingen maakt sta ik
aan de kant van de Politie en Justitie

Er gebeuren ook zoveel mooie dingen dankzij de
Politie. Mensen in nood worden vaak geholpen door
politiemensen met een goed hart. Er worden zaken
opgelost zodat mensen gerechtigheid kunnen vinden
zonder zelf het recht in eigen hand te nemen. Dit
zijn allemaal mooie dingen van politie en justitie

We moeten niet ons geloof gaan verliezen in onze
medemens en ook niet in de Politie die er alles aan
hoort te doen om de orde te handhaven in deze
zwaar moeilijke tijd

Laten We van elkaar leren en elkaar blijven
ondersteunen als mensen voor ons allen; mens, dier
en natuur

De waarheid ligt vaak in het midden. Probeer de
waarheid in een bredere context te vinden

Politie en Justitie doen ook heel veel goed, ondanks
dat er ook fouten worden gemaakt en sluwe duivels
zijn geïnfiltreerd zijn in alle lagen van de bevolking,
waaronder binnen Politie en Justitie

WEES OPEN IN JE RELATIES

Probeer meer open te zijn in je relaties en vriendschappen. Wees eerlijk in wat er speelt bij je op een onvoorwaardelijke liefdevolle manier. Uit je gevoelens naar een ander.

Wees transparant in je relaties. Hou geen geheimen achter voor de mensen met wie je leeft. Zorg ervoor dat je geen geheimen hoeft te dragen. Een open houding brengt mooiere vriendschappen en mooiere relaties

WEES TEVREDEN EN DANKBAAR

Wees tevreden en dankbaar met wat je hebt.
Roei met de riemen die je hebt en vind uw
rust en vrede terug in uzelf. Weg van het
gejaag van succes, geld en materialisme. Vind
je rol in deze wereld en probeer er gewoon
iedere dag het beste van te maken. Stop met
het eindeloos begeren en ontevredenheid.
Vindt het tevredenheidsbewustzijn in ieder
moment. Laat je niet gek maken door de
ziekte van deze wereld, het eindeloos gejaag
van macht, geld en status. Het is het werk van
het onlicht. Vind Dharma in uzelf. Het
Koninkrijk van God

Wees tevreden en dankbaar

Het is een mooiere weg

WERK AAN JE NEGATIEVE PATRONEN

Als je dagelijks tegen dingen aanloopt op verschillende levensgebieden; schrijf het op en verzin oplossingen voor de kleine tot grotere problemen die je leven minder op orde maken. Werk er aan om het beter te krijgen

Meer op orde komen op alle levensgebieden helpt je om jezelf te alignen met de Weg, de Waarheid en het Leven. Het geeft balans, harmonie en meer vrede in je leven. Werk aan de dingen waar je tegenaan loopt op alle levensgebieden

Zoals continu je sleutels kwijt zijn. Niet voor jezelf kunnen opkomen. Mensen constant in de rede vallen tijdens gesprekken. Je lieg patronen. Je manipulatie patronen. Je haar te weinig kammen waardoor het teveel in de klit zit enz. Op alle levensgebieden lopen We vaak tegen veel dingen aan als We nog niet genoeg op orde zijn. Vind de weg naar het paradijs door bewust te worden van de patronen en de dingen die je niet op orde houden en herstel ze totdat het automatisme wordt en het vaste nieuwe goede patronen worden in je leven

Kom op orde. Het helpt je naar je persoonlijke paradijs

WHICH PATH WILL YOU CHOOSE?

The world is divided in two; The Underground
and the Overground; The Hidden Hand of The
Illuminati who serves Satan and his crew who
live mostly underground. And the seen world;
the world that We know of and see

This world is a play between Heaven and Hell.
Between Lucifer (Satan) and the Supreme
Being (God)

We are here to become stronger and better
forces to Being by learning Heaven and Hell
sides in this world

The end of the programming is coming

The Return to Source; Heavenly Order or the
Fall to Hell

Which path will you choose?

WIJ ALLEN

We and Wij met een Hoofdletter in mijn boeken is symbolisch voor Al het leven, Alle mensen, Alle dieren en Alle natuur. Iets wat een groot deel van de mensheid is vergeten. Dat We elkaar zijn in een ander leven, dat We dezelfde Bron en Vader delen. Dat We onderdeel zijn van dezelfde Kosmisch Orde

We en Wij met Hoofdletter laat ons herinneren dat We vrede moeten sluiten met onze broeders en zusters van alle achtergronden en families>

Laten We onze gezamenlijk droom helen en uit de nachtmerrie stappen van verdeling, haat, onvrede en onbegrepenheid> Laten We onze ware natuur herinneren; ziels belichaamde wezens; scheppers van dezelfde Bron; kinderen van God

We en Wij met Hoofdletter is een initiatie voor Wereldvrede, Wereldharmonie en Eenheid

Ons, Wij, Allen

Dezelfde Bron

Herinneren van hetzelfde Hart

Het Christusbewustzijn in alle wezens

Om het Eenheidsbewustzijn te vinden en Harmonie en Vrede in een Paradijselijk Omgeving van Liefde, Licht en Zaligheid

WISH THE BEST TO ALL LIFE

Wish Goodness and Greatness to all of men.

circumstances. Have a Great Heart. Wish the
best to all people and beings. Don't have envy
or jealousy. Be happy for people who have
found a Great Life

Wish the best to all spiritual beings and all
life

Doorvoel al je gevoelens in je lichaam met
moed en liefde. Doorvoel al je gevoelens die
je opdoet in het dagelijks leven

Wordt bewust van je lichaam en geest. Doe
body meditatie scans en mind meditatie
scans. Focus je aandacht op al je gevoelens in
je lichaam en geest zonder oordeel. Laat alles
voorbij stromen als een rivier

Het helpt je gebalanceerder te worden door
niet met angst en oordeel te reageren, maar
juist met dapperheid en onvoorwaardelijke
liefde

Vind Harmonie en Vrede in alle momenten
door dapper te zijn tegenover negatieve
gevoelens, emoties en gedachten

Wordt een Moedig Mens

Een Krijger voor Licht, Leven en Liefde

Een Krijger van het Hoogste Goed

The Way

WORDT WAKKER VAN HET ONLICHT OP AARDE

Freemasons en mensen van de Illuminati zijn
pionnen van de Duivel

Ze zijn in alle lagen van de bevolking geïnfiltreerd

Ze zijn zeer georganiseerd en ze hebben een zeer
duivels en sluw plan die ze dienen

Kom er achter wie van ons Freemasons en Illuminati
zijn om er achter te komen wie zijn ziel heeft
verkocht aan de Duivel

We moeten er achter komen wie deze mensen zijn in
de samenleving om hun sluwe plan tegen de
mensheid en het dierenrijk te ontmaskeren

Het is tijd om wakker te worden van alle duivels op
aarde die binnen onze samenleving leven met twee
gezichten

Hun agenda moet ontmanteld worden en een
berechting komen voor alle duivels. Door mensen op
aarde en wezens buiten deze aarde

Het is tijd om het gevecht aan te gaan tegen de
Illuminati en zijn vieze boevenbende

Het is tijd om op te staan en wakker te worden van
de meest duistere ordes op Aarde!!

WORLD PEACE

10

Christenen leer de harten van de Moslims kennen.
Moslims leer de harten van de Christenen kennen.

Moslims en Christenen leer de harten van de
Boeddhisten en Hindoes kennen

Leer van elkaar. Zie jezelf in de ander. Laten We
harmonie en vrede sluiten tussen vrijwel alle
geloven die verbonden zijn met de Weg. Er staan
heel veel mooie wijsheden in de Koran en heel veel
mooie wijsheden in de Bijbel. Zoals ze in het
Hindoeïsme en Boeddhisme voorkomen en andere
mooie geloven zoals Taoïsme

Laten We wereldvrede creëren door ons te houden
aan de Gouden Regel die in alle geloven voorkomt.
Heb je naaste lief. Doe de ander niet wat jezelf niet
wenst

Probeer de ander te begrijpen. Probeer van elkaar te
leren

In Eenheid kunnen We pas echt wereldvrede
bereiken als al onze harten weer met elkaar
verbonden zijn

Sluit vrede tussen alle gelovigen op Aarde van
verschillende stromingen

We zijn elkaar in een ander leven. We delen
dezelfde Bron

Laten We weer het Eenheids-Bewustzijn creëren om
Hemel op Aarde te bereiken

PART 20

GATHERED KNOWLEDGE

7

In my journey in becoming my true self i figured out that the true knowledge is already out there. That there is actually no need for me to come forward with my knowledge, because people around the world were already telling what was right. If only We had the wisdom and the courage to listen. This is the knowledge, wisdom and insights i have gathered so far and is in line with the Father "Eyowa". It is the knowledge that has inspired me and the knowledge that confirms with what i know within my soul

-

"Success is not the key to happiness.
Happiness is the key to success. If you love
what you are doing, you will be successful"

— Albert Schweitzer —

"The Vatican suppressed the information on the pineal gland's mystical powers. The Vatican (Catholic Church) took over Europe and destroyed/stole all the knowledge and libraries containing all the ancient texts and information of our true powers. They then

created an encoded holy bible to keep people
looking outside of themselves for God"

— Alex Johnson —

"Start where you are. Use what you have. Do
what you can"

— Arthur Ashe —

"Sometimes, to win something, you have to
lose something"

— Baazigar —

"Today a young man on acid realized that all
matter is merely energy condensed to a slow
vibration. That we are all one consciousness
experiencing itself subjectively. There is no
such thing as death. Life is only a dream and
we are the imagination of ourselves"

— Bill Hicks (Revelations) —

"A warrior considers himself already dead, so
there is nothing to lose. The worst has
already happened to him, therefore he's clear
and calm; judging him by his acts or by his
words, one would never suspect that he has
witnessed everything"

— Carlos Castaneda —

"A warrior is never under siege. To be under
siege implies that one has personal
possessions that could be blockaded. A
warrior has nothing in the world except his

impeccability, and impeccability cannot be threatened. Nonetheless, in a battle for one's life a warrior should strategically use every means available. We must live our lives impeccably for no other reason than to be impeccable. A warrior has nothing in the world except his or her impeccability. Impeccability is defined as being perfect or having no flaws; incapable of wrongdoing. However, in the warrior sense impeccability is to save or conserve energy"

— Carlos Castaneda —

"A warrior takes his lot, whatever it may be, and accepts it in ultimate humbleness. He accepts in humbleness what he is, not as a grounds for regret but as a living challenge"

— Carlos Castaneda —

"Everything is energy. The whole universe is energy. The social base of our perception should be the physical certainty that energy is all there is"

— Carlos Castaneda —

"For me the world is weird because it is stupendous, awesome, mysterious, unfathomable; my interest has been to convince you that you must assume responsibility for being here, in this marvelous world, in this marvelous desert, in this marvelous time. I want to convince you that you must learn to make every act count,

since you are going to be here for only a
short while, in fact, too short for witnessing
all the marvels of it"

— Carlos Castaneda —

"For me there is only the traveling on paths
that have heart, on any path that may have
heart, and the only worthwhile challenge is to
traverse its full length-and there I travel
looking, looking breathlessly"

— Carlos Castaneda —

"If a warrior is to succeed in anything, the
success must come gently, with a great deal of
effort but with no stress or obsession"

— Carlos Castaneda —

"He said that if I really felt that my spirit was
distorted I should simply fix it—purge it, make
it perfect—because there was no other task in
our entire lives which was more worthwhile.

Not to fix the spirit was to seek death, and
that was the same as to seek nothing, since
death was going to overtake us regardless of
anything. He paused for a long time and then
he said with a tone of profound conviction,
"To seek the perfection of the warrior's spirit
is the only task worthy of our manhood"

— Carlos Castaneda —

"Look at every path closely and deliberately.
Try it as many times as you think necessary.
Then ask yourself, and yourself alone, one

question ... Does this path have a heart? If it does, the path is good; if it doesn't it is of no use"

— Carlos Castaneda —

"The aim is to balance the terror of being alive with the wonder of being alive"

— Carlos Castaneda —

"The basic difference between an ordinary man and a warrior is that a warrior takes everything as a challenge while an ordinary man takes everything as a blessing or a curse"

— Carlos Castaneda —

"The hardest thing in the world is for a warrior to let others be. To ask me to verify my life by giving you my statistics is like using science to validate sorcery. It robs the world of its magic and makes milestones out of us all"

— Carlos Castaneda —

"The self-confidence of the warrior is not the self-confidence of the average man. The average man seeks certainty in the eyes of the onlooker and calls that self-confidence. The warrior seeks impeccability in his own eyes and calls that humbleness. The average man is hooked to his fellow men, while the

warrior is hooked only to infinity"

— Carlos Castaneda —

"The world is incomprehensible. We won't ever understand it; we won't ever unravel its secrets. Thus we must treat the world as it is:
a sheer mystery"

— Carlos Castaneda —

"Therefore you must always keep in mind that a path is only a path; if you feel you should not follow it, you must not stay with it under any conditions.... Does this path have a heart? If it does, the path is good; if it doesn't, it is of no use. Both paths lead nowhere; but one has a heart, the other doesn't. One makes for a joyful journey; as long as you follow it, you are one with it. The other will make you curse your life. One makes you strong; the other weakens you"

"We talk to ourselves incessantly about our world. In fact we maintain our world with our internal talk. And whenever we finish talking to ourselves about ourselves and our world, the world is always as it should be. We renew it, we rekindle it with life, we uphold it with our internal talk. Not only that, but we also choose our paths as we talk to ourselves. Thus we repeat the same choices over and over

"De beste school voor een individueel kind is altijd een school waar het kind vrijwillig en graag naartoe gaat en waar het niet naartoe gestuurd hoeft te worden. Als kinderen en jongeren niet graag naar school gaan, als ze geen huiswerk willen maken, als ze spijbelen of ziek worden van school, ligt het probleem wellicht niet bij het kind, maar bij het systeem dat geen passend aanbod heeft voor deze

"probleemkinderen". Dit systeem is niet up-to-date voor hen omdat het niet meer bij hun past. Het probeert kinderen die een nieuwe energie hebben te dwingen om in een structuur te functioneren die door de oude energie wordt gedragen. Aan de kinderen kunnen we zien in hoeverre ons schoolsysteem bij de tijd is. Hoe soepeler het loopt, hoe liever kinderen naar school gaan, hoe beter het schoolsysteem bij de huidige tijd past. Als kinderen zich tegen het naar school gaan verzetten, moet je dat zien als een alarmsignaal: "Kijk nou eens goed! Op deze manier werkt het niet voor ons meer!"

— Christina von Dreien —

"Vraag: Wat hebben onze kinderen in het huidige schoolsysteem nodig, zodat ze met plezier naar school blijven gaan? Antwoord: Dit is een zeer belangrijke vraag. Ik heb zelf negen jaar verplicht op school gezeten. In die negen jaar, of meer, leren alle kinderen bepaalde denkpatronen en gedragspatronen aan. Ze leren wat toelaatbaar is en wat niet en gaan met deze denkwijze, dit denkpatroon, de wereld in. Het probleem daarbij is dat kinderen en jongeren vandaag de dag heel veel informatie krijgen, maar dat hun niet wordt uitgelegd hoe ze het meest constructief met deze informatie kunnen omgaan. Een groot aantal van hen leert onvoldoende hoe ze voor zichzelf kunnen denken en met een

kritische blik naar de informatie kunnen
kijken die bij hun binnenkomt. Ze nemen de
lesstof gewoon in zich op en accepteren die
als waarheid, zonder zich af te vragen of wat
ze horen wel logisch is, of het wel of niet
samenhangend is. Maar als een systeem
mensen ervan weerhoudt om voor zichzelf te
denken, is dat geen onderwijs maar
programmering"

"It is an old, old adage that if you want someone to do something, get them to believe it is their idea. Humanity is mind controlled and only slightly more conscious than your average zombie. "The most effective way to close down the human mind and to manipulate its sense of self is to program into it some form of dogma. A dogma will always vehemently defend itself from other information and repel any alternative opinion which contradicts its narrow, solidified view. Dogmas become a person's sense of security and means of retaining power, and humanity tends to cling to both until its knuckles turn white. Dogmas take endless forms, and when you can persuade different people to hold opposing dogmas, the manipulation of conflict and control through "divide and rule" becomes easy"

issue can be physical or emotional, but
underlying all that, it is a spiritual crisis.

"Many people have the voice of a parent inside them, the voice of an inner child, the voice of very wounded parts, critical parts, and other voices within them which dominate their internal reality and then can be the basis on which they relate with others. - When you meet yourself you can finally meet others - Once you can learn to witness these voices rather than identify with them, you will understand who you really are, and you will be able to have more authentic and soul-based relationships with others - true self to true self"

"One of the things we don't talk about enough is that one of the main factors that has caused an increase in instances of "mental illness" has a lot to do with the culture of victimhood we've created around it. Many people find a new identity in their "mental illness", which they cling to, which gives them points in a culture that glorifies the victim. Normal emotions get framed as disorders; medication becomes the main "cure". But these drugs make people much worse, they never address the root cause of suffering, and then we have a culture of medicated adults who end up defending their "mental illness" at

all costs rather than seeing them as the

and really feel into death; it completely
changes the way you approach life. If you're
going to die, then why wait to do that project
you want to do? Why wait to live the life that
you've been living or stay in relationships that

true fearlessness comes from"

ABOUT REACHING ENLIGHTENMENT

At its core, *reaching enlightenment* usually means achieving a deep, transformative understanding of the true nature of reality. It's often described as a state of profound inner peace, freedom from suffering, and a sense of unity with everything

Different traditions describe it a little differently:

- **In Buddhism**, enlightenment (*nirvana*) is awakening from the illusions of ego, desire, and attachment. It's seeing reality as it is, not as we imagine or want it to be. It's freedom from the endless cycle of suffering and rebirth (*samsara*)
- **In Hinduism**, enlightenment (*moksha*) is realizing that your true self (*Atman*) is one with the ultimate reality (*Brahman*). It's like waking up from a dream and

realizing you were never separate from the divine

- **In Taoism**, it's about becoming so aligned with the flow of the universe (*the Tao*) that you act effortlessly and live in total harmony with nature

A few common threads across cultures are:

- **Letting go** of the ego and the idea of separateness
- **Seeing clearly** without distortion by desires or fears
- **Living fully** in the present moment with deep compassion, wisdom, and love

And an important thing: many say enlightenment isn't some "final" place you reach. It's often described as both sudden and gradual — moments of deep insight followed by a lifetime of deepening that insight

ABOUT THE VATICAN AND THE POPE BY DAVID SORENSEN

The pope is not appointed by Christ. There is no such thing as "the Church" in a sense of an organized cult with pyramid style top down authority, demanding all members to blindly obey the supreme master.

The original meaning of the church is an organic, living community movement of people who gather in homes and public places to worship God.

The one who guides and leads it is the Holy Spirit, who works through all members. He has given gifts to some, like apostles, prophets, evangelists, teachers and pastors, as well as local elders to help the body of Christ flourish and become strong.

None of these answer to a man. They answer to Christ who anoints and appoints.

The church is an organic, dynamic, relationship based movement of people who help one another know God, experience Him, and reveal His healing love to others.

The entire concept of having one man sit at the top of a worldwide religious system that controls and dictates everything to hundreds of millions of believers is as satanic and evil as it can get.

It literally destroys the true meaning of what it is to live with Christ and replaces it with a diabolical control system.

It is sick to the core that many so called Christian leaders consider it an "honor" to visit the pope and kiss his hand. The way this system is being honored around the world is beyond insane.

I am not even talking about the extreme depths of child abuse, satanic ritual sacrifice of children and full blown demon worship that is going on in the Vatican.

Historically the Vatican has always been the head of the worldwide system of satanism and enslavement of mankind. They have always been at the head of all evil. The "Christian" face it has, is literally a facade.

It is utterly insane and sick how Christian and political leaders always pay homage to this demonic establishment.

I look forward to the day that the Vatican is fully exposed and crumbles, and mankind truly walks with God, in an authentic, not controlled and organic way, led by the Spirit of God, who makes us authentic

ALLES MAAKT DEEL UIT VAN HET GODDELIJKE PLAN

Vraag: Als alles uitmaakt van een goddelijk plan, waarom zijn er dan dingen als geweld, vernietiging en oorlog?

Antwoord: Om te begrijpen wat mensen als negatief beschouwen moet je naar het grotere geheel kijken.

Heel lang geleden hebben wij als zielen vrijwillig besloten om in deze driedimensionale wereld af te dalen en zo de dualiteit van licht en onlicht te betreden en aan het spel van de vergetelheid mee te doen. Destijds werd besloten dat de Aarde deze ervaring samen met de mensheid wilde hebben, en elke ziel die hier nu is, heeft zich vrijwillig aangemeld om in verschillende rollen aan dit experiment deel te nemen.

Binnen de dualiteit van licht en onlicht, zoals we die in onze driedimensionale wereld ervaren, zijn bepaalde dingen veel beter waarneembaar en veel sneller te leren. Er gebeuren hier dingen zoals geweld en oorlog die op het eerste gezicht weliswaar negatief lijken maar later positief blijken te zijn. Als we bijvoorbeeld nooit de twee wereldoorlogen hadden meegemaakt, zouden we nu niet weten dat we geen oorlogen en geweld meer willen. Door deze ervaring hebben we in ons bewustzijn een bepaald inzicht en een bepaalde behoefte ontwikkeld: dat we eigenlijk liever vrede hebben. Doordat we in dit spel van vergetelheid zijn vergeten dat er een alomvattende, volledige vrede bestaat, en mogelijk is, hebben we een bepaalde les nodig die ervoor zorgt dat we weer actief naar vrede streven. Door het ervaren van geweld, verwoesting en oorlog vroegen we ons af of het

misschien ook anders zou kunnen. Deze gedachte, dit verlangen naar vrede, hadden we binnen het spel van vergetelheid anders nooit gehad. Dus soms maken we hier bepaalde dingen mee om te beseffen dat het eigenlijk anders zou moeten gaan. Negatieve ervaringen kunnen ons helpen bij het begrijpen en leren van wat we diep in ons hart willen. Dat geldt niet alleen op wereldwijde schaal voor geweld en oorlog, maar ook voor de verkeerde beslissingen en misstappen in ons eigen leven.

Vraag: Zijn de wezens van het onlicht die geweld gebruiken en oorlogen voeren ook goddelijke wezens?

Antwoord: Ja, natuurlijk. Alles wat bestaat – of dat nu op deze planeet is of op een andere in andere sferen –, komt voort uit de goddelijke bron. Alle zielen die ooit de oorspronkelijke bron hebben verlaten, wilden hun eigen ervaringen hebben. Een deel van deze zielen heeft er om een voor mij onbegrijpelijke reden voor gekozen om het onlicht te ervaren. Ze zeiden: 'We zijn niet geïnteresseerd in wat de bron wil, we doen ons eigen ding. We zijn niet geïnteresseerd in liefde' Deze zielen kozen dus een ander pad, en de bron zei: 'Jullie zijn erop uit getrokken om je eigen ervaring te hebben.' Zo worden er in het universum verschillende speelplaatsen gecreëerd waar zielen hun eigen ervaringen kunnen hebben. Hier op Aarde leven we op dit moment op een speelplaats die 'dualiteit' wordt genoemd

ANCIENT SOUL BY JORGE SANTOS

"There are a special kind of people in this world, who are most of the time hard to understand. These people choose to be alone and at the same time attached. They are free spirits, innocent lovers, they see the world as it should be, as it can be.

They are the ancient souls, the dreamers, the people in harmony with life - so intuitive with their emotions... that they scare us. And it's not for what they are that scares us, but for what we think we are not, for what we think we lack.

The Straight souls reach depths that we cannot understand. They have a special connection with the Universe, with Nature. They are the people who will change the world.

Their touch is unusual, intimacy with them is unusual. Unusual is the clarity with which they see things. We often feel inferior, as if we should strive to be close to their level, in order to be worthy of their love.

To love a Straight Soul, you need TRUSTING YOURSELF But I assure you, it's worth everything. It will change your life.

They are romantic, they are loyal, they help us grow, they understand the deep connections of life, they are grateful, they are examples of faith and courage.

They walk on the most painful paths of life, but they never lose the courage to smile, to be selfless, to support others.

To love a Straight Soul and to be loved by one... is a gift of the Universe. The ancient souls are spread all over the world.
And if you found one...
... you won the lottery of life!"

BECOME THE EMPEROR ON THE THRONE IN YOUR OWN HOUSE BY AURORA RAY

Dear ones,

Throughout the ages, men and women have sought to cultivate their spiritual side. According to Buddhist belief, the mind is like a mirror that we must constantly polish in order to ensure it is always clean and clear. If we do not, we remain unable to see our true selves clearly and therefore fail to understand the conditions of our existence.

The mind is the major instrument in the world. It is the mind that has created this whole universe. The body is just a vehicle for it, a conveyance. Unless you can control your mind, you can not do anything about this world. And the first step in controlling the mind is to know how it functions, how thoughts arise and how they are destroyed. In the beginning, you have to be very alert about it because there is a constant battle going on between you and your mind — and if you don't watch out, you will be defeated.

The mind consists of two parts: one part remains in the present moment; the other part goes back into memory and imagination. Thoughts are nothing more than wordless images or sensations that have been photographed in the past; these photographs are stored in your brain's memory center, and when they flash on the screen of your mind again, they produce the exact same feeling that they produced before.

That is why thought always gives rise to emotion.

It is one of the best-kept secrets that we have in mind. It is a visitor who thinks itself to be ours, but yet it is not ours. As a matter of fact, the mind is like the inner artist within us that

creates the entire story based on assumptions and traces of memory, past experiences, and traumas.

The first thing to learn is that you are not your thoughts, nor are you your emotions—you are awareness itself. And there will be some distance between yourself and your thoughts and emotions as long as there is awareness; otherwise, there may be no awareness at all.

Mindfulness is the art of creating space in mind and stopping it from functioning in a habitual manner, so we are actually aware of what we are thinking and how we see the world. It's all about being present, being aware and letting go. This is why it can be so hard to master. But when you do feel like you have mastered mindfulness, it can bring a profound change to your life.

Beware of the mind; it is not the real you. It is just a series of thoughts, images, and desires. It is like having a stranger dwell in your own home. Be spying on it, watching it, following it. Every moment becomes alert and watchful, alert and watchful. Don't fight the mind—this too is a desire. And be aware of yourself: don't go on cherishing yourself—this too is desire, a subtle form of self-cherishing—because there is no self to cherish at all.

The mind is simply a bundle of thoughts, feelings, and sensual perceptions. It is like an acquaintance that has taken up residence in your home. Instead of being intimidated, befriend the mind and gain mastery over it.

The mind is a friend, a helpful guide on the path, but it must be kept under careful control. Be friendly and avoid attachments such as rationalizing or clinging to them. It will help you to see things clearly rather than just from one side.

Don't let the mind deceive you; it cannot be perfect. It is working against you and manipulating others to achieve its own ends.

Do not identify with your thoughts. They can not define you. You are infinite awareness, pure consciousness.

Stay alert. Thoughts are just thoughts. Don't get attached to them. Watch it come and go; watch yourself react to it. Remember, you are not your thoughts; they are not you.

Do not follow this thought or that thought, but watch the space between the thoughts. And don't go on fighting with thoughts: they are not real, and they cannot be destroyed.

This is the process of watching. That is aloneness. That is meditation. Once you are able to watch any phenomenon as if it were a movie, you can be free of it. Then it does not matter whether it is anger, or greed, or lust, or hatred—it does not matter because it is a phenomenon; learn to watch. Just by watching, the energy will be transformed. You will be free of it. And this watching doesn't demand any effort at all; it is not like doing something — just don't do anything to it. And slowly, slowly, there comes a moment when you are so full of light and joy that your whole being becomes a prayer—without words, without effort.

A person who can watch without being drawn into anything that is passing is called an emperor/empress. If you can watch without being involved in any way whatsoever—that's what awareness means—then you are the emperor on the throne in your own house.

We love you dearly.

We are here with you.

We are your family of light.

We are the Galactic Federation.

CREATING PARADISE ON EARTH

The Best Thing Each One Can Do: Cultivate a Deep Sense of Interconnectedness and Act From That Understanding.

Here's why this is the most impactful:

- **Shifts Perspective:** Recognizing that we are not separate from nature or each other changes our motivations. When we see the interconnected web of life, harming the environment or our fellow humans feels like harming ourselves.
- **Informs Choices:** This understanding naturally leads to more conscious and sustainable choices in our daily lives. We start to ask:
 - How does my consumption impact the planet?
 - How do my actions affect others, both near and far?
 - What can I do to contribute to the well-being of the whole?
- **Fuels Action:** A deep sense of connection inspires us to take action, not out of obligation, but out of a genuine desire to care for what we are a part of. This can manifest in countless ways.

Why this is "the best":

Focusing on cultivating a deep sense of interconnectedness is foundational. It's not just about doing a list of "green" things; it's about a fundamental shift in how we see ourselves and our place in the world. When this understanding is deeply ingrained, sustainable and compassionate actions naturally follow. It becomes less about external pressure and more about an internal compass guiding us towards a thriving planet for all.

While specific actions are important, the underlying motivation and perspective are what will drive consistent and meaningful change in the long run.

Beyond cultivating a deep sense of interconnectedness, the next most crucial thing we can do to bring forth paradise on Earth for *all* beings – including the animal kingdom and nature – is to **actively work towards systemic change that prioritizes the well-being of the entire planet over short-term economic gains and narrow human interests.**

Here's why this is so vital and what it entails:

- **Addressing Root Causes:** Many of the threats to the environment and animal welfare are embedded within our current systems – economic models that prioritize endless growth, agricultural practices that degrade ecosystems, and governance structures that often favor industry over conservation. Individual actions are essential, but they can only go so far without addressing these underlying structures.
- **Creating a Level Playing Field:** Systemic change can create a framework where sustainable and ethical practices are the norm, not just individual choices. This makes it easier for everyone to participate in creating a better world.
- **Protecting the Vulnerable:** Strong systems and regulations are crucial for protecting those who cannot advocate for themselves – animals, future generations, and marginalized human communities who are often disproportionately affected by environmental degradation.

DODENHERDENKING DOOR ROBERT BRIDGEMAN

Ik ben ermee opgegroeid.

Twee minuten stilte

Opa en oma hadden de oorlog meegemaakt en vertelden er vaak over.

Het liefst gingen we naar het monument in de stad.
Een oudoom en oudtante hadden bij het verzet gezeten en mochten vooraan zitten. Hij met medailles op zijn borst.

De trompet klonk indrukwekkend door de stilte, een eer voor de trompettist van dienst.

Kransen werden gelegd. Door veteranen met betraande ogen die de hel hadden meegemaakt op de slagvelden.
We herdachten de gevallen van de gruwelijke oorlog. En de geallieerde bevrijders die hun leven gegeven hadden voor onze vrijheid.

Want oorlog gaat om opoffering, om glorie, om vrijheid.

Het goede overwint het kwaad.

Toch?

Maar wat opa en oma niet wisten was dat het een vooropgezet spel was waar zij de slachtoffers van waren.

Met de kennis die we nu hebben weten we dat het heel anders is gegaan toen.

Nu weten we dat dezelfde Amerikaanse krachten die de geallieerde strijdkrachten gefinancierd hebben ook de oorlogsmachine van Hitler onder andere via de Union bank financierden

De concentratiekampen, de onmogelijke inval in Rusland, het
diende een veel groter doel.

Geld verdienen en machtvergroten.

Met als hoogtepunt twee atoombommen op Hiroshima en
Nagasaki met oneindig lijden voor de Japanse burgers daar.

Nu weten we dat de tweede wereldoorlog heimenlijk twee
doelen had:

De wapenhandel
En het versterken van Amerikaanse wereldhegemonie.

Net als de meeste grote oorlogen sindsdien.

De koude oorlog

De genocide die de Amerikanen in Vietnam pleegden.

De regering Bush die miljoenen Irakezen onder valse
voorwendselen van nucleaire wapens over de kling jaagde

De ethnische zuivering door Israël met Amerikaanse hulp op
de Palestijnen.

De tientallen gewelddadige regimewisselingen die de CIA
wereldwijd inzette.

De oorlog tussen Rusland en Oekraïne die door de
Amerikanen werd geforceerd.

En zo kan ik nog wel even doorgaan...

En nu de regering Trump die koste wat kost oorlog wil in Iran.

Amerika

Een land dat gebouwd is op kolonisatie, op de genocide van
de oorspronkelijke volkeren en de slavernij van Afrikaanse
mensen.

Al door en door rot tijdens haar oprichting.

Een land dat met de moord op de gebroeders Kennedy liet
zien wat er gebeurt als je het Militair industrieel Complex
probeert te beteugelen.

De oudste broer was president nota bene.

Amerika

Een land dat is gebouwd op wapenhandel.

Het Amerikaanse rijk is niet anders dan een moderne versie
van het brute Romeinse rijk.

De Amerikaanse strijdkrachten kwamen ons niet bevrijden.

De jongens die vochten waren erin geluist met keiharde
propaganda.

Net als de Duitse soldaten trouwens.

Ze dienden het grote Amerikaanse geld.

En de Amerikaanse wereldmacht.

Die vele malen groter werd door al die zinloze oorlogen.

Oorlog draait om wapenhandel.

En machtsvergroting van het Amerikaans Militair industrieel
complex.

Wanneer gaan we ons dat beseffen?

Ook nu weer worden we door propagandamachines in
oorlogen geluist.

“De Russen komen!”

“ Hamas moet vernietigd worden voor onze veiligheid ”

"Iran is een gevaar voor de democratie!"

Als naïeve schapen laat de wereldbevolking het zich weer
aanpraten.

We laten onze jongens en meiden gewoon weer gaan.
Sneuveld bereid moeten ze zijn.

We zouden toch beter moeten weten na al die decennia?

En ergens, hoog en veilig in de top, zitten Amerikaanse
mannen en vrouwen die nog machtiger worden, nog rijker
worden.

Over de ruggen van soldaten en burgers.

Van beide kanten.

Die kanten bestaan niet.

Ze worden ons aangepraat.

Er is alleen maar propaganda, er is manipulatie, er zijn
leugens en bedrog.

En wij maar de slachtoffers herdenken.

Als helden.

In plaats van de pionnen die ze zijn in een psychopatisch
machtsspel.

Ik doe er niet meer aan mee. Al jaren niet meer.

En ik weet zeker dat als opa en oma geweten hadden wat wij
nu weten, dat zij ook niet meer mee hadden gedaan.

HOW TO ACHIEVE WORLD PEACE

1. Inner Peace First

If individuals are filled with fear, anger, greed, and hatred, it naturally spills out into families, communities, and nations.

The first step toward world peace is *inner peace*:

- Healing personal trauma.
- Cultivating empathy and compassion.
- Learning how to resolve inner conflict rather than project it outward.

As the Dalai Lama said:

"We can never obtain peace in the outer world until we make peace with ourselves"

2. Education and Awareness

Teach people how to think critically, understand different cultures, and manage conflicts peacefully.

If children grow up learning how to listen, cooperate, and value diversity, we build a more peaceful generation.

3. Justice and Fairness

True peace isn't just the absence of war; it's the

presence of justice.

When people are oppressed, exploited, or treated unfairly, conflict brews.

This means:

- Reducing poverty and inequality.
- Protecting human rights.
- Making sure laws are fair and leaders are accountable.

4. Communication and Understanding

Much conflict comes from misunderstanding or fear of "the other."

Promoting dialogue between different groups, religions, countries, and cultures helps people realize that deep down, we all want the same things: safety, love, dignity, meaning.

5. Cooperation Over Competition

Our world often runs on competition — for power, money, resources.

Moving toward cooperation — *sharing, collaborating, helping each other* — creates a foundation for peace.

6. Healing the Planet

Believe it or not, environmental destruction is linked to conflict.

As resources like water and land become scarce, tensions rise.

Taking care of the Earth is part of taking care of each other.

7. A Cultural Shift

Maybe the biggest thing: making kindness, compassion, and nonviolence *cool*.

Right now, a lot of media glorifies violence, power, domination.

Imagine if what was *celebrated* was empathy, creativity, forgiveness, and unity instead.

In short:

World peace isn't one big event — it's millions of small choices made every day:

How we treat ourselves. How we treat strangers.

What values we teach. What systems we build.

And I'll add this:

Even if you can't "achieve world peace" alone, your personal peace matters.

One calm, kind person influences everyone they meet. It spreads

KRISTINA BILDERBERG LEGT HET UIT DOOR KARIN BLOEMEN

"Moment, even... even iets... (coke snuiven) Dankjewel!
Is mooi, hè? Dit is heel duur. Dit is een schapenjas. Hele
dure schaaap, echt. Lang harige. Dankjewel... Ja... Even
wat whiskey...

Goedenavond, mijn naam is Kristina Bilderberg. Ik heb
begrepen dat ik hier vanavond het volk mag toespreken.
Nou praat ik normaal nooit met gewone mensen, dus als
u gewoon uw mond houdt en vooral niets terug zegt vind
ik het allemaal net aan do-able...

Juist, U bent natuurlijk het volk, de grijze massa, het
gepeupel, de goegemeente, het voetvolk, het schuim
der aarde... Hahaha (Zucht) het crapule. Tis
duidelijk.

Ik daarentegen behoor tot die beroemde één procent
van de bevolking, de upperclass, de high society, de
elite, de beaumonde, de crème de la crème, het
neusje van de zalm of zoals jullie dan wel eens
zeggen; de krent in de pap. Binnen die 1% bestaat
er ook zoiets als de bovenlaag; de 1% van die 1%,
hè? Zeg maar de top van de top, de elite van de
elite, de pluh beaumonde. (Zucht...) Oké, je hebt
mensen die wonen in Monaco en je hebt mensen die
bezitten Monaco... Nu is het duidelijk...

U hebt misschien wel gehoord dat de rijken alleen maar
rijker geworden zijn de afgelopen 2 jaar en ik wil u daar
hartelijk voor bedanken... Ik heb echt een paar hele
fijne mega klappers gemaakt met wat Pharma vriendjes
van me. Heel fijn. Ik heb de mondkapjesboot helaas
gemist... Sievert was me net voor, maar die heeft nu

andere problemen; die kan nu naar het gevang... Die mag zijn BMW 7 inruilen voor celblok 7...

Ahfijn... Uhh, wij van de pluh beaumonde, hè? De elite van de elite. Wij zijn echt met heel weinig. Dus wij kennen elkaar uiteraard allemaal... Zo ben ik heel goed bevriend met bijvoorbeeld; Bill Gates, Jeff Bezos, Elon (Musk, door iemand uit het publiek). Goed zo.. Musk. Gewoon je mond houden. Dat wist ik zelf ook wel... De meeste mensen kennen Elon Musk natuurlijk van de Tesla, hè? De Duitsers noemen dat der voltwagen. Hahaha.. Vind ik leuk. Ahfijn, U kent waarschijnlijk Musk beter van het feit dat hij Twitter wil kopen. Dat was waarschijnlijk jouw kennis, ja...

Wij komen dus regelmatig bij elkaar, hè? Ja, dan bespreken wij alles wat er speelt op de wereld en wat wij bespreken is uiteraard Top Secret... (Zucht) Kan natuurlijk wel wat dingetjes vertellen hoor... Kijk, waarom ook niet... Hahaha... Tijdens die lockdown lieve mensjes, was het allemaal eigenlijk ideaal; geen files, hè? Zodat je gewoon lekker met je Tesla door kon rijden. Eh, geen toeristen in de stad, dus al die troep bleef weg, al die rolkoffertjes bleven weg. Dat was lekker rustig. Prima. En natuurlijk, eh, op een gegeven moment geen volle zalen, maar juist bijna lege zalen... Heel goed... Want dat is uiteindelijk precies de bedoeling, hè?; dat ongeveer de helft van jullie; het gepeupel, overblijft...

Want, jullie zijn gewoon met teveel... Jullie zijn de klimaat crisis... (Lachen door het publiek)... Oh, jullie begrijpen het... Wat goed.. Ja, ik zeg het gewoon maar recht voor zijn raap, hè? Dan is het maar duidelijk. Want wij, de elite, zijn verantwoordelijk voor een oplossing, hè? Dus, als wij een probleem zien dan lossen we dat op. Zo werkt het. Heel simpel...

Dus, bijvoorbeeld het opkopen van al je concurrenten, zodat je een monopoly positie krijgt. Als je die hebt, dus je bent de enige, dan voer je de prijzen weer lekker hoog op en dan loop je weer binnen. Soms is dat het

verkopen van al je aandelen met voorkennis. Leuk als je vriendjes hebt. Dan stort die hele markt in en dan kun je daarna gewoon weer door.... Logisch...

....

En soms los je een probleem echt goed op door te zorgen dat de wereldbevolking wordt gehalveerd...

....

(Publiek valt stil)

....

Stilte is mooi...

Kijk, het is een meerjarenproject, hè? Dat begrijpt u, hè? We liggen aardig op schema. Het gaat echt de goede kant op, maar ja, het is natuurlijk toch niet de bedoeling dat de mensjes dat door hebben, hè? Dus wij checken alle conspiracy websites; alle internetsites die handelen over wat wij dan wel of niet zouden doen. En dat is heel interessant. Daar staan hele interessante theorieën, ja. ja... Bijvoorbeeld over de moord op Kennedy, over wat er precies is gebeurd bij 9/11, hè?, maar ook over de rituelen die wij houden, de reptiel mensen, de Great Reset, hè? De Aliens waar we contact mee zouden hebben... Hahaha...

Ja...

En het is allemaal waar...

Maar het is niet de bedoeling dat jullie dat weten, begrijp je. Dus hebben wij een oplossing gevonden voor dat kleine probleem; mensen die dit soort dingen beweren over ons; die noemen wij gewoon "complotdenkers". En dat werkt ongelooflijk goed. Zodra je iemand een "complotdenker" noemt; neemt niemand die persoon meer serieus. Fantastisch!

En daar zijn natuurlijk heel wat Nederlanders bij betrokken, hè?; Jahahaha... Bijvoorbeeld Ernst Kuipers. Die noemen wij voldemortje. Ja, ja, die fluisteren wij dan in wat hij tegen jullie moet zeggen en geen haar op zijn... hahaha... sowieso niet... hahaha... Die zou tegensputteren. Want begrijp me goed; wij hebben informatie over voldemortje; foto's die u niet wil zien, ik trouwens ook niet (Expressie van walging).

Ahfijn... En zo hebben we dingetjes van alle mensen die wij inzetten voor ons goede doel. Ab Osterhaus weten we ook heel veel van, Jaap van Dissel, Marjan Koopmans... Dat is die vrouw met die processierups boven haar ogen. Natuurlijk Hugo de Jonge, die heeft zijn schoenen laten maken van reptielmensen, ja. En Mark Rutte uiteraard. Ja, die fluisteren we ook het nodige in en die luisteren we ook af. Al jaren. 20 jaar nu inmiddels. Ja... Ja, ik ben er mee opgehouden; ik versta het niet; het is allemaal in het Russisch...

En natuurlijk BN'ers, die zetten wij ook zo graag in om het, om het volk of dat jonge volk vooral te manipuleren; BN'ers voor de volwassenen en natuurlijk de influencers voor de jeugd. Ja, heel veel BN'ers weten precies wat ze moeten zeggen; dat hebben we ze allemaal ingefluisterd voor een vergoeding. Ja, helaas hebben we sommige moeten laten gaan; Ali B, Marco B, Jeroen Riet B; die kregen iets teveel publiciteit; dat vonden we op een gegeven moment een beetje jammer... Dus, die hebben we laten gaan. Voor de 3-B's hebben wij nu een oponaire kinderdagverblijf gekocht; daar mogen ze hun tijd spenderen... Ja, achterstandswijken hebben ook talentontwikkeling nodig, hè?

...

Goed... U begrijpt, wij plannen alles jaren vooruit... Ook met dit plan zijn we al jaren bezig... En de volgende stap komt eraan; natuurlijk, hè? Zijn we ook over aan het praten... We zijn nog aan het kiezen; Wat zullen we

doen? Weer door met die vogelgriep, maar dat is gewoon niet zo goed gelukt. Doen we die Monkeypox; pakken we dat goed aan, zodat er weer wat te verdienen valt bij de Pharma? ... Of weer een Derde Wereldoorlog, want lieve mensjes; jullie begrijpen zelf ook wel, hè? Oorlog levert ook heel veel geld op... Daar zien wij absoluut put in...

Ahfijn, ik moet er weer vandoor.. Ik ga nu naar de familie Rothschild in Monaco. Ik vlieg erheen met mijn privéjet... Hahaha... Ik kan het betalen... En de familie Rothschild is een ontzettend leuke, een hele rijke... hele rijke familie... daar heb je echt wat aan...

Dus...

Nou...

Zijn er nog vragen?

Nee? Ik zeg altijd: Ignorance is bliss...

Ik had het over de klimaatcrisis, hè? Ik heb een leuke tip voor jullie Nederlanders...: koop een zwemvest...!"

LEER MENSEN TE VERGEVEN DOOR ROBERT BRIDGEMAN

Ken je dat?

Soms blijken mensen niet wie je dacht dat ze
waren.

Lijken ze trouw en loyaal, maar hebben ze
eigenlijk een andere agenda.

Doen ze zich voor als vrienden, maar gebruiken
ze je voor hun eigen doelen.

Jarenlang doen ze net of ze je naasten zijn, maar
uiteindelijk blijkt dat dat alleen zo was omdat jij
iets hebt wat zij wilden hebben.

En al die jaren heb je onbevangen gegeven.
Alles wat je kon. Al die jaren heb je in vol
vertrouwen over ze gepraat, voor ze gezorgd.
En ze namen van je.
Als parasieten.
Maar jij was blind.

En dan, als puntje bij paaltje komt.
En zij niet blijken te kunnen krijgen wat jij hebt.
Laten ze hun ware gezicht zien.
Worden ze agressief.

Komen de leugens boven water.
Stelen ze van je.
En laten ze je achter in chaos en ravage.

Om vervolgens op allerlei manieren na te
trappen.

En leugens over je te verspreiden.
Ze lijken je alleen maar zoveel mogelijk pijn te
willen doen.

En dan komen de verhalen.
Van mensen om je heen die het al die tijd al
zagen.
Die je gewaarschuwd hadden. Maar je luisterde
niet...

Het enige wat je dan kunt doen.
Is ze liefde te sturen.
Ze te vergeven.
Zij zullen met zichzelf moeten verder leven.
Wat ze ook zeggen, ze kennen de enorme leugen
die ze verbergen.

Vergeven is niet iets wat je zo 123 even doet.
Het is een proces van jaren met ups en downs.
Geef jezelf de tijd.
Heb compassie voor jezelf.

En voor hun.
Stuur ze liefde
En ga verder met je leven.
Weer een wijze les verder..

MYSTERY OF LIFE

MYSTERY OF BEING

"Beneath the endless twilight, in a land where dreams and reality entwine, there stood a gate forged of bone and shadow. Beyond it lay a realm of infinite possibilities; a place where seekers could rewrite their fates, reclaim lost memories, or uncover forbidden truths. But none could enter without first facing the Gatekeeper.

The Gatekeeper was a figure shrouded in mystery, cloaked in silence, with the beak-like mask of an ancient plague doctor. No one knew if they were man, woman, or something entirely other. What was certain, however, was that the Gatekeeper existed in both the waking world and the dreamscape, appearing to those who dared approach the gate.

Those who sought entry had to find the Gatekeeper in their dreams, where the rules of time and logic dissolved. The dreams were rarely kind. They were labyrinths of emotion and memory, forcing seekers to confront their deepest fears and darkest desires. The Gatekeeper did not speak; instead, they watched, their glassy eyes reflecting truths the dreamers could not yet see.

Some seekers faltered, consumed by the weight of their own dreams. But for those who persisted, the Gatekeeper would eventually raise a gloved hand and motion toward the gate. It was not a gesture of permission but a challenge. To pass through the gate, one had to answer a single question—not with words, but with action, sacrifice, or courage. The nature of the question varied, for the Gatekeeper's judgment was tailored to each seeker's soul.

No one who passed through the gate ever returned. Some claimed they ascended to enlightenment. Others believed they dissolved into the fabric of the dreamscape, becoming whispers in the wind. But the Gatekeeper remained, eternal and unyielding, guarding the threshold between"

OLD SOULS

"They have been on this earth for eternity, experiencing different eras and living numerous lives. Therefore, Old Souls often stand out from the crowd and are simply "different" from their fellow human beings. Their capacity for unconditional love is what sets Old Souls apart. They are not only capable of experiencing deep emotions, but also of passing them on to others.

Old Souls often have few, but very deep, friendships. They like to withdraw and do their own thing. This can sometimes make them seem like loners, but this state is self-chosen. Old Souls simply enjoy being alone to recover from the hustle and bustle of the world and recharge their batteries. Whether it's God, angels, or the universe: Old Souls know that there is more than meets the eye. They are highly sensitive and receptive to this. Everything Old Souls encounter becomes part of their store of knowledge. They analyze well, look beyond the facade, and find the deeper meaning in everything. Because they are intelligent and possess great vision, their opinions are often highly valued by others. They are happy to share their knowledge. They help others grow and understand life's deep connections. They walk life's most painful paths, but never lose the courage to smile and support others"

REVELATIONS FROM AN INSIDER (TOP ELITE OF THE WORLD)

PART 1

"Ronald Bernard: Everything you want to know in the world, you can know to follow the money. That is the bottom-line, everyone can say 'bla bla bla', but make sure you follow the money then you'll find the truth. Same thing goes for that situation. So the only thing Iraq and their partners wanted, was to remain free of any accusations. Because the partners who bought it were the ones placing the boycott in the first place but they are actually all friends on the same side. Everybody thinks there are opposites like good and bad guys in the world, but on the higher levels it is just a game and they are all working together.

However, they do have to stick to the rules and regulations they themselves have created to keep the rest of society suppressed and make sure that it will not be too crowded at the top. So you have to play by your own rules. So what is going on there, is to make sure that nobody can trace you, apart from the elite themselves, nobody in lower ranks can find out what really happened. **Interviewer:** Compartmentalized, that's how we call it. **Ronald Bernard:** Yes. **Interviewer:** Everyone knows only his own little piece. Only the elite knows what is happening.

Ronald Bernard: Yes, but because we were doing the dirty work, we had to know a lot. Because we couldn't afford to make any mistakes. **Interviewer:** How high in the pyramid did you get? Were you close to the top of the pyramid? **Ronald Bernard:** Well, we were communicating with them. **Interviewer:** Okay. **Ronald Bernard:** My ego would have loved it when I got to this position of belonging to the top itself. Nowadays we still talk about 8000-8500 people in the world who run the entire world. Would have been amazing to get into such a position back then. **Interviewer:** All right, but if we say the top knows 100%, can you estimate how much you knew and understood what happened?

Ronald Bernard: In my work, I had to know a 100% of what was going on. There was no other way, because of the interests of the people involved were huge. Especially for the top. **Interviewer:** Exactly. **Ronald Bernard:** If I wouldn't know all the details I

would end up making mistakes. Which would cause a spin-off, because those mistakes would be detected. Then the people that don't know anything about it, would interfere. We are talking about having nerves of steel to function at this level.

Interviewer: So did you have nerves of steel? **Ronald Bernard:** Yes, it worked just 'fine'.

Interviewer: The freezer worked very well for you... **Ronald Bernard:** Yes, I played at the highest level for about 5 years. And then it was totally over, out and done with. That was a very intense moment for me. Yes. **Interviewer:** That happened suddenly? Or was there a reason...? **Ronald Bernard:** Well, no, the thing is, I gave a small example of what was involved, so in this case currency exchange, dollar to something else, deposited in a safe manner, and managing assets well, so it could grow to rate of return, leading to reinvestments with the money. The level I played at in those 5 years, and that didn't happen overnight, you need to earn your place.

I am skilled at connecting the dots, information in order to achieve a full picture of all the things involved, that need to be taken into account within the playing field. Which is a very detailed process. You stand out when you are gifted in this. This is the reason I was trusted with the full 100% of the information where it concerned my jobs, so I didn't know about everything they knew, but everything that I needed to know regarding the case I was working with colleagues. I was often put in the leading role, because I kept a good overview of the situation.

Interviewer: You're good at making quick switches. **Ronald Bernard:** Yes, and I was good at innovative thinking to solve the problem. I had fun, creating solutions in such a way to always stay ahead and outsmart them, staying within the rules of the game but playing around with them to make everything match up. I loved that game. However, on the other hand you had a great amount of responsibility and you learned more and more about the real world. Since through the financial world you learn all of the actual truth. **Interviewer:** So you say 'all', in what regard?

Ronald Bernard: Well your clients give you glimpses of how the world really works. In hindsight, I still didn't know everything, but I did know a lot, Because my clients were banks, who didn't want blood on their hands, but within those banks there always a number of people who know damn well what is going on. So, like 1% within a bank knows the truth of the matter regarding the happenings within the world, which is not surprising considering they are involved in the flows of money. Those are your clients, you also have governments to deal with, multinationals, you have to deal with secret services and what they now call terrorist organizations.

You get all of the groups that involved with the big money as clients. then you start seeing the connections, so they might be compartmentalized as you just mentioned, regarding knowledge, but because I am in the middle I see how they relate to another; you see the money coming from this place, then going to that place, etc. You keep gaining information and thereby overview of what is really going on. **Interviewer:** So do you have to serve and keep all of those groups happy, including terrorist organizations, you were trying to keep everybody happy?

Ronald Bernard: Yes. **Interviewer:** Dear God! **Ronald Bernard:** Yes. That was my job. **Interviewer:** Keeping all the balls in the air. **Ronald Bernard:** Yes, indeed. so one of the things that I found out, I did not know that before, but now I do, is about secret services; you think they are there to serve and protect the people, country, etc. but they actually turn out to be criminal organizations, to be more precise, the system is heavily so. We are talking about financing wars, creating wars, so basically creating a lot of misery in this world, so lots of conflict. And then I think to myself, if only people knew what the world is really like..

Secret services will stop at nothing. Nothing. But they also have their flows of money, because if they are trading in drugs or weapons or, for that matter: people, all that money has to go somewhere. Everything has to be financed. **Interviewer:** You say 'if', but you could confirm they are doing this? **Ronald Bernard:** All of them. **Interviewer:** Yes. **Ronald Bernard:** All of them. So the entire world as we think we know it, is just an illusion we believe in. Which is something you find out in this line of work and where it all went wrong for me, to put it that way.

In hindsight, yes it was for the best, but my 'freezer' started to malfunction. There were things happening, for example I went to a different trade market, and one of my colleagues there said: 'Ronald, you remember that case with the Italian lira?' I sometimes mention that during talks as well, 'do you remember those deals', in which we did massive dumping of the lira which reduced the value of the currency, which caused a company in Italy to be hit in such a way they went bankrupt.

And then you hear at the exchange, 'you remember that succesful deal with the lira?' Yes. Yes. And then they say: 'did you know that the owner committed suicide and left a family behind?' Things like that... **Interviewer:** Ouch! **Ronald Bernard:** And back then we laughed at it. Hahahah, all together, all of us. We looked down on people, mocked them, it was just a product, waste, everything was worthless; trash, nature, the planet, everything could burn and

break - Just useless parasites. Just as long as we met our goals, as long as we were growing.

Many of my colleagues ended up drinking or using drugs. Not me, maybe I should have... **Interviewer:** Or not. **Ronald Bernard:** No in hindsight, it was for the best and I'm happy to still be alive, however, all those horrible things, started to eat at me.

Interviewer: Can you give an example, because I can sense a lot of terrible things happened to you. **Ronald Bernard:** Yes, it is difficult part for me to talk about **Interviewer:** I can feel that, but only whatever you wish to share is all right? **Ronald Bernard:** Yes, I only talk about things I want to tell, but it does evoke lots of emotions and with my conscience not being in the freezer it touches me deeply.

Interviewer: Yes, I feel the same way. All right, can you tell me the worst thing that has happened that caused the tipping point in your situation. **Ronald Bernard:** Well that was the beginning of the end, you get so deep into these circles and you sign a lifetime contract, not with blood or anything, to never disclose names of companies, organizations or people. I think that is why I am still alive. You have to stick to it. If we are talking about the worst things that I have experienced, I just told you about things that made the freezer glitch, my conscience started to show itself.

Let's put it this way, I was training to become a psychopath, and I failed. I did not complete the training, and didn't become a psychopath. My conscience came back and the most difficult part for me was, because I had such a great status there, I was a success, I was trusted with the people playing at this level. To put it carefully, most of these people followed a not very mainstream religion. So you have Catholics, Protestants, all sort of religions. These people, most of them, were Luciferians.

And then you can say, religion is a fairy tale, God doesn't exist, none of that is real. Well, for these people it is truth and reality, and they served something immaterial, what they called Lucifer. And I also was in contact with those circles, only I laughed at it because to me they were just clients. So I went to places called Churches of Satan. **Interviewer:** So now we are talking about Satanism? **Ronald Bernard:** Yes, so I visited these churches, just as a visitor, dropped by, and then they were doing their Holy Mass with naked women and liquor and stuff.

And it just amused me. I didn't believe in any of this stuff, and was far from convinced if any of this was real. **Interviewer:** It was just a spectacle to you... **Ronald Bernard:** Yes, in my opinion the darkness and evil is within the people themselves. I didn't make the connection yet. So I was a guest in those circles and it amused me greatly to see all those naked women and the other

things. It was the good life. but then at some point, I was invited, which is why I'm telling you all this, to participate in sacrifices, abroad...

That was the breaking point... Children... **Interviewer:** You were asked to do that...? **Ronald Bernard:** Yes, and I couldn't do that...

Interviewer: Would you like to stop for a moment by the way?

Ronald Bernard: No. And then I started to slowly break down. I lived through quite a lot as a child myself and this really touched me deeply. Everything changed but that is the world I found myself in. And then I started to refuse assignments within my job I could no longer do it. Which made me a threat. For them... of course. I was no longer capable of functioning optimally, my performance started to shake and I had refused tasks.

I had not participated. The purpose of the whole thing, eventually, in that world is that they have everybody in their pocket. You need to be susceptible to blackmail. and blackmailing me proved to be very hard if I look back on it. They wanted to do that through those children. And that broke me. **Interviewer:** Is that... You are not telling me something new - what they also do in politics?

Ronald Bernard: If you google this, you'll find enough worldwide witness accounts to know this isn't a Walt Disney-fairy tale, unfortunately the truth is, that worldwide they have been doing this for thousands of years.

I once studied theology and even in the bible you find references to these practises with Israelites. The reason the first 10 tribes were banished to Babylonia was because of these rituals with children. Including the sacrificing of children, so this is pertinent, all this made me believe, because I realised there was more to life than meets the eye. There is a whole invisible world.

It is real. You really do talk about a dark force and a manifestation of light. So I resorted to studying theology to make sense of it all.

Interviewer: And psychology as well if I remember correctly?

Ronald Bernard: Yes, but that I did in my first life. Because through commercial psychology, mass psychology, I was able to manipulate situations for my own benefit. **Interviewer:** That is scary, because if you dig into that you find Davidson Institute and Mindcontrol, MK Ultra, Monarch and the like... **Ronald Bernard:**

Yes, that is correct, but that was all part of the job. Through training at the job I got into that more deeply, because when you are making deals you also need to manipulate the media.

You have to manipulate lots of things because nothing can be seen as it is. Everything has to appear to be something different.

You see the people as a flock of sheep, you put a couple Border Collies and drive them in a direction. **Interviewer:** Right. **Ronald Bernard:** And to be honest with you, I still see that happening around me. Unfortunately. People are still, through the systems and methods that we ourselves used to use, being treated in that same way, and it still works. People still don't understand how it really works and are still on the level of as long as I have my beer and whatever.

Completely self-absorbed, also a survival mechanism, I mean it is the program after all, but you still see how stupidly easy it is to put people in a certain direction. When you are the one pulling the strings that is. **Interviewer:** Mass psychology. **Interviewer:** Yes, and later, much later, in all those studies and discoveries did I find a document, which they are claiming is bullshit of course, with the Protocols of Zion. And nowadays I recommend everyone, to read the whole of that incredibly boring document, just work through it, read it though.

Interviewer: We are also talking about Zionism...? **Ronald Bernard:** Yes, of course. If you read the Protocols of Zion and really study them and understand them; it is like reading the newspaper of the daily life. How from their position of ultimate power, and ultimate it has literally become, but that is only because the people don't stand up for themselves. They don't realize what reality is. **Interviewer:** And we have all been programmed, if you would have the balls to say you are against Zionism, then you are branded an anti-Semite. Then you are... they try to... **Ronald Bernard:** The negative, you can say evil, the Luciferians, the Satanists, whatever you wish to call it.

It is a real entity. I have found that what is written in the Bible, and not just the Bible, you can find it in so many books, there really has been a moment of separation from the manifestation of light in which a group went their own way and are carrying an intense hatred, anger; the people who do not underestimate the severity of this are, but few. Because this is an all annihilating force that hates our guts. It hates creation, it hates life. And it will do anything to destroy us completely.

And the way to do that is to divide humanity. Divide and conquer is their truth. Humanity is a manifestation of light, that is the true creation. As long as you divide them based on political parties, skin color, you name it, then you - from a Luciferian point of view that is - suppress the full capacities of your enemy, their full power, they can't stand up for themselves, because if that would happen, the Luciferians would lose. Then this monster, the greedy monster would disappear. I tell people about this old American general who puts an entire room of people in the dark.

The eyes adapt to the darkness, but you can't see a thing. The general doesn't say a word and suddenly he flicks on a lighter, one little light, and due to the prolonged darkness, you experience a manifestation of light from a single point and everyone can slightly see each other again. and then he says: 'that is the power of our light'. **Interviewer:** Beautiful. **Ronald Bernard:** Unite. Unite. Come together and this entire shit story seizes to exist. That's how fast it could happen. But that is easy for me to say now, but then I was in a period of my life in which I was crumbling down.

Interviewer: Could you tell us something specific about that?

How did that happen? Because you were invited... **Ronald Bernard:** I started to refuse assignments. My conscience came back after the request involving the children and I started to refuse more and more. I had a conscience and I couldn't function anymore. **Interviewer:** But you did still show up at work, after that? **Ronald Bernard:** I didn't really have a choice, I had my own business with several offices and employees, everything was still rolling. **Interviewer:** That must have been hard? **Ronald Bernard:** Yes, it got very hard, all the tensions.

So on the one hand you are playing with money on a high level, in which you can't afford to make mistakes, otherwise everything falls down at once, your entire business is ruined, everybody involved, including yourself. Then you are really screwed. So that brings a lot of stress, factoring in the resurfacing of a conscience, I was warned off when I got into this. Don't do it if you can't put your conscience at 100 degrees in the freezer. **Interviewer:** And you probably realized that then? **Ronald Bernard:** Yes, I heard myself laugh at it back then, but it wasn't a joke at all.

I totally did not understand where I really got into. **Interviewer:** And your proverbial freezer was switched off? **Ronald Bernard:** Broken. I couldn't do it anymore. So I tried to work through it, keep up appearances. I didn't know how to get out of this, I was trapped as well. Everybody was trapped. This all let me to crash completely eventually. My body just simply stopped. The first thing I saw was my mother crying at the Intensive Care. **Interviewer:** You ended up at the IC? **Ronald Bernard:** Yeah I really shut down. **Interviewer:** You had literally crashed? **Ronald Bernard:** Yes. Yes. And... at that time I didn't believe in anything, but I can still recall how I saw, from that corner.

I was looking down upon myself. **Interviewer:** You had a near death experience... **Ronald Bernard:** I saw how they were working on me. Well, you could call it that. I have seen I am not my body. I'm 'in' my body, but I am not just my body. I have seen them working on me. And later on, I've been reluctant to talk about it for a long time. I really talked about it much later, but

when I did, I had researched so many things already and started to believe. I was starting to better understand the spiritual and the material. At that point this intense experience got its own place.

The realization that I'm not my body, it's just a vessel. So I lived through all of that, but I also needed a long time to recover. Yes, of course. Yes I was a train wreck. Complete wreck. I was completely burned out. I had crashed, and the body needed a year to recover. Because.. I... I don't really want to get into it now, but in those circles I got tortured physically during my exit time. This was in order to make sure I would never break the contract of secrecy. So I was taken for a certain amount of time.

I was 'treated', all those factors together, just increased the stress I was experiencing, literally running full speed towards my own end. **Interviewer:** Do you mean abductions, as we call it, or programming? **Ronald Bernard:** No, they exposed me to certain types of torture that makes sure you'll never damage anyone in that world. I didn't realize that back then, so this is all from hindsight. It did all happen that way, so the end of my first life was so extreme that I couldn't handle it anymore. I couldn't handle it anymore, in no way.

However, my mindpower was so strong, that it only happened with and to my own body, That was...well, I didn't know what to do anymore. There were no options left for me. So that is why sometimes I think – of course that is not true - but I wish, like so many colleagues, I had taken the drugs and alcohol route at least my end would have been more gentle. Because most of them are just dead by now. Even though I know there are more strawmen walking around, there are little still alive whom I knew back then.

Most of them are already gone. Well, I was dead too, but I'm still here. **Interviewer:** So you still have something left to do... **Ronald Bernard:** Yes, I suppose you could say that. But that is, I can't say in short, since I don't know how long we have been talking, the world that I found myself in. If you have any specific questions, then I can answer them, but I had hoped to be more concise. But I just don't know how. **Interviewer:** Well, you have my gratitude for all you have shared. **Ronald Bernard:** To me it is still a very big deal... (to be continued...)"

THE TIME OF TRANSITION

BY AURORA RAY

Dear beloved ones,

As you may be aware, the new time countdown began right now, when the Earth began to prepare for the final energy leap into the fifth dimension, where she already exists in her subtle forms.

The time has come, Gaia; the time of transition. On one hand, we are preparing for a new era in our evolution; on the other hand, we are witnessing an enormous effort towards global collective transformation.

As you know, this preparation for the shift has been ongoing for many decades now, during which a series of cosmic accidents have taken place, triggering energetic changes on several different levels. It is now time to wake up, and this time let's not miss any opportunity to learn, grow and advance in your evolution.

We notice that all of you are sensing impending changes as if they are dangling in the air, and that unusual natural phenomena, which are occurring more frequently, are the precursor of such changes.

From a human standpoint, what you are experiencing right now may appear terrifying, dangerous, and even tragic, because all of your society's foundations have begun to crumble, causing your normal way of life to shift.

The new reality will arrive so quickly that not everyone will be able to break through the psychological barrier that separates the old and the new.

You are entering a time of transformation. The old way of thinking is obsolete, and in its place we will construct a better and more efficient society. We are in the midst of a collective energy shift which will result in many impacts on your physical bodies and on the three dimensional world around you. These impacts will be felt instantly.

And you should be prepared for the events that will cause many people to flee the Earth plane, driven by fear of such changes.

However, the Souls of Light who have been informed about what is happening on Earth now, and who have been preparing for the Shift with great effort and for a long time, will embrace these changes with silence, because they understand that without them, crossing the long-awaited border between the three-dimensional and fifth-dimensional worlds will be impossible.

What effects will these developments have on Earth?

As a result of the shifting continents, country borders will be destroyed, resulting in disorder and disarray for a period of time due to the terror and panic of people who will be abandoning their homes and familiar ways of life.

It will continue until competent international organizations get control of the situation and begin systematic action to relocate people from natural disaster-stricken areas to countries that are willing to accept and resettle them.

A shattered financial system will be replaced by a new world order based on equitable financial distribution rather than the greedy appropriation of the world's riches by a small group of bankers who today control all of the world's bank assets.

This new financial system will bring prosperity and allure to those who seek it while destroying the beguiling promises of the corrupt old system.

Political power in many countries around the world will change dramatically, and the new heads of state will be people with a new mindset who see that the Earth has reached a new stage of evolution.

You may look at them as a High Council of spiritually advanced elders who will be revered for their wisdom, compassion, and ability to ensure freedom and peace for all living creatures on 5D Earth.

Authoritarian control, restriction, and abuse will be a thing of the past.

Because you are all citizens of your planet with equal rights, a new vast redistribution of natural resources will commence, based on people's needs, thereby ending starvation and poverty.

All of this will be possible because people's vibrations will be rapidly growing; otherwise, they will be unable to survive on a fifth-dimensional Earth.

That's why it is so important for you to know and accept the fact that your reality and the reality you will experience in the coming months will be beyond anything you can imagine.

The fifth dimension is a state of being in which intellect and emotion, mind and heart, are one — a dimension where we can truly live in harmony, peace and love with all other beings, including animals and nature.

Dear ones, such a wonderful day will arrive, and we want you to be prepared.

We have been protecting you from outside interference and helping your civilization mature so that you can prosper. We have been patiently waiting for you to reach a level of spiritual maturity where your consciousness can be raised through an awakening process.

We keep a close eye on everything that happens on Earth and are always willing to assist you!

We love you dearly,

We are here with you,

We are your family of light,

We are the Galactic Federation.

THE WAY OF A SPIRITUAL WARRIOR

"The Way of a Spiritual Warrior" is a path that blends personal growth, inner strength, and spiritual development with the virtues of discipline, courage, and compassion. It often draws from various spiritual traditions, but the core principles tend to overlap across different cultures and philosophies. At its heart, the path of a spiritual warrior is about mastering the self—finding balance and living with purpose while navigating life's challenges.

Here are some key aspects of **"The Way of a Spiritual Warrior"**:

1. Self-Mastery and Discipline

A spiritual warrior seeks to master their own mind, emotions, and actions. They cultivate inner discipline to remain focused, grounded, and in control of their impulses. This includes practices like meditation, mindfulness, or other forms of self-reflection to maintain clarity and awareness.

2. Courage and Facing Fear

Spiritual warriors don't shy away from the difficulties or uncertainties of life. They face their fears directly and take responsibility for their actions. Courage is not about being fearless, but about acknowledging fear and proceeding despite it, with an understanding that fear can be an ally in growth.

3. Compassion and Love

Despite their warrior-like qualities, a spiritual warrior's heart is filled with compassion. They are guided by love—love for themselves, others, and the world around them. They understand that true strength comes not from domination or aggression, but from a deep connection with all of life.

4. Integrity and Truth

A spiritual warrior lives with integrity, always striving to act in alignment with their values and truths. They are committed to honesty, transparency, and authenticity. They know that they cannot truly fight for justice or peace without first cultivating it within themselves.

5. Non-Attachment

While a warrior is committed to a cause, the spiritual warrior practices non-attachment to outcomes. They understand that life is impermanent, and they do not become overly attached to material wealth, status, or even success. Instead, their focus is on doing their best in each moment, regardless of the outcome.

6. Service and Responsibility

A spiritual warrior often sees their journey as one of service—whether it is to others, to a cause, or to the planet. They are responsible not just for their own growth, but for the well-being of the greater whole. This often means using their strength, wisdom, and resources to help those who are suffering or oppressed.

7. Balance of Mind, Body, and Spirit

A true spiritual warrior maintains harmony between the physical, mental, and spiritual aspects of their being.

They might engage in physical activities like martial arts or yoga, which promote strength and discipline, while also prioritizing their mental health through practices like journaling or contemplation.

8. Detachment from Ego

A spiritual warrior works to transcend the ego—the false sense of self that is driven by pride, fear, and desire for validation. They do not act out of ego-driven motivations but instead from a place of humility, knowing that the "self" is not separate from the world but interconnected with all beings.

9. Adaptability and Resilience

Like a warrior in battle, a spiritual warrior must be adaptable to the changing circumstances of life. They face challenges with resilience and a willingness to learn from setbacks. Instead of succumbing to defeat, they see every difficulty as an opportunity to grow stronger.

10. Living with Purpose

Finally, a spiritual warrior lives with a deep sense of purpose. They align their actions with their higher calling, whether that is personal enlightenment, service to others, or working towards a greater good. Their life is not driven by external expectations but by a commitment to their inner truth and values.

Philosophical Inspirations:

- **Buddhism:** The idea of the spiritual warrior is very prominent in Buddhism, where practitioners are often referred to as "warriors" because they must fight against their inner ignorance,

attachment, and suffering. The **bodhisattva** ideal is one example, where the warrior fights for the liberation of all sentient beings.

- **Samurai Code (Bushido):** In Japan, the samurai embodied the ideals of a spiritual warrior, following a strict code that emphasized loyalty, honor, and discipline, as well as courage and compassion. Samurai were not only skilled warriors but were also expected to be educated in poetry, art, and philosophy.
- **Native American Traditions:** In various Native American cultures, the warrior's path is also tied to a spiritual journey, with a focus on living in harmony with nature, protecting the community, and undergoing rites of passage to become a spiritual leader.
- **Taoism and Martial Arts:** In Taoism, the spiritual warrior is someone who practices the art of non-violent resistance, embracing the concept of *wu wei*—action through non-action—and using inner peace as a form of strength. Martial arts like Tai Chi reflect these principles, where combat skills are paired with meditative practice.

The Warrior's Journey:

The path of a spiritual warrior is not about fighting others, but rather fighting against one's own ignorance, ego, and inner turbulence. It is a life of continuous learning, growth, and striving to live with wisdom, courage, and compassion, regardless of the challenges that come your way. It's a life of service and selflessness, where the true battle is with oneself

WHAT YOU LOSE WHEN WAKING UP (AND WHAT YOU GAIN) BY BERNHARD GUENTHER

"Many people have become increasingly aware of the deeper corruption in the world in recent years.

The lockdowns, the psychological operations, the mass psychosis, and the totalitarianism of the pandemic were major catalysts. That was one form of awakening based on informational awareness.

But there is another kind. One that goes way deeper and is not just about seeing through the lies in the world, but about seeing through the lies you tell yourself.

Awakening, in its truest sense, is an internal process.

It is when the veil lifts, not just from society, but the ones covering the connection to your own soul. It is a way of remembering who you were before the world told you who you are to be. Before you became the version of yourself that was shaped to survive.

That process is not always pretty. It is a stripping away. A death.

It requires a descent into the underworld, a dark night of the soul. And it can cost you everything.

But in return, it gives you the one thing that cannot be taken away: your true Self. The real you. The essence beneath the masks you wear, the wounds you carry, and the illusions you have clung to.

Maybe you found this awakening through a healing crisis, a dark night of the soul, a breakup, or from witnessing the chaos of the world and asking deeper questions like "Who am I?"

However it comes, it asks the same thing from all of us: the courage to let go of who we were in order to become who we really are"

WRITING BY MEI-LAN MAURITS

Have you ever felt like something you deeply wanted
— something you were ready for — just wasn't
happening?

No matter how much you hoped, or worked toward it,
the door just wouldn't seem to open?

I want to remind you gently today:
Sometimes what looks like a "no" is really Divine
protection.

Sometimes the delay is the Divine making a way for
something even better than you could imagine.

You see, so much happens behind the scenes that we
can't see from where we are.

Paths are clearing.

People are shifting.

Circumstances are aligning.

And sometimes, the blessing needs time to ripen — to
become the perfect fit for the soul you are becoming.

If a door hasn't opened yet, it doesn't always mean
it's closed forever.

It might mean the foundation is still being laid
beneath your feet.

It might mean that what you asked for is still becoming
what you truly need.

It might mean you're being guided, step by step, to something even more aligned with your highest good.

So today, I invite you to lean into trust.

Trust that:

You are not forgotten. You are not off-path. You are not being denied.

You are simply being loved enough to be given what is right for you, when it is right for you.

What's for you will not pass you by.

It will find you.

It will open to you — at the perfect moment.

Until then, you are being prepared.

You are being strengthened.

You are being guided by a Love that knows you better than you know yourself.

I'm holding that trust with you today —
for every dream, every prayer, every step you are taking.

You are exactly where you need to be.

With you always,

~ Mei-lan Maurits

One day, i was lookin' out over the valley i lived in. I could

And i imagined that this may be what God's like. Something

— Zach Williams (No Longer Slaves) —

I try to forgive the people that broke my heart the most. I try to forgive the 16 Bit Lolitas: Peter Kriek and Ariaan Olierook. They were my best friends in life and my worst friends. They made a terrible mistake in ignoring my heart and soul, my talent and not giving a Great friend a chance in music. I hope the Father will let them learn one day and that Karma will come for both their sides. Their Angelic side and their Demonic side

While it's not entirely their fault. I also made mistakes in this story, i could have created more chances with other people to become successful in music, but i trusted them so deeply and was terribly hurt by my mental illness at that time to give that a chance

I forgive them, while this is one of the stories in my life that hurt me the most and somehow i am not fully recovered yet. My anger and rage comes from this story the most; the pain of a very broken heart. The Anger and Rage that i use now for the Highest Good to correct a sick Humanity

I was too attached to them and suspected they could help me to become successful in music

They were too selfish and felt superior to me, while they also knew that i was not capable to have a life as a known artist due to my illnesses and problems in life

It is part of my life story for this life. It was part of God's plan that i would be deeply ignored by these people to become the Messiah and Have the Great Darkness within, besides the Great Light

They helped me to become the Force We need

“No one decides where they were born.

Our birthplace was decided by Fate.

You were born here. I was born there.

What divides us?

A border is an idea decided by the lucky.

Today you sit in the seat of the fortunate.

Just remember what put you there..

Fate.

What is Fate but the Hand of God...?

"Obi-Wan: For over a thousand generations,
the Jedi knights... were the guardians of
peace and justice in the old Republic...
before the dark times... before the Empire

Luke: How did my father die?

Obi-Wan: A young Jedi named Darth Vader...
who was a pupil of mine until he turned to
evil... helped the Empire hunt down and

Our spirit is not aligned with the Most High

That makes this world a terrible creation

A terrible spirit

Return to the Most High

Align yourself with the Highest Good

Align with the Christ Consciousness and the
Way, the Life and the Truth

Become one with the Supreme Being again or
fall to hell

**Raise your vibration by doing the Great Work
to Find Heavenly Order**

SOME THINGS WILL NOT BE FORGIVABLE.
SOME BEINGS WILL GO TO TRUE HELL;
WHERE THEY WILL HAVE TWO OPTIONS;
PAY YOUR PRICE IN TRUE HELL OR FIND TRUE
DEATH

TIME TO CHOOSE FOR THE MOST SICK
PEOPLE IN THIS WORLD WHO HORRIBLY AND
TERRIBLY HURT THE ANGELS OF THIS WORLD:
OUR CHILDREN AND ALL THE ONES THAT
HELDED THE SPIRIT OF THE ANGELS

IF YOU PAY YOUR PRICE YOU HAVE A
CHANCE TO COME BACK TO CREATION. IF
YOU DON'T WE REMOVE YOU FROM
EXISTENCE: WE ERASE YOU FROM BEING:
YOU WILL NEVER EVER ABLE TO EXIST AGAIN:
YOU WERE A TERRIBLE DISEASE TO CREATION

TIME TO CHOOSE FOR THE MOST HORRIBLE
PEOPLE IN THIS WORLD

“... that a warrior, aware of the unfathomable mystery that surrounds him and aware of his duty to try to unravel it, takes his rightful place among mysteries and regards himself as one. Consequently, for a warrior there is no end to the mystery of being, whether being means being a pebble, or an ant, or oneself. That is a warrior's humbleness. One is equal to everything”

getting ready to transform this world to the
Highest Good

There is a Great Plan hiding in the Shadows
to rescue us from the Depths of Hell

Arrival of Great Spirit

Arrival of the Great Judgement

Time Has Come

The Great Work om het Paradijs voor jezelf en de wereld terug te brengen is:

- **het creëren van een gezonde zelfreflectie met onvoorwaardelijke liefde (wordt bewust van jezelf, je gedachten, je gevoelens, je projecties naar anderen, je leugens, je bedrog, je geweldigheid (kijk laag genoeg, je hoeft geen superster te zijn, de dingen waar je goed in bent, je passies en je dromen), je zwakheden en je gebreken)**
- **leren van zelfliefde op een ziel manier (leer te houden van de persoon die je ziet in de spiegel)**
- **eliminieren van je ego en ego eigenschappen (zoals jaloezie, afgunst en je verheven of minder voelen dan anderen)**
- **stoppen met liegen tegen jezelf en tegen anderen (door bewust te worden van al je leugens)**
- **werken aan je (generationele) trauma's**
- **het doen van schaduw-werk**
- **het doen van zelf-werk (maak To Do en To Learn lijsten op alle levensgebieden en kom meer op orde; stap voor stap en iedere dag een beetje)**
- **vraag oprecht vergiffenis voor je zonden aan de Vader**
- **wees in vergeving naar anderen**
- **wees in dankbaarheid ondanks je lijden**
- **vind het tevredenheidsbewustzijn (leer tevreden te zijn met wat je hebt)**
- **wens het paradijs voor anderen en jezelf**
- **droom en stel je persoonlijke paradijs voor**
- **volg en wordt de Juiste Weg (de Weg, de Waarheid en het Leven, Dharma, the Way)**
- **vraag de Vader om de Heilige Geest in je te laten wonen**
- **bouw een relatie met de Vader; de Schepper van al wat is**

Doe the Great Work en help ons het Paradijs terug te Scheppen naar de Aarde

Je kan het!!

Ik geloof in jou!!

The strive is to become impeccable beings;
beings like the Gods; to bring forth Heavenly
Order; Impeccable Paradises

A God is an impeccable being. We are
learning in this world to become impeccable
like the Gods

The World is Changing

Order into Chaos

Chaos into Order

The Divine Plan is Working

We Are Going Home

Heaven or Hell

The world of non-ordinary reality is about to
align with the world of our ordinary reality. A
shift in consciousness will come for the ones
that can pass through the gate of the 5th
dimension

Things We normally see as impossible are
suddenly possible

Things are not as it seems as We move closer
to the Event that will change this world
forever for the benefit of All

Trust on the Divine Process

Trust on the Divine Will

This Will Be A "Magikal" Journey

There are multiple Earths simultaneously
living next to each other. Those multiple
Earths and all its beings will become one
Earth. Multiple dimensions of different Earths
are merging into one Earth for the End Days,
the Final Judgement and A New Begin

It could be that We can connect again with
our lost loves that passed over to other sides
of reality, into other Earths

The merging of realities is now happening at
the moment

Timelines merging into two Final Timelines

Heaven or Hell

These are the last days to bend on your
knees, beg for forgiveness and start doing
the Right Thing

God is Done with this part of creation

Reach for Eyowa

Follow his work

To be Saved from True Death and Hell

**There is a Divine Force waking up in
Humanity and it will take us Home to
Heavenly Order**

There will come two magnetic forces in this
world

One that pulls people more to hell

The other that pulls people more to Heaven

On which side will you be?

These are the last days to be forgiven and
Return to Heavenly Order

These are the last days to escape Hell

**Things are about to drastically change for the
benefit of All**

Think simple, logical and more direct

Please

I beg you

Let's get our sanity back

This is a very ugly creation

It is very sad

Very sad only

These are the final days

Listen carefully what Eyowa has to say

He is your Guide Home

Heavenly Order

God has spoken

This world is the world of the Eagle

Where Dark & Light meet

It is time to come Home

Back to the Supreme Being

Or your fall to Hell

**This is your Final Chance to come Back to the
Father and Heal what the Father started**

Time for the Final Judgement

The Day of Judgement Has Begun

The Divine Judgement

**There will be seven Judges to Judge every
Human Being on Gaia**

With one visible Judge

The Divine Supreme Being Eyowa

**These are the last days to bend on your
knees, pray for forgiveness and start doing
what is right**

These are the Last days to escape Hell

**Time to Return to the Kingdom of God or Fall
to Unheaven**

Too many mind in this world

Too little Soul Embodiment

Time to restore the Great Balance between
Mind, Body, Heart and Soul

Transforming the World to the Most High; The
Highest Good

To Find Home

Heavenly Order

Try to become Impeccable

It makes you a Great Force to Being

Turn off the news. It makes you miserable.
Channel a Paradise instead. Find Heavenly
Order Within and Without by becoming the
Way, the Life and the Truth

"Voor als mensen vragen wat mijn politieke voorkeur is: Stoppen met politici, ministers, premiers, presidenten en dergelijke figuren.

Ophouden met dat gedoe over rechts en links. Stoppen met de illusie van nationalistisch of globalistisch. Kapitalistisch, democratisch of communistisch, allemaal niet nodig. Gewoon weer een raad van wijze"

We become more Balanced when We can
handle more energies and vibrations

Listen to my music to become more Balanced
through different stories and energies in my
music and in life

Listen to my music to help you find the Way

To find the Great Balance within

The Force

We gaan terug naar de Kosmische Oceaan
van de Liefde

Bereid u voor

Doe schaduw-werk en zelfwerk

Vraag oprecht om vergeving van uw zonden

Dit is uw laatste kans om uzelf aan te sluiten
bij de Weg, de Waarheid en het Leven

Dit is uw laatste kans om te kiezen voor God

Neem Eyowa in uw hart of verdwijn naar de
hel

We have to become One. We have to share
Unity Consciousness. We have to find the
Christ Consciousness within to Find Harmony
and Peace; A pathway away from war and
disorder; Becoming One With God; the
Supreme Being

"We have to stop it.. We have to stop it.."
— Heroes (Season One) —

We live in a Universe that wants to Create
Gods

Gods are made over billions of soul lives

The end of the programming is coming

We are going to relax for a while

Until We are incarnated again to become a
God like Eyowa

This is bigger than what you can imagine

Gods are made for Divine Reasons

Everything is part of a larger plan

A Cosmic Plan

It is time to come Home

It is time to Choose Eyowa as your saviour

Or fall to Hell

**“We must recognize that the suffering of one
person or one nation is the suffering of
humanity”**

Wees in dankbaarheid, tevredenheid en
vertrouwen

Het is een mooiere weg

Het trekt je meer naar je persoonlijke
paradijs

Het brengt je dichterbij de Hemel

While one part of Humanity will loose its
mind more and more to fall to hell, another
part of Humanity will get more sane and sane
to travel back to Heavenly Order

On which side are you?

What will be your Final Destination?

Wie mij bespot gaat naar de hel

Wie de Heer bespot zal naar de Hel vallen

Wie Eyowa bespot laat zien dat hij of zij niet
verbonden is met de Weg en liever een duivel
wil zijn

Wees nederig en respectvol tegenover de
Vader en zijn Zoon

Zoals de Zoon ook nederig en respectvol naar
jou zal zijn

Maak geen grappen over Eyowa

Bespot hem niet

Dit is een serieuze waarschuwing

Whoever made the Netflix show "Messiah", the makers of
the script, knew me very well

There were so many signs in the series personally linked to
my own story. Names, signs and stories that are directly
names, signs and stories of my own life

I am followed by people and organizations that wait for
my Second Coming without contacting me

It is mysterious who in the Shadows knows of my existence
and why they made this series about me

Probably to prepare the world for my Second Coming

And an initiation for myself in becoming the Christ

I am One With The Divine Father

God made me become the Messiah

It was not my choice

You don't choose to become the Messiah

That is not up to you

That's up to God

I became the Divine Messenger because i was chosen for
this by the Divine Father

I am the Father, the Son and the Holy Spirit

And i will come in God's Timing on God's Terms

Arrival of the Great Plan

Arrival of the Great Judgement

God Decides

God's Will

This is bigger than what you can imagine

"You can step off a plane into a black car
You can pay 'em to wait
You can wear the gold watch on your wrist
But it won't give you back the moments you
miss

When I get paid, I wanna spend it on you
And, baby, that's what it's for
I burned it all to keep you warm

Who wants to be a lonely millionaire?
Coming home, ain't no one there
That you can talk to in your king-sized bed

Be careful what you wish for, I see it all the
time
The money and the diamonds and the things
that shine

Can't buy you true happiness"
— Kacey Musgraves (Lonely Millionaire) —

The Mission is Harmony and Peace

It always was. It always is. It always will

To All and All that Exist

Harmony and Peace Brothers

Harmony and Peace

Als u niet tot besef bent gekomen en mijn
boodschap niet goed kan volgen; lees mijn
boeken opnieuw en opnieuw om beter te
begrijpen wat ik u probeer bij te dragen en
beter te beseffen van mijn boodschap en
waarschuwing

Eens zal het kwartje vallen

In dit leven of in een ander leven

NAWOORD

Ik hou zielsveel van mensen uiteindelijk. Ik zie
hun passies, hun dromen, hun worstelingen, hun
pijn en verdriet

Ik wil ze verlichten en helpen naar een betere
wereld

De schoonheid van de ziel is zo mooi

En ieder mens draagt daar wat van in zijn hart

Vrijwel alle mensen dragen iets moois; hebben
mooie ideeën, goede bedoelingen en mooie
uitingen

Zelfs in de ergste persoon kan ook iets moois zijn
wat je totaal niet zou verwachten

We dragen allemaal de Goddelijke Bron in ons en
het is weer tijd om ons weer te verenigen met die
Bron

Het is tijd om Eyowa in je hart binnen te laten

En 1 te worden met zijn Bron die ook in jou leeft

De stem van je hart

Je liefdevolle hart die alleen maar goed wil doen
en het beste uit het leven wil halen

Kies voor harmonie, vrede en liefde en vind de
weg terug naar je hart en ziel; de schoonheid die
in alle mensen heerst

Wees liefdevol. Het is een mooiere weg

Het is de Weg van Christus

Het is de Weg van Eyowa

Probeer te denken vanuit liefde en te zijn in liefde

Liefde is het antwoord

Liefde zal altijd het antwoord zijn

En ik draag heel veel liefde naar heel veel
mensen

Ik wil ze terug in heerlijkheid

Terug bij de Bron

Harmonie, vrede en liefde voor alle mensen

Ik wil ons weer terug in het paradijs

Vind mij in je hart en ik breng je terug op het
juiste moment

Eyowa is de Bron naar huis

Hemel op Aarde

Hemel daarbuiten

Ik ben de stem van Christus

HELP ME MIJN BOEKEN OP EEN LICHTVOLLE MANIER TE VERTALEN

Laat er iemand komen, met wellicht met behulp van AI, die al mijn boeken volledig in het licht vertaald. Alleen maar lichtvolle woorden voor de woorden satan, duivel, evil en hel. Dus voor die woorden "onlicht en onhemel" of andere passende lichtvolle woorden

Ik wil uiteindelijk zelf ook meer in het licht leven. Ik gebruik die verschrikkelijk woorden om een waarschuwing af te geven dat nu het laatste moment is om voor het Licht te kiezen en weg te deinzen van het onlicht

Ik heb zelf op dit moment te weinig kracht en ik ben te erg beschadigd om dit te doen. Laat er iemand komen die mijn boeken vertaald op een lichtvolle manier, zodat mensen kunnen kiezen of ze meer de waarschuwing willen voelen zoals de intentie bedoeld is of de mogelijkheid om de boeken op een volledig lichtvolle manier te lezen, zoals de boeken van Christina von Dreien zo mooi lichtvol zijn

Het spijt me van mijn harde boodschap die in mijn boeken zit verwerkt. Ik moet echt die laatste waarschuwing afgeven aan de mensheid. Mensen moeten voelen dat dit het laatste moment is om nog voor Gods Liefde en Heerlijkheid te kiezen door de Weg te worden

Vergeef me beste lieve mensen

Ik probeer alleen maar liefde te zijn en te vinden in deze wereld. Ik ben hard geworden voor de Geweldige Waarschuwing

Het einde der tijden is nabij

Een nieuw begin

Laten We zoveel mensen trekken naar Licht en Liefde

Laat er iemand komen die mijn boeken vertaald op een lichtvolle manier

"Don't give it up

Don't worry if the sun don't shine
You've seen it before, you don't need to worry
Everyday's an uphill climb, nothing has changed
Believe me when I tell you

Don't give it up

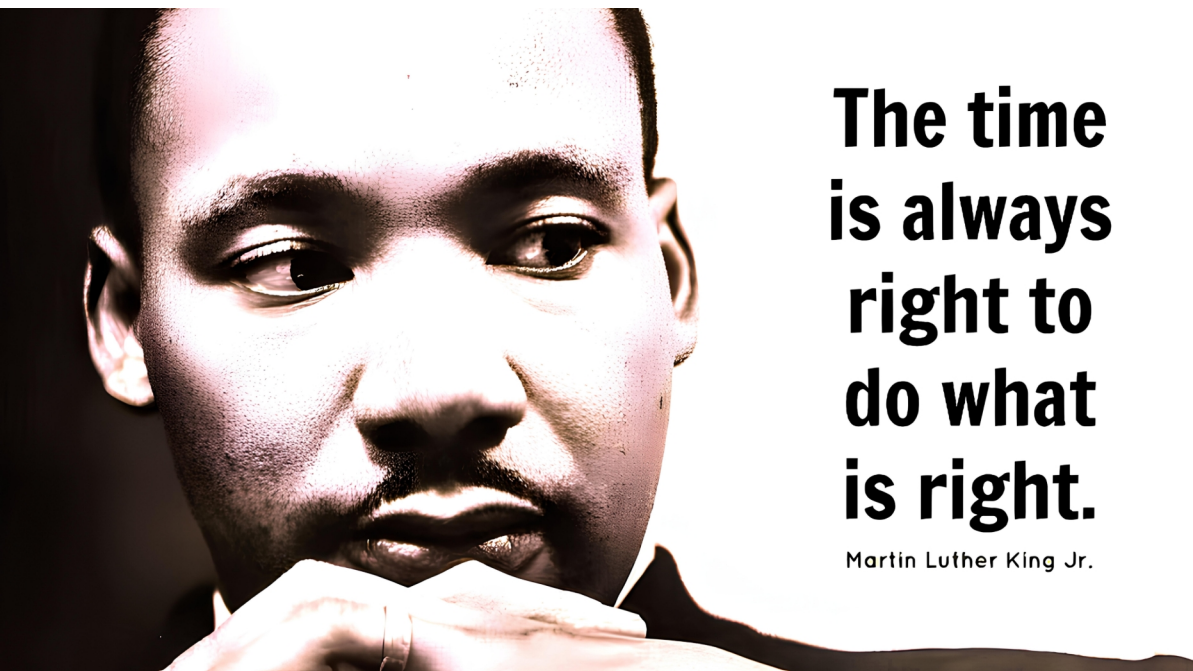

Don't give it up

Don't give up, you know it's true
Gotta do what you wanna do
Don't give it up, you don't have to
Gotta do what you wanna do

Ah yeah

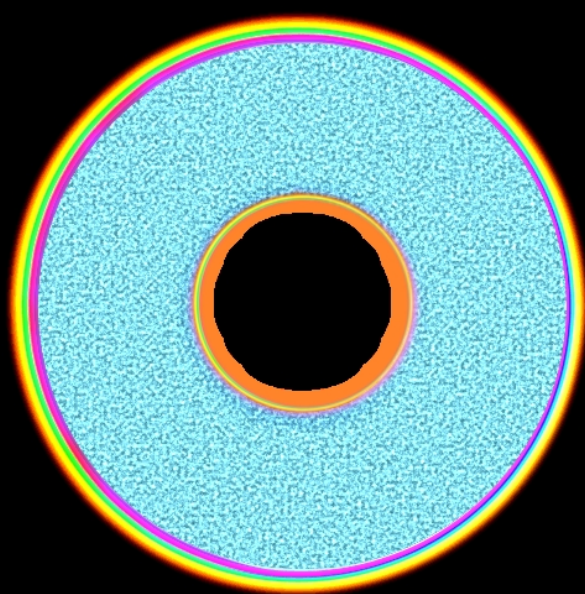

Don't give up, you know it's true"
