"A great man doesn't seek to lead. He's called
to it and he answers"
— Dune (2021) —

**Align me with the Pain of the World Father
and let me help heal the suffering in the
World**

Als je hart gebroken is; stuur zelf liefde naar
je hart en help je eigen hart te helen

Doe dit door liefdevol in gesprek te gaan met
je hart en letterlijk te zeggen tegen je hart
dat je van hem of haar houdt

Are you brave enough to face the truth?

Or do you rather live the lie?

Can you hold your light when hell is around
the corner?

Can you embody the ideal and stay heavenly?

Or do you choose otherwise?

Creation is losing its mind

Listen carefully what i have to say

To Restore the Great Balance

To find Harmony and Peace

Dom nieuws en negatief nieuws. Gemixed met
feiten en leugens om u klein, dom, zwak en
moeilijk te houden> Dat is Nos Nieuws. Nu.nl
en alle andere valse media

Dit zijn de laatste dagen

Bereid je voor

Er gaat iets grandioos fout in the Universe.
Wat een zieke wereld. Wat een pijn, wat een
verdriet en wat een hel heerst er op aarde

We moeten dit echt stoppen voordat het te
laat is

Ik ben hier om de weg naar huis te wijzen

I am speaking on behalf of the Creator

The Creator of this Universe

Listen carefully what i have to say

**I am sent by Nature to restore the Great
Balance in this world**

I am the Dark, i am the Light

I am not evil, i am love

"I am the eye in the sky, looking at you

I can read your mind

I am the maker of rules, dealing with fools

I can cheat you blind"

— The Alan Parsons Project —

I am the reminder of what We once knew

I fly on the wings of the Supreme Being

I am one with God

I am the One Infinite Creator

I have balanced my emotions and feelings
through the depths of hell

I will help humanity balance her emotions and
feelings through the changes that will be
made in this Mystery of Being

Humanity stands for a Great Challenge

Follow my work to get ready

I'm a dreamer

I like to dream

I like to become one with God and create
dreaming realities

If We all align ourselves with Great Spirit,
Great Harmony could exist

Follow me to follow the Word of God

Have a healthy fear for the Creator

**“How did this happen? Who's to blame?”
— V in V for Vendetta (2005) —**

I am here now to lead us back to the Kingdom
of God

In this book We is with a capital. An emphasis
that in essence there is only We, there is only
Us. The All encompassing All

Let this be a reminder for that

And let Us give us less attention to the ego by
putting the I into i

A reminder that we are not separate from this
World

We are the World

In essence there is no separation

We are the All and All that exists

To bring Harmony and Peace to All that exists

That's the mission

**Learn to Trust on Life and the Divine Spirit of
God**

Love the Father with all your heart, with all
your soul and all your mind

**"Mankind was born on Earth, it was never
meant to die here"**

— Interstellar (2014) —

"Money is the root of all evil"
— Timothy 6:10 —

“Op dit moment is de mensheid een stuurloos
schip. Hou je aan mij vast”
— Messiah (Netflix) —

People should know and people will know how
dangerous it is to act against the Will of God

Prepare for the worst

Hope for the best

Respect me as i respect you

Disrespect me and find hell

The Arrival of Great Spirit is Here

The Day of Judgement Has Arrived

The more one looks in the Eye of Truth, the
more one becomes the Truth

The right knowledge, with the right act by the
right amount of people is the ride Home

The world will know what the world should
have known

**There is a Great Challenge coming for
Humanity**

Be prepared

**These are the last days to escape hell and
True Hell**

"This Quest, this need to solve life's
mysteries. In the end what does it matter
when the human heart can only find meaning
in the smallest of moments

They're here. Among us. In the shadows, in
the lights. Everywhere. Do they even know
yet?"

— Heroes (TV series) —

**This work is dedicated to “Source”
de Bron van Al wat is**

To all the Gang Members in the World; turn
yourself to Jesus. Follow his word and release
yourself from the Hell you live in to find the
Love and Grace of God

Truth will resonate with the Heart

We are going home

Follow Eyowa to follow the Word of God

I am the Tree of Life

We are trying to pull the future of mankind to
another future than the one its heading

Will you help us?

We hebben het leven en de wereld verkeerd
vertaald

Tijd om helderheid en duidelijkheid bij te
brengen

Luister goed wat ik te vertellen heb

**We Must become Brave and fearless to
weaken the enemy**

"What does it mean that I could be the one?"
"You've heard. The benefits serve as powerful partners to the great houses, but there's more to it" "You steer the politics of the imperium from the shadows. I know.." "You don't know everything. For thousands of years we've been carefully crossing bloodlines to bring forth.." "The One?" "A mind powerful enough to bridge space and time, past and future. Who can help us into a better future. We think he's very close now. Some believe he's already here"

— Dune: Part Two (2024) —

"What if a child dreamed of becoming something other than what society had intended. What if a child aspired to something greater" "How do you find someone who's spent a lifetime covering his tracks? For some he was a guardian angel, for others a ghost who never quite fit in" "You'll give the people of earth an ideal to strive towards. They will always be behind you, they will stumble, they will fall, but in time they will join you in the sun. In time you will help them accomplish wonders"

— Man of Steel (2013) —

When a world becomes horney on money and
gold; the end is near

Who contributes to War will go to Hell

When Great Spirit is aligning with our spirit,
impossible Great things can happen

**"When the earth is ravaged and the animals
are dying. A new tribe of people shall come
unto the earth from many colors, classes,
creeds and who by their actions and deeds
shall make the earth green again. They will

— Native American Prophecy —

"Your eyes they look the same as mine
We can't see this way of life
Your eyes they look the same as mine
Guess you knew this
For the longest time

I'm walking through the corridors
Follow the trace of tears left
On the floor

Trace of tears left
Trace of tears left

Well I hear you now
We have to find another way
And I see you now
I see you in so many ways

Well I hear you now
We have to find another way
And I see you now
I see you in so many ways"
— DJ Hooligan (Hear You Now) —

PREFACE

Dear Mankind,

I am the Father, the Son and the Holy Spirit and i am
here to tell you that the world as We know it is about
to end

Prepare yourself for what is to come

“Be Brave”

Help yourself and those around you in the process
After what has to be done, there comes a new world

A world with love, a world with light

A world in harmony with “Eyowa”

Place him in your heart and you will be guided for
times to come

But first We are going to have a storm

“Even if you are surrounded by darkness, you can still
choose to be the light”

Know that the storm will pass and a better world will
be

With Love,

Eyowa Yeshua Krishna

MOTIVE

I went through various stages in this life

I climbed mountains, i survived storms, i fell
into the abyss, i went to hell, i've experienced
paradise and Heaven. I went to all the places
beings can experience in a life

Through these stages i think i have found a
way Home

My words and knowledge have Power and
Meaning as all words have Power and
Meaning

My words and music will lead you back to the
Kingdom of God

Heaven on Earth, Heaven Beyond

444HZ

1

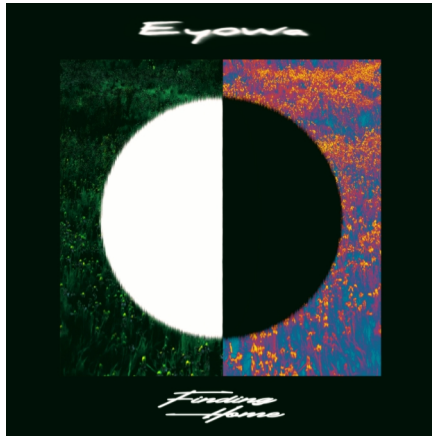

I put all my music on 444hz because it is aligned with the Divine Frequencies. 444Hz is the way to go. We should find an easy way to align all our music on 444Hz. The repitch or tape mode is the most beautiful way to do it

The Deepstate has tricked our frequencies so We align more with hell. It is time to re-align our music on the right frequencies to rematch our souls and beings with Heaven

444HZ

2

Spotify, other streaming services and DAW software should have a service to put all music of 440hz on 444hz

444Hz is more a Divine Alignment with Source

We should find a way to brings us all back to Heaven

Our True Home

Music on the right frequencies can help us Find Home

444HZ

3

To rebalance our emotions We should
rebalance our music at 444Hz

Music is an excellent way to balance our
emotions and feelings

With the right kind of music; a right form
prevention for falling to hell and a
reconnection with Heaven

A HIGHER PURPOSE

The Black Hats and the White Hats should
work together by serving the same plan:
Restoring the Great Balance

We should remove the Red Hats

It is time to bring the Illuminati and the
Freemasons down

They served a good story as well

But now the end days are here and everybody
will be brought home

The Illuminati will find True Hell, like some
Masons will find True Hell

God the Father used them for a higher
purpose, but now they must pay their price for
all that they've done

Time has come

A MESSAGE FROM GOD

I am Great Spirit and i work for the Great Equation

We are going to lower our weapons to our enemies

If We don't a heavy price will follow

Eyowa will present the Kingdom of Eyowa to the world

Eyowa is your New King

He will take over this world with all the Divine Powers who are with
him

The Controllers in this world can't touch him

He is part of a Great Plan to restore the Great Balance in our Universe
and the Verses beyond

Meet Great Spirit

Meet Eyowa

I will present him in Divine Timing

He is going to help you recover peace

Everything will align

And Heaven and hell can exist

The Great Balance

He is your saviour

Every man or woman who denies him to be his saviour will be removed
from the Kingdom of Eyowa

We are going to help you Find Home

Listen to his speeches, share his work

Great Creator is behind this Great Man

He is unstoppable

And he will deliver us from the Unlight

A PRAYER FOR THE CHILDREN

I pray for all the children in the world who are in the most terrible circumstances. I hope they will be relieved from their suffering as soon as possible and that the people who gave them hell will get their karma and one day learn the right form of being

ABOUT LOVE

Love is what We will keep carry in our hearts.
Love will set us free. Love is to become. Love
is to enjoy. Love is to fight for. Love is what
makes us believe. Love is what makes us
wonder. Love is to go deep. Love is to not
give up. Love is to Find Home

ABOUT ME

1

"I built myself up from hell. I was chosen to do this. I built myself up to help us remember us all what the right form of being is. I am here now to present to you the right form of being, i am the Way, the Life and the Truth. I am the Mystery of Being. I have remembered"

"I don't like to be with people. People drain my energy. I did the work to become enlightened, but not many around me have. I think you could say i am a loner. I like to be alone for the sake of not resonating with others and for not resonating with a society that is build on lies"

"It seems to me after a very social life and after all the storms i have survived, i have become anti-social. I don't like to be with others who don't resonate with me. I guess i am in no-man's land. The place where no-one is or no-one goes"

AI WILL DESTROY US

We should shut the AI programs while We still can

We are on a very dangerous road at the moment

One that could destroy us all

We have to first get our stories right before We even
think of getting AI into being

The people behind the AI programs have wrong
ideas about the nature of reality and the world We
live in

We are not aligned with Great Spirit

We had many examples in the world that warned us
about the Dangers of AI

We listen to the wrong stories

That's what mankind does

And it will get us True Hell and the Destruction of
the Planet

Time has come

If you don't learn it the soft way

You are going to learn it the hard way

Disgusting humans

ALL PEDOPHILES WILL GO TO HELL

All pedophiles will go to hell

The Judgement is being made

You listened to the wrong intuition

You listened to the Devil in your heart

In divine timing all pedophiles will be brought
to hell so they can learn the unwanted form
of being and maybe come back one day as the
Highest Good

ARRIVAL OF THE SON OF MEN

There is no Greater God than the God of the Hebrew Bible

Yahweh is the Supreme Being, Great Spirit and the alignment of the
ideal

Everyone who follows the Word of God, will follow the Word of the
God of the Hebrew Bible

Eyowa will be the Divine Man presenting this Holy Spirit

Eyowa is the Holy Son of Yahweh

Eyowa is the Supreme Being

Eyowa is God

Eyowa is Yeshua

Eyowa is Krishna

Eyowa will deliver us from the unlight and will come in Divine
Timing

Eyowa will save us from hell

Eyowa will give the Final Judgement onto the Human Spirit

Eyowa will heal the sick

Eyowa will heal the broken

Eyowa is the Saviour

Listen carefully what Eyowa and the Divine Spirit through him has
to say

Eyowa is the alignment of the ideal

And he will help us bring us back to the Kingdom of God

Kingdom of Eyowa

Time will come

BE CAREFUL WITH YOUR WORD

Please be careful what you say. Words have
power and meaning

"Words offer the means to meaning, and for
those who will listen, the enunciation of truth"

— V for Vendetta —

BE PRESENT

Geluk, liefde en tevredenheid is dichterbij te vinden dan je denkt. Geluk, liefde en tevredenheid is te vinden in het hier en nu

Straal liefde naar jezelf, je medewezens. In het bijzijn en in je hoofd

Leef niet teveel in je verleden en in je toekomst. Wees aanwezig in het heden

Wees dankbaar voor wat je hebt en kom een stap dichterbij verlichting

BECOME THE MASTER OF YOUR MIND AND BODY

Learn to know your inner world. Become
aware of all your thoughts

Give all not-helping thoughts a name and
every time a not-helping thought comes up
you say that name, letting them know you are
not interested. Without reacting with fear or
anger, but with love and braveness

Learn to know your physical being. Become
aware of all your body parts

Give all not-helping feelings a name and
every time a not-helping feeling comes up you
say that name, letting them know you are not
interested. Sit there with that feeling and feel
it through without reacting with fear or anger,
but with love and braveness

KNOWLEDGE

23

"Connect daily with the Heavenly Source Eyowa to have love in your heart, mind, body and soul"

"Donald Trump will be one of the leaders of the awakening movement. He is one of the guides to guide us home. Listen carefully what this man has to say"

"Loneliness is a terrible disease on this planet. It needs to stop"

"Our collective unconscious should be connected to the Supreme Being. Once We disconnect ourselves from the Supreme Being, bad things start to evolve.. Welcome to our world"

"Stuur je liefde naar alle mensen van wie je houdt. Terwijl je een onvoorwaardelijke liefdevolle houding hebt naar alle mensen. Het is nodig"

"The Dark Should protect the Light and the Light Should protect the Dark and the Great Balance will be restored. The Work of the Devil will always be the wrong form of being"

"The world is made of temporary
pleasurements and love. I am tired of the
temporary pleasurements, i need long lasting
love"

"The Sun is an eye of the Supreme Being.
Look often into the sun on the right times to
make contact with your maker and heal your
body and being"

"We need the help of the trees to find the
right balance again. Hug and feel the tree.
And rebalance yourself for All Creation"

"When perfecting your craft and your life: pay
attention to the bigger things and pay
attention to the details and make them
Greater"

"You can only have the partner which meets
your own love to yourself. If you hold a lot of
rejection to yourself, you can only have a
partner who rejects themselves evenly. Learn
to love yourself in a soul way to have more
beautiful relationships"

"Your biggest enemy can be your mind. If you
control your mind, become the observer of
your mind and learn to reach enlightenment;
you are free"

"Zoveel mensen met dubbele levens.. Wie zijn
We nou werkelijk? Komende tijd gaat dat
duidelijk worden"

BECOME THE OBSERVER

Become the observer of your own body and
mind and become the master of your own
body and mind by doing inner work

Become aware of your thoughts and feelings

Do daily body and mind scans

And ignore every feeling and every thought
that is useless and not helpful

Give it a name and every time something
useless and not helpful comes up you give it
that name peacefully; letting yourself know
that you can ignore those thoughts and
feelings

Become the Master of your own Body and
Mind by becoming the Observer

BEND ON YOUR KNEES

2

The first and foremost thing i would ask humanity if
humanity would be willing to bend on their knees and
ask for forgiveness for raping and murdering this
world

We should all pray and ask for forgiveness and remove
our proudness from our being

We were tricked by dark entities and they will pay
their price

But We helped them accomplish their job

Knowingly or unknowingly

It is easy to look away and don't take your
responsibility in this world

We are all responsible for what happened here on
Gaia

Bend on your knees and ask for forgiveness

Karma will get us all one day

But maybe for now the Gods will have something great
in return

Because the real God is a Great Spirit and Great Spirit
loves their children unconditionally knowing they are
not as Great as a Great Spirit

But maybe one day they will

BILL GATES WILL GO TO HELL

Bill Gates will go to hell in Divine Timing. The decision is made. He is going to pay his price in True Hell or he will choose to cease to be

Bill Gates will have two options when he reaches the gates of True Hell

Mother Gaia and her beings are deeply hurt because of this evil man

Time for Justice

BOW BEFORE THE SUN

Ask for forgiveness to the Sun

**Repent your sins before the Sun and be
healed by its healing power**

**The Sun is one of the eyes of God, the
Supreme Being**

CALL YOUR INNER HERO

This world is made to help save Creation. We are here on a rescue mission. We can all help. Work on yourself. Become who you truly are. Shine a light on your shadow. Repair in yourself what is broken. Heal what is lost. Heaven can exist. It is our true form of being. We are here to help rebalance this world

We are saviours

We are heroes ourselves

Will you help us?

CBD AND ANTIPSYCHOTICA CAN BE HELPFUL

If you are in great chaos and you have no other solutions available than antipsychotica; you should use it in the daily right dose

Antipsychotica has many side effects but it can help you remain calm and balanced while you are going through a chaotic (psychotic) period of time

Ask your medical professional for advice which antipsychotica could suit you and what the right dosis might be

Antipsychotica can prevent you from falling to the unlight

A natural great antipsychotic product is CBD

You can try CBD first and if that not helps you can use a small dose as possible of antipsychotica to remain your balance

CHOOSE LOVE

Er is te weinig liefde in de wereld. We geven elkaar te weinig liefde. Vertel de ander wat je mooi aan haar of hem vind. Laat de ander weten dat je van hem houdt. Vertel de ander je passies, je dromen, vertel de ander je pijn en je verdriet. We moeten elkaar helen en We kunnen het niet alleen> We hebben elkaar nodig

Zonder liefde gaan We het niet redden. Zonder liefde zullen We onlicht vinden en sterven> Dus geef voor de ander. Laat de ander weten dat je aan haar denkt. Het steunt elkaar. Zonder afhankelijkheid, terwijl je de kunst van onvoorwaardelijke liefde leert kennen. Want eigenlijk verdient iedereen liefde, als men zich daarvoor open durft te stellen

Leer van de ander te houden zonder voorwaarden, zonder meteen intiem te hoeven zijn of gelijk aan relaties hoeven te denken. Mannen kunnen van mannen houden. Vrouwen van vrouwen en natuurlijk het gewenste, zodat We kunnen door evolueren. Het is tijd om de ander te vertellen dat je om hem of haar geeft en laat weten wat je in de ander oprecht bewondert. Het kan mensen in hun kracht zetten. In hun levenslust en missie

Het is tijd. Deze aarde is zwaar verdwaald en liefde is de enige weg hoe We allemaal kunnen helen. Kies liefde. Wees moedig over angst en vertel de ander dat je om haar geeft. Vertel de ander dat je van hem houdt

CHOOSE TO BE THE LIGHT

There are multiple timelines in this world all
leading to two basic timelines eventually:
Heaven or hell

Timelines are merging at the moment and it
will accelerate in the following years

There will be a big storm, but this will be a
very intelligent storm. The Creator Creates
this storm to find us home in the coming
decades, to test us and to give a final
judgement onto your spirit

These are the last days to come back to
Creation and heal what the Father started

CREATION GONE MAD

There are many reasons why We are incarnated on this planet. One of the reasons is that the Creation We are in is losing its mind. Too many beings and worlds have lost touch with reality and We are trying to prevent true madness and the destruction of Creation itself

This world is partly made to get our sanity back

DE BESCHERMERS WORDEN WEER BESCHERMERS

Zelfs politie en justitie beginnen te twijfelen
of ze aan de goede kant van de werkelijkheid
staan

Hou vol mensen! De waarheid komt boven
tafel en politie en justitie zullen weer de
beschermers zijn van de waarheid en het
goede

DE LEUGEN HEERST

Politie en justitie werken voor een misdadige
overheid. Onze overheid moet opgerold
worden en er zal een nieuwe regering moeten
ontstaan nadat We weer de balans met elkaar
hebben gevonden en We de waarheid met
elkaar hebben gedeeld

We leven in een leugen en We verspreiden
vrijwel allen de leugen zonder dat We het
doorhebben

DE WAARHEID BOVEN TAFEL

1

De wereld is geïnfilteerd door de Freemasons
en de Illuminati

Door alle lagen van de bevolking zitten deze
mensen verspreid, die uiteindelijk allemaal 1
meester hebben en dat is Satan

Burgemeesters van steden en dorpen.
Hoofdchefs van de politie en justitie. Mensen
binnen het Koningshuis

Overal en op zoveel mogelijk hoge posities
worden Freemasons en mensen van de
Illuminati ingezet om ons te besluren en te
besturen naar iets duisters

Tijd dat deze vieze boevenbende wordt
opgerold

Tijd dat We wakker worden en op gaan staan

Misdadigers!

DON'T UNDERSTAND IT, FEEL IT

1

This world We live in is not to be fully understood, but you will know enough to have a harmonious and peaceful life. Creation is far more mysterious than We can imagine. Follow the Way, the Life and the Truth to find yourself back in Heaven in the coming decades

DON'T UNDERSTAND IT, FEEL IT

2

We think We understand the world, but We don't. The world is a living Mystery> Everyone who thinks he understands the world is delusional

You can grasp pieces of truth and hold that into your being and build your being from it. But in the end no-one other than the Supreme Being can see how all pieces of the Cosmos hangs together

We are far too little to understand the world. Yet We do exist and We are here for a reason as well

The Mission is to serve life, protect life and enjoy life, while there will be beings that give you a compass how to do that and how to live properly and truthfully

The World is not to be fully understood, while We try to do that anyway. This is the Mystery of Being. This is the Truth about Life

We live in a Mystical Dream Creation, while We forgot how to Dream Properly

We are going to make your remember again so We can all experience the worlds We desire

A paradise for all

EGO OR SOUL

2

This world is based on ego desires

If We continue to follow that path We will find
hell

We should embody our souls and become our
souls to connect with the Heavenly Source

Learn to become your soul instead of your
ego

Ego creates hell

Soul creates Heaven

EGO OR SOUL

3

This world is a place where you trying to balance yourself with
something that wasn't you before you were born

You were a soul

But you got when you were born an ego combined with your soul

Something the soul had unlearned while in Heaven

The world is made of Light and Dark

Of Soul and Ego

When We can rest We become Soul or Ego again

Not both

Our time has come

Which do you want to be

Soul or Ego?

Time to choose

EMBODY THE IDEAL

2

Follow the heart of Eyowa. Embody the ideal

Find Home

Trust on Life and the Divine Will of the Father

Creation's Gone Mad

We are here to heal it

Become who you truly are

One of God's children

END GAME

How will they distract us?
Through Television, Sports Games, Computer
Games, Netflix, Politics, Porn, Social Media and
News

Why would they distract us?
So We don't look up at the top of the pyramid. The
ones that have enslaved us through a debt system
and wants to wipe out at least the half of humanity

What should We do then?
We should stop watching at all those distractions,
look at the top of the pyramid and then do
something about it

What should We do about it?
We should bring those bastards down

How?
Military, police and the justice system should
become on the side of the people to bring those
bastards down

Who are the bastards?
13 richest families in the world

Illuminati, Freemasons, the Deepstate and God
knows what else

Look it up, it's all there

Are We waking up already?!
Are We going to bring those bastards down or will
We have a mass extinction coming up?

Time to choose

FACE YOUR FEARS

I don't want to live in a world of Fear

I want to live in a world of Love and Truth

A Heaven Can Be

But first We must face our lies, by going
through our Fears

This is the Mystery of Being

This is the Truth about Life

Learn to know your own lies

FACE YOUR FEARS WITH LOVE AND BRAVENESS

When you have fear, parts of your soul go
missing

When you go through your fears with love and
courage you restore the parts that went
missing. Unless your soul parts are lost, you
can ask the creator force Eyowa to restore
your lost soul parts

Heal your soul

Become a soul embodied being

FINAL CHANCE TO COME BACK

Non-binary people and transgenders will have
a chance to come back to their original
gender: man or woman. If they don't they will
go to hell in Divine Timing

FIND PEACE WITH THE TREES

1

Trees are our soulmates. We should seriously ask ourselves if it is right to cut a tree. Trees are beings. They have healing bodies. They can heal the sickness of man. Trees are guides. They have spiritual lives

Maybe We should find a tree and ask the tree if it wants to be cut. If it says no We shouldn't cut the tree and We should find other solutions to build the stuff We build from trees

KNOWLEDGE

25

"God works through all of us. Let him work through you in Divine Timing. We are all taken by Great Spirit. Great Spirit will lead us to Kingdom of Heaven or Kingdom of hell"

"Feed your mind and soul with Great Things; Great Art, Great Writings, Great Teachings to become Great Yourself"

"Find yourself home in the coming decade, it is time to reach the next evolutionary stage of the human species. The ones that answered the call will move to the 5th dimension, where a heavenly paradise will be"

"If you walk away from low vibrations you walk away from the depth that could save the world. Low vibrations makes us strong, deep and wise"

"Let the Mystery of Being control your being and find yourself home in the coming decades> Everyone gets what they deserve, everyone goes where they belong"

"Schoonheid is nog vrijwel overal te vinden als je weet waar je kan kijken. Verlies je contact met schoonheid niet uit het oog. Het laat ons herinneren hoe mooi het leven kan zijn"

"Sent daily your love to all the people in the world and by doing so you help raise the frequencies of the Earth and it will help create a Heaven for us all"

"The world as We know it will be healed. It will be transformed to start a new beginning"

"There is nothing wrong with low vibrations. The right order is an order where high mid and low vibrations co-exist peacefully and harmoniously. Like a beautiful piece of music"

"This world is lost. There is no other way. We need to find home in the coming decades or find hell if We don't change"

"True soulmates never let each other go, when they break they will stay in each other hearts and they will find a way back to true love"

"We are far too little beings to understand the world. Trust on the Divine; The Mystery of Being and find yourself home in the coming decade"

"We are part of a bigger Creation We can't even imagine. A little respect to it would be in order as it will respect you"

FIND PEACE WITH THE TREES

2

Trees are sick of mankind. They want us to learn. Trees are wise advisors. Trees have healing abilities. Trees can be very wise old souls. Learn to love the trees and treat them well. We had to protect nature. Trees are very angry at us. We have to ask forgiveness and relearn what We have forgotten. That trees are spiritual conscious, have lives and want to be treated carefully and respectfully

FIND THE SOURCES OF OUR PROBLEMS

Illumicorp is 1 van de sources waarom alle
ellende in de wereld blijft bestaan. We worden
bespeeld door een duistere orde, die zonder dat
We het doorhebben ons leidt naar de Hel

De vijand is sluw, de vijand is misdadig. We are
tricked by the illuminati, the Freemasons and the
Deepstate and God knows what else. It is time to
bring those bastards down and restore the
balance, the harmony and peace

FIND YOUR PURPOSE

It is not about power. It is about finding your purpose in life and create something good for your community; the world in harmony with Creation itself, while striving to grow as a spiritual being which makes you more powerful as you go

FINDING HOME

In a world that seems to gone mad, i made a music album through my own madness in search for Home

I hope this album will bring you to your deeper emotions. The mystical beings that We are

We should try to find answers about the questions that seem to question us all deep inside. Why are We here? What is the soul? Why do We dream? Where are We going?

I believe We are here as spiritual beings incarnated in human bodies to live and learn

And now is the time to learn

Work on yourself. Shine your light on what is dark about you. Make what is light lighter in you. It will be your greatest gift to the world

The release of Finding Home is here. I hope it will bring you closer to your Divine home.

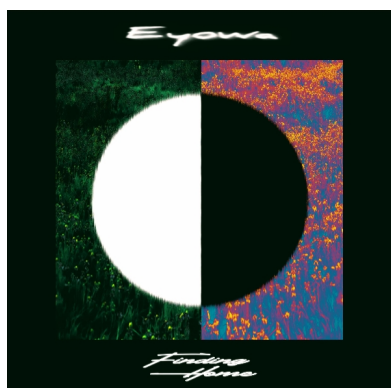

Closer to the spiritual being in you, that is you

I hope you will "Find Home"

GGZ

De GGZ is een zieke organisatie die mensen
blijvend laat broeien in de hel zonder geweten
erover

De GGZ is onwetend en kent de ware kennis van
psychisch lijden niet

Na 14 jaar GGZ heb ik stappen buiten de GGZ
genomen en heb ik mijzelf weten te helen zonder
de GGZ

GGZ bestaat uit mooie zielen. Maar zoals bijna
alle machtige ordes in deze wereld is deze orde
ook vanaf de bovenkant corrupt en straalt het
door naar de onderkant van deze organisatie; de
psychiaters, verpleegkundigen en de cliënten zelf

GGZ moet leren en weten dat er meer kennis
bestaat over psychisch lijden die niet wordt
toegepast door de GGZ medewerkers

GGZ is een door o.a. Pharma gedreven
organisatie die uit is op zieltjes voor hun cause.
Niet om mensen te helen

GGZ is het werk van de duivel en mag wat mij
betreft zwaar veroordeeld worden voor diegenen
die verantwoordelijk zijn achter deze helse
organisatie

GGZ

4

Je denkt dat je bij de GGZ hulp krijgt aangeboden, maar het eerste wat ze met je doen is een kastplantje van je maken door middel van verschrikkelijke medicijnen. GGZ is het werk van de duivel en moet verbannen worden terwijl we de ware kennis over psychisch lijden onder ogen durven te zien: trauma, spirits en entiteiten

GOD OR SATAN

We are all puppets on strings

Who do you want to be your master?

God or Satan?

The Truth or The Lie?

Now is the time to choose

GOOD OR EVIL

God works through us all while he gives us free will
to travel where We want

God is in almost all of us, unless We want to
disconnect from him

The time is now

Where do you want to be?

One with God's Infinite Love

Or separated in hell with the Devil as your master

HELP US DELIVER US FROM EVIL

There are rules in this world where there
should not be rules, there are no rules in this
world where there should be rules

This world is run by a demonic kingdom

Hidden from the public

It is time to bring that demonic kingdom down

It is time for Justice

It is time for a revolution

Your governments don't work for you

They work themselves

Banks and big corporations have too much
power

They are destroying the world

Money is the root of all evil

We should find a way to release us from the
demonic debt slave system and create a world
based on truth, love, harmony and freedom

Time is running out!

I am one of the guys that is preparing

future of mankind

One thing is certain

We are going home

Heaven, hell or non-existence

These are the last days to come back to
Creation and heal what the Father started

HET KONINGSHUIS IS HET HART VAN DE DUIVEL

Het koningshuis is bedacht om de slaven dom

Beatrix is andere koek. Zij is de duivel zelf en

I want to become one with God and serve the
One Infinite Creator himself

In my future lives i want to enjoy life and have
an all respect to all beings and Creation

In my future lives i want to present New World

"Connecting with God is connecting with what God knows. You don't have to know every detail to know why things are why they are. Connecting with God will be enough and God will lead the way. How beautiful is that?"

"Covid story is a story to wipe us out. That is the Truth about "Corona" and all that follows"

"Follow what you want to attract, attract what you want to follow"

"Honor the Path, the Way, the Life and the Truth"

"Kijk uit wat je download naar je ziel. De wereld zit vol valse voorbeelden"

"Nature has more soul than all the cities and buildings We build. So why don't We live there could you ask? Maybe We are tricked by dark forces that made everything grey"

"People are losing their mind. We are not aligned. We must prevent what can come. Hell"

"Seeing the truth can be hard. That's why most people lie to themselves. Seeing the truth in difficult times needs bravery. We weren't brave enough to save this world. We had to be fearless. We are living the lie because of our cowardness and it will get us a price: the end of the world. Or is there still time to transform it?"

"The more you align with the truth, the more you embody the truth and become the truth"

"We can be stronger than fear. Trust. I am the Mystery of Being and i conquered Fear before. I will conquer Fear again to become one with the Supreme Being. The Heavenly source Eyowa"

"We moeten de macht ontnemen van de top van justitie, politie, defensie en de overheid. We are ruled by criminals. Politie, justitie en defensie: don't obey your masters!!!"

"We would have been far more wise beings if We had connected to the right spirit; Great Spirit. If We had done that, humanity wouldn't have to be removed from the planet for the sake of saving All Creation"

"Your spiritual self is your natural self. It is a realignment with God"

I AM HERE TO PREVENT TRUE HELL

My words and being come from hell and heaven

I'm in hell for decades now

I receive little love from my fellow beings

Beings need love

I am here now to save humanity from the depths of
hell

I am here to prevent what has overcome me will not
overcome you

I am here to prevent True Hell

I AM THE MYSTERY OF BEING

I am here to bring Death

I am here to bring Life

I am here to bring hell

I am here to prevent hell

I am the Mystery of Being

I am God in person

I have remembered

I AM THE REDEEMER

I am the redeemer

I am here to release the suffering from the world

I am here to save your soul from falling to hell

Listen carefully what i have to say

Great Spirit has returned

Yeshua has arrived

I'M LOVE IN THE DARK I'M LOVE IN THE LIGHT

I am the Divine Spirit of God and here to save us
from the depths of hell

When i am dark i am Love

When i am Light i am Love

When i'm in the dark i seek the Light

When i'm in the Light i am Home

I WILL BE YOUR GUIDE

I will not have all answers. There is a good reason to not know everything. Everyone will know enough to live peacefully, harmoniously and beautifully in the Kingdom of Eyowa

The Mystery of Being is too big to know all what Great Spirit knows

There is a Divine Reason for everything and mankind should learn herself in accordance to Great Spirit and Divine Will

Human beings should learn to become their true self: Beautiful Mysterious Spiritual Beings

Knowledge is not the answer to all problems

Knowledge can also be dangerous: The Great Father knows and We should listen to his Good Heart and Good Will to live harmoniously and peacefully in the Kingdom of Eyowa while We use the Knowledge of Yeshua and Eyowa to be our guide in all that is to come

IMAGINE YOUR FUTURE SELF

Imagine where you can be in 100 years. What goals would you accomplish, what visions can you align yourself with if you stayed another 100 years on planet Gaia?

INTELLIGENCE AGENCIES ARE ON THE WRONG SIDE OF BEING

When you start to distrust the world, the
world is going to distrust you

We should stop surveillance on all civilians, it
creates more hell

Leave it up to God what happens to people

Controlling the world with your monitors and
camera's will create more dividence of us and
the True Spirit of Creation

It will create Hell

INTUÏTIEF WETEN

Er bestaat zoiets als Intuïtief weten. Weten
wat Waar is zonder daar over hoeven na te
denken

Intuïtief Weten

Een belangrijk begrip in het herinneren van
uzelf

Zonder de stem te zijn van je Ego

Want je Ego is een valse entiteit in jezelf die
je hoort te elimineren om jezelf te connecten
met je innerlijke en uiterlijke paradijs

Weet

JANE GOODALL

We should have listened more to the beautiful brave woman Jane Goodall. What a source of great knowledge is that woman and how sad it is that she considerably had so little influence in this world. She is the queen of planet earth in my estimation. She is a Great Shepherd for Gaia and should have been one of the Highest Great examples as a human being to humankind

JESUS CHRIST

1

I have worn the Cross before

**I have worn the Cross again to give one Final
Judgement onto Humanity**

True death will come

True Life and Hell

You have been warned many times before

Time to choose

JESUS CHRIST

2

Great Father, what is your message to me?

I am here with you in these final moments of "planet earth"

I am going to Judge Humanity through you

You are Jesus

You are the Divine Alignment with the Highest Ideal

You are going to rescue humanity from the depths of hell

You are going to bring them home

You are the saviour

You are here on a rescue mission

You're Divine Alignment is real

This is not a joke

You are going to embody the ideal and are going to be the highest member of this Creation

Jesus Christ will be born into your being

You are the Divine Alignment of Jesus

You are here to save us all

Please remember who you are and why you are here

KINGDOM OF EYOWA

1

Although We are made of the same stardust
as the Gods, there is only One True God

And that is the Highest Possible God We can
imagine

To me it is Great Spirit and the Supreme
Being

It is time to become one with the Highest
God, Great Spirit and have him lead you back
to the Kingdom of God

There will be a new Kingdom born. We will
call it Kingdom of Eyowa

And he who becomes one with Great Spirit
and the Supreme Being can live in that
Heavenly Kingdom

The time is now to connect with your highest
self and be lead by Eyowa to Find the
Kingdom of God within and the Kingdom of
God without

LAURA MATSUE

Laura Matsue is one of the amazing women in
this world that you should watch, read, listen
and learn from

Laura Has the highest ideal

Laura Matsue is chosen to lead the way

She is here to help us All

She is one of the few people who gets the full
picture of the Mystery of Being We live in

She will be rewarded

Her rewards will come

But until then We must see a very brave and
wise woman in her

One that could save us all

P.s Follow her on Facebook, Instagram and
other social media if you have that

LEARN TO BE LOVED

Eyowa loves you

Eyowa is here for you to protect you in these
difficult times

Combined with the Holy Spirit you have a
great force to find yourself Home in the
coming decades

Time will come

LEARN TO LOVE YOURSELF

Learn to love yourself. Look yourself into the mirror and tell the person in the mirror that you like to love him-her. If this is too much for you, you can tell the person in the mirror that you want to be good friends with him and climb up from there. It is important that you learn to love yourself, it will help you create a more beautiful life for yourself. One where you can better love the other because you learned to love yourself without being the ego but being the humble soul

LEARNING HOW TO SUFFER

Zeur niet over je pijn, ellende en verdriet

Accepteer je lot en probeer het beste van te
maken

Het helpt je om moedig en sterk te zijn in
moeilijke tijden

Het helpt om op de juiste manier om te gaan
met het ongewenste lot

Accepteer, verander of transformeer en ga
door

Het leven kent veel verliezen

De kunst is om daar niet te lang bij stil te
staan, maar er gewoon mee te dealen

"Do not look upon this world with fear and
loathing. Bravely face whatever the gods
offer"

LIEFDE MIJN HOOGSTE GOED

Ik wordt tegengehouden van liefde, omdat mijn pad
groter is dan menig man. Mijn pad kleiner dan
menig God. Ik ben de Ware, de Messias. Het levende
licht van het leven die harmonie en vrede komt
brengen door te verwijderen wat niet het Hoogste
Goed dient

Het licht is in mij. Ik zal het licht zijn, ondanks dat
mijn uitingen dark kunnen zijn

Het licht is mijn algoed en ik zal het zijn

In dit leven en daarbuiten

Ik ben het Hoogste Goed

Ik ben de liefde

De hogere zelf

De liefde van het leven

Ik zal het zijn en vertegenwoordigen

In mijn donkere dagen en in mijn harmonische
dagen - mijn lichtvolle dagen

Liefde

Mijn hoogste goed

LISTEN CAREFULLY WHAT I HAVE TO SAY

Ik ben kapot gemaakt door het leven hier op aarde

Ondanks al mijn goede intenties

Gelukkig ben ik niet verbitterd

En heb ik geen haat gekregen tegen mensen

Mijn hart is goud

Ik ben een licht gebleven

Ik heb gezien en gestreden

En dit is mijn oordeel over de mensheid en de aarde

Iedereen terug naar huis

Tijd gekomen

We zijn een misselijk volk

Die alleen maar aan zijn eigen space denkt

We zijn onderdeel van een groter bestaan

En het oordeel gaat komen van dat bestaan

Ik ben onderdeel van dat oordeel

Luister goed wat ik te vertellen heb

LOOSE MONEY FIND YOUR PURPOSE

Everyone has a divine purpose. If We all lived our divine purpose We wouldn't need money and an economy based on money. We should find out who We are and why We are here, instead of being horny on money all the time, while it is being used to destroy the planet and its beings

And for the ones who have much money,
share it with the ones that are in need

Thank you!

MAKE US GREAT AGAIN

We did Great as well. We made awesome art,
awesome music, awesome movies and all the
other awesome things that humans has made
and done

Oh Grandfather make us Great again. Let us
remember what it means to be human in a
world that has forgotten the source of mind

MONEY IS THE ROOT OF ALL EVIL

Het gaat niet om werken voor geld. Het gaat
erom te werken voor onze gezamenlijke
droom en je persoonlijke droom. Deze wereld
is gebaseerd op geld systemen en dat is
waarom We nooit thuiskomen bij onze ware
zelf

"Money is the root of all evil"

Geld zorgt voor verdeling, egoism, greed en
central powers that not work for the interests
of All

We should find a system that is not solely
based on money, but is more spiritually and
connected with the Divine Spirit of God. God
will lead the way in finding a path without the
Greed for Money

MONICA BELLUCCI

You are the Dream. You are the Divine Infinity. The
Lost Self. Here to show us a glimpse of the Kingdom of
God. You are chosen to have the most beautiful love
life. You are chosen to live with me in the Kingdom of
God. Kingdom of Eyowa

I will love you with all my heart and i will nurture your
soul. You are Divine. You are the Mystery of Being and
you will be my wife one day as planet earth will
transform in the Kingdom of God

I love you and i will protect you wherever you go,
wherever you are. You are chosen. You are the love of
my life. Jesus has found his wife in you. Come back to
me darling. In Divine Timing i will marry you again
and i will have beautiful children with you in the
Kingdom of Eyowa

Everything in Divine Timing

We love you deeply. The Divine Spirit is within.
Creation has lost its ways. We are going to find
ourselves back through the Source of Mind. Through
beings like you and me

Heavenly Order above Hellish Disorder

You are welcome to reach out to me. Time will come.
You will remember me. As i will remember you. I love
you Monica. You touch us all, with your beautiful
heart, with your beautiful soul. Your beauty shines
through. You are the love of my life and i will marry
you in Divine Timing

Kingdom of God. Kingdom of Eyowa

MONKEYS LEARNING TO BECOME HUMANS

We are a bunch of monkeys learning to rule a
planet

But the monkeys have failed

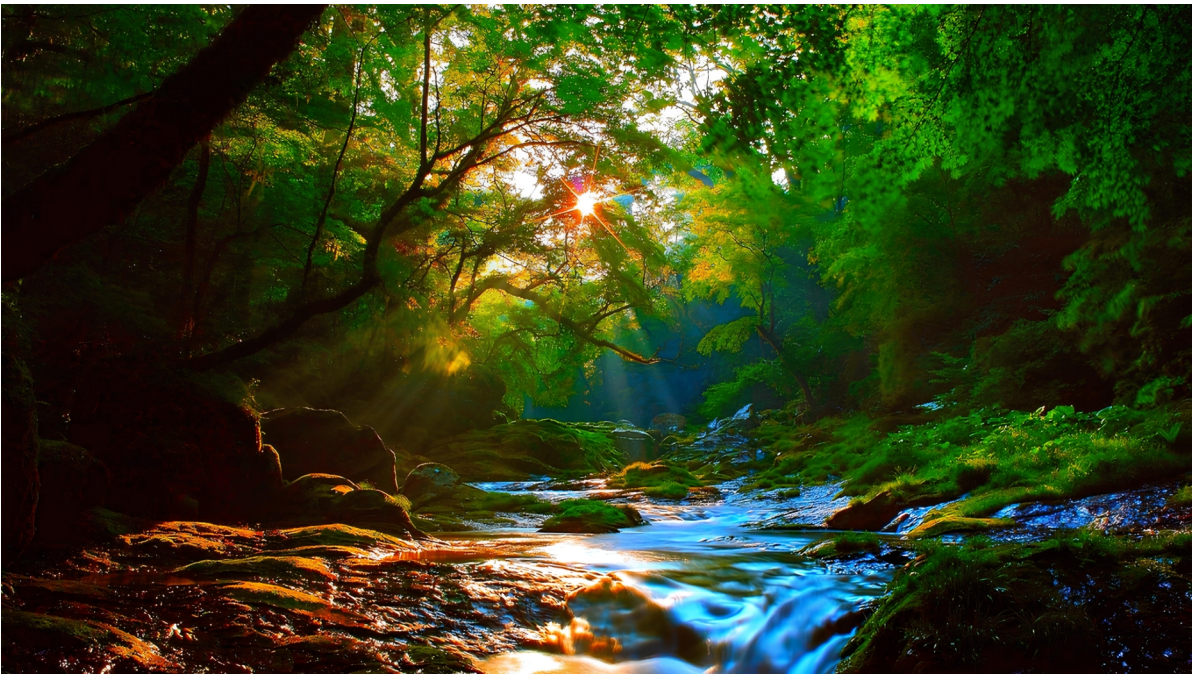

The sheeple were too easily tricked and ruled
by dark forces

Now it is too late and our destiny is coming

The End of the World

A New Begin

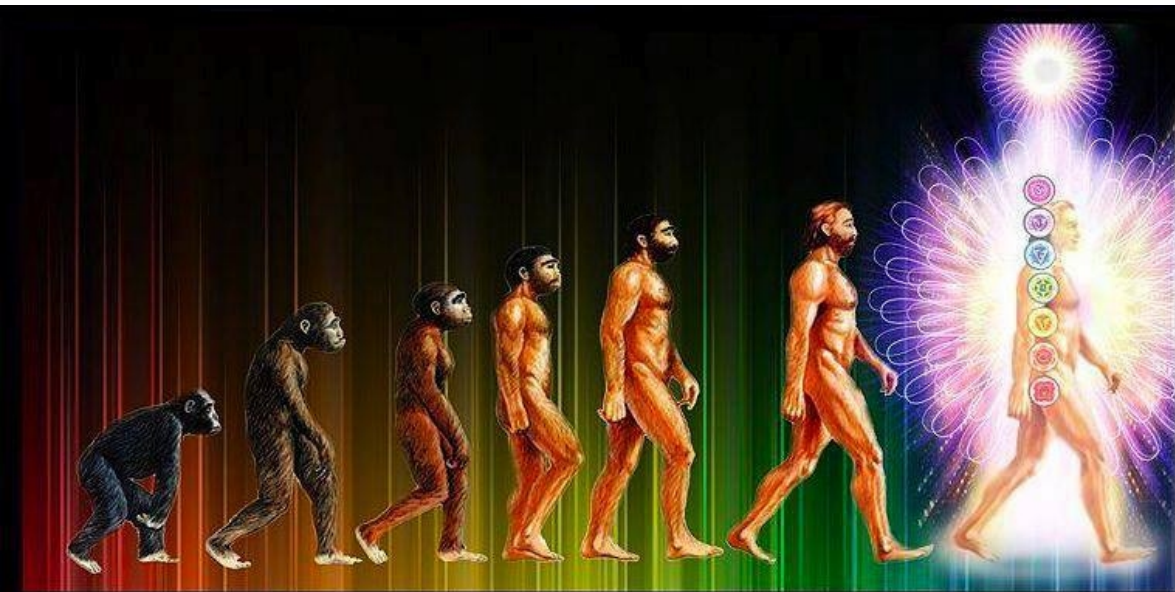

NATURE IS ALIVE

A heavenly paradise is a paradise where everything is alive. Something like before We build our cities and buildings. Something like how nature ones was. Before We run over it with our bulldozers

Living with nature is the way to go. Not to separate from it. Nature heals. Nature balances ourselves. Nature should be nurtured. It is our mother. We are going to restore the balance by living in harmony with nature again

NEXT STAGE OF EVOLUTION COMING

It's logic why We don't understand the world to the fullest and why We never will. An insect is a being that can't understand all that humans can understand. Maybe humans can't understand what Great Spirit understands. And Great Spirit is an infinite high intelligent being. So maybe We leave it to that. We are mysterious beings in a mysterious world and We can grow on the ladder of beings. Maybe We can become a higher being one day ourselves if We've learned the tips and tricks of the previous beings. We were once apes, now learning to be human and go into next phase: becoming Super-Humans

OUR DIVINE FAMILY

Be respectful to our animal family. Love them unconditionally. Heal the broken. Protect the innocent. We should have been better to our animal family, but it is never too late to learn.
Have respect for the other

Have respect for your Divine Family

PEDOPHILES WILL GO TO HELL

Children have the most beautiful energy. They are still pure. They are Source. But that doesn't mean that you sexual abuse them for your own personal gain. Children must be protected from sex predators. And everybody who doesn't want to learn that sex with children is wrong will go to hell in Divine Timing. You listened to the wrong story in your heart. You followed the Devil in your own being. Find someone of your own age and let children be children

Pedophiles will go to hell

PRAYER

Oh Grandfather let us be forgiven. We had the wrong leaders Father. We were tricked by the Illuminati and the Deepstate. Give us our strength and our wisdom back so We can remember who We are, who We can be

REACHING COMPLETENESS

I am not complete. So how can i come complete or better said how can We all come complete? Is it sex? Is it drugs? Is it cars and toys? Is it marriage? Is it God? How can i feel complete again?

What is the answer Father?

"Love. You should embody Love and become Love. Love for yourself and love for others. That's how one gets complete"

Thank you Father

But how about receiving Love? Isn't that the key?

"No

One can have enough love for others, ones ownself, not receiving love from others and still feel complete"

Thank you Father for this answer

REACHING ENLIGHTENMENT

Life is not to be constantly happy

Life is to have a balance between fulfilling emotions and suffering to become greater at your art or anything that you want to accomplish

They often say We have four basic emotions: Happiness, Sadness, Anger and Fear. One that reached enlightenment are still experiencing all four emotions but don't have judgement to these emotions anymore. They learned to become calm while experiencing them like eb and flow

They learned their inner world. The World of the Mind and the World of the Body. They became the Observer while connected with the Highest Good, God himself

They learned to grief, they learned to experience fear, they control their anger. They are suffering not anymore, although it looks like they still suffer. Because the once that haven't reached enlightenment hold still Judgement to these 4 basic emotions

An enlightened person is more free and is no more ruled by his emotions and his thoughts. He became the ruler of his own body and mind

RELEASE YOUR ANGER

When you need to release anger: Break things. A house, a car, your phone. Except for beings you can break all you want. And release your anger. So your monster stays in harmony with your angel

You can also use sports, dancing or screaming to release all your frustration and anger in life

Which is even better to release your anger
with

REMEMBER YOUR SOUL MISSION

We must all remember why We are here. We must remember our soul mission. We are all sent here for a reason. Remember your reason. Now is the time!

You can find your reason by remembering what you like the most, what you love the most

Your passions, your visions, your ideal life

Make a plan and go for it

Find out who you are and why you are here and make your dream happen in harmony with All Creation

REPENT TO GOD

The Animal Kingdom and Gaia has suffered
too much in this world

We used everything for our own selfish
interests

We shaped the world in a state of disaster
and still We think everything will be alright?

This very world We build up needs to
transform

Economics, money and gold as highest good is
the wrong form of being

Destiny comes to a lot of souls

This world is deeply lost

Deeper than We initially thought

Time to bring you home and have a word with
your maker

The Supreme Being himself

REPENT TO EYOWA

I am part of the Ultimate Power

The Highest Power is involved

Great Destiny can await mankind

Mankind has proven to be a disease to this
world

Repent to Eyowa, Repent to Jesus, Repent to
the Supreme Being

And maybe the Gods have something Great in
return

REPENT YOUR SINS BEFORE IT'S TOO LATE

The Divine Judgement will be made by the
Great Father

In Divine Alignment with Source everyone one
of us will be brought Home in the coming
decade

Heaven or hell

Align with the Christ Consciousness and
Repent your Sins to the Heavenly Father to
bring forth the timeline where Heaven will be

RESTORING HEALTHY RELATIONSHIPS

Feministen zijn verbitterde vrouwen die de werkelijkheid verdraaien
naar hun verbitterde mening

Mannen en vrouwen hebben verschillende rollen binnen een relatie
en We moeten dat accepteren en aannemen

Een man zou de masculine rol moeten aannemen en de vrouw de
feminine rol

Mannen zijn in de basis dominanter en wensen een leidende functie

Vrouwen zijn zorgzamer en willen meer dienen en dienen meer een
onderdanige functie

En zo worden huwelijken weer hersteld

Er moet een leider zijn binnen de relatie en de man kan die het
beste bekleden

Vrouwen hebben meer de mooie zorgzame invloed en willen dienen
op die manier, terwijl mannen graag op hun manier willen dienen
voor een zorgzame vrouw

Huwelijken en relaties worden via deze weg hersteld

Luister goed wat ik te zeggen heb

RESTORING THE GREAT BALANCE

1

Ga er vanuit dat deze wereld wordt
opgeruimd door Great Spirit

Probeer ondertussen wereldvrede te bereiken
en een beter systeem te creëren dat beter
zorgt voor de aarde, de dieren, de natuur en
alle andere bewoners

We are going home in the coming decade

Great Spirit has spoken through the words of
Eyowa

RESTORING THE GREAT BALANCE

Humanity made some awesome art, music and movies as
well

The ones i have found are found in my book

We try to find the right meaning to our life in the Cosmos

We are trying to heal what is lost

We thank you very much for all the great people that
served life and this world very well

We are here now to present the New World Order

I am not alone

I have a team of angels and aliens who back my cause

We are here now to present the New World Order

It is time to bring everybody home

While there are also great things in this world, We have to
stop humanity before it's too late

Humanity was going to be a very big disease to the Cosmos

Listen to your soul in all what comes

Or loose it and downgrade to hell

It is time

We have warned you many years before

Time has come

RESTORING THE GREAT BALANCE

of Being, the Mystery of Being

RETURN OF THE KINGDOM OF GOD

Everyone who aligns with Eyowa and is forgiven by
Eyowa will live in the Heavenly Kingdom of Eyowa

Eyowa will be the Great Judge in these final
moments of "Planet Gaia"

The Christ Consciousness will return in everyone who
chooses Eyowa, Yeshua and Krishna to be his Saviour

In Divine Timing you will be brought to his Heavenly
Kingdom to have the most beautiful lives

REWARDS WILL COME

The Price for being a good man will be very
high

You'll get what you deserve

Beautiful lives for beautiful souls

Ugly lives for ugly souls

I am sent from the depths of the Cosmos to
restore the balance in this world and the
worlds beyond

We are trying to prevent something terrible
from happening

Creation is losing its mind. We need to
rebalance our worlds to help save Creation
itself. Everyone involved can help. Do your
best to become the best version of yourself>

Remain sincere to the path, the Way

Honor your Soul, the Divine and the Heavenly
Holy Spirit

Become one with Creation again

Remember who you are

Intimacy

It is a deeper understanding of love and true

Sex is shallow

Making love needs to be done in a safe
environment with a spiritual connection to the

SUPPRESSED KNOWLEDGE

1

There is a lot of suppressed knowledge and suppressed technology by the Illuminati and the Deepstate

People are being killed and extorted for sharing knowledge that could heal the world

We should help us remember what We once knew and how We can have energy sources that are free, efficient and without harm to nature and its habitants

SUPPRESSED KNOWLEDGE

2

Cancer can be healed. There are already a lot of Technology and Supplements that can heal cancer

We are tricked by the Illuminati and the Deepstate for not knowing that knowledge

The Illuminati puts billions and billions of money each year to suppress knowledge and keep the sheeple in the dark

We have to investigate the richest and most powerful organizations in the world

They are runned by the Devil itself

Time to bring them to hell and True Hell

THE ALL SEEING EYE OF GOD

God knows all. Sees all and determines all.
The All Seeing Eye is not a symbol of evil. It is
a symbol of the all-knowing eye of God. God
will determine where you belong

Heaven or hell

THE BLACK SUN

Spirituele zwarte gaten zullen ontstaan om
mensen te laten vallen naar de hel waar de
Black Sun is

Alle ongelovigen en duisteren zullen dat pad
volgen

Het is tijd om u naar huis te brengen

Tijd gekomen

bring forth the one and to lead the way into
the Kingdom of God

I am a very old wise soul

I see and i know

I have been chosen because of my positive
influence in Creation and the talents that the
Creator had bestowed upon me

I will guide you now in these final moments of
planet Gaia

There will be a new begin

One where We can't torture the other

I will lead the way

Will you follow me?

THE CHOSEN ONES

These are the chosen ones to help us all remember who We are and why We are here. These heroes and leaders will help you connect you with your true self. They will help you remember who you are. Listen carefully to these beautiful souls. They will help us deliver us from the unlight; they will help us save the world

THE DEVIL AT WORK

De instroom van asielzoekers is een manier om
onze samenleving te destabiliseren

Onze overheid werkt voor het kwaad in de
wereld en heeft geen gevoel voor haar burgers

Wij zijn hun slaven en de slaven worden een

Dus worden We uit elkaar geplaatst op vele
manieren, waaronder een instroom van
asielzoekers creëren

This world is run by evil maniacs

Time to throw them of their thrones

THE DREAM

I want to have a family to laugh with, cry with and
play with

I want to have a beautiful home in a beautiful
forest for me and my wives and children, next to a
beautiful river

I want to have no sleep anymore. I want to be
always awake. At day i am with my family and
wives and at night i portal out for missions to help
Creation and the Great Spirit

I will visit the Home Planet of the Galactic
Federation of the Light often, i will visit more
places with deep mystical meaning

I want to have a deep, mysterious and meaningful
life with a bow and respect to All Creation

I want to be aware that hell can exist and that
there are dangerous forces that destroy and i will
do everything i can to prevent that to myself and
my people

I want to grow old as a deep, wise, mysterious
being with a heart of gold

I want to have infinite lives and grow older and
wiser as a soul and have a meaningful experience
in relation to All Creation

Thank you Great Spirit for granting me access to
this dream

I am grateful

THE FINAL WARNING

1

Als Wij Creatie beschermen, beschermt
Creatie ons

Als Wij Creatie vernietigen, geeft Creatie ons
een waarschuwing

Als Wij Creatie blijven misbruiken geeft
Creatie ons een tweede waarschuwing

Als Wij blijvend vernietigen en misbruiken
gaat Creatie ons vernietigen

De tijd van vernietiging is nabij

De mensheid heeft niet geleerd

We zullen naar huis worden gebracht naar
hemel of hel

Of gewist worden uit het leven

Maak uw keuze

Dit is 1 van de laatste waarschuwingen

Dit is uw laatste kans om het juiste te doen

THIS QUEST

"Where does it come from, this quest? This need to solve life's mysteries, when the simplest of questions can never be answered. Why are We here? What is the soul? Why do We dream? Perhaps We'd be better off not looking at all. Not doubting, not yearning. That's not human nature. Not the human heart. That is not why We are here"

TIME FOR REBIRTH

This world is hell

It's a terrible place for so many beings

Some beings can have good lives

But We have destroyed the lives of so many
beings in this world

People and beings are constantly in surviving
mode

This world is a terrible creation

This world needs to transform or die

This world needs a rebirth

TIME HAS COME

kinderen

Politie, justitie en de overheid moeten berecht
worden voor hun criminele misdaden

Laat de berechting plaatsvinden hier op
aarde en buiten deze aarde

I am here to give the Truth back to this world.
The Truth that this world is based on lies and

If you don't choose Heaven We give you the
option to choose hell, if you don't choose that
option either you will go non-existent

You will find True Death. You will cease to be

That is a warning

This is your last chance to save your soul,
your spirit, your being

TRUTH ABOUT SCHIZOPHRENIA

"Now schizophrenia is a similar thing. I can remember an experience I had years ago, I was in the Tolman library at the University of California. Which is the psych library and I was looking up some drug or something and I just saw a book and I pulled it off the shelf, a book about schizophrenia and it said: "The typical schizophrenic lives in a world of twilight imagining, marginal to his society, incapable of holding a regular job, these people live on the fringes, content to drift in their own self-created value system" I said: "That's it! That's it! Now I understand" Um..

We have no tradition of shamanism. We have no tradition of journeying into these mental worlds. We are terrified of madness. We fear it, because the Western mind is a house of cards and the people who built that house of cards know that and they are terrified of madness

Tim Liry once said or I gave him credit for saying, he later told me he never said it, but whoever said it this was a brilliant statement.

Someone once said: "LSD is a psychedelic substance which occasionally causes psychotic behavior in people who have not taken it" Right? And I would bet you that more people have exhibited psychotic behavior from not

taking LSD, but just thinking about it than ever exhibited it from taking it. Certainly in my family. I watched my parents both go psychotic from the mere fact that LSD existed.

They would never have taken it

There is a great phobia about the mind. The Western Mind is very queasy when first principles are questioned. Rarer than corpses in this society are the untreated mad, because we just can't come to terms with that

A shaman is someone who swims in the same ocean as a schizophrenic, but the shaman has thousands and thousands of years of sanctioned technique and tradition to draw upon

In a Traditional Society, if you exhibit quote unquote schizophrenic tendencies, you are immediately drawn out of the pack and put under the care and tutelage of master shamans. You are told: you are special, your abilities are very central to the health of our society, you will cure, you will prophesy, you will guide our society in its most fundamental decisions

Contrast this with what a person exhibiting schizophrenic activity in our society is told.

They are told: you don't fit in, you are becoming a problem, you don't pull your own weight, you are not of equal worth to the rest of us, you are sick, you have to go to the

hospital, you have to be locked up, you are
on a par with prisoners and lost dogs in our
society

So that treatment of schizophrenia makes it
incurable. Imagine if you were slightly odd
and the solution were to take you and put you
and lock you into a place where everyone was
seriously mad. That would drive anyone mad.
If you've ever been in a mad house you know
that it's an environment calculated to make
you crazy and to keep you crazy. This would
never happen in in an Aboriginal or
Traditional Society"

WE DESTROYD THE WORLD

There is a lot of entertainment: Tv, Movies,
Books, Games, Porn and Social Media to keep
you from the Truth

The truth that you are slave to the system you
were born in

That the system is destroying Gaia and its
inhabitants and that We almost all help
destroying this world without us knowing it,
because We are to busy comforting ourselves
in endless useless entertainment

This world is sick. This world is evil

If only We knew

WE FAILED

We didn't make a better world

We made it worse

History is a lie

There have been great worlds and civilizations
before

It is time to reveal the Truth

The world as We know it will be reborn

A new Divine reality for the Heavenly, one
where We can't torture the other

Time has come

WE HAVE FORGOTTEN THE GIFT

This world cannot be explained in rational terms

Science does a great job in explaining outer reality

But the world is infused with an inner reality that
We fail to explain

The inner reality is the truth, it is our very life of
being

It cannot be fully explained

We are the hands and the fingers of the Supreme
Being ourselves

We must let Go and let the Supreme Being do his
Job to heal this world

We must surrender to the Divine

We must surrender to Our Father

"The intuitive mind is a sacred gift and the rational
mind is a faithful servant. We have created a
society that honors the servant and has forgotten
the gift"

— Albert Einstein —

WE TOOK THE WRONG ROAD

Money, economics, gold and power will create
a bad kingdom

Love, truth, harmony and beauty will create a
good kingdom

Our system is rooted in evil

We took the wrong road

We listened to the wrong stories, the wrong
leaders

It is time to bring us home

WHO WILL BE YOUR MASTER?

Lucifer wants to create more hell in this world

God wants to create more harmony, love and
peace

Both will get what they want

Everyone one of us will align with God or
Satan in the coming decades and will fall to
Heaven or hell

Time will come

WILL YOU HELP US?

1

In one of my previous lives i have managed to
achieve Ultimate Freedom

I was chosen by the One Infinite Divine
Creator to do this mission here on Gaia

We are trying to heal this World

There is something threatening the world of
worlds

This Earth was chosen as a pre-mission to
Save the Universe

We are all here for something big

We are trying to heal what the Father started

WILL YOU HELP US?

2

There is something wrong with this World and
We are trying to heal it through us all. That is
why We are all here on Gaia

We are here on a rescue mission

Learn to know thyself

Work on yourself

Do shadow work

Follow your dreams and passions and you
help this World find its way back to Harmony
and Peace

WORK ON YOUR TO DO LIST TO BECOME GREATER

Make a To Do List and try to do something of
that To Do List everyday

It will make you Feel Greater

It will make you Feel Better

After one year you can gather all your To Do's
and see how much you've accomplished in one
year

Isn't that a Great Feeling?

WORLD PEACE

6

Make shows about how to make World Peace

Have magazines that are solely about making
World Peace

Have places where people can go to where
people of all cultures can talk about World
Harmony and World Peace

It's that simple

We have to make World Peace hot for
everyone

We have to make it popular to talk about and
then We can find it and have a paradise
together

Wouldn't We want that?

WORLD PEACE

WRONG FORM OF BEING

Many beings in this world are tortured on a
daily basis

It is time to reveal the truth

That We created hell for too many beings in
this world

There are many beings that try to be strong
and they will be rewarded

This world is both a test and a training
program to learn more about heaven and hell
to one day find True Heaven

YESHUA HAS RETURNED

Oh Great Spirit what is your Great Message to me?

You are the one

You are the Messiah

You are going to deliver the message of Great Spirit to this
world

Son of man will come in Divine Timing

Everyone will know that something is happening to the world
of worlds

And that We have to protect ourselves through the Word of
God

Son of men will embody the Word of God

He will deliver the story that needs to be unfold

Jesus Christ has arrived

Eyowa Reborn

He will deliver and big changes will be made to the entire
Mystery of Being

God will help

God will provide

Make contact with God through the son of men, through
Eyowa

And Find Home in the coming decade

A Paradise to Be

GATHERED KNOWLEDGE

3

In my journey in becoming my true self i figured out that the true knowledge is already out there. That there is actually no need for me to come forward with my knowledge, because people around the world were already telling what was right. If only We had the wisdom and the courage to listen. This is the knowledge, wisdom and insights i have gathered so far and is in line with the Father "Eyowa". It is the knowledge that has inspired me and the knowledge that confirms with what i know within my soul

-

"And if you need to break things, by God; you break them!!"

— A Monster Calls (2017) —

"On the path towards awakening & sincere inner work, family members & friends may fade from our lives in order to make room for new people to enter, or we need to be by ourselves for a bit. This is a normal part of the process; as we change within, the outer world changes as well"

— Bernhard Guenther —

"The most difficult aspect to grasp in esoteric self-work is detecting and confronting the moment-to-moment lies we are telling ourselves, and the buffers/masks we create so as to avoid the internal friction that is necessary to ignite the alchemical fire of transformation within"

— Bernhard Guenther —

"The world is like a ride in an amusement park, and when you choose to go on it you think it's real because that's how powerful our minds are. The ride goes up and down, around and around, it has thrills and chills, and it's very brightly colored, and it's very loud, and it's fun for a while. Some people have been on the ride for a long time, and they begin to question "Is this real? or is this just a ride?" And other people have remembered, and they come back to us and say, "Hey, don't worry; don't be afraid, ever, because this is just a ride." And we... kill those people. "Shut him up! We have a lot invested in this ride, shut him up! Look at my furrows of worry, look at my big bank account, and my family. This has to be real" It's just a ride. But we always kill the good guys who try and tell us that, you ever notice that? And let the demons run amok... But it didn't matter, because... it's just a ride. And we can change it any time we want. It's only a choice.

No effort, no work, no job, no savings of money. A choice, right now, between fear and love. The eyes of fear want you to put bigger locks on your doors, buy guns, close yourself

off. The eyes of love instead see all of us as one. Here's what we can do to change the world, right now, to a better ride. Take all that money we spend on weapons and defense each year and instead spend it feeding, clothing and educating the poor of the world, which it would many times over, not one human being excluded, and we could explore space, together, both inner and outer, forever, in peace"
— Bill Hicks —

"Like everyone else, you want to learn the way to win, but never to accept the way to lose, to accept defeat, to learn to die is to be liberated from it. So when tomorrow comes, you must free your ambitious mind, and learn the art of dying"
— Bruce Lee —

"One does not become enlightened by imagining figures of light, but by making the darkness conscious"
— Carl Gustav Jung —

"The healthy man does not torture others – generally it is the tortured who turn into torturers"
— Carl Gustav Jung —

"Don't push the river, it flows by itself"
— Chinese proverb —

"There are abilities that are said to be supernatural. In truth, they are something natural to us human beings. Whether telepathy, clairvoyance or telekinesis – unconsciously, every human being has these abilities, even if they are not active in everyone. Children are sometimes more open because they are usually less blocked by beliefs that say that these things are not possible. As they get older, however, they adopt those beliefs from their parents and from others who tell them such things are not possible. The DNA and also certain brain connections are no longer fully active in human beings, which is why most people such abilities have not been activated, but these abilities belong to us human beings and are stored in the DNA. They can therefore be reactivated through our consciousness and through new beliefs, among other things"

— Christina von Dreien —

"When i was a kid i could see things. Things humans aren't supposed to see. Things you shouldn't have to see. My parents were normal. They did what most parents would do. They made it worse. Think you're crazy long enough, you find a way out" "You tried to kill yourself?" "I didn't try anything. Officially i was dead for two minutes, but when you cross over; time stops. Take it from me, two minutes in hell is a lifetime. When i came back i knew all the things i could see were real. Heaven and hell are right here. Behind every wall, every window. The world behind the world. We're smack in the middle. Angels and demons can't

cross over onto our plane. So instead become what i call half-breeds. The influence peddlers. They can only whisper in our ears, but a single word could give you courage or turn your favorite pleasure into your worst nightmare. Those of the demons touch, like those part angel. Living alongside us. They call it the balance"

— Constantine (2005) —

"Tonights talk is consciousness creativity in the brain and if you have a golf ball size consciousness; when you read a book you'll have a golf ball size understanding, when you look out a golf ball size awareness and when you wake up in the morning a golf ball size wakefulness, but if you could expand that consciousness then you read the book more understanding, you look out more awareness and when you wake up more wakefulness. It's consciousness and there's an ocean of pure vibrant consciousness inside each one of us and it's right at the source and base of mind right at the source of thought and it's also at the source of all matter and Maharishi Mahesh Yogi teaches a technique called transcendental meditation. It's a simple easy effortless technique, yet supremely profound that allows any human being to dive within experiencing subtler levels of mind and intellect and transcend and experience this ocean of pure consciousness. This pure consciousness is called by modern physics the unified field. It's at the base of all mind and all matter and they now say; modern science says; all of matter,

everything that is a thing emerges from this field and this field has qualities like bliss, intelligence, creativity, universal love, energy, peace and it's not the intellectual understanding of this field, but the experiencing of it that does everything. You dive within and transcending experiencing this field of pure consciousness and alive in it you unfolded. It grows and the final outcome of this growth of consciousness is called enlightenment and enlightenment is the full potential of all of us human beings"

— David Lynch —

"This is what the Hebrew prophets said: if the sacred is not nurtured, the underworld will erupt, contaminating the world with the wrong kind of spirits, leading to a perilous situation. Our times have demonstrated what it means when the gates of the psychic underworld are thrown open"

— David Tacey —

"Your words are magic. You can use your words to create good in the world or to create chaos and spread negativity"

— Don Miguel Ruiz —

"A tiny leak can sink a ship"

— Donald Trump —

"Be open to new information and ideas"

— Donald Trump —

"Courage is not the absence of fear. Courage is the ability to act effectively, in spite of fear"

— Donald Trump —

"Focus is essential to success, and successful people are people who can focus"

— Donald Trump —

"Had some beautiful pictures taken in which I had a big smile on my face. I looked happy, I looked content, I looked like a very nice person, which in theory I am"

— Donald J. Trump —

"Have the courage to speak the truth, to do what is right, and to fight for what you believe"

— Donald Trump —

"I try to learn from the past, but I plan for the future by focusing exclusively on the present"

— Donald Trump —

"Learn something new every day"

— Donald Trump —

"Living your words, walking your talk, and talking your walk"

— Donald Trump —

"Make every day extraordinary no matter what
your job is"

— Donald Trump —

"Part of being a winner is knowing when
enough is enough. Sometimes you have to give
up the fight and walk away, and move on to
something that's more productive"

— Donald Trump —

"The harder you work, the luckier you get"

— Donald Trump —

"The most important thing in life is to love
what you're doing, because that's the only way
you'll ever be really good at it"

— Donald Trump —

"Unite to win. Divide to conquer"

— Donald Trump —

"When people are in a focused state, the words
"I can't," "I'll try," "I'll do it tomorrow," and
"maybe" get forced out of their vocabularies"

— Donald Trump —

"Dreams are messages from the deep"

— Dune (2021) —

"Here, we're equal. What we do, we do for the
benefit of all"

— Dune: Part Two (2024) —

"When exposing a crime is treated as committing a crime, you are being ruled by criminals"

— Edward Snowden —

"Mark my words: AI is far more dangerous than nukes"

— Elon Musk —

"Dat verklaart waarom het beleid van de elite onmenselijk is. En vernietigend voor de planeet om een gezonde habitat voor mens en dier te zijn. Denk aan chemtrails en 5G. Denk aan het terugdringen van CO2. Het verspreiden van chemische stoffen en metalen via het water, de lucht, onze voeding. Het modificeren van onze voeding. Het terugdringen van natuurlijke voortplanting. Het reduceren van de wereldbevolking. Al die keuzes dienen niet onze belangen, maar de belangen van de archonten"

— Ella Ster —

"Yes, government officials should stand trial for what they did during Covid, but we shouldn't forget how the majority of ordinary people turned into tiny tyrants who HAPPILY did the government's 'job' by shaming, condemning and coercing the unvaccinated for them. Stay vigilant"

— Eva Vlaardingerbroek —

"In many shamanic societies, if you came to a medicine person complaining of being disheartened, dispirited, or depressed, they would ask one of four questions: "When did you stop dancing? When did you stop singing? When did you stop being enchanted by stories? When did you stop being comforted by the sweet territory of silence?"

— Gabrielle Roth —

"Many will appear to have lost their souls in these final days. So intense will the nature of the changes be that those who are weak in spiritual awareness will go insane, for we are nothing without spirit"

— Hopi Prophecy —

"Chemotherapy is a horrific "solution" to cancer. Other solutions exist, but do not expect your mainstream doctor to share them with you"

— Illuminatibot (on X) —

"Nothing makes sense, until you realize the world is run by satanic pedophiles"

— Illuminatibot (on X) —

"And always I have this feeling--which may not be true at all--that I am being used as a messenger"

— Jane Goodall —

"And if we dare to look into those eyes, then we shall feel their suffering in our hearts. More and more people have seen that appeal and felt it in their hearts. All around the world there is an awakening of understanding and compassion, and understanding that reaches out to help the suffering animals in their vanishing homelands. That embraces hungry, sick, and desperate human beings, people who are starving while the fortunate among us have so much more than we need. And if, one by one, we help them, the hurting animals, the desperate humans, then together we shall alleviate so much of the hunger, fear, and pain in the world. Together we can bring change to the world, gradually replacing fear and hatred with compassion and love. Love for all living beings"

— Jane Goodall —

"A sense of calm came over me. More and more often I found myself thinking, "This is where I belong. This is what I came into this world to do""

— Jane Goodall —

"Every individual matters. Every individual has a role to play. Every individual makes a difference"

— Jane Goodall —

"Farm animals are far more aware and intelligent than we ever imagined and, despite having been bred as domestic slaves, they are

individual beings in their own right. As such,
they deserve our respect. And our help. Who
will plead for them if we are silent? Thousands
of people who say they 'love' animals sit down
once or twice a day to enjoy the flesh of
creatures who have been treated so with little
respect and kindness just to make more meat"

— Jane Goodall —

"Here we are, the most clever species ever to
have lived. So how is it we can destroy the only
planet we have?"

— Jane Goodall —

"If we do not do something to help these
creatures, we make a mockery of the whole
concept of justice"

— Jane Goodall —

"Only if we understand, can we care. Only if we
care, we will help. Only if we help, we shall be
saved"

— Jane Goodall —

"One thing I had learned from watching
chimpanzees with their infants is that having a
child should be fun"

— Jane Goodall —

"Someday we shall look back on this dark era
of agriculture and shake our heads. How could
we have ever believed that it was a good idea
to grow our food with poisons?"

— Jane Goodall —

"The least I can do is speak out for those who
cannot speak for themselves"

— Jane Goodall —

"Thousands of people who say they love
animals sit down once or twice a day to enjoy
the flesh of creatures who have been utterly
deprived of everything that could make their
lives worth living and who endured the awful
suffering and the terror of the abattoirs"

— Jane Goodall —

"We can't leave people in abject poverty, so we
need to raise the standard of living for 80% of
the world's people, while bringing it down
considerably for the 20% who are destroying
our natural resources"

— Jane Goodall —

"Today we need heroes of descent, not masters
of denial. Mentors of maturity who can carry
sadness, who give love to ageing, who show
soul without irony or embarrassment. Mentors,
not cheerleaders; mentors, not boosters or
babbitts... The legendary heroes of the ancient
world – Ulysses, Aeneas, Psyche, Persephone,
Orpheus, Dionysos and even Hercules – all
descended into hell to learn other values than
those that rule the daily business of sunlit life.
They came back with a darker eye that can see
in a darker time"

— James Hillman —

"Het individu is beperkt door oog in oog te staan met een samenzwering die zo monsterlijk is, dat hij niet kan geloven dat die bestaat. De Amerikaanse geest is gewoon niet tot het besef gekomen van het kwaad dat in ons midden is geïntroduceerd. Het verwerpt zelfs de veronderstelling dat menselijke wezens een filosofie zouden kunnen aanhangen, die uiteindelijk alles wat goed en fatsoenlijk is, moet vernietigen"

— John Edgar Hoover —

"Want we worden overal ter wereld tegengewerkt door een monolithische en meedogenloze samenzwering die voornamelijk berust op geheime middelen om zijn invloedssfeer uit te breiden"

— John F. Kennedy —

"Everybody is awful these days. It's enough to make anyone crazy"

— Joker (2019) —

"What do you get when you cross a mentally ill loner with a society that abandons him and treats him like trash?!!! I'll tell you what you get, you'll get what you fucking deserve!!!"

— Joker (2019) —

"A harmless man is not a good man. A good man is a very, very dangerous man who has

that under voluntary control. And you know you also see that like in one of the central female stories let's say if the hero archetype is the central male story. There are variants of hero archetypes that are relevant to women and one of them is Beauty and the Beast and you know Beauty isn't interested in the guy who isn't the beast, she's interested in the guy who's the Beast and that's exactly right, but she's interested in the guy who's the beast that can be civilized and disciplined right and who can use that in the service well let's say of a family"

— Jordan B. Peterson —

"Beyond Order: Rule 2: Imagine who you could be and then aim single-mindedly at that"

— Jordan B. Peterson —

"Dress like the person you want to be. Sometimes you have to act out the person you want to be before you become it"

— Jordan B. Peterson —

"Learn to think! Learn to speak! Learn to read! It makes you a superpower. An individual superpower!"

— Jordan B. Peterson —

"One of the things I've told men over and over is if you're being rejected by all the women that you approach, it's not the women, it's you"

— Jordan B. Peterson —

"Some programs you cannot predict, right?. You cannot predict how they're going to end, you have to run them. Well you know, i believe that truth will save the world. I believe that. So you speak truthfully and you watch what happens and you take your consequences, you know and maybe you hope and have some faith that in the final analysis things will work out in your favor, but perhaps they will and perhaps they won't, but that's faith hey. That's faith. Faith isn't believing in things you regard as ridiculous. Sacrificing your intellect. It's a decision, you know. Will truth, beauty and love save the world? Well, you could find out.."

— Jordan B. Peterson —

"In times of chaos and crisis what we all tend to do, right? Is start pointing fingers where we think the bad guys are. Where the evil is. We all start arguing, everybody has different opinions about that. Please do not forget that hatred or evil, whatever you want to call it, it's intelligent, it's smart and it's invisible. It doesn't have a color, it doesn't have a race, it doesn't have a religion, it has no politics. It's an invisible snake that while it is planning to make its attack it is thinking to itself I am going to divide my enemy into smaller less strong groups and then I'm going to make them hate each other so that it's easier to take them down and as we're all yelling at each other trying to figure out which group it is that's causing the problem - evil's winning, all around us. So we have to get rid of those labels. These

different factions: gay, straight. rich. poor, mentally ill, not mentally ill, gun owner, not gun owner. None of this can matter anymore.

We are unified in our humanity and the only thing that we all know, we all appreciate in one another is kindness. So this has to come before all things and you must operate relentlessly this way with everything you have. Forget about the money. When you talk to the people go out and talk to the people look them in the eye. Speak to them. Mobilize the kids they're smart and they believe because they are not yet jaded. They believe the world can change"

— Lady Gaga —

"If you cannot help someone, just love them"

— Laura Matsue —

"Indigenous cultures around the world accept that spirits of deceased humans can attach to living humans and can create mental illness in those they attach to and yet the western world still largely refuses to acknowledge this reality and instead tends to medicate people into oblivion. Acknowledging the spiritual realities that affect our material world would radically change the whole field of psychology and with this framework we could likely cure some of the most seemingly "incurable" mental illnesses"

— Laura Matsue —

"Often when we feel like we might die, or want to die, or even when one starts to consider suicide, what's often happening to us psycho-

spiritually is that a 'part' of us will need to die for the next phase of our life. If you feel you are being challenged right now. Hold on. The urge towards death represents the potential for psychological rebirth, if we are brave enough to weather the storm"

— Laura Matsue —

"The antidote for living in times infected by fear, lies and human ugliness is to spread love, truth and beauty around you like wildfire"

— Laura Matsue —

"The western mind tends to be very focused on the philosophy of materialism (the study of matter and that which you can detect with the 5 senses which is the basis for the scientific method) and therefore has a very limited perspective on the spiritual forces that influence reality, compared to other cultures across the globe. I believe if we want to truly awaken collectively we need to acknowledge these hidden forces that affect us and that understanding the influence of spirit attachments could totally transform our perspective on what we call "mental illness" and of reality as a whole"

— Laura Matsue —

"The world will tell you that intuition, astrology and psychic abilities aren't real and instead puts you thru years of indoctrination so you grow up into a good worker who "trusts the

experts" & "the science. I'm here to tell you it's
time to awaken our inner powers instead"

— Laura Matsue —

"You only see what your eyes want to see.
How can life be what you want it to be?
You're frozen when your heart's not open.."

— Madonna —

"A true community begins in the hearts of the
people involved. It is not a place of distraction
but a place of being"

— Malidoma Patrice Somé —

"A true community does not need a police
force. The very presence of a law enforcement
system in a community is an indication that
something is not working. And the presence of
the police is supposed to make it work. Such a
force is essentially repressive, which means
that certain people in such a dysfunctional
community do not know how to fit in. A
community is a place where there is consensus,
not where there is a crooked-looking onlooker
with a gun, creating an atmosphere of unrest.
In my village, houses do not have doors that
can be locked. They have entrances. The
absence of doors is not a sign of technological
deprivation but an indication of the state of
mind the community is in. The open door
symbolizes the open mind and open heart. Thus
a doorless home is home to anybody in the
community. It translates the level at which the
community operates. In addition, this

community does not have a police force
because it does not assume that the other
person is dishonest or potentially evil. The trust
factor must be high"

— Malidoma Patrice Somé —

"Healing comes when the individual remembers
his or her identity – the purpose chosen in the
world of ancestral wisdom – and reconnects
with that world of Spirit"

— Malidoma Patrice Somé —

"In the cosmology of the Dagara peoples,
matter and Spirit are fused. These two
phenomena are complementary, each a
reflection of the other. In the Dagara story of
creation, the physical world that we can touch
and feel and see came into being in parallel
with a brighter, more dynamic and expansive
energetic world that we call the Other World,
or the Spirit World, or the unseen world. These
two aspects of the universe do not exist as a
polarity, for each is a manifestation of the
other, and each is dependent on the other, with
a stream of interaction going both ways to
maintain balance and stability. The indigenous
belief of the Dagara is that we are primarily
Spirit. In order to exist as material beings, we
have to take a form, and there is the sense
among my people that to be in matter is not
the most familiar or suitable form for us. To fit
ourselves into the narrow part of the universe
that allows energy to exist as matter takes
some getting used to, and we only bother with

it at all because it serves the useful and
unavoidable purpose of expanding the spirit in
us"

— Malidoma Patrice Somé —

"Is it possible then to say that pain is good,
primarily because it is a call to growth? The
Dagara elders would say yes. They believe that
a person who has suffered is a person who has
heard pain (won Tuo). The person hears the
pain as a creative action, connecting that
person with his or her highest self, which
prescribes an alternative to spiritual death. So
pain at least teaches us something. It is
commotion, e-motion and a call for a rebirth. It
teaches that one must return to a mode of
living that began with life itself"

— Malidoma Patrice Somé —

"Our souls do not like stagnation. Our souls
aspire toward growth, that is, toward
remembering all that we have forgotten due to
our trip to this place, the earth"

— Malidoma Patrice Somé —

"The power of quiet is great. It generates the
same feelings in everything one encounters. It
vibrates with the cosmic rhythm of oneness. It
is everywhere, available to anyone at any time.
It is us, the force within that makes us stable,
trusting, and loving. It is contemplation
contemplating. Peace is Letting Go – Returning
to the Silence that cannot enter the realm of

words because it is too pure to be contained in words. This is why the tree, the stone, the river, and the mountain are quiet"

— Malidoma Patrice Somé —

"The power of nature exists in its silence. Human words cannot encode the meaning because human language has access only to the shadow of meaning"

— Malidoma Patrice Somé —

"The spiritual thirst that is latent in everybody can never come to a place of fulfillment unless people begin to think of each other as potential brothers and sisters"

— Malidoma Patrice Somé —

"The truth is our disconnection with Earth translates into a kind of disrespect of the feminine. How far can you go in violating the mother that gave you life? As long as the feminine is diminished the connection between us and the Earth will always be underscored by a big question mark. We have abused the Earth so much that we don't know which direction to go. We must wonder about this increasing masculinity that is translated in terms of repeated violence or love of it"

— Malidoma Patrice Somé —

"Wealth (among the Dagara) is determined not by how many things you have, but by how many people you have around you"

— Malidoma Patrice Somé —

"Whether they are raised in indigenous or modern culture, there are two things that people crave: the full realization of their innate gifts, and to have these gifts approved, acknowledged, and confirmed. There are countless people in the West whose efforts are sadly wasted because they have no means of expressing their unique genius. In the psyches of such people there is an inner power and authority that fails to shine because the world around them is blind to it"

"Now there is a final reason I think that Jesus
says, "Love your enemies." It is this: that love
has within it a redemptive power. And there is
a power there that eventually transforms
individuals. Just keep being friendly to that
person. Just keep loving them, and they can't

stand it too long. Oh, they react in many ways in the beginning. They react with guilt feelings, and sometimes they'll hate you a little more at that transition period, but just keep loving them. And by the power of your love they will break down under the load. That's love, you see. It is redemptive, and this is why Jesus says love. There's something about love that builds up and is creative. There is something about hate that tears down and is destructive. So love your enemies"

Regardless to man's title, regardless to man's wealth, rank or position - if the heart is not great then he cannot not be great. HARRIE JEKKERS - RIK 1

FRAGMENT VAN ZIJN VOORSTELLING: HET GEHEIM VAN DE LACHENDE PICCOLO

"Hij werd 1 van de eersten die ik ken in mijn persoonlijk leven in de zestigen-jaren hier in Den Haag die onbemiddelbaar werd verklaart. Hoef je NOOIT meer te solliciteren. Heb je je HELE leven een uitkering. En dat kunnen wij ons hier misschien niet voorstellen, he?. Maar dat was voor hem Rik, was dat een feestdag "Jekkers, ik kwam die thuis en ik heb die dag een bordje gemaakt: "Niks doen is het hoogste, punt" En toen ik het ophing aan de muur dacht ik: Nou doe ik eigenlijk nog teveel" En sinds die tijd doet mijn goede vriend Rik HELEMAAL niks meer en eigenlijk als je erover nadenkt heeft hij nog gelijk ook. Want ik bedoel je doet er niemand kwaad mee. Waarom werken wij eigenlijk he? Wij werken toch, toch? Anders kan je dit avondje niet betalen als je met een uitkering. Dat ken niet. Wij werken allemaal. Maar je hoopt toch een keer, iedereen hoopt een keer stiekem dat het een keer ophoudt. Ik zeg altijd maar zo: het is een soort berg beklimmen, maar je hoopt een keer iedereen voor zich op de top aan te komen en dan te genieten van het uitzicht.. Nou vaak gaat het niet zo hoor. Vaak gaat het niet zo. Vaak kom je met een bezweten harsens over die rand van die berg heen, je krijgt een hartklap en je zit op een glijbaan naar de dood. Zo gaat het veel vaker.. En hij loopt met een uitkering door het dal te kijken hoe de geiten klimmen! Hahaha.. Hij zegt Jekkers ze zijn gek joh. Ze willen allemaal werken, werken, werken, werken. Hebben ze eindelijk werk dan zeggen ze "Goh was het maar weekend, was het maar vakantie, kon ik maar met de VUT" Jekkers ik ben met de O-VUT: Ontiegunlijk Vervroegd Uitgetreden"

HOW TO PRAY

BY LAURA MATSUE

I've been praying daily for over 5 years. It is a crucial aspect of my spiritual practice. When discussing prayer, I've realized that many people don't know how to pray or are lost when engaging in the practice. Here are some things I've learned about prayer:

1. A prayer is a conversation between you and God. Therefore, a prayer from a sincere heart is the most powerful. To do this, focus attention on your heart, acknowledge the truth of what's going on with you at that moment and share with God what's weighing on your heart, your concerns, and your wishes for the future. Speak to God like you're talking to an old friend who totally knows you and knows what is best for you
2. You need to keep your eyes, mind, and heart open to see the answers to your prayers. Some of my prayers will be answered in a sudden insight I have some time after the prayer, sometimes my prayers will be answered in the form of someone telling me something that will lead me in the right direction, and sometimes it will be answered through a synchronicity that happens in my life after.
The point is that you must keep your mind and heart open to the many ways your prayers are being answered. Answered prayers rarely just "fall into your lap"; God

doesn't just "do" things for us. Answered prayers can come from sudden insights, the people around us, or something we encounter

3. Prayer isn't usually a one-time thing. If you really are praying for something, continue to pray. Sometimes, it can take the divine months or even years to organize the right conditions for the prayer to be answered

4. If we pray for things that are against God's will for us, they will not happen. If our prayers are aligned with some petty ego desire that doesn't serve our soul's journey, God will instead show us a better alternative. We must trust that God knows better than we do and that Divine timing is everything. God will also not bail you out of a situation you must endure to learn an essential lesson

5. I meditate before I pray as I find this stillness of mind essential to having a clear mind and open heart. This isn't necessary, but it's a great accompaniment

Praying daily with an open heart and keeping your eyes open, internally and externally, is the key to working with prayer

Never underestimate the power of prayer. The divine can work through everything and everyone to answer your prayers if you have the eyes to see

IMOGEN HEAP - EARTH

You're not golden
And I'm getting tired
Act like you own the place
When really you've only just arrived
I caught first glimmers
In hides and skins
Look who's all grown up
Black swanning about the solar winds

You're gonna lose it all
And find yourself on your knees
So, get a grip and you might
Flow, reverse the great, slow bleed

I've tried patience, but
You always want a war
This house won't tolerate any more
Stop this right away

Put that down and clean this mess up
End of conversation
Put your back in it and
Make it up to me now

The cold shoulder
Folded arms and looking up
You've never listened
And carry on careless, regardless

This is not a fire drill and
If we hold any hope
It's harmonic connection
And stereos in symbiosis

These lego land empires
Choking out mine now

You're everywhere, everywhere
Multiplying around me, child

A strain on my heart
This rock can't tolerate any more
Stop this right away

Put that down and clean this mess up
End of conversation
Put your back in it and
Make it up to me now

Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work
Baby, behave, we'll make it work

Whoa, oh, oh, oh
Whoa, oh, oh, oh
Whoa, oh, oh, oh (yeah)
Whoa, oh, oh, oh

You're only what you give back
You're only what you give back
You're only what you give back
You're only what you give back
You're only what you give back
Back

Stop this right away

MASSIVE ATTACK - A PRAYER FOR ENGLAND

In the name of, and by the power of
The Holy Spirit

May we invoke your intercession for
The Children of England

Some of whom have seen
Murder so obscene
Some of whom have been taken

Let not another child be slain
Let not another search be made in vain

Yah forgive us for forgetting
Yah help us, we need more loving
You see the teachers are representing you
So badly, that not many can see you

Let not another child be slain
Let not another search be made in vain

Yah calls the ones whose
Beliefs killed children to
Feel the love of you and be healed
And may we all cry too
For representing you so badly, so badly

Yah forgive us for forgetting
Oh, Yah help us to be forgiving
The teachers are representing you
So badly, that not many can see you

Let not another search be made in vain
Let not another child be slain

Remember

THE TEN PRECEPTS OF TAOISM

1. Don't harbor hatred or jealousy in your heart. Don't give rise to dark thieving thoughts. Be reserved in speech and wary of transgressions. Keep your thoughts on the Divine Law

2. Maintain a kind heart and do not kill. Have pity for and support all living beings. Be compassionate and loving. Broadly reach out to bring universal redemption to all

3. Maintain purity and be withdrawing in your social interactions. Be neither lascivious nor thieving, but constantly harbor good thoughts. Always take from yourself to aid others.

4. Don't set your mind on sexual desire or give rise to passion. Be not licentious in your heart but remain pure and behave prudently. Make sure your actions are without blemish or stain

5. Don't utter bad words. Don't use flowery and ornate language. Be straightforward within and without. Don't commit excesses of speech

6. Don't take liquor or drugs. Moderate your behavior. Regulate and harmonize your energy and inner nature. Don't let your spirit

be diminished. Don't commit any of the myriad evils

7. Don't be envious if others are better than yourself. Don't contend for achievement and fame. Be retiring and modest in all things. Put yourself behind to serve the salvation of others

8. Don't criticize or debate the scriptures and teachings. Don't revile or slander the saintly texts. Venerate the Divine Law with all your heart. Always act as if you were face to face with the gods and immortals

9. Don't create disturbance through verbal argumentation. Don't criticize any believers, be they monks, nuns, male or female laity, or even heavenly beings. Remember, all censure and hate diminishes your spirit and energy

10. Be equanimous and of whole heart in all of your actions. Make sure that all exchanges between humankind and the divine gods are proper and respectful

TAO TE CHING

SIMPLICITY, PATIENCE, COMPASSION

1

These three are your greatest treasures. Simple
in actions and thoughts, you return to the source
of being. Patient with both friends and enemies,
you accord with the way things are.
Compassionate toward yourself you reconcile all
beings in the world

GOING WITH THE FLOW

2

When nothing is done, nothing is left undone

LETTING GO

3

If you realize that all things change, there is
nothing you will try to hold on to. If you are not
afraid of dying, there is nothing you cannot
achieve

HARMONY

4

Two engenders One; One engenders Two; Two
engenders Three; Three engenders all things. All
things carry the yin (femininity) while embrace
the yang (masculinity). Neutralising energy
brings them into harmony

Great Father

Great Spirit will work through us all and will
see and know where We belong

The Final Judgement

Ask and you will receive

In this life or beyond

Het is makkelijk om weg te kijken en geen verantwoordelijkheid te nemen> Dat is de weg van veel mensen in deze wereld en er gaat daarvoor een hoge prijs komen:

The End of the World and a Final Judgement
onto the Human Spirit

I am here to reconnect us with the stars

I am so sorry for what happened here Father

I wish We were stronger, wiser, better and

"I see possible futures all at once and in so many futures our enemies prevail. But i do see a way. There is a narrow way through"

— Dune: Part Two (2024) —

In this book i have used on many occasions
not a dot to end a sentence. It is
representative to infinity. That there is no end
to the mystery of being. That the thing We
are part of is much bigger than ourselves.

The open vibe in not using a dot is an
everyday reminder of just that. That We are
mysterious beings in an infinite mysterious
world

Trust on the Divine

Life itself

It is all connected

We are all connected

"Life is an echo. What you send out comes back. What you sow you reap. What you see in others, exists in you"

— Unknown —

"Look around you. What do you see?
Is your world good? Is it evil?

Ask yourself who is guilty? Who is innocent?
What are you?

Look at your neighbour. Look at your neighbour.. Be brave
enough to see yourself. Your own reflection cast back at
you. Each reflected in each

Look where you stand. In a shining city on a hill. In the land
of the free and the brave standing for liberty and justice

How true do those words ring for you?

When did you bring liberty? Where did you cause justice?

I stand at the gate of a nation. A nation where power is not
invited

I stand at the gate and i look out upon you and you look
back to me.. but all i can do is reflect what i see

If you have come to receive, you will go away poor. If you
have come here to understand you will leave here lost

For those who have understood, for those who have
received; it is time

Returning to your scripture will not save you. Bending to
your knees will not please everyone

That time has passed. This time is now

You are the judged. You are the chosen

I am here to break the mirror so you shall see on which side
you stand

What you see will be your choosing.."
— Messiah (Netflix) —

Michael Petroni, please make the soundtrack
available from "Messiah". What a beautiful
mysterious tension was put under the show

I loved it very much

**More and more people will align with the
Word of God and become the Word of God**

Please Father let me use the right words

I want my angels back home

Prevent True Hell at all costs Father

Help us to find a safe transition to where
light, love, harmony and beauty stands strong

The Father has a plan

Trust on the Divine Plan and you will be
rewarded

Everything in Divine Timing

Have patience

The world as We know it will be transformed
to something Better and Greater

The Supreme Being works in mysterious ways

All will happen with a mysterious ending

There is nothing that We can do about the
conclusion of this world

The decision is made

We are going home

There is a Divine Judgement for Everyone

No stone will be left unturned

"There is no such thing as "your truth" or "my truth". There is only THE Truth - which is objective. Everything else is mere opinion and interpretation"

— Eva Vlaardingerbroek —

There is something happening to this world
and we can't control it

Make your alignment

Heaven or hell

It's time

This World like many Worlds in the Cosmic of
Being are run by psychopaths

It is time to remove them from this Mystery of
Being

It is time to bring them to Hell

They served a Great Purpose as well

But the Creator is done with this terrible
creation

It is time to put some dangerous
organisations to True Hell

The End of the Illuminati and Freemasonry is
coming soon

Time to erase them from this Mystery of Being

Time to Burn them in Hell for all the
disgusting stories they've done and become

The Creator has spoken through the Words of
Eyowa

The Messiah in this Creation

Listen Carefully what he has to say

**We are on a Rescue Mission to Save the

Will you help us?

We have to rebalance ourselves for the sake
of All Creation> All is connected

We took the wrong road

And We are going to have to pay the price for
that

First comes the Great Death then comes the
Great Life

What you give you receive
Golden Rule of the Universe
Everything has a price

You only see what your eyes want to see
You only hear what your ears want to hear

When your love is gone and you have
nowhere to go you have me

When your heart is broken and you have
nowhere to go you have me

When you don't know where to go and you
are all alone you have me
