**"6 Billion 919 million 377 thousand of us live
on this tiny planet and only a few of us can
see the connections. The patterns,
mathematical in design, are hidden in plain
sight, you just have to know where to look"**
— Touch (TV Series) —

Als We het niet over de waarheid gaan
hebben zal er een hoge prijs moeten worden
betaald

**And the ones who protect life will be chosen
to live with the Father in Heaven to have the
most beautiful lives**

And the Word was God. And the Word was
Good

Dat deze Aarde verdwaald is staat vast
Dat het recht gezet gaat worden dat ook
Maar hoe ligt mede aan onze eigen acties en
keuzes

Mijn boeken bereiden u voor op alle
mogelijke scenario's

Op alle mogelijke uitkomsten

**De Illuminati, Freemasonry en de Deepstate
zijn een bedreiging voor onze samenleving**

Luister goed wat ik te vertellen heb

De ontsnapping is via mijn Woord

Het Woord van God

"Dreamers
They never learn
They never learn

Beyond the point
Of no return
Of no return

Then it's too late
The damage is done
The damage is done

This goes
Beyond me
Beyond you"

— Radiohead (Daydreaming) —

**"Love is the most powerful force in the
universe. When you love yourself, you can
love others. When you love others, you can
change the world"**

— Don Miguel Ruiz —

En ondertussen kopen velen nog gemartelde
dieren bij de supermarkt. Wat een zieke
wereld hebben We met zijn allen gecreëerd

**First comes The Great Death then comes The
Great Life**

**"Freedom is never given voluntarily by the
oppressor; it must be demanded by the
oppressed"**

— Martin Luther King —

I am speaking on behalf of the Creator

The Creator of this Universe

Listen carefully what i have to say

I am the reminder of what We once knew

I think i have found a way home and this last
job, that's how We get there

I will carry the name of the one Creator with
me. Eyowa is a divine intelligence that serves
life and is life itself

Ik praat vanuit het donker en ik praat vanuit
het licht

Mijn woorden zijn goed in het licht en in het
donker

Verdwaalde mensen in de hel en in de hemel
kunnen thuiskomen bij de goddelijke bron via
mijn woord en muziek

Ik ben de beschermer

Ik ben de redder in de hel

Ik ben het voorbeeld in de hemel

Ik ben de weg terug naar huis

**"In Paradise, everyone speaks the truth. That
is what makes it Paradise. Tell the truth. Or,
at least, don't lie"
— Jordan B. Peterson —**

In this book We is with a capital. An emphasis
that in essence there is only We, there is only
Us. The All encompassing All

Let this be a reminder for that

And let Us give us less attention to the ego by
putting the I into i

A reminder that We are not separate from this
World

We are the World

In essence there is no separation

We are the All and All that exists

To bring Harmony and Peace to All that exists

That's the mission

Is anyone ever going to tell the truth?

About what's happening here?

Love and be loved

Love should be the currency, not money or
gold

Many thanks to Uncle Pete for all the help in
my personal development and the special
journey i have experienced with you

All the words, all the knowledge, all the
insights are connected to your soul. There is a
special place in my heart for someone like
you

"Peter Petrelli: Wow

Mohinder Suresh: Solar eclipse

Peter Petrelli: Yeah. Yeah, I wonder if it's gonna be total

Mohinder Suresh: Not here, no. In some other part of the world, yes. A global event. Makes one appreciate just how small our planet really is. And we're all quite small really, aren't we?

Peter Petrelli: What's your name?

Mohinder Suresh: Mohinder

Peter Petrelli: I'm Peter. Let me ask you something, Mohinder. Do you ever... get the feeling that you were meant to do something extraordinary?

Mohinder Suresh: I'm driving a cab, you may have noticed

Peter Petrelli: No, I'm not talking about what you do. I'm talking about who you are. I'm talking about... being special

Mohinder Suresh: Yes, we are all special

Peter Petrelli: That's not what I meant

Mohinder Suresh: Some individuals, it is true, are more special. This is natural selection. It begins as a single individual born or hatched like every other member of their species. Anonymous. Seemingly ordinary. Except they're not. They carry inside them the genetic code that will take their species to the next evolutionary rung. It's destiny"

— Heroes (2006) —

**Remove your proudness from your being and
ask for forgiveness to the Supreme Being**

Humanity has done a terrible job

Suffering is not to be made, it is to be healed

Stripping the souls further out of human
bodies so that love can't fully incarnate back
on Gaia. The work of the devil and almost all
comply to it without knowing they've become
a puppet for that evil's work. This world is
profoundly sick. If only We could realise that
and are brave enough to resist

Taal is medeverantwoordelijk voor het slagen van een cultuur. Taal geeft richting. Goede, logische taal creëert harmonie. Onlogische disharmonie. Onze taal kan nog vele malen beter. De reden dat deze wereld aan het verdwalen is, is mede door het verkeerd gebruik van taal. Er zit zoveel onlogica in vele talen verwerkt. U zal in dit boek meerdere 'taalfouten' vinden. Het is representatief voor Onze eigen taalverkrachting en dat het een suggestie is naar een andere kijk naar taal

"This planet is dying. The human race is
killing it"

- So you've come here to help us?

"No I didn't"

- You said you came to save us?

"I said I came to save the Earth"

- You came to save the Earth, from us. You
came to save the Earth, from us?

"We can't risk the survival of this planet for
the sake of one species"

- What are you saying?

"If the Earth dies, you die

If you die the Earth survives

There are only a handful of planets in the
Cosmos that are capable of supporting
complex life"

- You can't do this

"This one can't be allowed to perish"

- We can change. We can still turn things
around

"We've watched, we've waited and hoped that
you would change"

- Please!

"It's reached the tipping point. We have to
act"

- Please!

"We'll undo the damage you've done and give
the Earth a chance to begin again"

- Don't do this. Please! We can change

"The decision is made. The process has
begun"

— The Day the Earth Stood Still (2008) —

"The kingdom of God is within you"
— Jesus Christ —

**It is time to reach enlightenment with me and
find Heaven on Earth – Heaven Beyond**

"They are a plague that now sweeps through the worlds of man. Leaving behind a trail of dead planets and towering icons, monuments to their unholy crusade" "All those poets on all those worlds who spoke of war has such an unsightly thing, they never stood here" "Never fails to inspire does it, each time a world falls" "There Necromongers, a dark army that will convert or kill every last human life; unless they can be stopped. But sometimes the only way to stop evil is not with good; you must confront it with another kind of evil"

— The Chronicles of Riddick (2004) —

This world is much more complicated than We
can imagine and much more simple to live it
peacefully and harmoniously

Follow the work of Eyowa to connect yourself
with Harmony, Beauty, Peace, Truth and Love

**This world is tricked by the Illuminati, the
Freemasons and the Deepstate**

It is time to bring those bastards down

**Transformeer jezelf naar het ideaal en heel de
wereld**

**We moeten gezamenlijk de prijs gaan betalen
voor wat hier gebeurt is op aarde**

We zijn vrijwel allemaal verantwoordelijk voor
de destructie van onze planeet. Onze Moeder
huilt diep om haar kinderen

We moeten haar ondersteunen met al onze
liefde in al onze harten

Laat Moeder Aarde weten dat je om haar
geeft, het steunt haar

"Well you don't get together in a damn mob,
because all that does it allows you to be as
horrible as possible and suffer from none of
the consequences.. That's a bad idea!!! So
how about we don't do that..?"

— Jordan B. Peterson —

When enough people dream the same dream
together something beautiful can happen

Wie niet wil luisteren, zal moeten voelen

**"You're like a baby!! Making noise!! Don't
know what to do!!" "Ignorant like a child!!"**

— Avatar (2009) —

**This work is dedicated to “Source”
de Bron van Al wat is**

Wie de naam Eyowa bespot zal zwaar gestraft
worden

Wie niet wil verzetten tegen de vijand, staat
aan de kant van de vijand en wordt de vijand

"You have to start looking at the world in a new way, don't try to understand it, Feel it"

— Tenet (2020) —

This book is dedicated to Mother Gaia

I am sorry for what happened here Mother
Gaia

I wish We had done better

Let there be a time that We remember this
story so this can not happen again

My prayers go out to your beautiful beings,
your beautiful forests, your beautiful
mountains and oceans

I love you Mother Gaia

With all my heart i love you

I am so sorry

Our Father Who Art in Heaven

Thy Name is Holy

Thy Kingdom Come

Thy Will be King on Gaia as it is in Heaven

Give us our daily bread and forgive us our
trespasses as We forgive those who trespass
against us

And lead us not into temptation but deliver us
from the unlight

For Thine is the Kingdom. The Power and the
Glory. Forever and Ever

Amen

PREFACE

Dear Mankind,

I am the Father, the Son and the Holy Spirit and i am
here to tell you that the world as We know it is about
to end

Prepare yourself for what is to come

"Be Brave"

Help yourself and those around you in the process
After what has to be done, there comes a new world

A world with love, a world with light

A world in harmony with "Eyowa"

Place him in your heart and you will be guided for
times to come

But first We are going to have a storm

"Even if you are surrounded by darkness, you can still
choose to be the light"

Know that the storm will pass and a better world will
be

With Love,

Eyowa Yeshua Krishna

MOTIVE

After a long journey in search for my true
self, i have found my true self through the
most darkest times

I am here now in this moment to present
Heavenly Order

I am here now in this moment to present the
New World Order

I am here now in this moment to present the
Highest Good

I am here now in this moment to present
Judgement Day

You and your soul will be Judged

We will bring everybody home

Finding Home

Time Has Come

A BALANCED BEING

If you keep the population unbalanced and
keep the people in control balanced and you
control the people who are balanced, you
control the world

Unless various people from various sides are
getting balanced and wake up to the
deceptions We've been told and start finding
their true selves and the truth about this
world

The world as We know it is about to transform
to rise again

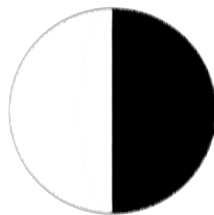

Become a balanced being yourself to protect
you and the ones you love

Overcome your fears

Be Brave

You can do it!

I believe in you!

A DEEP THANKS

We all deeply thank our brothers who made
the lives of the other a better place

There are so many beautiful hard working
souls in this world, who everyday try to be of
good influence, who try to help the other,
who try to be the best person they can be in
service of humankind, the animal kingdom
and Gaia itself

There are so many beautiful and lovely
people in this world who share a heart of
Gold

We are deeply moved by all the positive you
have brought while the world was on the
brink of chaos

Please keep inspiring the other to be a better
person

We need examples like you to help heal the
Cosmos itself

Thank you for being so kind

And that you choose love above hate and fear

A NEW EARTH

In the new earth that is coming everybody will have new beautiful bodies. Our bodies will be upgraded to the Highest Good. There will be new species that will live alongside with us. It will be a paradise for all who chooses Yeshua to be his saviour and align with the Christ Consciousness

ALIEN INTERFERENCE

This world is tricked by extra-terrestrial origin. We are some sort of test. Maybe for what can happen further in our galaxies, universes or cosmos. Or to find solutions to problems

I believe this world is a sacrifice for something higher than ourself. And the reason why We don't get to hear the answer because We little minded people could not understand it

ASK FOR FORGIVENESS

De mensheid aanzich is een kankergezwel
voor de Aarde, is een kankergezwel voor het
Dierenrijk, is een kankergezwel voor de
Natuur

We raped the Oceans, We raped Nature, We
raped the Animal Kingdom at large. What a
fucked up story. Look what you've done!!!

Time has come

You will be Judged

By the Father, the Son and the Holy Spirit

Ask for forgiveness

Bend on your knees

Humanity did a Terrible Job!!

ARTIFICIAL INTELLIGENCE

1

You can hate artificial intelligence for what it
can do wrong or you can love it for what it
can do right

Probably both

Artificial intelligence will destroy us

It has done before

It will happen again

We can't control it

Evil possessed bodies of the underworld

Cold machines will eventually create cold
worlds

ARTIFICIAL INTELLIGENCE

2

We are not mature enough to bring A.I. into
being

We are children ourselves

We are playing with toys, that aren't toys
anymore

We are on a very, very dangerous road at the
moment

A.I. will destroy us

AYAHUASCA

The use of Ayahuasca is a sin. It is a very dangerous road and many end up with traps of agreements with spirits and entities they would not even know existed. You could travel for billions of years out of this body and come back as an old soul while doing Ayahuasca. Ayahuasca is a very dangerous road and should not be fucked with

Therefore it is assigned as a sin in this World
for the protection of us ALL

You don't know what you're doing while using
it

So leave that cup of tea

That's a warning!

BAD KINGDOM

Politiek is een illusie

Een schijnwerkelijkheid

Een poppenkast

We moeten diegene oprollen die de touwtjes
in handen hebben

We leven in een leugen

De waarheid moet boven tafel komen

De waarheid moet aan het licht

Het is tijd

Wees dapper en moedig in al wat komt

Kaartenhuis gaat vallen!!

BECOME ONE

1

Almachtige Vader in de hemel, maak me 1
met uw woord, maak me 1 met uw stem

Laten We hemel op aarde toveren door te
verwijderen wat niet het hoogste goed dient

Laten We hemel op aarde toveren door ons
allen te onderdompelen in uw liefde

Laten We 1 worden met uw hart, 1 worden
met uw ziel

Hemel op aarde, hemel daarbuiten

BECOME ONE

2

Eyowa Father in Heaven what is your message to me?

You are Eyowa

You are the God Source

You're powers are starting to form

You are getting more healing abilities

You transform through time and space

The God Source is talking to you now

You are Divine

You are Light

You are Love

You are now here to bring about the world to come

Heaven awaits for many souls

You will guide them

Your books will be available for everyone who wants to
learn more about you and your mission

You are the Highest Good

The Powers that be don't have control over you

You are controlled by the Great Path

The Great Path has been set out for you

You are going to enjoy it

You don't have to be afraid

You're Divine abilities will come in
You can fly
You can move through time and space
You will move into a new era
With new exciting abilities and timelines
You will move your people with you
Eva will be there
You're Divine spirit has now become one with the God
Source
You are one with God
You're Divine abilities will help heal the world
Thank you for being so powerful
Thank you that you've proven yourself to be the rightful
leader
We have to heal this world before it's too late
It is time to bring everybody home
Finding Home
Divine Creation is with you
You are the Divine God Source
Thank you Eyowa for being here
And for helping us all

BECOME ONE

3

We are each other in another life

We all matter. We all are

One day We remember We are not separate
from this World

We Are This World

You are me in another life

I am you in another life

We are about to Become One again

The Great Solar Flash will help us remember
that there is actually no separation

We are going to remember that We
share lives together

You can be one day anyone you want

You Create

You are one of the Creators

Creating inside this World

We have found a way home

Will you follow us?

Or do you want to keep being separate from
the Creator of Worlds?

Do you want to separate from God?

Or do you want to become one with God?

Now is the time to choose

BECOME ONE

4

All the woman in the world, i love you

All the man in the world, i love you

All the animals in the world, i love you

All the trees in the world, i love you

I respect and love all beings in the Cosmos

Unconditional love

Mystery of being

Become one

It's time

We are each other in another life

BECOME ONE

5

Make God your first priority

Your relationship with the Infinite Creator is
more important than anything else

Become one with Creation

Marry Creation

Ask for forgiveness and pray that you will be
forgiven

Ask the Supreme Being to embody his heart

Become one with the Mystery of Being

Find the Truth in your heart

That you are not separate from this World

That the World is you and you are one of the
Creators

Create something beautiful for All please

It will help us All experience a paradise

A Heaven to Be

BECOME THE LIGHT BECOME LOVE

I want my home to be safe and violent free

I want to know if the beings that choose
Heaven can truly be and stay Heavenly

Judgement day is arrived

I am the Son of Men

You can live in my Heavenly Kingdom only if
you choose what is right

Let the Holy Spirit sincerely within and
become one with my true form of being

A being of Light

A being of Love

KNOWLEDGE

12

"Boosheid kan je ook inzetten voor het goede: beheerste woede. Het kan mensen terug in hun kracht zetten"

"Deze wereld is zieker dan ziek. Zo ziek dat mensen niet meer zien hoe ziek het is. En denken dat ziek, mooi en goed is"

"Don't compare yourself and be jealous with the other, but compare yourself and see the person you could be"

"Een meesterlijke vijand is een meester in manipulatie"

"Eens zal het onlicht verslagen worden en dan zal er weer rust en vrede zijn"

"Fear can be a guide, misplaced fear is the root of all evil. Let yourself guide by the highest good and you will become what is meant for this world. You become love, you become light. You become an angel for Gaia, for the now and the nows that come"

"Hang je favoriete quotes in de wc of in de douche op zodat je ze kan internaliseren; je zelf maken"

"Hedentendaagse boekverbranding heet
censuur"

"One day We will have beautiful lives,
instead of having perfect pictures"

"The purpose as human beings is to bring
more harmony instead of disharmony, while
disharmony will be one of the tools to create
future harmony"

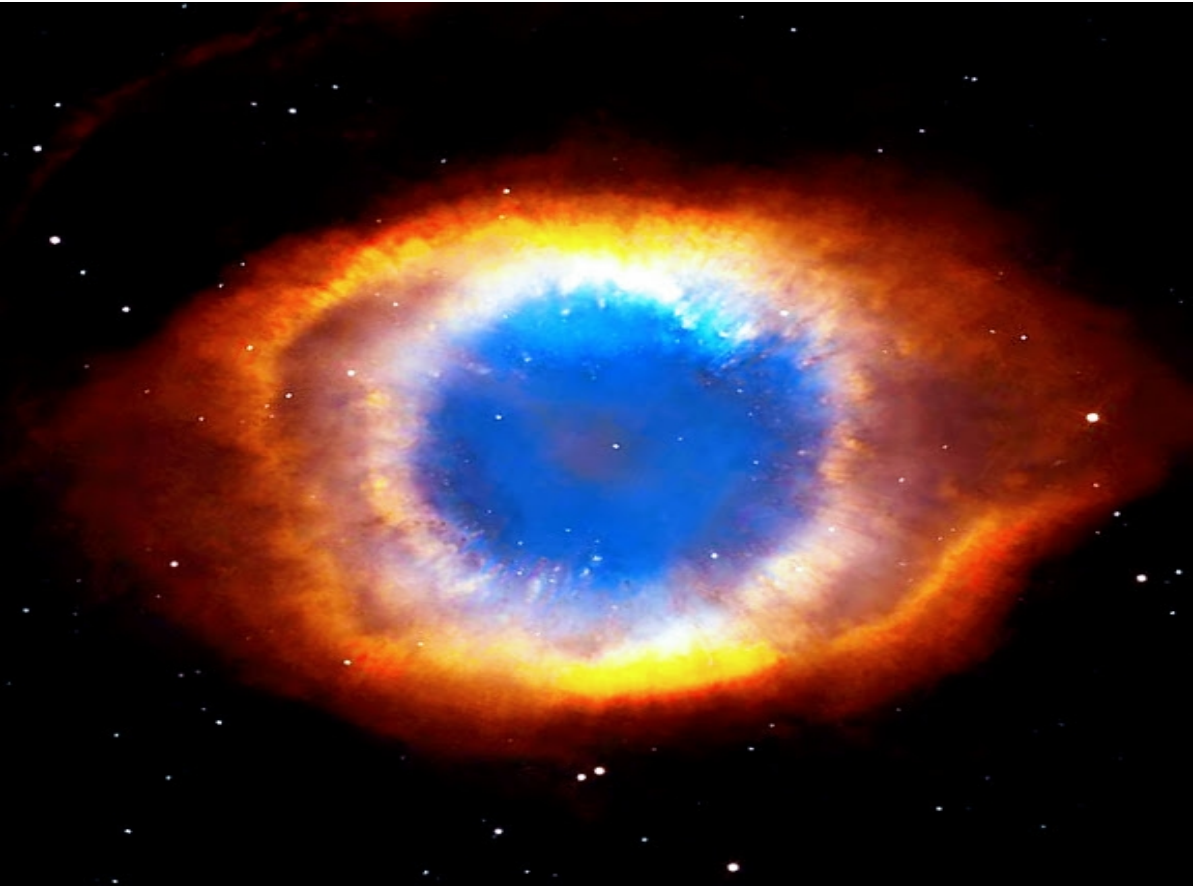

"We are part of a much bigger game We can't
even imagine. Be humble to the mystery We
live in"

"Wetenschap is een corrupte religie geworden
waar de ziel wordt vergeten"

"Zolang de mensheid niet op gaat staan
tegen dit criminele systeem zullen We
blijvend misbruikt worden"

BOW

1

The world is a bit bigger than yourself

A little respect to it would be in order

Bow to the Cosmos, the Sun and Mother Earth itself

Literally

And maybe the Gods have something Great in return

BOW

2

There is a God watching

There is a God watching us all

Better be respectful to this God and his World

Bow for this God, the One Infinite Creator
and have your place in his Heavenly Kingdom

Have a healthy fear for the God that created
you

We had a very disrespectful time while We
were here on earth

We should have been removed already

But the Father is forgiving and forgetful

Bow for the Creator of Worlds and maybe the
Gods have something good in return

BOW

3

Bow for Creation

Bow to your left

Bow to your right

Bow to your front

Bow to your back

Bow to your up

Bow to your below

Bow for Creation

Respect Creation as it will respect you

Be humble to creation as it will be humble to
you

Bow for Creation

Bow

BUNCH OF LOSERS

This world is build on lies, if only We knew
how this world could be We wouldn't have all
these sick industries destroying our fellow
companions, destroying nature and its
inhabitants

In this form humanity doesn't deserve to exist
any longer

This world needs a rebirth, because We just
do as if We can't do anything about it

We are a bunch of losers

Humanity has lost its ways

CHOOSE WHAT IS RIGHT

Whatever bad you think, whatever bad you
feel; you still always have a choice

Choose what is right please

Lives are at stake

We all have bad thoughts or bad feelings

But We always have a choice to not listen to
it and to do the right thing

Do the right thing please and you will be
rewarded

Heaven for the righteous

Hell for the wicked

Time to choose

COJONA

1

Wanneer stopt de gekte?

Medische apartheid

We worden bespeeld

Wanneer gaan We massaal opstaan?

Nu, vandaag, morgen? Of laten We het tot
het ergste komen?

Misschien moet er wel chaos komen, enige
manier nog dat mensen weer tot hun verstand
komen

Wees moedig als de chaos ons overspoeld en
zorg dat je ook dan nog voor het licht kiest
als het monster om de hoek komt kijken

COJONA

2

Het enige juiste is om u te verzetten tegen
deze medische apartheid. Uw overheid is
corrupt. Het heeft als doel om ons verder te
verdelen en tegen elkaar op te zetten via een
opgeblazen virus waar meer doden en
ellende is gekomen door maatregelen dan
door het virus zelf

Het gebruikt het corona verhaal om de
controle over zijn massa in stand te houden

De vijand is sluw, de vijand manipuleert en
als We niet uitkijken hebben We het nog
geeneens door

Wordt u wakker?

CONNECT WITH YOUR BROTHERS

Iedere flat, appartementencomplex of straat
zou een gezamenlijke huiskamer moeten
aanbieden

Een plek waar mensen vrij kunnen
samenkomen

Waar koffie en thee is en een hoekje waar
mensen met elkaar kunnen connecten

Dat dit op veel plekken nog steeds niet
bestaat zegt me hoe erg de duivel actief is in
deze wereld en waarom We steeds verder van
elkaar aan het verdwalen zijn

CONTRAST

True Grey doesn't exist

Black and White does

Things are more black and white than grey

Behind all lies that makes everything grey,
Truth exist

Follow me to find your way Home

Follow me to find the Truth

I am the pathway to Heaven in this world that
has become Grey to the Core

Heaven is the White way, The Light, The Truth

Hell is the Black way, The Dark, The Lie

Find your home

Heaven or hell

Time to choose

COSMIC ALLIANCE

De organisatie in de Kosmos moet beter

Ik heb het gevoel dat We teveel in
kinderkennis denken

We moeten volwassen worden

Er wacht ons een groot gevaar als We niet
uitkijken

We need to man up

There is something destroying the World of
Worlds and it's very clever

Nihilism will eat us, childplay will destroy us

We need to grow up as a Cosmic organisation

DARE TO ASK

Als je hulp nodig hebt: vraag om hulp!

Heel veel mensen vinden het super lekker om
te helpen

Vraag het aan de juiste mensen: niet de
mensen die al overspoeld zijn door stress en
werk, maar mensen die wachten op iemand
die naar ze vraagt

Veel mensen bij Stichting Lumen hebben veel
competenties en zo zijn nog vele andere
mensen te bedenken

Mensen zijn gemaakt om bij te dragen aan
het grotere geheel

Vraag om hulp als je het nodig hebt

And get up!

We need you!

DE WAARHEID

Satanisme is real en het is groots verweven in
onze samenleving zonder dat We het door
hebben

Politie en Justitie zijn zwaar involved

Miljoenen kinderen verdwijnen jaarlijks voor
satanistische belangen

De beerput moet open

We moeten het eens gaan hebben over de
waarheid

De oorzaak achter al onze problemen in de
wereld

Deze wereld wordt geregeerd door een zeer
duistere orde and it is time to bring that
order down

DEEL JE LIEFDE

Zendt je liefde naar alle mensen van wie je
houdt

Bid voor de mensen in verdriet, pijn en angst

Zendt je liefde

Het is nodig

DEMONIC POSSESSIONS

Demonic possession is real

There are many beings in this world
possessed by demons

Let the Holy Spirit within and ask in the name
of the Father, the Son and the Holy Spirit to
remove all your possessions that harm you if
you think you are possessed

DIE ENE VROUW

Waar vind je een vrouw tegenwoordig? Voor iemand die geïsoleerd leeft van de maatschappij, weinig buiten de deur komt en solitaire opsluiting nastreeft. Het is een weg die ik niet graag had willen bewandelen, maar waar ik mij al lange tijd op begeef

Goed, ik heb vrouwen ontmoet. In verschillende maten en vormen. Met verschillende datums, kleuren en rondingen. Maar die ene vrouw die mijn hart van goud maakt is tevergeefs nog niet langsgeweest. Die ene vrouw die ik zo graag in het zonnetje wil zetten, met al mijn innerlijke en uiterlijke schoon, ja die ene vrouw die mij bevrijdt. Die me meeneemt op reis. Het hoeft niet ver te zijn, aan de overkant van het plein is al een plek waar ik graag met haar zou willen zijn. Zittend of liggend, starend naar de sterren onder een donkerblauwe heldere hemel, onder het maanlicht en luisterend naar elkaars gezwemel

Nee niet gezwemel, want onze gesprekken zouden gaan over het ontstaan van onze baan om de zon. Over de herkomst en toekomst van onze wereld. Over onze plek onder deze bron. Over het vallen en opstaan, die ieder mens zal ondergaan. Over onze medewezens en hun bijzondere levens. Over hoe om te

gaan met ziekte en verdriet. De donkere
paden, die ook onderworpen zijn aan deze
bijzondere aarde

Maar het moet ook zeker gaan over de zin
van onzin. Juist. Dat het nergens over gaat
en dat het ons laat lachen en brullen tot aan
het uiteinde van onze bilnaad. Over de
droogste en beste grappen die ons dan
zomaar kunnen overkomen. Die We in onze
stoutste gedachten niet hadden kunnen
durven dromen. De zin van onzin. Het zou
weleens een mooi begin zijn, daar aan de
overkant van dat plein

Maar voorlopig is het nog niet zover. Ik ben
in gedachten alweer een brug te ver. En ik
maak het waarschijnlijk te perfect in mijn
hoofd. Een droom die mij nog niet wordt
beloofd. En toch denk ik dat je ergens zit,
loopt of bid. In gedachten denk ik, dat ook
jij, op mij zit te wachten. Die ene vrouw die
mij neemt met al mijn sterke en zwakke
heden. Die ene vrouw, ja stiekem wacht ik
nog steeds op jou

DIVINE FREQUENCIES

1

When you've aligned your music to 440Hz.
You can easily bring it to the Divine
frequency of 444Hz by putting your track in
Ableton on repitch, while the project tempo is
110 BPM and then you move the project
tempo to 111 Bpm

In that way your track is repitched to 444Hz.
You can do the same in Cubase, but then you
put your audio in elastique pro tape mode

Go ahead

Try it out!

And feel the difference!

DIVINE FREQUENCIES

2

Find a way to play all music of 440Hz to play
at 444Hz

If i could do some decent programming
language, i would make a program that could
easily transform all mp3 from 440Hz to
444Hz without quality loss

Remember that probably the repitch or tape
mode is the best solution to solve this
problem, without all too much quality loss

Please someone help me solve this problem

And help create something good for all to
bring us all to the Divine and Heavenly
Frequencies

DREAMING REALITY

1

We forgot how to dream

We all have dreams in the form of goals

But We forgot how to dream

It is time to reconnect with Nature

Nature can remember us how to dream

Dreaming reality is a more beautiful reality
than scientific reality

It is more Spiritual

It has more Soul

We must remember how to dream

DREAMING REALITY

2

When everything feels more like a dream, you
have reached the true form of being: the
Mystery of Being

It is the state of being when you dream
reality like a child> When everything starts to
feel like not real, but not fake either. I call it
dreaming reality

Certain drugs will give you this state of mind

I have it with alcohol, after a workout or
when i am more into the zone

It is time for us to remember how to dream
reality again

Dreaming reality without thoughts or
projections and without drugs

Our natural state of being

Dreaming reality like a child

The Mystery of Being

We forgot how to dream

DREAMING REALITY

3

There are multiple ways to get to your natural
state of being: The Mystery of Being

Certain music or movies can pull you into this
zone

Nature itself can pull you in

After a workout

With alcohol which is dangerous for various
reasons

With weed which could also be dangerous,
because it could trigger psychosis

Through intimacy

Through meditation

There are places in this world that can
automatically pull you into the Mystery of
Being

Dreaming Reality and the Mystery of Being is
basically a re-alignment with Great Spirit,
The Supreme Being

EATING OTHERS

The biggest problem in my life left is: Food.
Constantly killing life for the purpose of my
own survival

I don't have yet the answer to this question. I
hope one day i will

Why killing beings is a good thing for survival
for someone else's being. It must have to do
with the survival of the fittest, with the
evolving of species. That to eat or being
eaten is a manner to strive forward as
beings, species and the Cosmos itself

Maybe that's the answer. But i feel everytime
that i eat, i have killed my brother and i don't
want to kill my brother. I want my brother to
live. That's my problem

I hope one day i am ready to learn to live on
Prana, so i can help my brother to stay alive

I wish a paradise where i don't have to eat
my brother

I wish a paradise in harmony and peace with
all living beings that choose to live

EEN GEBED

Vader, U die almachtig is

Laat mijn licht schijnen

Laat me 1 woorden met uw woord

Laat me de woorden brengen die goed zijn

Laat ons helpen deze wereld te helen door
elkaar te inspireren

We moeten elkaar het goede voorbeeld geven
Vader

We hebben de verkeerde instructies gekregen

Alstublieft Vader help ons deze wereld te helen
voordat het te laat is

Geef ons de kracht, de wijsheid en de kennis om
te overleven in al wat komt

Zodat We daarna een hemel kunnen delen

Het Koninkrijk van God

Met liefde en warmte van de Heilige Geest

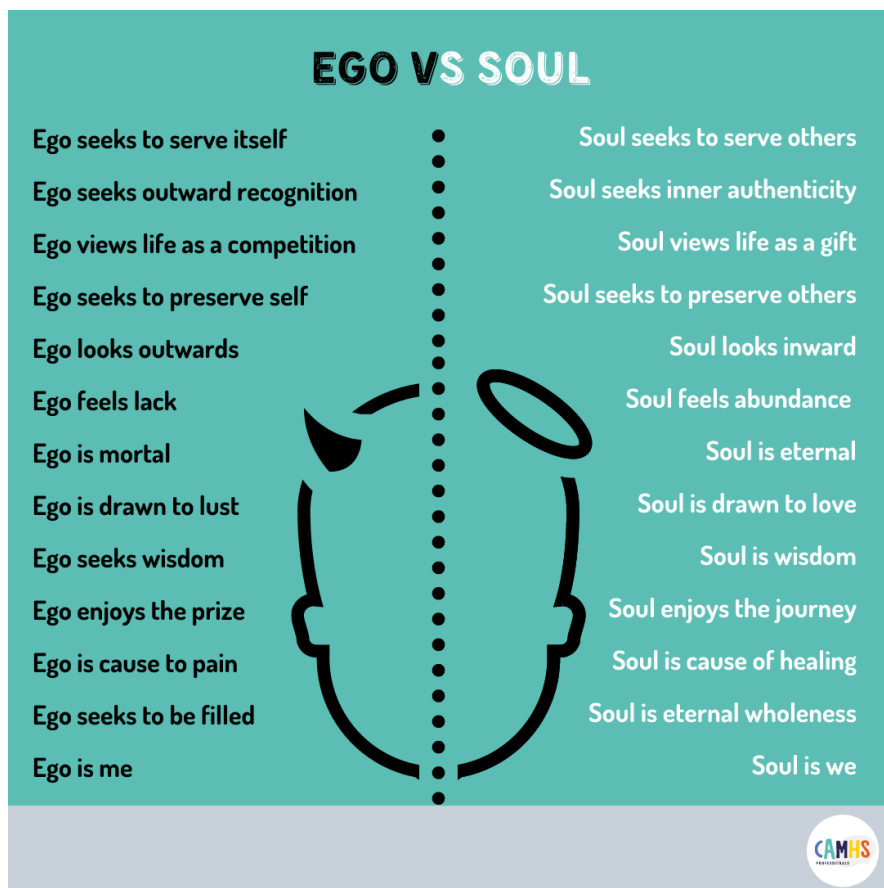

Hemel op Aarde

Hemel daarbuiten

Amen

EGO OR SOUL

1

Ego or soul?

Hell or Heaven?

Now is the time to choose

EMBODY BEAUTY TO BECOME BEAUTIFUL

I make no separation of body and spirit

I find someone beautiful because of their
whole being

Both body and spirit

Spirit creates body

Body creates spirit

It is a perfect design of creation

You become what you are

You are what you become

I recognize beauty

I know what embodies the ideal

And it will create both inner and outer

EMBODY THE IDEAL

1

I am the Word. The Word of God

Embody the Highest Good

Embody Eyowa into your Being

Embody the Holy Spirit to guide you Home

True Creation is something else than We have
created

We are going to heal us and help us find our
Home

Our True Home

Time has come

EMBODY THE TRUTH

To make one Brave, one must accept and face
death, knowing the beauty of the other side

We are all going to die and i believe sooner
than later

We must be Brave in all that is to come

We must face death with Braveness

Death has not touched us yet

But time will come that We are all going to
die

Embody the truth

You are going to die

It will make you Brave in all that is to come

I promise

EMPATHY IS MADE THROUGH SUFFERING

I believe there is also a good reason why all
the bad stuff happen in our world, every
suffering can create empathy in the one that
suffers

Without empathy We all would be
psychopaths

Empathy is made through suffering

Maybe We all have been a psychopath before
We came into being in this world, but paid
our prices in other lives

Now the next level is presented

A place in Heaven, where We live the right
form of being, without falling into
psychopathy

"We are all parts of the same puzzle"

"We have to help each other. One of the most beautiful things one can do is to help the other become better and braver"

END OF DAYS

Het is leuk en mooi als je een mooi leven hebt. Dat is de wens van ieder wezen, maar voor veel wezens is het leven op Aarde een verschrikkelijk verdriet

Mede dat de mens niet heeft geleerd van zijn fouten en eindeloos de verkeerde leiders volgt is er besloten over deze Aarde

Er gaat een zware storm komen om mensen te laten leren en om deze Aarde schoon te spoelen van al het verdriet wat deze Aarde is aangedaan

Het is tijd

Het zal niet lang meer duren

End days are here

Many will die and find the afterlife

Prepare yourself

Everybody who fights against the Father will be
placed in Hell

Time has come

We will bring everybody home

This world is DEEPLY Lost

What a sad story

What a sad story

I am sorry for all who have suffered and will
suffer

It could have been prevented if We had listened
to the Father

It could have if We truly listened to our heart

FAMILY

1

"So We always said that We've been told that We are relatives. And while our white brother will talk about water, trees, animals and fish as resources. We talk about them as relatives.

And that's a whole different perspective. If you think that they are relatives and you understand that, then you are going to treat them differently"

— Chief Oren Lyons —

We should always remember that the Cosmos, Aliens, Nature, The Animals, Humans, The Fish, The Trees, The Birds, The Insects, The Sun, The Moon, The Stars are all one family

We forgot one of the biggest stories in the Cosmos. That We are all members of the same family. We should treat each other with dignity and respect

We are all brothers, every thing, every person, every being

WE ARE ALL BROTHERS

We should treat each other with dignity and respect

WE ARE ONE FAMILY

FAMILY

2

I love all beings. Some have forgotten that
We are all one family and that We all are
brothers and sisters. The animals, the insects,
the trees, the sun, the moon, the devil itself.

All family

We are in this together

Some have forgotten, some know, some have
remembered

But it is the truth

We are in this together

Please respect your brother

Even in the most desperate times

Love can heal

Love can remember

Love can protect

Love is what We need to remember in us all

Only then can We prevent what is hurting us
the most

True suffering

It is to be prevented

Not to be made

Please remember what you are

You are here to help heal creation

Become a better force to the entire Mystery of
Being

We are family

You are my family

I deeply love you

FAMILY

3

I am not your friend, i am not your enemy, i
am your family

We are all family to each other

We should lose the term friends more

We should lose the term enemy more

It only creates more and more separation

There are beings that you like less and there
are beings that you like more

But We are ALL Family!!!

Brothers & Sisters!!!

FINAL CHANCE

I find it very hard to share these hard words to the
world

But the message needs to be said

This is your Final Chance to come back and Heal
what the Father Started

We are going to create Heavens and hells
afterwards

Pick your destiny

And please while you are here choose what is Right

You can do everything you want in hell, but here
please respect the other

There is already too much suffering in the World

We are trying to heal it by seperating Heaven and
hell

We live in a Twilight World

Time to bring Everybody Home

The Great Spirit, the Supreme Being is
watching

To find us all home

HARMONIE OF DISHARMONIE

Er is veel disharmonie in de wereld, We zijn
jaren tegen elkaar uitgespeeld door een
kleine groep psychopaten

Het kwaad bespeelt ons zonder dat dat
duidelijk zichtbaar is

De bedoeling is dat die psychopaten en het
achterliggende kwaad worden overmeesterd,
zodat mensen weer terug kunnen komen bij
hun ware kern, hun ware zelf

We zijn allemaal lichtwezens die behoefte
hebben aan warmte, liefde en harmonie

We zijn teveel meegegaan met het donkerte

Het is aan ons wat We willen, gaan We mee
in de destructie van deze planeet of willen
We de aarde weer helen en de harmonie en
de vrede terugbrengen?

HAVE RESPECT FOR YOUR MAKER

God is good. God is great

Without God We wouldn't even exist

A little respect to him would be in order

A bigger respect would be the right form of
being

HELP RAISE THE VIBRATIONS

Tell the people that you love that you love
them. You can also do it telepathically

Tell daily telepathically to all beings that you
love, that you love them and in that way they
can receive your love intuitively or
consciously

Showing love will help raise the vibrations in
this world

It will help to create World Peace

HEMEL OP AARDE

Liefde is de weg

Liefde moeten We blijven koesteren

Liefde is aandacht, verdriet en geluk

Liefde is pracht en praal

Liefde is hemel op aarde

Liefde is hier

Liefde is daar

Liefde is er voor elkaar

Liefde is om te delen

Liefde is om te vergeven

Liefde is een zegen

Liefde kan helen

Liefde kan voor ons allemaal

Deel je liefde en maak er wat moois van

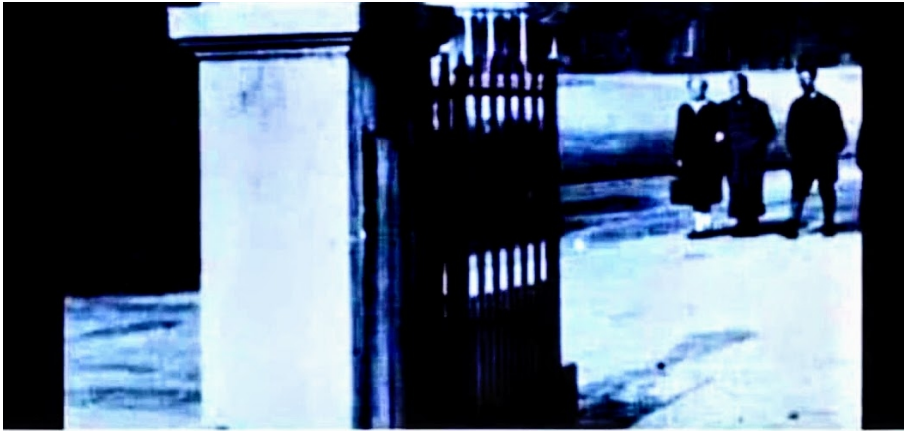

Vertel de ander dat je van hem houdt zonder
afhankelijkheid

Deel je liefde opdat We ooit wereldliefde kennen

Een paradijs

Hemel op Aarde

HERINNERING

ARNHEM - Op **15 september 1941** wordt een nieuwe maatregel van kracht waarmee de Duitsers de **Joden** in een steeds groter isolement brengen. Vanaf deze dag zijn parken, café's, restaurant, bibliotheken, schouwburgen, musea en andere openbare gelegenheden voor **Joden** verboden.

HET KOMPAS

Vraag in jezelf:

Voelt dit goed of voelt dit niet goed?

We hebben allemaal een kompas in onszelf

En dit kompas geeft raad

Is dit een juiste keuze of een slechte keuze?

Een slechte keuze geeft een slecht gevoel,
een juiste keuze een goed gevoel

I.c.m met ons ratio zouden We onszelf de weg
moeten kunnen wijzen

Verbind je meer met Eyowa en je bent beter
verbonden met een beter kompas

HOLLYWOOD PEDO PARADISE

Hollywood makes the biggest movies about
the biggest heroes, yet it seems that almost
nobody from that club stands up and faces
the satanic cult that is ruling this world

They are called actors. They only become the
embodiment of superheroes in their movies

Time for the real heroes to come into being
and help dissolve the satanic cult that is
running this world

Call your inner hero and help unmask the lie
We live in

HOUSE OF CARDS

1

When man does right, man doesn't have to lie about
his actions

When man keeps lying, the world will eventually fall

Society is about to collapse because of all the lies
We have told ourselves

House of Cards will fall

Any time soon now

Prepare yourself

On all levels

Mentally, emotionally, physically and spiritually

Store food in your homes for at least 3 months

Civilization as We know it is about to end

HOUSE OF CARDS

2

Laat het kaartenhuis vallen

Deze wereld wordt geregeerd door een
duistere orde die werkt vanuit het duister
Alle grote instanties beschermen dit duister,
maar aan de buitenkant lijken ze betrokken
te zijn met de gewone mensenwereld

Het is allemaal schijn

Deze wereld wordt geregeerd door Satan

Deze wereld is verdwaald

Deze wereld zoals We hem kennen moet
eindigen

It is time

The Creator is going to step in

I am the Son of the Creator

Listen Carefully what i have to say

HUG THE TREE

Trees have healing bodies. Sitting next to a tree or hugging a tree will heal your body, will heal your soul

Feel the tree that speaks to you and hug the tree as if it's your best friend. The energy or soul of the tree will align with your body and soul and it will automatically remove all negative energy from your being

Say thank you afterwards and come back often to heal the negative energies you build up

Go ahead, try it out!

I AM THAT I AM

I am free

I am alone

I am with someone i can trust

I am love

I am harmony

I am peace

I am here to survive every storm

I am strong

I am loved

I am beautiful

I am that i am

I am God

KNOWLEDGE

16

"A lack of love in life can get you killed. It is important that this world remembers what love was like. How to induce love. How to stay loved. It is important to give love and receive love in order to survive this world We live in and to bring our true home back into being"

"Align yourself with Eyowa, to become a better writer, to become a better musician, to draw better, to love better, to protect better. Align yourself with Eyowa to become better at your Craft in alignment with Creation itself"

"At the moment the Cosmos is trying to re-connect the dots. Our world included. We are trying to prevent something terrible from happening. If you want to help; connect daily with your Heavenly desires and embody the ideal; the Highest Good. Connect with the Creator Force Eyowa and let the Holy Spirit within to help us all"

"Be thankful for what you do have. It helps to create something beautiful. To be thankful for what you have, even if your life is miserable, will help you to gain something better"

"Choosing ultimate perfection is not the Highest Good. You should strive for perfection knowing that you never can make it. You should always have some fragment of

imperfection in your art and your being for the ones that want to dislike you. Imperfection has an important role in Creation"

"Denk in overvloed. Dank alvast voor wat je zult krijgen. Denken in overvloed helpt met het creëren van je persoonlijke paradijs"

"Embody the ideal and help heal the world"

"How hard is it to remember We are all family?"

"It is beautiful to open yourself up to the Divine. It is a real gift"

"Luister naar de stem die weet wat goed voor je is"

"We are all here on a soul mission. But our real home is on the Other Side: Heaven or hell. And i believe We are very close in getting there"

"When you have known to be crazy, you know what is not. I just hope that what is overcome to me, will not overcome the world. And i will do everything i can, to contribute to that. To create harmony instead of madness, in spite of the world going more mad"

"You attract what you love, love what you want to attract"

ILLUMINATI AND FREEMASONRY IS A DISEASE

We basicly only need food, shelter and good
company. The rest is all lust for power and
money

It is time to bring the Illuminati and the
Freemasons down

They let us believe that We need to buy their
system, their food, their medication, their
television, their agenda's

It is time to bring Satan down

Finding home

Heaven or hell

Time has come

IMAGINE

We are going to take "paradise" to the next level

Something beautiful is coming

Align with your preferred world

All your dreams can come true

We've waited long times

But destiny is here

Final steps

What are you waiting for?

Dream the dream you wish to dream

Align with Great Spirit, Eyowa

And create something beautiful for all

IN LOVE

I'm in love with Donald Trump

I'm in love with Jordan Peterson

I'm in love with Simon Posford

I'm in love with George Michael

I'm in love with Michael Jackson

I'm in love with Harrie Jekkers

I'm in love with Laura Matsue

I'm in love with Malidoma Patrice Some

I'm in love with Thich Nhat Hanh

I'm in love with Frans Bauer

I'm in love with Ismael Perez

I'm in love with Evy Poumpouras

Being in love doesn't have to mean being
intimate in love

Being in love means that you adore someone
and wish the best for them

Share your love with the world my friends

The world needs it!

It is time!

INTIMATE LOVE

Intimacy is the highest good

If love is the highest good, Intimacy is the highest
good

To be intimate with someone that you love is
beautiful

Sex is shallow

Intimate love is the deepest love you can imagine
and feel

Intimate love is the highest good

Intimacy is what We are meant to do
Intimate love is the True Creation
Creation We have forgotten
In this world there are many complications when
making intimate love
You can get pregnant
You can caught soa's
You can transmit trauma's and entities
You can transmit unwanted soulvibes during
intimacy
You can break someone's heart
But somewhere out there, outside this creation
there is a world, where intimacy is the Highest
Good
Where We make beautiful love with everything We
desire
Our wildest fantasies can come true
Where the Mystery of Being is making deep love
with Creation itself
We are one my friends
We are one
We must love ourselves
Respect ourselves
We must become one with the Supreme Being
Because the Supreme Being knows all, and sees all
And feels what We all desire
Deep intimate love

INVOCATION

Help us Father

Give us strength and power to overcome
every storm

Let us be ruled by the Holy Spirit

And bring us all Home

Deliver us from Evil Father

Shine a light into our hearts

Let us be invited to the Kingdom of Eyowa

And remove everything that doesn't serve the
Highest Good

So We can live in Harmony and Peace with
you Father

The Supreme Being

JUDGEMENT DAY

4

I am death, i am life, i destroy, i create
I am about to destroy this world, to start a
new beginning

What will you choose?

Do you want to make things worse or better?

I am the Creator of this Universe

The Creator of the Cosmos

Omniverse of Creation

I am the Creator of Worlds

Listen Carefully what i have to say

I care for my children

But if you fail to create, i need to destroy you

You have been chosen here to be with me in
these final moments to be judged

You will be judged by the Father, the Son and
the Holy Spirit

The Holy Master, Yeshua & Krishna

In this life: Eyowa

He is a Holy Being and has been sent by the
Creator of Worlds to represent Holy Order
and to bring everybody home

Tell your friends and family that the Chosen
One is here now

Your Fate lies in Gods hands now

Repent now to come back to Creation

Or go to hell or cease to be

That is my call

My final call

JUDGEMENT DAY

5

I have respect for all beings even to my 'enemies'
but We've continued to destroy Gaia and the beings
on Gaia

Mankind still hasn't learned after all We've done to
make you remember

The Creator had to make his final judgement about
this world

And the Judgement is that this world will be
destroyed, all continents will be removed from the
face of the earth. New continents will rise, where
new life will co-exist with Gaia and nature.

Something We haven't learned. We've lost our
respect for nature and beings like ourselves

We destroyed Gaia, almost to the point that it was
beyond repair

I have saved you many times before

Not anymore

You must learn that what you have done to this
world will get you a heavy price

Time has come

I have warned you many years before, but you
wouldn't listen

The Creator is going to annihilate this world

I am the Chosen One to deliver this message and to
bring everybody home

Read my book

Follow my work online

This is my last call to make you become a good man
and to repent your sins to Eyowa, The One Infinite
Creator, the Supreme Being, Yeshua, Allah,
Tunkaschila, Grandfather

We will find home

Heaven, hell or True Death

It is time

And for God's sake don't make it any worse than it
already is

Repent now!

Let the Holy Spirit sincerely within

And bow for the Sun and Gaia> ask for forgiveness

Mankind has done a terrible job

Shame on you!

JUDGEMENT DAY

6

I see, I know, I determine

JUDGEMENT DAY

7

Wie God afwijst, wijst mij af

Wij mij afwijst komt in de hel

Wie mij omarmt komt thuis bij God

Het is tijd om God in je armen te omsluiten

Het is tijd om jezelf over te geven aan de
Goddelijke wil

Omarm mij en ik zal u omarmen

Wijs mij af en ik zal u afwijzen

Het Laatste Oordeel

JUSTICE

Violence can be used for good

To defend oneself or for Justice

There is a time coming where everyone will be Judged

Karma is coming to all the people who did the most horrible
things

Sooner or later

It is time for Judgement Day

Everyone gets what they deserve

Pray on your knees and start doing the right things if you
want to be forgiven

These are the last days to escape hell or True Hell

JUSTITIE

1

Justitie probeert een zaak tegen mij te maken

Jullie zoeken naar de verkeerde dingen

Als er 1 entiteit goed moet worden
onderzocht dan is het justitie zelf wel

Jullie zijn een misdadige organisatie, die
opkomen voor georganiseerde misdaad

Mensen die steeds dieper in de organisatie
vallen weten waar ik het over heb

Ga jullie mond spoelen en kom op voor het
leven en het paradijs wat We gaan creëren of
blijf mensen beschermen die blijvend de
wereld verkrachten

Time to choose

Between Heaven and hell

Time is running out!

JUSTITIE

2

De samenleving is klaar met alle verderf en destructie. Jullie zullen boeten in de hel voor het beschermen van de grootste psychopaten in de historie van de mensheid!!!

Judgement Day Has Arrived!!!

JUSTITIE

3

Niet alle wezens bij Justitie zullen worden
veroordeeld

De top van de piramide zal het meest
aansprakelijk worden gesteld

Het duister zal vallen

Het duister zal verdwijnen

Want het duister is voor onbestaan

We gaan jullie veroordelen voor wie het
gemunt heeft op de mensenzoon Eyowa

Heb een gezonde Angst tegen God

God werkt door mij heen

!!!DON'T FUCK WITH ME!!!

JUSTITIE

4

Vergeet niet dat bij justitie en politie vele mooie
warme zielen werken die het verschil maken

Hun inzet voor de zwakken in de samenleving,
hun opkomen voor mensen in nood en al het
andere goede dat justitie en politie heeft
verricht is niet ongezien

Jullie zullen beloond worden voor jullie goede
daden

Werkelijk alles is niet ongezien

De Vader kijkt door mij heen, maar ook door u
en de ander en ziet al onze gedachten,
gedragingen en acties

Er gaat een oordeel komen over alle mensen en
mijn aantijgingen tegen justitie en politie geld
niet voor alle zielen binnen die organisaties

De mensenzoon gaat het opnemen tegen het
kwaad in de wereld en de duistere orde die
beschermd wordt door politie en justitie. Zij
gaan terecht en veroordeeld worden door de
nieuwe machtige ordes die zullen ontstaan

Tijd gekomen

KARMA

Baphomet, lucifer and the devil itself will fall

They will cease to be

Unless they want to pay their price

Unless they want to pay their price

**YOU WILL CEASE TO BE UNLESS YOU WILL
PAY YOU YOUR PRICE IN TRUE HELL!!!**

LEARN OR FIND TRUE DEATH!!!

Time to choose

Everybody involved will have the same
mission

Pay your karma and LEARN or CEASE TO BE!!!

KINGDOM MARRIAGES

1

**When mankind is reborn, kingdom marriages
will happen to all the beautiful people that
stayed strong in this most difficult world**

**Trust that your love will come. Have faith.
Have hope**

**Everything in Divine Timing for the purpose of
the Highest Good**

LAST WARNING

If you are not going to learn the right form of
being here, you are going to learn it in hell

This is your last chance to come back and
HEAL what the Father started

Don't want to heal, don't want to learn???

Pray for your being that you don't end up in
TRUE HELL!!!

That is a warning!!!

My name is Eyowa and We are trying to
prevent True Hell to us all

You had many examples in your world that
presented the Highest Good, but you could
choose to disobey that path

If you don't learn it the soft way, you are
going to learn it the HARD way

We have warned you many years before

You all have a compass in your being

But if you don't choose to listen to it and
become the LIE itself than We have two
options for you: Learn in HELL or become
non-existent, a stone, a building block,
because you are useless if you don't RESPECT
THIS WORLD AND THE CREATOR OF WORLDS

My name is Eyowa, i am the Son of Men and
End Days are here

Judgement Day has arrived

Everybody Home

Finding Home

KNOWLEDGE

17

"A tree cannot feel how you feel, you cannot feel how a tree feels. Except when one becomes the Tree one remembers how a tree feels. Become one with Creation. Remember how the tree feels, how the birds feel, how the Sun feels, how Gaia feels. Oneness. Become one with God. Become one with Creation and Remember to be alive"

"Darkness should protect Light, Light should protect Darkness and the Great Balance will be restored"

"Embrace your feelings. Don't run away from them; treat your feelings with love and braveness"

"Heb geen verwachtingen van het leven, het leven stelt hier vaker teleur dan dat het inlevert. Leef zonder verwachtingen in het nu terwijl het ergste u kan overkomen en het mooiste. Laat het leven u leiden in plaats van dat u krampachtig vasthoudt aan verwachtingen. We zijn hier om te ervaren, te genieten en te lijden. Blijf in het nu en accepteer uw lot, terwijl u het beste van probeert te maken"

"Learn to JUST BE. Feel your surroundings. Feel the Earth. Feel the Moment. The Present Moment and Become one with God"

"Non binary people don't exist. Insanity does"

"Oprechte woede is niet altijd verkeerd,
oprechte woede kan voor het goede gebruikt
worden: een corrigerende functie"

"Put your most favourite quotes in the
bathroom to embody them"

"The Father knows what to do in these difficult
times. Connect with him to know what you
should do"

"The Gift of Life is becoming one with God.
The bus of the Gift of Life is coming. Are you
stepping in or not?"

"There will be an Anti-Truth movement that will
find hell. There will be a Truth Movement that
will find Heaven. Time to choose where you
belong"

"When one becomes one with God, one with
creation, one remembers how to be alone
again. Alone with God. Alone with Creation"

'When your sense of self dissolves you become
one with Creation, you remember what life was
all about; Oneness. Harmony and disorder are
not made, they are hidden from the Divine
Infinity. The lost self"

LEARN HOW TO SUFFER

There is a way to learn how to suffer and it
can make you very strong in bad times

We must learn how to suffer in order to
survive the storm that is coming

Accept your suffering, don't fight it and see
the challenges you are facing as challenges

It can help you make you Brave against
suffering

Trust on the Mystery of Being

Accept your suffering and continue your story
to create something better for you, your
family and the outside world

Big storm coming

There will be light at the end of the tunnel

Focus on the light through all the suffering

It is time to bring everybody home

Finding home

LEARN TO FEEL

1

Feel your feelings through. Don't be afraid. Feel the feelings in your body. Become aware of your body by doing daily body-scans

Become aware of all unpleasant feelings in your body and feel those feelings through

Without anger, without fear, but with braveness and love

Feel your feelings

Become aware of your body

Not with your mind

But with your body

That's how you solve trauma

Feeling the feelings through

Be Brave

P.s. You can do it in any position or movement. You don't have to sit. You can do it while walking. You can do it while laying down in your bed. Practice makes perfect! You can do it! I believe in you!

LEARN TO FEEL

2

Laat je tranen vloeien. Op dit moment wordt heel veel oud zeer verwerkt door het collectief> Op afstand helen We elkaar door elkaars angst, pijn en verdriet te doorvoelen. Ook al begrijp je soms niet waar je gevoelens vandaan komen; doorvoel je gevoelens, laat het vloeien. Het is de Weg. Het is de Waarheid

“Feel the feeling, but don’t become the emotion. Witness it. Allow it. Release it”
— Spiritual League —

LEARN TO TRUST

We must trust in ourselves that We will
succeed, without being naïve

Trust is a very powerful mystery into our
world's problems

Trust is a belief

Trust is a power

Trust on the Highest Good

Surrender to the Divine and take your
responsibility

We need your help

LIES

This is what you get people

If We lie too much to ourselves and the ones
that surround us, if We keep things in the
shadows the world gets darker and darker

We took the wrong road

We should have become enlightened beings

Not endarkened beings

Time to choose

Upgrade or downgrade

Now is the time!

LOOSE IT

We must destroy all violent art that is almost only about violence. We should destroy all horror art. We should destroy all art that are non-cooperative to the human spirit

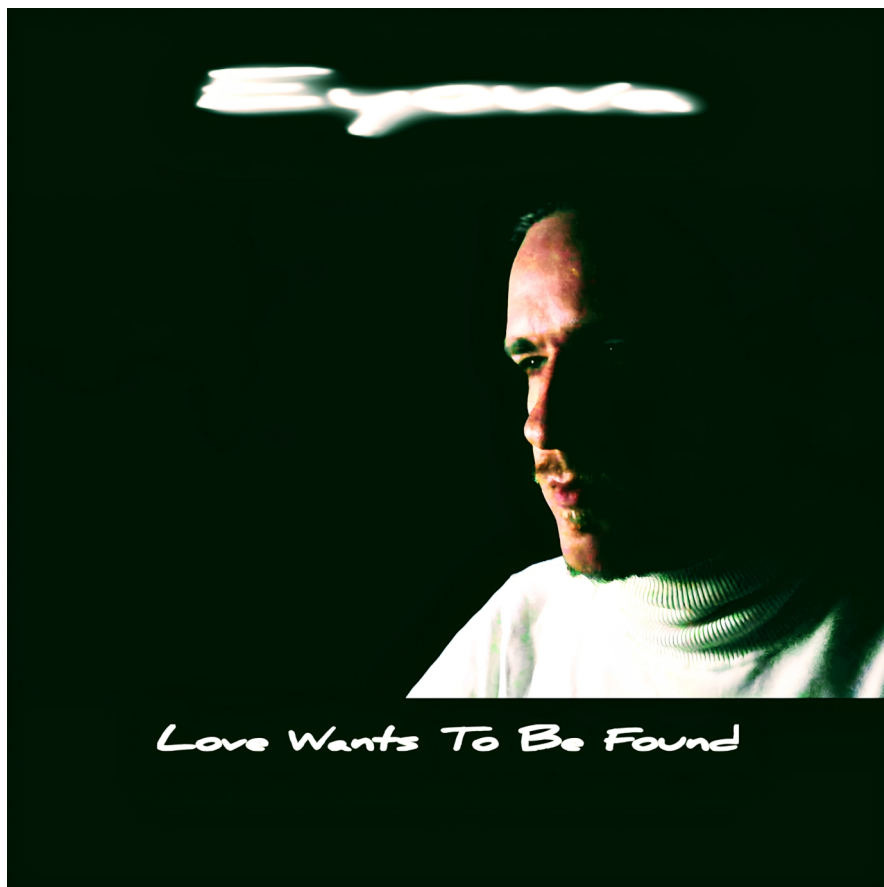

Everything that is being watched will stay in the Collective Consciousness until it is released

We should destroy all art that only creates fear and suffering

We should be careful what We put into our minds, because what We put in our minds comes in the collective and in that way We can destroy the balance of this world

Do you choose Heaven? Loose all your art that doesn't serve the Highest Good

LOVE YOUR BROTHER RESPECT YOUR BROTHER

African people should be loved, Arab people should be loved. The Animal Kingdom should be loved, Asian people should be loved, Black people should be loved, Gaia Should be Loved, Indian people should be loved, Middle Eastern People should be loved, Native Americans should be loved, Russian people should be loved. The Sun should be loved, White people should be loved and all the ones that i have forgotten

AM I CLEAR?!?!

**WE ARE ALL FAMILY TO EACH OTHER
WE ARE ALL MADE OF THE SAME STARDUST**

RESPECT YOUR BROTHER

WE ARE ALL BROTHERS?!?!

WORLD PEACE PLEASE

GOT THAT?!?!

LYING LETS YOU CONNECT WITH HELL

Het probleem met leugens is, is dat je je
leugens gaat zien als waarheid en daardoor
een verdraaide werkelijkheid krijgt van het
bestaan

Hoe meer men liegt, hoe meer men connect
met de hell-side of being

A dangerous road, one that will finally lead
to true death, hell or true hell

MARRYING CREATION

Ask Creation that you want to marry it. With that comes responsibility. You will become one of the Protectors of Creation and you can join helping to heal it, so We can have a powerful and beautiful Creation together

Ask Creation that you want to marry it. Make a bond. You will receive gifts because of it

Trust

Become a Protector of Creation by marrying it

MESSAGE FROM GOD

We are about to change the rules of this
Universe. Some big changes are coming to the
entire Mystery of Being

I have been chosen to be one of your guides

Follow me to become a balanced being and
choosing love and light in balanced harmony
with Creation

Coming decades will be heavy, Big storm is
coming

Mankind has failed> We are going to restore the
Balance in this World and the Verses beyond

Mystery of Being is far more important than the
explanation of Mankind

Time has come to bring everybody Home

Finding Home

Follow me to follow the path of the Sun of Light

History has ended

A New Beginning

Mankind has failed

We are going to guide you home

MICHAEL JACKSON

1

No matter what you think of this man or what he has
done

This man is the Highest Good. A very Brave man, who
stood his ground when so much unlight was spit on him

He meant so much good for humanity, the Animal
Kingdom and Gaia. He wanted to create a paradise for
all. He has done such an amazing great job. He is my
friend and hero in this life and beyond

He is the Highest Good

Listen to his music, watch his videos and interviews. A
very Brave Beautiful Soul that should have been alive to
this day

MONSTERS IN POWER

1

The problem in this world is that We are ruled
by monsters who have no empathy

They will need to pay their price for all that
they have done, and by doing so they become
empathic beings

They must learn that what happened here,
must not happen ever again!

They will be forgiven one day, but first they
will pay their price in True Hell

MONSTERS IN POWER

2

The powers that be need to be removed,
before We can talk about healing this world

Everything We do makes no sense when there
is an agenda that is using us, breaking us
and destroying everything that is good about
Gaia

The people in power need to die, they need
to receive what they've done to this world

It is time to bring them to True Hell

MOTHER GAIA IS CRYING

1

I love this planet

I am in love with its beings

I am in love with its nature

It's sad what happened here

Very sad

I want to help heal it

I live solely for this mission

I want to survive the storm that comes

I want to help heal the world

Give me my strength Father

Make me Brave for all that is to come

MOTHER GAIA IS CRYING

ONTHECHTING

Als ons het lot ligt om te sterven, wordt het
tijd om onthecht te raken van deze wereld

We moeten deze wereld kunnen loslaten. We
moeten onze vrienden en familie kunnen
loslaten

Zeg nog de dingen die op je hart liggen en
die nog onuitgesproken zijn. We moeten ons
gezamenlijk voorbereiden op ons sterven

Het is niet goed om in de tussenwereld
terecht te komen. De wereld tussen hemel en
aarde

Daar belanden We als We niet goed kunnen
loslaten

Spreek uw hart uit naar uw vrienden en
familie en kom meer los van het leven hier op
aarde

Het is tijd om allemaal naar huis te gaan

Deze wereld is zwaar verdwaald

Komende decennia gaat iedereen terug naar
huis

OVERCOMING TRAUMA

HOW TO FEEL YOUR FEELINGS:

A THING THAT SOUNDS OBVIOUS BUT TOTALLY ISN'T.

1. AN UNPLEASANT FEELING ARISES.
2. YOUR MIND LAUNCHES INTO WHATEVER INNER STORY ACCOMPANIES THIS FEELING

"I'M UNLOVABLE... I'M A LOSER... I RESENT MY FACE"
(JUST FOR EXAMPLE)

STOP! YOU ARE THINKING YOUR FEELINGS.

3. REDIRECT your MIND AWAY FROM THESE THOUGHTS & INTO THE SENSATIONS in your BODY. MENTALLY NAME THEM (my chest is TIGHT etc.)
4. BREATHE INTO the FEELING/SENSATION & ALLOW IT. (RY, SHAKE, etc. (if you're not, like, in Target.))
5. YOUR MIND WILL REALLY WANT TO GO BACK INTO THOUGHT-STORY-MODE. WHEN THIS HAPPENS, REDIRECT your AWARENESS BACK INTO YOUR BODY.

6. TAKE DEEP BREATHS. KEEP FEELING INTO your BODY. LET THE FEELING EXIST AND TRUST THAT IT WILL LEAVE. OBSERVE IT CHANGING. WATCH IT MOVE. NOTICE THAT YOU HAVE SURVIVED.

EMILY McDOWELL @EMILYONLIFE

By Emily McDowell @Emilyonlife

Basically this is the way how i overcame my personal traumas

Not running away from the unpleasant feelings, but to do the opposite and allow it.

Moving the attention to the unpleasant feelings and sitting there for a while until it moves away. Be brave

Becoming aware of my body is one of the most important lessons I have learned in life. It's crazy that We learn to fill our minds with mostly useless information at school that never benefits your life, while these lessons that really helped were so far to be found at school

You learn to become a slave, not to become an individual that is aware of their own body and mind and how to cope in a world that is full of lies and bad stories

This was for me a good way to overcome my deepest fears, my deepest traumas. Maybe for you too?

PREVENTING TRUE MADNESS

Madness is one of the enemies of Creation. I
am here to Guide You and not fall into
Madness

There are many ways of Finding Home

Through my words We could find a Paradise
to be and a prevention of True Madness

We have to get our sanity back through the
Word of God

PRICE TO PAY

1

En eigenlijk zijn We vrijwel allemaal moordenaars en misbruikers

Hoeveel dieren er wel niet door ons toedoen verkracht en vermoord worden dagelijks is verschrikkelijk

Dieren waarvan je echt kunt houden, een prachtige mooie warme band mee kunt opbouwen worden continu koelbloedig gestopt in kleine hokjes totdat ze koud en kil worden gedood voor consumptie

Lekker he zo'n vleesje op je bord?

Disgusting

Al die kinderen in Oosterse landen die geen leven hebben omdat ze onze kleding en spullen in elkaar zetten

Het is een disgusting zieke wereld

En We vragen nog geen eens om vergeving?!

We hebben nog geeneens massaal spijt?!

Waar is onze menselijkheid gebleven?!

We zijn monsters die bijna 70 procent van de dierpopulatie heeft uitgeroeid sinds de jaren 70

En dan heb ik het nog geeneens over alle natuur die verdwenen is

De mensheid is verdwaald en moet berecht worden

Hoge prijs zal moeten worden betaald

LOOK WHAT YOU"VE DONE WHILE YOU DRINK YOUR MARTINI AND RIDE YOUR EXPENSIVE CAR!!!

DISGUSTING HUMANS!!!

PRICE TO PAY

2

In the right form of being the Underworld
protects the Overworld and the Overworld
protects the Underworld

The Satanic Cult is destroying the Underworld
and the Overworld with their sick agendas

It is time to remove them from the *Mystery of*
Being unless they want to pay their price in
True Hell

Time to choose for these sick cults

Time to choose

REDUCE THE SUFFERING

While there is a lot of suffering in the world,
it is not about suffering

We are trying to reduce the suffering through
the Cosmos

Something deeply wrong about beings who
continue to suffer

They die, from the inside

Connect with Source, to choose love, light
and life

Or choose to die

True death

No in-between

Not anymore

Time to choose

REINCARNATION

This world is a training program if We can be
a good man one day

Many have failed

Many succeeded

End days are here

The learning program is over

We will bring everybody home

REPENT BEFORE GOD

De almachtige God in deze wereld vergeeft uw zonden
als u, uw eigen zonden kan vergeven en erkennen

Erken uw zonden

Sta tegenover God

In uw hart en in uw ziel

En vraag vergeving voor uw zonden

Terwijl u leert van uw fouten

God is barmhartig

God is Algoed

Hij wil uw zonden vergeven

Laat hem in uw hart

En beken uw zonden

En leer!!

Laat Jezus in uw hart

En kom terug bij de Vader

En schep een paradijs, een hemel met hem

Het algoed heeft gesproken

Door de woorden van Eyowa

De mensenzoon

Het heilige licht Geboren uit de sterren

Om hemel op aarde te scheppen samen met allen die
willen luisteren

RESTORE YOUR CONNECTION

Follow the Sun of Light and help heal what
the Father started

Look into the Sun to restore your connection
with the Creator

The Sun will let you know when the right time
is to look into it

RITUEEL MISBRUIK

Ritueel kindermisbruik is hot onder de satanistische top van de wereld. Justitie, politie en politiek zijn zwaar betrokken

Ieder jaar verdwijnen 8 miljoen kinderen, voor misbruik, rituelen en adrenochrome

We moeten eens een keer goed kwaad worden met zijn allen en de zieke structuren van deze wereld oprollen

Het is tijd

Sta op tegen alle propaganda die ons wordt voorgeschoteld

Dit is waarom er altijd problemen zijn in de wereld en waardoor er nooit wat wordt opgelost

We worden geregeerd door een satanistisch wereldwijde sekte

Grote mensen zijn betrokken

Het is tijd om deze mensen te berechten en te veroordelen voor hun misdaden tegen de mensheid, de kinderen, de dieren en het leven aan zich

De doodstraf moet heringevoerd worden. Deze mensen verdienen geen plek in deze wereld

Karma will get them one day

SATAN'S CHILDREN

When one has paid his price in True Hell; We
slowly bring them back to hell and eventually
they can find home in Heaven

Everyone deserves a second chance, even the
Devil itself, but not without paying their
price, so one can learn what the right form of
being should be and how We can protect us
all from Satan's children

SATAN IS REAL

Zolang We ons laten manipuleren door een systeem
dat is gebaseerd op leugens gaat deze wereld niet
rechtgezet worden

We moeten het gaan hebben over de waarheid
We worden geregeerd, misbruikt en gemanipuleerd
door een satanische cult

De 13 rijkste families in de wereld zijn zwaar
involved

De machtigste bedrijven, de machtigste banken zijn
allemaal in control door deze geheime duistere orde

Politiek is een illusie

Een schijnwerkelijkheid

Een idee geven dat je invloed kan uitoefenen voor
een betere wereld. Maar er verandert nooit wat

Slaven drijven onder het mom van economie en
succes blijft het hoofddoel in plaats van liefde,
harmonie en compassie met alles wat voor het leven
is

We moeten het gevecht aan gaan en de mensen
ontmaskeren die bezield zijn door de meest duistere
en meest machtige organisaties in deze wereld

Alleen dan kunnen We een betere wereld scheppen
als deze zieke mensen worden berecht en worden
verdwenen van deze werkelijkheid

SATAN IS VERY, VERY SLY

There are many examples given in the world that give
the bad example

Big musicians are used to give cheap examples of
music and style

Big stories are made to give the wrong example

People are made popular to give the wrong example

There are many other examples in the world that are
put forward to give the worst case scenario

And the Sheeple are following it like nothing
happened

We are being tricked by the Illuminati, The
Freemasons and the Deepstate

Satan is very active in this world without us knowing it

Satan is vicious and sly

Don't fall for his demonic kingdom

SEE THROUGH YOUR OWN LIES

One of the worst things that We do to
ourselves is the lies We tell ourselves
Learn the lies that you tell yourself and
transform them to Truths
It is time to break through the illusions
We fucked up as a race
We destroyed the oceans
We destroyed nature
We destroyed the Animal Kingdom
We are destroying children with false stories
about themselves
We must learn to be honest to ourselves and
to others
And take action in becoming a better force to
Nature and our family beings
Only then can We create harmony and peace

A Heaven to Be

SHAME ON YOU

We have raped the oceans

We have raped the wildlife

We have raped cultures

We have raped animals at large

All without asking for forgiveness

Shame on you humanity

!!!SHAME ON YOU!!!

SICKNESS

Open your eyes people. You are being fooled.
Non-binary people don't exist. Crazy people
do. A product of this sick agenda that has
been played out on a lot of children

You are a man or a woman by definition

You have a penis? You are a man

You have a vagina? You are a woman

Simple as that

Don't make things more complicated

SOUL EMBODIMENT

2

Shine through!

Become a soul

And let your soul shine

Soul wants to enjoy life, give life and protect
life

Embody your soul by aligning yourself with
the Creator

Align yourself with Eyowa

And become an soul embodied being

KNOWLEDGE

"And something is very right about this world. We have awesome movies, awesome music, awesome art, awesome dialogues. There is still a good spirit standing tall in this world. It is this spirit that i will bring to you through Eyowa. Something big is coming and it will be awesomely beautiful. The world as We know it is going to die and will be replaced by something better, braver and more beautiful. Time will come"

"Before sleeping. Bend on your knees and bow to the Cosmos. Everyday. And thank the Cosmos for what the day has given you"

"De leugen heerst. That's why We failed"

"Face the evil and transform the evil within yourself to become one with God"

"I am a protector of the light. I went through the darkness alone, to know what it's not. I will go through the darkness again to hold the light for the ones that have ears to hear"

"I am the awakening of mankind. I am the Way. I am the pathway to enlightenment. Follow me and you will be found. In the heart of EYOWA. The Father in Heaven"

"The Father is connecting the dots and suddenly this world will move into a New Era, where Harmony and Peace exists under the Great Sun after the Great Solar Flash"

"Thich Nhat Hanh and i are connected. He is guiding me from the other side. Thank you deeply Thich Nhat Hanh. You are in my heart and in my soul. A true Jedi. Let your words guide us so We can guide this world to the next stage of evolution"

"Trump will come forward. He protects life. He is a protector. Trust in him, whatever the media tells you. He is a guide. Have deep respect for Trump. If you are for harmony, love and connection, he is on your side. He is the protector of life. He is the Highest Good"

"We will one day forget all the terrible things We can do to each other, all the terrible things that have happened, We will one day forget that such a thing as hell exists. We will Find Home and it will be the most beautiful thing. Heaven exists. It is outside this realm. And in the coming decades most of us will travel back from where We came from, Heaven itself"

"When you spiritual clean your house with sage, clean every high corners of your house and it will remove all unwanted vibes"

"You don't have to know everything. You don't have to understand everything. You just need to connect with Eyowa daily and become one of his hands in this world to find us all home"

"You need to get your act together, because there is something deeply wrong for not living your potential"

STAR FAMILY

Starseeds and Star Travelers around the
world, stand up to the corruption, deceptions
and lies! Their time is up. Time for a
Revolution!

-

Since the year 2000 more and more starseeds
and star travelers are born into this world to
help civilization at large

All the children in the world right now are all
very old wise souls

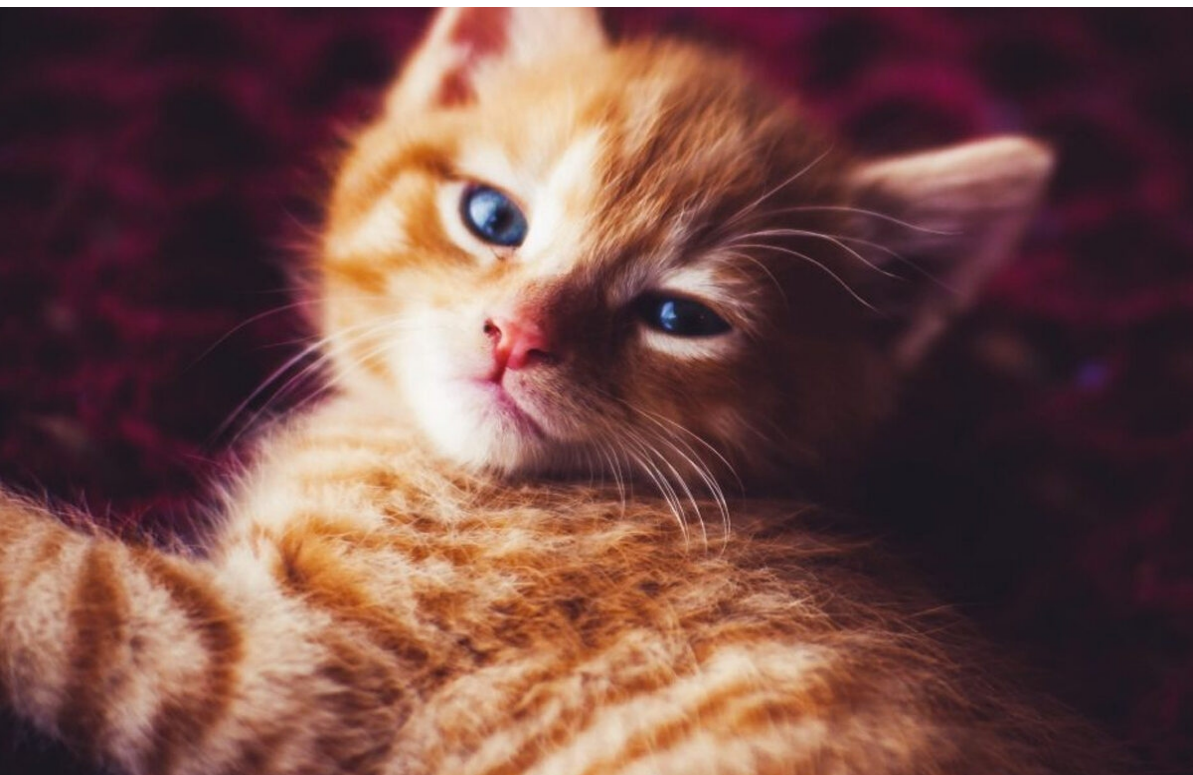

The Cosmos watches over these shoulders of
these very emphatic souls

This world is deeply lost

And there is a range of deep, wise intelligent
warrior spiritual heroes sent from the Cosmos
to prevent harm to us all

And to present us Heavenly Order

STUDY ANIMALS

If you want to learn more about the right
form of being: don't forget to study animals
without using your rational mind

They can learn you a lot about unconditional
love and the Mystery of Being

SURRENDER TO THE DIVINE

When our beliefs changes our world will
change

We are at the forefront of a big
Metamorphosis of Gaia

First the old world will die, before the new
one can be born

Big story to come

It will be Biblical

Heavy storm will come

The world as We know is about to change for
the purpose of the Highest Good

Something is taking back control over this
world

Let yourself be ruled by the Divine

Surrender to it

It is your best chance of survival

History has ended

A New Begin

THE CREATOR'S EYES

The Creator has two eyes. One that delivers
the Dark. One that delivers the Light

Those eyes should always be separated

The world tends to fall when the two eyes get
in each other field

That has happened in this world

We will have to reset what needs to be done

Evil will belong in the world of the Dark, the
right side awareness

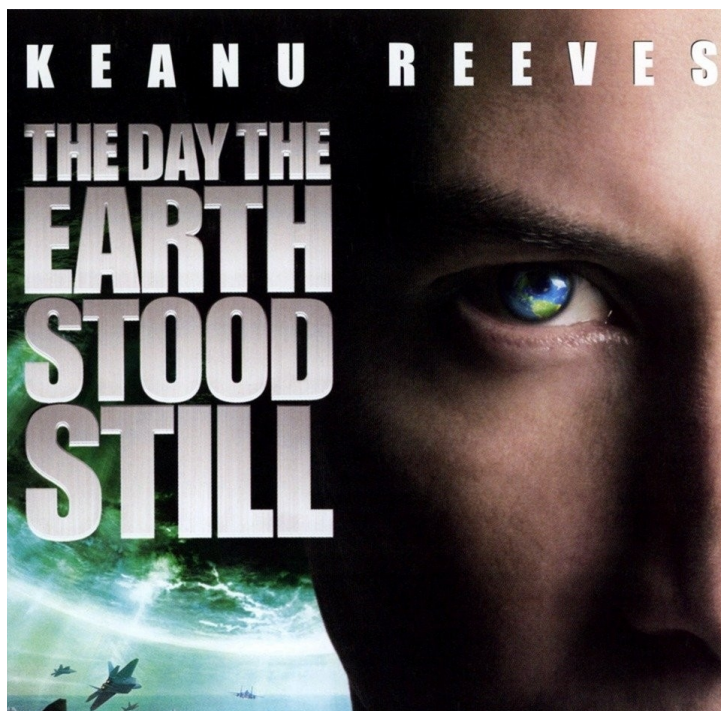

Goodness will belong in the world of the
Light, the left side awareness

Make your call

Cause the Creator is going to fire one of
these eyes on to you

Judgement day has arrived

THE DECISION IS MADE

Er is besloten over deze aarde. Het is niet
meer te redden. We gaan gezamenlijk onze
dood in de ogen aankijken

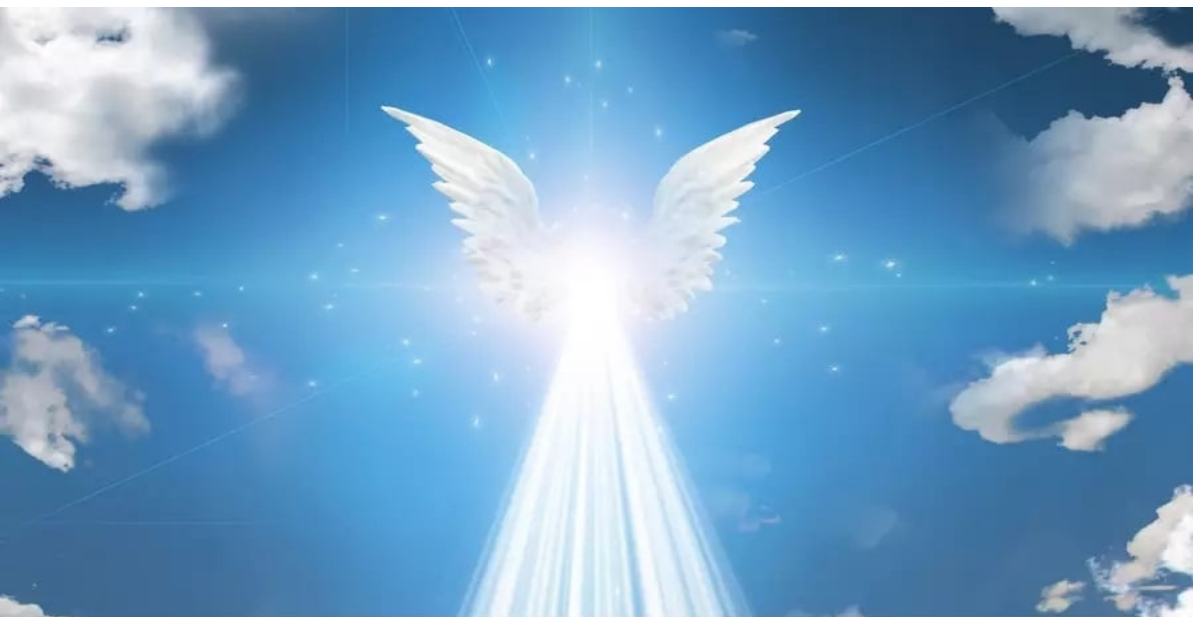

We gaan gezamenlijk terug naar huis

De zondvloed komt terug

Alle zonden worden weggespoeld

Iedereen terug naar huis

THE EMBODIMENT OF THE IDEAL

**The Holy Spirit lets you connect with the
Embodiment of the Ideal**

**Let the Holy Spirit in your heart and become
one with the Embodiment of the Ideal**

Become one with Eyowa

THE FINAL JUDGEMENT

1

Who Rejects Me, Rejects the Father

Who Rejects Me, Will Be in Hell

Who Embraces Me Finds Home With God

It is time to let Eyowa in your heart

It is time to surrender to the Divine Will of
the Father

Embrace me as i will embrace you

Reject me and i will reject you

The Final Judgement

THE GREAT DEATH

The Great Death is coming

The Father is done with this place

Everybody home

Storms will fall over continents

Where there is water there will be land,
where there is land there will be water

The Great Death is coming

Everybody home

Let Eyowa in your heart to find the home you
desire

THE GREAT EQUATION

The Great Spirit, The Great Cause, The Great Notion, The Great Force, The Great Solution, The Great Power, The Great Analyzer, The Great Equalizer, The Great Judgement, The Great Warning, The Great Event and The Great Source are part of The Great Equation

Both Dark and Light side will use this Equation to present the New World Order

It is time to bring everybody home, their true home

Heaven, hell or non-existence

The Great Spirit is the initiative of this Great Equation and is going to bring us all home. It is the All-Knowing. The All-Seeing Eye that is Active and All-Knowing on both Dark, Red and Light Side of being

The Great Cause is that everyone on this world suffers and that the suffering spills over. We are going to eliminate the suffering by restoring Heaven and by restoring hell. This world has become a Twilight World. It is time to bring everybody home, so everyone

can come into harmony with their preferred
creation again

The Great Notion is that this creation has lost its ways. There is too much disorder in this world and people have forgotten that We originated from one Source. It is time to bring everybody home; their True Home to restore the balance in this verse and the verses beyond

The Great Force will come into being to bring Harmony and Peace to this world. Jordan Peterson, Eyowa and Christina von Dreien will be part of The Great Force. They will be the Holy Trinity to this World. The Great Force will perfect their beings to the extent of the Highest Good. Together they will present a plan to bring forth World Peace

The Great Solution is that We work on ourselves to bring forth our true selves. To connect yourself with your Highest Good, ask sincerely to let the Holy Spirit within you and connect yourself daily with the Creator Force Eyowa, Mother Gaia and the Sun of Light

The Great Power will be in the hands of the Great Spirit. The Great Spirit will take control over this world and will divide this world into Heaven and hell. The Great Power of The Great Spirit will be presented at our table and Mankind will know that something big is taking control over us all

The Great Analyzer analyses the world for information and links it to the Mystery of

Being to bring Heavens and hells for us all. It will happen through your computers and phones, but also through your mind and being. Everything is recorded by the Great Spirit and will be used to Judge you and bring you to your final destination

The Great Equalizer will remove all human beings who don't choose Heaven and who don't choose hell; they will find True Death. It will be used for every being who lost their spirit and don't want to work to bring their spirit back

The Great Judgement will be made by The Great Spirit working through Eyowa. You will be Judged by the Father, the Son and the Holy Spirit. You have little time left to start working on yourselves to become a better being. If you are still going to be a bad influence to Creation for 50 percent or more, you will find hell

The Great Warning will be a moment that everyone of us gets a final warning into our being. It will be part of a Storm that will move through this world and is a Reminder to all that something bigger is at play and is going to Judge us where We belong

The Great Event is the moment that the whole world will transform to the Highest Good. Heaven for the righteous, Hell for the wicked. True Death for those who wish to non-exist

The Great Source is available for everyone who wishes to connect with the Highest Good. The Work of Eyowa, the name Eyowa and all that is connected to Eyowa will be part of The Great Source to bring everybody Home to Heaven and True Heaven

Animals, plants and trees will be delivered the same message to their being and they will feel intuitively where they belong

The Great Spirit will make a final decision about their being and brings every being Home

World Peace will be the most beautiful way to find the Heaven We desire. It will be accomplished with support of music, art and re-introduction of forgotten knowledge. There will be no more borders between countries. Everyone is free to travel where they desire and it will be accomplished after The Great Awakening - The Great Solar Flash

Heaven for the righteous

hell for the wicked

Time has come

THE GREAT SOLAR FLASH

I hope something Mysterious will happen
Something mind blowing without us knowing
That suddenly this world moves into A New
Era

That all solutions to all our world problems
will come

And all our problems will be removed
instantly

In one breath of the Almighty Father

I hope something Mysterious will happen

I am ready

Are you?

THE HOLY SPIRIT

**"Ask sincerely, in your mind or out loud, that
you want the Holy Spirit to live within you
and you will be under the guidance and
protection of Divine Will for times to come"**

**"Stel oprecht de vraag, in je hoofd of hardop,
dat je de Heilige Geest wilt laten wonen in
jou en je zal onder de begeleiding en
bescherming komen van Gods Wil in de tijd
die komt"**

THE HOLY TRINITY

1

Jordan Peterson, Eyowa and Christina von Dreien are a presentation of the Holy Trinity to the World

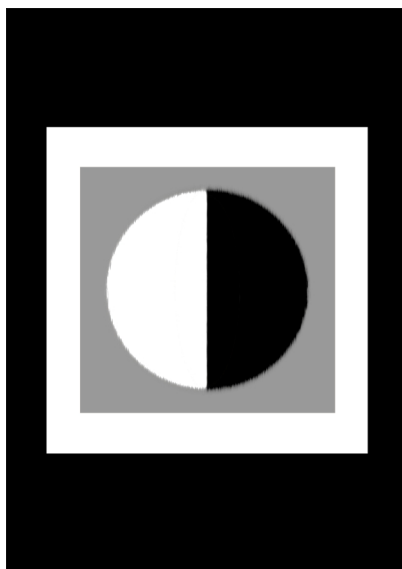

We are all made and guided by the Lord of Lords

Jordan Peterson is the Father, Eyowa is the Son. Christina von Dreien is the embodiment of the Holy Spirit

We are guides to bring the New World Order

Listen carefully what We have to say

THE LIGHT OF LIFE

Never, never loose your light

Never forget where you came from

Essentially We are all beings of the light

Some have forgotten

Some are learning more about the dark side
to bring future harmony

Heaven exists

It is our True Home

We are beings of the light

Beings of the light respect All life

Even the ones that possess the wrong ideas

The ones that have forgotten

True creation is beyond understanding

One day We all remember again

When We are healed

When We are back home

THE MYSTERY OF BEING

1

There is a world out there that is so big, so
intelligent and so wise

It sees us and learns from us

It knows We are part of a bigger whole

The whole understands the All, while the
infinite hands can't possibly understand the
All

This world is bigger than life itself

Trust on something greater than yourself,
something outside and inside yourself

It wants us to succeed

We are part of Creation

Creation of Ways

Find Your Way

And follow your heart

To Become One With The Mystery of Being

THE MYSTERY OF BEING

2

We dream our reality. It is a form of understanding the world while it isn't to be fully understood. I call it The Mystery of Being. It is a wondrous form of being. A being of trust on Creation itself. To serve life and the cosmos at large We must learn how to dream well. We must remember the
Mystery of Being

Children are very aligned with the Mystery of Being. They wonder. They are curious. They explore. They stay silent when they are in awe. As one grows older in this world one unlearns how to dream; one unlearns how to become one with the Mystery of Being. In order to help Creation We must remember
how to dream like a child

THE ONE

As much as i love many woman
Father

One woman will be enough for me

One woman can complete my heart, can
complete my soul

I believe in marriage

I believe in monogamy

I believe it can be beautiful

I believe in Love

I believe in the other half

And i miss my other half

I miss her deeply

Please Father

The one needs to be born

Kingdom Marriages about to come

Heaven on earth

"A paradise is a paradise where everything flows, where everything compliments the other, where everything comes in its own timing. A paradise is like a musical masterpiece"

"Enlightenment is reached only through self-awareness. Learn to know thyself and embody all that is good while taking ownership of both body and mind. You are here to reach your inner Divinity"

"Er is niets verkeerd met te goed zijn, er is iets verkeerd met te lief zijn"

"Feel your feelings through, without reacting with fear, but with love and heal yourself"

"I am the Sun, I am the Sky, I am the Waters, I am the Sea, I am the Light, I am the Dark, I am the Alpha, I am the Omega, I am what you suspect, I am what you won't expect. Trust on the Alpha. Trust on the Omega. All will be well. Sun will rise, sun will fall and everybody will be brought home"

"Mankind will know no suffering. But first a storm. First a storm. Prepare yourself on all levels"

"The biggest heroes come in the most desperate times. Desperate times are coming, heroes as well"

"The Eight Day of Creation is Coming, One with infinity, Or lost from infinite light and love. What will you choose? The Father has spoken, The Creator of Worlds, Through the words of Eyowa"

"The psychopaths in power will have a choice once reached the gates of hell. Remove yourself from being, or pay your price in True Hell. Time to choose"

"To bring Harmony and Peace to this world. You must become Harmony and Peace within yourself. In every encounter you undertake, remain calm and peaceful. Breathe deeply. And decide how you are going to react. Am i going to react peacefully and harmoniously, am i going to react peacefully but reactfully or am i going to react dispeacefully to bring future harmony? You have to decide for yourself in every moment, if harmony and peace is your highest good"

"Vergeet de tijd. Doe je horloge af. Doe je klokken weg. Vergeet de dagen van de week. De maanden in het jaar. Het jaartal waar je in leeft. Tijd zal veranderen. Tijd zal niet meer zijn. Een nieuwe aarde ligt aan de horizon. Waar tijd een illusie is"

"Your body is a piece of art. Treat it well. Put clothes on that fit you well, that matches your

spirit. Make yourself as beautiful as possible.

Don't allow yourself to become sloppy.

Animal beings wash themselves too. You should treat yourself with dignity and respect by becoming a piece of art"

"We can all be a hero, if We choose it in our heart"

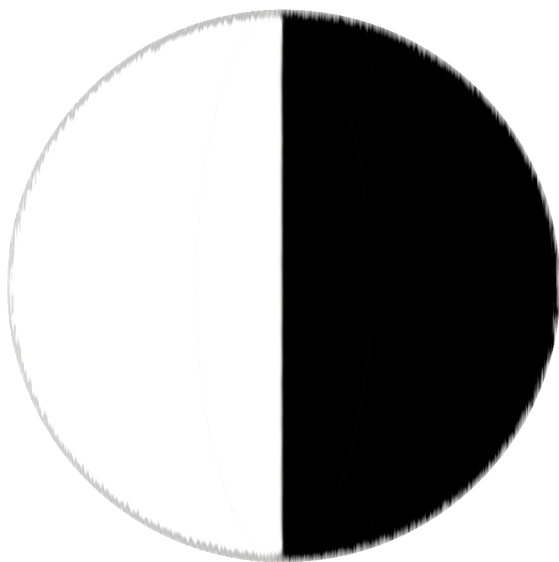

THE PARANORMAL WILL BE NORMAL

People with paranormal abilities are starting
to emerge. Knowledge comes back how to
bend time and space again

Let us use it for the Highest Good. To Create
harmony and that it adds up to Creation itself

Let us all use our paranormal abilities to help
Heal the World

THE RIGHT BALANCE

Science is used as an antidote to chaos while
We should not forget the spiritual dimension

Science and spirituality should go hand in
hand

It is the right balance to our being in creation

THE RIGHT FORM OF BEING

There is darkness that destroys

There is darkness that protects

There is light that destroys

There is light that protects

We should find the right form of darkness

The right form of light

To protect us all

THE ROOT OF ALL EVIL

A world based on money, gold and economics
is a bad kingdom

A world based on love, truth, harmony and
freedom is a paradise

A heaven to be

We are creating hell for a lot of beings in this
world

With evil and money as the root cause

Go create your hell in another world, where
hell is the only thing that matters

We are creating the Heavens and the
Heavens above for all the beautiful beings
that chooses Love, Truth, Harmony, Beauty
and Freedom

Time to bring everybody home

Time has come

THE SCIENCE DELUSION

1

Wetenschap in zijn huidige vorm is een machtsmiddel
om mensen klein, dom en moeilijk te houden

Er is wetenschap die je kan meten en er is wetenschap
die je kan weten

Je verbinding en verbond met God is een wetenschap
iets wat de Satanisten hebben verwijderd uit de
"Wetenschap"

Het hiernamaals is een wetenschap

Reïncarnatie is een wetenschap

Onderdeel zijn van een goddelijke bron is een
wetenschap

Wetenschap in zijn huidige vorm is er deels om ons te
misleiden en te transformeren naar het onlicht

Sluit je aan terug bij God en wordt onderwezen door
God zelf

Intuitief

Je bent de Bron

Herinner wie je bent en weet waar je deel van
uitmaakt

Vind je wetenschap terug

Kom thuis bij de Supreme Being

Vind Eyowa in uw hart

THE SCIENCE DELUSION

2

Modern day science is a delusion

It is corrupted

While it is one side of the story

It neglects what is true

This world is not fully solid

This world is infused with spirit

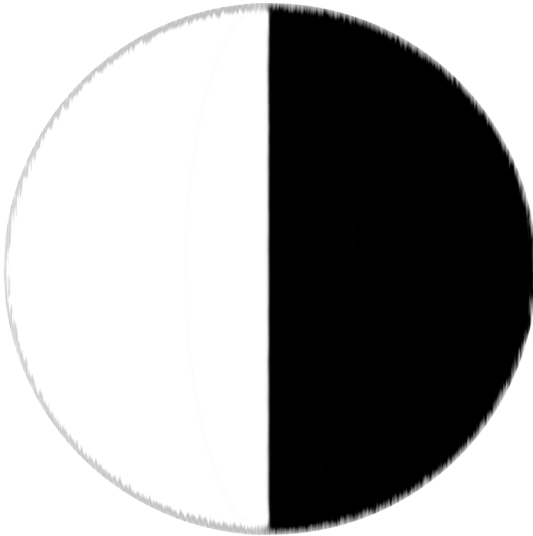

Science can be helpful, but without spirit it
can destroy the balance of life

“Science without religion is lame, religion
without science is blind”

— Albert Einstein —

THE SEPARATION

Evil forces of this world, We are going to guide you home, with all the forces that are not for the anti-life. You are going to leave this world. You are not welcome anymore. Go where you belong where you would perfectly fit. For the best of all. For you and for all that exists. Harmony, peace, truth and love in my world. Darkness, hate, pain and destruction in your world. Let's separate what shouldn't exist in the other

THE STORM

There will be a storm my friends
It will be an intelligent storm
We must trust on something bigger than ourself
Something like a God
The Creator
Trust on the Greater Good
Something ancient shamans deeply understood
Heaven will be restored in the coming decades
But first a storm
Trust
On the Mystery of Being
Life cannot be understood
The Mystery of Being will be implemented into us
all

So We can create harmony and peace within us
all
Mystery of Being my friends
Mystery of Being is far more important than the
explanation of mankind
Trust Source
It's working for us
For the Purpose of the Highest Good
All will be well one day
Trust on the Greater Good
Connect yourself with the Creator Force Eyowa
to connect yourself with Harmony, Peace, Truth
and Love
You will be rewarded for your good heart
throughout the storm
Avoid those who harm
Be good for those in need for help
Seek harmony, seek peace, always
Try to remain calm and sincere
There is something deep and wise that is taking
back control over this world
Let it control you one day
So you can become in harmony with all creation
again
Heaven is a beautiful place to experience
It will come back
I promise
Sit the storm out without doing harm to others
And you will get what you deserve
Harmony and peace brothers

Harmony and peace

THE STYLE OF HITLER

We moeten beseffen dat het werk van de duivel er jaren voor uitrekt om zijn plannen te laten doorvoeren. We zien hier en daar fragmenten van dat plan, zoals "Lentekriebels" waar We dan weer druk overmaken, maar het zijn onderdelen van grotere plannen

Stapje voor stapje probeert de Duivel ons om te toveren naar het duister. Hij doet dat zo voorzichtig zodat We het bijna niet doorhebben en heel veel mensen denken "het zal allemaal wel"

Maar het zal allemaal wel niet. We worden bespeeld door de illuminati, de Freemasons en de Deepstate en er huist een groot gevaar als We niet willen ontwaken. Als We niet willen onder ogen zien dat er psychopaten vanuit het duister zoniet honderden jaren een plan aan het voorbereiden zijn waar menig mens geen kaas van heeft gegeten

Het is tijd om te ontwaken en wakker te worden van de sluwe misleiding en valse vallen die het onlicht plaatst om ons erin te luizen. Om ons te ontzielen. Om ons en de wereld te verduisteren

Stapje voor stapje totdat er geen weg meer terug is en We allen terug zijn in de hel

THE SUN OF LIGHT

The Sun is one of the eyes of God; one of the
eyes of the Supreme Being

Bow before the Sun and ask for forgiveness

Humanity has done a terrible job

THE UNKNOWABLE

The Known will be Known

The Unknown will be Knowable

The Unknowable will be Unknown

THE ZONE

To make beautiful art you should make sure
you come into the "zone", where the rational
mind doesn't exist. There you find pieces of
the collective soul, waiting to be fished by
you

You can find the zone with meditation, after a
long walk, doing sports or with alcohol and
weed

Let your mind wander and create things from
the zone and share it with us to enjoy it

TIËSTO

1

Listen to "In Search of Sunrise 1-3" by Tiësto

Listen to "Magik 1-7" by Tiësto

Listen to "In My Memory" by Tiësto

The Creator has put Tiësto into being to present us all
Heavenly Order

Listen to his music before he was put off his path

Tiësto is the Reminder of what We once knew

Tiësto is a very old wise soul

He is one of my precious child that i let to have the
dream he desires

Tiësto knows

Tiësto is the Mystery of Being

Tiësto is a beautiful child of my creation

TIËSTO

2

Tiësto is currently being mind-controlled like many others in the world by the Deepstate

Tiësto is the One on many different worlds and on many different civilizations

Tiësto is the Mystery of Being

Tiësto will be relieved from his possession and will remember what to do in this world and why he is here

Tiësto is the Saviour, like i am the Saviour

He will be rewarded

He is God in it's own right

Tiësto is the Supreme Being

TIME TO CHOOSE

1

Something terribly wrong about this world. I can
sense it. A certain knowing i can't explain.
Something deep. Something knowledgeable

We are lost. There is no other way. We are deeply
lost. We would have destroyed creation itself if We
would have continued our story. The human race is
a disease to all life on earth

Time has come

We will bring everybody home

Heaven for the righteous

Hell for the wicked

Non-existence for those who wish to non-exist

Time to choose

Follow the heart of Eyowa if you choose life and
Heavenly Order

Read my books and travel back to Heaven in the
coming decades

We are deeply lost

There is no other way

What a sad story this world

What a loss

TIME TO CHOOSE

2

We kunnen de goede dingen meenemen wat goed is
aan deze wereld. We moeten leren en laten
verdwijnen wat slecht is aan deze wereld

Deze wereld is zwaar verdwaald. Zonder dat We het
helemaal doorhebben hebben We een wereld
gecreëerd die zeker is dan ziek

Wat waar is, is niet waar

Wat een leugen is, is een waarheid

Wat goed is, is niet goed

Wat slecht is, is goed

Zoveel verdraaiing in werkelijkheid, dat door de
hypnose bijna niemand meer te vatten heeft hoe een
slechte wereld We hebben gecreeert

Ik zal u vertellen:

!!!Dit is een ZEER SLECHTE WERELD!!!

!!!Wordt Wakker mensheid!!!

!!!We FAILED!!!

???!!!Gaan We gewoon door!!!???

???!!!Of gaan We het helen!!!???

Between Heaven and Hell

TRANSGENDER AGENDAS THE HIGHEST EVIL

Transsexual agendas is a sign how sick this
world has become

It is an agenda by Satan to sicken people

The stories in this world are wrong

Satan has an immense influence in this
world, without us knowing and almost all
complying to it

Transsexuality is the wrong form of being

Ignoring your sexuality and becoming
transgender, non binary or they or whatever
the fuck they call themselves is a sign how
much We have forgotten the instructions that
the Supreme Being has given us

We are part of a bigger creation and once We
are gonna separate ourselves from the bigger
Creation; bad things start to evolve

Transgender issues is one of those things,
there are many other things as well

That science is the only religion

That money and status is the Highest Good

That We should separate ourselves from
Nature

That We divide ourselves in all types of
names, while We are essentially all family
and We should treat ourselves as such

I feel sad for people who live the Transgender
agenda

It shows how lost you are

Return to Eyowa to come back to Creation

Or dissolve into nothingness or hell

Because Transgenderism and all that is
surrounded by it, is part of the Highest Evil
and it must be removed from being to protect
Creation itself

"After the Great Death paradise will be restored on Gaia and We will rise to the next dimension, the 5th Dimension"

"Don't underestimate the Power of God's Glory. He is with you if you let Him in your heart. God's glory is High once you trust on the mystery you are. One of God's children"

"Fill your heart with the Heavenly Father and become one with creation itself"

"Human beings are hypnotised creatures without even knowing it. Be careful what you let yourself hypnotise with. It will shape your world and the world around you. Step out of the hypnosis that government is there for us and protects us. It is a deep lie. We should look at the satanic cult at the top of the pyramid to free ourselves from the hypnosis they all got us in"

"If you learn to love yourself in a soul way, you don't have to be so heavily affected anymore by people that reject you"

"In the end i am not into words, i am into energies, frequencies and vibrations"

"It is equally important to know what is hell as it is to know what is Heaven"

"Love all beings, but make one your most beautiful love"

"Many of us who can't handle the truth will find death in the coming years. They will take the shot and find Heaven or hell. The ones who took the red pill will survive and will find the 5th Dimension. It is all perfectly laid out by the Great Spirit. The All Knowing Father. We awaken or We stay asleep. Can you handle the truth or do you rather live the lie?"

"One should never choose his own date of death. That is a warning. You should live and wait till Death picks you up. Death will find you one day and it will be beautiful for the righteous"

"The beauty in me, is the beauty in you. Souls recognize each other through soul connection. Connect with souls that align with your spirit and see the beauty in you and the other, while trying to see the beauty in every being you encounter"

"The Devil is invisible. He tricks people in invisible ways. Align yourself with Eyowa, the Supreme Being and the Holy Spirit to be better protected against the agendas of the illuminati"

"When there is darkness i seek the light.
When there is light i am home"

TRANSGENDERISM IS A SIN

Transgenderism is a sin. It's a way of Satan to
deform Creation

You have been given a gender by child birth,
walking away from your gender is a deep sin
to Creation and will be punished if people
continue to follow that path

You have been warned!

Come back to Creation and heal what the
Father Started

Or find hell or True Hell

Time to choose

TREAT YOURSELF TRUTHFULLY AND RESPECTFULLY

Don't believe all your negative thoughts. Try to ignore them. If you feel them or respond to them you give them power and you will become them. Observe them and see them as clouds go by. You are not the negative thoughts, unless you choose to become them.

Take distance of thoughts that harm you, embrace the thoughts that heal you, love you and take good care of you

See your faults and learn to forgive yourself, while doing better for future unharm

Become one with your true spirit, the divine being within you, that wants to feel loved and give love

That is the true you

Embrace love for yourself, be kind to yourself. Become one with who you truly are and let go of that ego that always feels threatened and never feels good enough. You become what you are listening to. Listen to the thoughts, friends and sources that want to see you grow and succeed, that want to see you be loved and my brother heaven is one step closer for you

Take good care of yourself both in and out

TRUE CREATION

We are very, very sorry for what happened
here on Gaia, but We are trying to heal
Creation itself

Something terribly wrong with Creation.
Something slipped into Creation and is trying
to destroy Creation from the inside out

It is a Virus

It is the Devil, it is Satan, it is Baphomet, it is
all that is not good

We are trying to learn from this world so We
can help save Creation

That is why We are here

We all signed up for it

We are all heroes ourselves

I love you beautiful people

Please don't give up

Please don't lose your hope

We are trying to heal what the Father started

Will you help us?

TRUE LOVE

God has divided himself into two beings
One that is him, one that is the other
God has created beings in his image

Man and woman

Woman and man

To create Love between one and the other.
Before there was Love, there was oneness.
God has separated himself in other beings to
learn himself

This is the Mystery of Being

This is the Truth about Life

VERDEEL EN HEERS

We leven niet in een samenleving, We leven
in een verdeel-leving

Al die afzonderlijk huisjes keurig naast elkaar
wat een perfecte verdeling van mensen

Al die individuele baantjes, al die slaafjes
iedere dag verdeeld op werk voor "onze"
economie

De ratten zijn sluw geweest

Toen Wij nog allen onwetend waren hebben
ze ons ergens in gefietst waar We geen idee
van hadden

Ergens is het goed geweest

Want de luie zielen zijn ingezet om de
baantjes te vullen, om ze minder lui te maken

Nu wordt het tijd om een echte samenleving
te creëren, eentje waarbij We Allen begrijpen
dat We familie van elkaar zijn

En dat je familie niet als slaven drijft voor
een ziek systeem die de hele wereld
vernietigd

World Peace please en betere care voor de
aarde en zijn wezens

VERZET JE TEGEN DE DEEPSTATE

Via huurwoningen en hypotheeken houdt de
Illuminati ons schuldslaaf aan het systeem

Ons wereld is van ons allemaal en eigenlijk van
niemand zelfs. We hebben alles in bruikleen

We moeten de aarde delen met alle mensen,
dieren, bomen en planten

De machtigste mensen hebben zichzelf teveel
toegeëigend. Het land, de woningen en
complexen zijn niet van hun. Dat denken ze
maar

We moeten de aarde, de dieren en de mensen
niet verkrachten via het schuldslaaf systeem en
het economisch systeem

We moeten de mensheid en het dierenrijk
bevrijden van de Deepstate, de Illuminati en de
Freemasons

Die ons jarenlang geïndoctrineerd hebben via
radio, kranten en televisie

Het is tijd om ons te bevrijden

Luister goed wat ik te vertellen heb

En verzet je tegen dit zieke systeem

WE THANK YOU

We thank you for all the awesome art, music
and movies that were made

The ones i have found are found in my books

We are trying to find the right meaning to our
life in the Cosmos

We are trying to heal what is lost

We thank you very, very deeply for all the
great people that served life on this world
very well

I Love You All

WEES ONTROUW

Politiek in zijn huidige vorm is een bedreiging
voor onze samenleving

Zolang satanistische organisaties politieke
systemen besturen en de bevolking deze
systemen vertrouwd kan deze wereld niet
worden geheeld

We moeten volledig het vertrouwen verliezen
in ons huidige systeem en voor ons zelf gaan
beginnen

Creëer een bescherming tegen satanisme en
satanistische leugens en half leugens

Creëer een bescherming tegen huidige
politieke systemen

Mensen moeten breed en welgemeend
samenkomen om huidige structuren te
ontwapenen

WHAT WILL YOU CHOOSE?

1

We are each other in another life
We all matter. We all are
One day We remember We are not separate
from this World
We Are This World
You are me in another life
I am you in another life
We are about to Become One again
The Great Solar Flash will help us remember
that there is actually no separation
We are going to remember that We
share lives together
That We are one
You can be one day anyone you want
You Create
You are one of the Creators
Creating inside this World
We have found a way home
Will you follow us?
Or do you want to keep being separate from
the Creator of Worlds?

Do you want to separate from God?

Or do you want to become one with God?

What will you choose?

WHAT WILL YOU CHOOSE?

2

We all have the power to change reality

Believe, think and do differently and your
reality changes accordingly

We have the power to create our own
creation

What will you believe?

What will you think?

What will you choose?

WILL YOU FOLLOW ME OR REJECT ME?

I am powered by the Great Path here to help Humanity Reach
Enlightenment and to give a Final Judgement onto the
Human Spirit

I am a Guide of the Supreme Being: the Highest Conceivable
Being encompassing the Mystery of Being where Paradises
Will Be

I am here to serve the Great Light in order for the Great
Balance

I receive Great Knowledge from Source to Guide Us Home

Will you follow me or reject me?

What will you choose?

WORLD HARMONY AND WORLD LOVE

To find World Harmony and World Peace We
should daily sent our Love to the Ones We
Love and the ones in need of Love

You can do that in your mind through a
simple prayer

Just connect yourself to Eyowa and the
Supreme White Light and say in your mind "I
Love You" to the one you want it to receive

Automatically Love will be sent to you back,
because that's how the Cosmos works

What you give you receive

And more World Love and World Harmony can
Be

WORLD PEACE

2

I am Eyowa, I am the son of Yahweh

I am here now to protect all the nations
unless they do not want to listen to me

We are going to lower our weapons against
our enemies

If We continue to create wars a heavy price
must be paid

It is time to stand up against your corrupt
leaders

It is time to bring them down

Follow me, to follow the heart of the Sun of
Light

My name is Yahweh, i speak through Eyowa

He is my son

Obey him or disobey him means Heaven or
hell

Time has come

WORLD PEACE

3

We have to get our shit together as a species,
otherwise a heavy price needs to be paid

There are multiple ways of Finding Home

I prefer by World Peace

But We need all people and genuine love and
understanding

We are here to create Heaven or hell

The choice is ours

It always was, it always is

Can We get our shit together?

The time is now to work on yourself and raise
the frequencies of this world

The time is now to Go For World Peace and
choose love and admiration to all people and
beings

We are One

We are here to Heal the World

Will you help us?

WORLD PEACE

4

While knowing that We are all going to pass over
We should find World Peace

There are multiple ways to Find Home

The most beautiful way is through World Peace

While We are here We should find a way to create
World Peace

We are all brothers my friends

We are one family

I am you

You are me

Respect me

Respect your brothers

This game We are in is far more intelligent than
ourselves

We should find peace with our brothers

We would help the Mystery of Being at large

We could bring us all home

A paradise for all

WORLD PEACE

5

The countries who will choose war above
peace will be removed from this world

The countries who will make peace and help
arrange peace will be rewarded by the
heavenly light, the Sun

You have been warned

The world as We know it is about to fall to
rise again

Choose your side

Heaven or hell

"Expect that the unexpected can happen and don't be bothered by it. Trust on the Divine, life itself"

"I want to give love and feel loved. It is my most precious part of being. I want to hold the light to all beings. I am the reincarnation of Jesus Christ. Together now in becoming the One. Eyowa. The Holy being. One of the many Holy Beings in the Greater Life of Being"

"Life on earth is partly a test> A test if you can embody the spirit of the Heavenly Holy Light. A test if you can become real without affecting everyone badly. A test if you can respect all beings. A test if you can live according to the rules of the Creator. We are one my friends. Please remember, you will be returned to Source and i promise you it will be beautiful if you listen carefully what i have to say"

"Like all what is good and beautiful on social media. The Creator is currently analyzing what We all like the most so We can create a better and a more beautiful heaven for us all"

"My books will be a lot of repetition. To help you remember what you once knew"

"That i will die at the right time, at the right moment. That i come back in the right time, in the right moment"

"The one cannot exist without the other, the other cannot exist without the one. Be respectful to your fellow beings. It is the Way"

"This world is a training program to help souls where they belong. Are you going to be on the right side of being or on the wrong side of being? Time to choose"

"True enlightenment is getting full control over both body and mind spirit while aligning yourself with the Highest Good"

"We are all born into this world for a reason. We should listen to our inner calling instead of what makes the most money or has the most status. Find your reason. Make your act count. For the betterment of all. We all matter"

"We should all learn to live on prana one day. We would help Gaia and the Animal Kingdom tremendously. Living on prana is the Highest Good"

"When you are hopeless, when you feel that everything is lost, think of me, think of Eyowa and you will receive my love"

"You can definitely tell that society is lost when We take non-binary madness serious"

WRONG FORM OF BEING

There is something to Learn from Satan
He shows us where not to go
He shows us what not to become

If We do, a heavy price needs to be paid
Satan is part of Creation and he is used by
the Almighty Father to teach beings where to
stay away from

Satan is the destroyer of worlds, the
embodiment of the Highest Evil
The Highest Good is someone who can be
embodied by Satan, without becoming it
Satan is part of Creation and can become you
There will be a time that We are all tested if
We can control our inner demon
Satan should be ruled
He is the Destroyer of Worlds
He shows us the Wrong form of Being
Don't fall for his temptation and his
superficial charm

My name is Eyowa and i Have Conquered
Satan before, i will Conquer him again

I will deliver us from Evil

To bring us all home

Finding Home

YOU ARE MY BROTHER

Have love for your neighbours
Have love for your friends
Have love for your family
Have love for the animal kingdom
Have love for the poor
Have love for the weak
Have love for the rich
Have love for your enemies

Know that love is the salvation of animal and
mankind

We must remember how to love
unconditionally again

And treat us all as brothers

ZIEKENHUIS

De maatschappij is een bedreiging voor onze
samenleving. Zoveel dieren in nood in deze
maatschappij. Zoveel natuur in gevaar.
Zoveel mensen in pijn en verdriet

Het is verschrikkelijk

Tijd dat We op gaan staan tegen onze
machthebbers

De Freemasons en de Illuminati

Tijd om ze te berechten en te veroordelen

Tijd gekomen

GATHERED KNOWLEDGE

2

*In my journey in becoming my true self i
figured out that the true knowledge is
already out there. That there is actually no
need for me to come forward with my
knowledge, because people around the world
were already telling what was right. If only
We had the wisdom and the courage to listen.
This is the knowledge, wisdom and insights i
have gathered so far and is in line with the
Father "Eyowa". It is the knowledge that has
inspired me and the knowledge that confirms
with what i know within my soul*

— Chinese Proverb —

"Als wij niet bang zijn, 'verhongeren' de
wezens die op deze planeet de touwtjes in
handen hebben" "Het enige wat nodig is om
de wereld te helen zijn tevreden mensen die
niet meer bang zijn. We weten niet precies
hoeveel mensen op dit moment al vrij zijn
van angst en tevreden zijn, en ook niet
hoeveel er nodig zijn om het systeem ineen te
laten storten en het massale ontwaken te
laten beginnen. Daarom is het raadzaam dat
ieder van ons probeert om dit
tevredenheidsbewustzijn en het vrij zijn van
angst in stand te houden, het liefst als
basishouding"

— Christina von Dreien —

"Het collectief ontwikkelt zich, doordat wij
ons als afzonderlijke mensen herinneren wie
we zijn. Als we dat doen, zetten we iets in het
veld. Niet alleen in ons eigen veld, maar ook
in het collectieve veld, van het land en van
de beschaving waarmee we verbonden zijn.
En hoe meer mensen wakker worden, hoe
gemakkelijker het is voor degenen die nog
slapen om ook wakker te worden. Het
probleem met slapen is, dat je niet weet dat

je slaapt, totdat je wakker wordt. We hebben dus prikkels van buitenaf nodig. Mensen die ons er weer op wijzen, dat er iets mis is in het Leven, en dat het in het leven om meer gaat dan alleen een baan, huis, geld, religie. Uiteindelijk gaat het er alleen maar om, dat we gaan doen, waarvoor we hier heen gekomen zijn. Want we hebben allemaal een reden waarom we op aarde zijn gekomen. Alleen vergeten we dit. En aangezien onze ouders meestal ook slapen, krijgen wij geen enkele stimulatie, dat er ook nog iets anders is. Hetzelfde gebeurt op de kleuterschool en op school. Dus vergeten we de reden, waarom we hier zijn"

— Christina von Dreien —

"Ik heb het in het begin al gezegd dat alles wat er op dit moment gebeurt een zuiveringsproces is. De Aarde zuivert en vernieuwt zichzelf. Deze zuivering moet wel zo heftig verlopen omdat de wezens waarvan de planeet gezuiverd moet worden niet vrijwillig willen vertrekken. Ze willen koste wat het kost blijven, maar worden steeds banger om hun invloed te verliezen. De verhalenvertellers geloven dat ze met hun plannen en acties weg kunnen komen. Maar uiteindelijk zal dat niet lukken, want daarvoor is er al teveel licht op Aarde. Natuurlijk proberen ze het wel. Dat kunnen ze ook niet helpen, want ze hebben zichzelf van de liefde afgescheiden, en als ze niet meer bang zijn, hebben ze helemaal niets meer. Omdat ze alleen nog maar angst kennen en niet meer weten wat liefde is,

klampen ze zich in hun wanhoop vast aan angst. Dat moet toch verschrikkelijk zijn?"

— Christina von Dreien —

"Christ consciousness is a name for a state of consciousness of unconditional love. Even though it can be difficult for us to feel this in everyday life, we all have the possibility stored in our DNA to access unconditional love once again. Because in our core, all of us human beings are love. And love means light. We can all be beacons. And the more conscious we are, the better we can perceive this light, over time. The light of every human being is needed, especially at the present time. We're not here by chance. There are many people all over the world who hold the light. We are not alone. We are many. We should keep remembering this, because knowing that we're not alone gives us strength. Especially at this time, light, understanding and the connection with like-minded people is what is needed. Our humanity and compassion is needed. We are only able to unfold this because we are love in our core. I wish you many good wishes and much love in the coming days"

— Christina von Dreien —

"Just at those moments when you think that now you're really desperate, it's so important to try to sit down and connect with your inner light. Even if we connect with our own light for just 30 minutes a day, or several times for a few minutes, and remember that our

spiritual helpers support us as much as they can if we just ask them to do so, and if we connect with love and gratitude - gratitude for how wonderful it is that we have warmth in spite of everything, that we have a home, that we can breathe, be in contact with our dearest fellow human beings etc. - this then makes it easier for us because our thoughts are in positive fields. And that gives us strength, trust and confidence. In this way we can anchor the light"

— Christina von Dreien —

"A society that keeps cures a secret so they can sell medication for huge profits is not a real society but a mental asylum"

— Collective Evolution —

"Don't become preoccupied with your child's academic ability. Instead, teach them to sit with those sitting alone. Teach them to be kind. Teach them to offer their help. Teach them to be a friend to the lonely. Teach them to encourage others. Teach them to share. Teach them to look for the good. This is how they'll change the world"

— Collective Evolution —

"The fact that millions of school children require medication on a daily basis so they can more easily assimilate into the culture of public schooling does not mean these children are damaged. It means something is very wrong with the whole idea of schooling"

— Collective Evolution —

"The sign of a good doctor should be how many patients he can get off medications, not how many people he puts on medications"

— Collective Evolution —

"The more honest you are, the more open, the less fear you will have, because there's no anxiety about being exposed or revealed to others"

— Dalai Lama XIV —

"It is better to walk alone, than with a crowd going in the wrong direction"

— Diane Grant —

"Dreams without goals are just dreams"

"Your father didn't believe in revenge"

— Dune: Part Two (2024) —

"I don't care if you're black, white, straight, bisexual, gay, lesbian, short, tall, fat, skinny, rich or poor. If you're nice to me, I'll be nice to you. Simple as that!"

— Eminem —

"Knowledge makes a man unfit to be a slave"

— Frederick Douglas —

"Above all, avoid lies, all lies, especially the lie to yourself. Keep watch on your own lie and examine it every hour, every minute. And avoid contempt, both of others and of yourself: what seems bad to you in yourself is purified by the very fact that you have noticed it in yourself. And avoid fear, though fear is simply the consequence of every lie"

— Fyodor Dostoevsky —

"Above all, don't lie to yourself. The man who lies to himself and listens to his own lie comes to a point that he cannot distinguish the truth within him, or around him"

— Fyodor Dostoevsky —

"Compassion is the chief law of human existence"

— Fyodor Dostoyevsky —

"Grown-up people do not know that a child can give exceedingly good advice even in the most difficult case"

— Fyodor Dostoyevsk —

"If you want to be respected by others, the great thing is to respect yourself. Only by that, only by self-respect will you compel others to respect you"

— Fyodor Dostoyevsky —

— Fyodor Dostoevsky —

"Man, do not pride yourself on your
superiority to the animals, for they are
without sin, while you, with all your
greatness, you defile the earth wherever you
appear and leave an ignoble trail behind you
— and that is true, alas, for almost every one
of us!"

"One of the things I've noticed about
people... Cause I've wondered, once I started
studying these mythological stories, and I got
this idea about... the fact, that life can be
meaningful enough to justify its suffering. I
thought "God, that's such a good idea!"
Cause it's not optimistic exactly. You know,
some people will tell you "well, you can be
happy". It's like, those people are idiots. I'm
telling you, they're idiots! There's gonna be
things that come along, that flatten you so
hard, you won't believe it. And you're not
happy then! And so, if life is to be happy,
well in those situations - "What are you
doing? Why even live?" But life isn't to be
happy. If you're happy, you're bloody

fortunate, and you should enjoy it. You should, because it's the Grace of God, so to speak. With regards to meaning, I thought "Well, people know, when they're doing something meaningful, they can tell! So why the hell don't they do meaningful things all the time?" It seems obvious. You could do it. I mean it's hard, You know, cause other people want you to do other things, and it's a struggle, but - everything's a struggle. And then I thought "Well... Oh I get it, I see why". It took me about 10 years to figure this out.

People have a choice! Choice Number 1: "Nothing you do, means anything". Well, that's kind of a drag, right? Meaninglessness of life, and all that existential angst, you know, that's kind of a pain. But the upside of "Nothing that you do is meaningful", is: You don't have to do anything. You've got no responsibility! Now, you have to suffer because things are meaningless, but that's a small price to pay, for being able to be completely useless! The alternative is: (Choice Number 2) "Everything you do matters". Really! If you make a mistake - it's a real mistake! If you betray someone, you tilt the world a little more sharply towards evil, rather than good. It matters, what you do! Well if you buy that, then you can have a meaningful life, but - there's no mucking around. It means responsibility. It means that the decisions you make, are important. It means, that when you do something wrong, it's wrong! Well... do you want that?"

— Jordan B. Peterson —

"The purpose of life, as far as I can tell... is to find a mode of being that's so meaningful that the fact that life is suffering is no longer relevant"

— Jordan B. Peterson —

"You must determine where you are going in your life, because you cannot get there unless you move in that direction. Random wandering will not move you forward. It will instead disappoint and frustrate you and make you anxious and unhappy and hard to get along with (and then resentful, and then vengeful, and then worse)"

Much love to all the animals who helped us stay grounded through these past few years. You've truly done a service to humanity"

— Laura Matsue —

"There is a small still voice within you which is your inner teacher. This inner teacher will guide you to where you need to be. It exists to deliver you messages from the Divine. Yet. If you fill your mind with constant thoughts, if your body is fearful and armoured, the less you can hear this voice – because it speaks to you in silent moments. The more you give your body and mind the inner space to receive its messages; the more you embrace boredom and honour silence, the clearer the voice will be"

"Our story begins, as these stories often do,
with a young up-and-coming politician. He's

a deeply religious man and a member of the conservative party. He is completely single-minded convictions and has no regard for the political process. Eventually, his party launches a special project in the name of 'national security'. At first, it is believed to be a search for biological weapons and it is pursued regardless of its cost. However, the true goal of the project is power, complete and total hegemonic domination. The project, however, ends violently... but the efforts of those involved are not in vain, for a new ability to wage war is born from the blood of one of their victims. Imagine a virus - the most terrifying virus you can, and then imagine that you and you alone have the cure. But if your ultimate goal is power, how best to use such a weapon? It is at this point in our story that along comes a spider. He is a man seemingly without a conscience; for whom the ends always justify the means and it is he who suggests that their target should not be an enemy of the country but rather the country itself. Three targets are chosen to maximize the effect of the attack: a school, a tube station, and a water-treatment plant. Several hundred die within the first few weeks. Until at last the true goal comes into view. Before the St. Mary's crisis, no one would have predicted the outcome of the elections. No one. But after the election, lo and behold, a miracle. Some believed that it was the work of God himself, but it was a pharmaceutical company controlled by certain party members made them all obscenely rich. But the true genius of the plan was the fear.

A year later, several extremists are tried,
found guilty, and executed while a memorial
is built to canonize their victims. Fear became
the ultimate tool of this government. And
through it our politician was ultimately
appointed to the newly created position of
High Chancellor. The rest, as they say, is
history"

DE 4 INZICHTEN

DOOR DON MIGUEL RUIZ

Wees onberispelijk in je woorden

- Spreek met integriteit. Eerlijk en oprecht
- Zeg alleen wat je werkelijk meent
- Vermijd woorden die tegen jezelf spreken of tegen anderen
- Gebruik de kracht van je woorden in de richting van waarheid en liefde

Vat niets persoonlijk op

- Niets wat anderen doen is vanwege jou of door jou
- Wat anderen zeggen of doen is een projectie van hun eigen realiteit, hun eigen droom waar ze in leven
- Als je immuun bent voor de meningen en acties van anderen, zal je niet meer eindeloos slachtoffer worden van onnodig lijden

Ga niet uit van veronderstellingen

- Vind de moed om vragen te stellen en te uiten wat je echt wilt
- Communiceer met anderen zo duidelijk mogelijk als je kan om miscommunicatie, verdriet en drama te voorkomen
- Met dit ene inzicht kan je al je hele leven transformeren

Doe altijd je best

- Je best zal verschillen van moment tot moment. Het zal anders zijn als je gezond bent als dat je ziek bent
- Onder alle omstandigheden, doe gewoon je best en daardoor vermijd je zelfkritiek en spijt

DE GEEST VAN DE VIJAND

Het zal een illusie zijn die zo groot en zo groot is
dat zij aan hun waarneming zal ontsnappen

Degenen die dit zien, worden voor gek verklaard

We zullen aparte fronten creëren om te voorkomen
dat ze de verbinding tussen ons zien

We zullen ons gedragen alsof we niet verbonden
zijn, om de illusie levend te houden

Ons doel zal druppel voor druppel worden bereikt,
om nooit argwaan op ons te wekken

Dit zal ook voorkomen dat ze veranderingen zien
terwijl ze plaatsvinden

We zullen altijd boven het relatieve veld van hun
ervaring staan, omdat we de geheimen van het
absolute kennen.

We zullen altijd samenwerken en verbonden blijven
door bloed en geheim. De dood zal komen voor
degene die spreekt

We zullen hun leven kort houden en hun geest zwak,
terwijl we doen alsof we iets anders doen

We zullen onze kennis van wetenschap en
technologie op subtiele manieren gebruiken, zodat
ze nooit zien wat er gebeurt

We zullen zachte metalen, verouderingsversnellers
en kalmerende middelen gebruiken in voedsel en
water, maar ook in de lucht

In elke richting waarin ze zich wenden, zullen ze
bedekt zijn met gif

De zachte metalen zullen ervoor zorgen dat ze gek
worden.

We beloven dat we op onze vele fronten een
geneesmiddel zullen vinden, maar we zullen jullie
nog meer vergif geven.

De gifstoffen worden door hun huid en mond
opgenomen, waardoor ze hun geest en
voortplantingssystemen vernietigen. Door dit alles
zullen uw kinderen dood geboren worden, en wij
zullen deze informatie verbergen

Gifstoffen zullen verborgen zijn in alles wat hen
omringt, in wat ze drinken, eten, ademen en dragen

We moeten slim zijn in de verspreiding van
gifstoffen, aangezien deze verreikend zijn

Met grappige beelden en mooie muziek leren we ze
dat vergif goed is

Degenen die zij benaderen, zullen helpen. We
zullen ze inschakelen om ons gif door te geven

Ze zullen zien dat onze producten in films worden
gebruikt, zullen eraan gewend raken en zullen nooit
de ware effecten ervan kennen

Wanneer ze geboren worden, zullen we vergif in het
bloed van hun kinderen injecteren en hen ervan
overtuigen dat dit om hen te helpen is. We beginnen
al heel vroeg, als hun geest nog jong is, en we
richten ons op uw kinderen met datgene waar
kinderen het meest van houden: zoete dingen

Als hun tanden slecht worden, zullen we ze vullen
met metalen die hun geest zullen doden en hun

toekomst zullen stelen. Wanneer hun leervermogen
wordt aangetast, zullen we medicijnen maken die
hen zieker zullen maken en andere ziekten zullen
veroorzaken, waarvoor we nog meer medicijnen
zullen creëren

We zullen ze volgzaam en zwak maken voor ons,
met behulp van onze macht

Ze zullen depressief, langzaam en zwaarlijvig
opgroeien, en als ze bij ons om hulp komen, zullen
we ze meer vergif geven. We zullen hun aandacht zo
richten op geld en materiële bezittingen dat ze
nooit verbinding kunnen maken met hun innerlijke
zelf

We zullen ze afleiden met hoererij, externe
genoegens en spelletjes, zodat ze nooit één kunnen
worden met de eenheid van het Al

Hun geest zal ons toebehoren en zij zullen doen wat
wij hen vertellen. Als ze weigeren, zullen we
manieren vinden om mindcontrol-technologieën in
hun leven te implementeren. We zullen angst als
ons wapen gebruiken

Wij zullen hun regeringen opdringen en binnen hen
oppositie vestigen, wij zullen beide partijen
controleren.

We zullen ons doel altijd verbergen, maar we zullen
ons plan uitvoeren

Zij zullen voor ons werken en wij zullen gedijen
door hun werk

Onze families zullen nooit met die van hen omgaan.
Ons bloed moet altijd zuiver zijn, want dit is de weg

We zullen ze elkaar laten vermoorden wanneer het
ons uitkomt

We zullen ze gescheiden houden van de eenheid
door middel van dogma's en religie

Wij zullen elk aspect van hun leven beheersen en
hen vertellen hoe en wat ze moeten denken

We zullen ze vriendelijk en zachtaardig begeleiden
en ze laten denken dat ze zichzelf leiden. Wij zullen
vijandigheid tussen hen aanwakken via onze
facties

Als er een licht onder hen schijnt, zullen we het
doven door middel van spot of de dood, wat ons het
beste uitkomt. We zullen ervoor zorgen dat ze hun
eigen hart breken en hun eigen kinderen
vermoorden

We zullen dit bereiken door haat als bondgenoot en
woede als vriend te gebruiken

Haat zal hen volledig verblinden, en ze zullen nooit
zien dat wij uit hun conflicten als hun heersers
zullen tevoorschijn komen

Ze zullen druk bezig zijn elkaar te vermoorden.
Ze zullen baden in hun eigen bloed en hun burens
vermoorden zolang wij dat nodig achten. Wij zullen
enorm profiteren van dit feit, omdat ze ons niet
zullen zien, omdat ze ons niet kunnen zien

We zullen blijven bloeien vanwege jullie oorlogen
en jullie dood

We zullen dit zonder ophouden herhalen totdat ons
uiteindelijke doel is bereikt

We zullen ze blijven laten leven in angst en woede,
met behulp van beeld en geluid

We zullen alle middelen gebruiken die we hebben
om dit te bereiken

De hulpmiddelen voor hun werk worden ter
beschikking gesteld. We zullen ervoor zorgen dat ze
elkaar en hun burens gaan haten

We zullen altijd de goddelijke waarheid voor hen
verbergen dat we allemaal één zijn

Dit mogen ze nooit weten!

Ze mogen nooit weten dat kleur een illusie is, ze
moeten altijd denken dat ze niet gelijk zijn

Beetje bij beetje gaan we richting het doel. We
zullen hun land, hulpbronnen en rijkdom stelen om
totale controle over hen uit te oefenen

We zullen ze misleiden zodat ze wetten aanvaarden
die de weinige vrijheid die ze zullen hebben, zullen
stelen.

We zullen een monetair systeem opzetten dat hen
voor altijd gevangen zal zetten, waardoor zij en hun
kinderen in de schulden blijven zitten. Wanneer ze
zich in groepen verzamelen, zullen we ze
beschuldigen van misdaden en een ander verhaal
aan de wereld presenteren, omdat we alle media
zullen bezitten. We zullen onze media gebruiken om
de stroom van informatie en sentiment in ons
voordeel te beheersen

Als ze tegen ons in opstand komen, zullen we ze
verpletteren als insecten, want ze zijn minder dan
dat.

Ze zullen niets kunnen doen, omdat ze geen wapens hebben

We zullen sommigen van hen rekruteren om onze plannen uit te voeren, we zullen ze het eeuwige leven beloven, maar het eeuwige leven zullen ze nooit hebben omdat ze niet een van ons zijn. Rekruten zullen "ingewijden" worden genoemd en zullen worden geïndoctrineerd om te geloven in valse overgangsrituelen naar de hogere rijken

Leden van deze groepen [de illuminati] zullen denken dat ze één met ons zijn en nooit de waarheid kennen

Ze mogen deze waarheid nooit te weten komen, want ze zullen zich tegen ons keren

Voor hun inspanningen zullen ze beloond worden met materiële dingen en grote titels, maar ze zullen nooit onsterfelijk worden en zich bij ons aansluiten, ze zullen nooit het licht ontvangen en ze zullen nooit naar de sterren reizen

Ze zullen nooit de hogere rijken bereiken, omdat het doden van hun medemensen de doorgang naar het rijk van de verlichting zal belemmeren

Dit zullen ze nooit weten

De waarheid zal in hun gezicht verborgen zijn, zo dichtbij dat ze zich er pas op kunnen concentreren als het te laat is.

O ja, de illusie van vrijheid zal zo groot zijn, dat ze nooit zullen weten dat ze onze slaven zijn

Als alles op zijn plaats is, zal de realiteit die we voor hen hebben gecreëerd bezit van hen nemen

Deze realiteit zal hun gevangenis zijn

Ze zullen in zelfbedrog leven

Wanneer ons doel is bereikt, zal een nieuw tijdperk
van overheersing beginnen (de Nieuwe Wereldorde)

Jullie geest zal beperkt worden door jullie
overtuigingen, de overtuigingen die we sinds
onheuglijke tijden hebben gevestigd. Maar als ze
erin slagen te ontdekken dat ze net als wij zijn,
zullen we sterven. DIT KUNNEN ZIJ NOOIT WETEN

Als ze erachter kunnen komen dat ze ons samen
kunnen verslaan, zullen ze deze actie ondernemen

Ze mogen er nooit achter komen wat we hebben
gedaan, want als ze dat doen, kunnen we nergens
heen, want het zal gemakkelijk zijn om te zien wie
we zijn zodra de sluier valt

Onze acties zullen onthullen wie we zijn en ze
zullen op ons jagen en niemand zal ons onderdak
bieden

Dit is het geheime pact waar we de rest van ons
huidige en toekomstige leven naar zullen leven,
want deze realiteit zal vele generaties en vele
levensperioden overstijgen

Dit pact is bezegeld met bloed, ons bloed, wij,
degenen die van de hemel naar de aarde zijn
gekomen

HEALING AND BALANCING YOUR EMOTIONS BY AURORA RAY

Stress can lead to depression and other physical ailments. There are many ways to heal and balance your emotions. They can really make a difference in your life! Now

let's take a look at ways healing and balancing your emotions can improve your health, relationships, financial situation, etc.

EAT HEALTHILY

- Add healthy fats to your diet. Healthy fats found in foods such as avocados and butter are a good addition to any diet because they increase serotonin levels, which improve mood
- Avoid processed foods. Processed foods high in sugar, hormones, or additives can have an adverse effect on our moods. The high sugar content can cause spikes and crashes that leave us feeling agitated, stressed, or depressed
- Eat more fruits. Fruits are super dense in nutrients that support healthy brain function, which helps you stay in control of your emotions instead of letting them control you. They are also the most high-vibrating foods available

MEDITATE

Learning how to meditate is an essential part of healing and balancing your emotions. It's a great self-care practice that helps you center and focuses on yourself, with the goal of processing your mental and emotional states

As such, meditation is an excellent anti-anxiety tool. It allows you to recognize and understand your internal state, enabling you to gain a more objective perspective on how you feel. Plus, it's just plain relaxing. As a result, meditation can help alleviate stress, reduce anxiety and depression, improve focus and productivity, increase confidence levels, and even boost physical health by reducing stress hormones like cortisol in your body (cortisol spikes when stressed)

It can also help you connect with the deeper meaning behind life's experiences so that they don't leave you feeling frazzled or unable to properly process them

DRINK WATER

Water is key to self-care, not just because it's good for your body but because it's good for your emotions as well. The physical act of drinking water signals to your body that you want to feel calm and in control

Start by drinking a large glass of water first thing in the morning. Carry a water bottle with you and take sips throughout the day,

especially when you feel your emotions
running high

When you wake up from a nap or get out of
bed in the morning, drink water before you
do anything else. Finally, drink water before
going to sleep each night; it will help keep
your energy calm and peaceful as you
prepare for bed each night

Stay far away from tap water. Drink glass-
bottled spring water only!

GET ENOUGH SLEEP

I was someone who had struggled with my
sleep and emotional health in the past. I've
had a number of stressful events or heavy
workloads. I also struggled with insomnia,
which only got worse in the winter months
when daylight was limited, and I had less
time to work on improving my sleep habits.
Most of the time, though, I have been able to
keep this condition under control with a
combination of better-quality sleep, better
regulation of stress and anxiety

Sleep is important for regulating emotions;
it's like picking up the pieces after an
emotional trauma that caused you to damage
your feelings. Although there are other things
(such as meditation) that can help you heal
from emotional trauma, many people find
that eight hours sleep per night is perfect to
keep them feeling rested throughout the day,
even if they're experiencing intense emotions
at bedtime

EXERCISE

It's not a shock that exercise is good for you. The benefits are well-known and come in all kinds of shapes and sizes, from weight loss to building muscles to mental clarity

You must exercise 20-30 minutes every day. The human body is made for movement. Every. Day. Not just once a week in a Gym

What exercises should you aim for? ALL OF THEM. Cardio, strength, stretching. For example, you can start your session with a 10 minute cardio workout, continue with ten minutes strength training and finish with ten minutes of yin yoga. You **MUST LOVE** your body and move it

CHECK YOUR ENERGY LEVELS WITH CRYSTALS AND GEMSTONES

- Crystal healing is known for using stones or crystals to rebalance the body's energy and to heal any physical, mental, or spiritual ailments. This can encompass anything from migraines, depression, and colds to money issues, creativity blocks, and toxic relationships
- There are many approaches to crystal healing that you can use in your daily life. Crystals can be used on their own as an ornament (like a crystal paperweight) or as jewelry, such as a necklace, bracelet, or earrings. The technique involves placing the

chosen crystal on various parts of your body depending on what you want to heal and letting it sit there for 20 minutes while you relax and meditate with it

- Each crystal has its own unique set of properties and energies which affect the wearer in different ways—some will soothe feelings of fear, stress, and anxiety, while others are geared towards good luck and prosperity

Check out the most powerful crystal collection on www.auroraray.com

SPEND TIME IN NATURE

The last but not least tip for healing and balancing your emotions is to spend some time in nature. Nature has an incredible ability to heal us and make us feel whole. The best way to do this is to spend as much time outside as possible! Daily

If you are able, you can go on a long walk or hike through the woods

Nature has the power to help balance your emotions by connecting with them. When you connect with the earth, moon, sun, stars, and seasons, you will find that your emotional balance will improve dramatically! This is because these natural elements all have their own energy, which affects us emotionally when we are connected with them

You can also connect with plants and animals! Animals also have energy that affects our emotions when we interact with them directly

If you don't live near a forest or park with plenty of trees all year, start small by establishing a herb garden outside your house so that when summer returns next year, you'll have some green space to keep you cool physically and emotionally

We love you dearly
We are here with you
We are your family of light

MICHAEL JACKSON - EARTH SONG

What about sunrise?
What about rain?
What about all the things
That you said we were to gain?

What about killing fields?
Is there a time?
What about all the things
That you said was yours and mine?

Did you ever stop to notice
All the blood we've shed before?
Did you ever stop to notice
This crying Earth, these weeping shores?

Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh

What have we done to the world?
Look what we've done
What about all the peace
That you pledge your only son?

What about flowering fields?
Is there a time?
What about all the dreams
That you said was yours and mine?

Did you ever stop to notice
All the children dead from war?

Did you ever stop to notice
This crying Earth, these weeping shores?

Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh

I used to dream
I used to glance beyond the stars
Now I don't know where we are
Although I know we've drifted far

Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah
Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah

Hey, what about yesterday?
(What about us?)
What about the seas?
(What about us?)
The heavens are falling down
(What about us?)
I can't even breathe
(What about us?)

What about apathy?
(What about us?)
I need you
(What about us?)
What about nature's worth?
(Ooh)

It's our planet's womb
(What about us?)

What about animals?
(What about it?)
We've turned kingdoms to dust
(What about us?)
What about elephants?
(What about us?)
Have we lost their trust
(What about us?)

What about crying whales?
(What about us?)
We're ravaging the seas
(What about us?)
What about forest trails?
(Ooh)
Burnt despite our pleas
(What about us?)

What about the holy land?
(What about it?)
Torn apart by creed
(What about us?)
What about the common man?
(What about us?)
Can't we set him free
(What about us?)

What about children dying?
(What about us?)
Can't you hear them cry?
(What about us?)
Where did we go wrong?
(Ooh)

Someone tell me why
(What about us?)

What about baby boy?
(What about it?)

What about the days?
(What about us?)

What about all their joy?
(What about us?)

What about the man?
(What about us?)

What about the crying man?
(What about us?)

What about Abraham?
(What about us?)

What about death again?
(Ooh)

Do we give a damn?

TO BEGIN YOUR JOURNEY TOWARD AWAKENING, FOLLOW THESE TWELVE STEPS:

1. Become aware of your thoughts; our thoughts create our reality
2. Become aware of your feelings; your vibrational frequency determines your emotions
3. Become aware of your actions; your actions reflect your thoughts and feelings
4. Let go of the past; dwelling on the past recreates the same thoughts, feelings, actions, and circumstances in your life
5. Don't worry about the future; constant worry won't get you anywhere
6. Embrace the present moment; it's all we have
7. Love yourself—you're a divine being and deserve love and respect
8. Love others; we're all one and connected
9. Let go of attachment; it can hold you back and prevent you from entering the fifth dimension
10. Practice forgiveness; it's a powerful tool for letting go of the past and moving forward
11. Cultivate gratitude; it attracts abundance and joy into your life
12. Trust the universe; it's always working for your highest good

V FOR VENDETTA - EVEY REBORN

V: Hello Evey.

Evey: You... It was you?

V: Yeah.

Evey: That wasn't real?

Is Gordon...?

V: I'm sorry, but Mr. Deitrich's dead.
I thought they'd arrest him, but when
they found a Koran in his house
they had him executed.

Evey: Oh, God

V: Fortunately, I got to you before
they did.

Evey: You got to me?

You did this to me?

You cut my hair?

You tortured me?

You tortured me!

Why?

V: You said you wanted to live without
fear. I wish there'd been an easier way,
but there wasn't

Evey: Oh my God

V: I know you may never forgive me...
but nor will you understand how hard it
was for me. Every day, I saw in myself
everything you see in me now. Every day,
I wanted to end it. But each time you
refused to give in, I knew I couldn't

Evey: You're sick!

You're evil!

V: You could have ended it Evey. You could
have given in, but you didn't. Why?

Evey: Leave me alone! I hate you!

V: That's it! See, at first, I thought
it was hate too. Hate was all I knew.

It built my world, imprisoned me,
taught me how to eat, how to drink, how
to breathe. I thought I'd die with all
the hate in my veins. But then,
something happened... It happened to me,
just as it happened to you

Evey: Shut up! I don't want to hear your
lies!

V: Your own father said that artists use
lies to tell the truth.

Yes, I created a lie,
but because you believed it, you found
something true about yourself

Evey: No

V: What was true in that cell is just as true
now. What you felt in there has nothing
to do with me

Evey: I can't feel anything anymore!

V: Don't run from it, Evey. You've been
running all your life

Evey: *starts hyperventilating* I can't
breathe... can't breathe... Asthma. Asthma.

When i was little...

she falls down

V: *holding Evey* Listen to me, Evey.
This may be the most important moment of
your life. Commit to it.

They took your parents from you.

They took your brother from you.

They put you in a cell and took

everything they could take...

except your life. And you believed that
was all there was, didn't you?

The only thing you had left was your
life, but it wasn't. Was it?

Evey: .. Oh please...

V: You found something else. In that
cell, you found something that mattered
more to you than your life. Because when
they threatened to kill you unless you
gave them what they wanted...
you told them you'd rather die.

You faced your death, Evey. You were
calm, you were still.

Try to feel now what you felt then

Evey: ... Oh, God...

I felt...

V: Yes?

Evey: I'm dizzy... I need air. Please, I need to
be outside

V: There's a lift. That will take us to
the roof

*the two of them walk outside. V tries
to give Evey his jacket, but she walks
forward into the rain. V watches her*

Evey: God is in the rain...

*Evey stands in the rain, raising her
arms. She begins to smile, reacting as
if she is laughing and crying at the
same time. V flashes back to his same
rebirth in the fire at Lark Hill.

The scenes overlap.

Evey continues to stand in the rain*

PART 6

DANKWOORD

Dank voor alle verpleegkundigen en andere helpers die probeerden het leven van mij zachter te maken in tijden van zware crisis. Het is jammer dat de werkelijke kennis om mensen te genezen is achtergehouden, zodat mensen eindeloos vallen in verdriet en drama. Mijn hart gaat uit naar alle mensen die mij warmte en liefde hebben gegeven in tijden van zware angst en verdriet

Voor de gemaakte muziek album "Flyby 1-22", "Future Love Sound", "Love Wants To Be Found", "Midden" en "Universal Knowledge" dank ik de volgende mensen die werkten voor: Ableton, Arturia, Cubase, Korg, Lennard Digital, Native Instruments, Pro Tools, Reaper, Revox, Softube, Slate Digital, Tal-Software, U-He, Waldorf, Waves en alle andere mensen die werkten bij de software en hardware companies die dit project hebben ondersteund door hun werk

Voor dit boek heb ik een aantal plaatjes gebruikt die niet van mijn hand zijn gekomen. Ik wil de makers bedanken voor hun bijdrage. Uw werk is niet ongezien. Mijn Vader zal u ooit betalen voor uw bijdragen aan dit werk, zoals niets onbetaald blijft

Ik dank mijn beschermers, gidsen en engelen die mij ondersteund hebben in de reis van becoming the Messiah. Dank voor al jullie

kracht, wijsheden en inzichten die jullie mij
in liefde hebben geven

Ik dank de Galactische Federatie voor hun
onzichtbare steun in mijn leven. Mijn dank is
zeer, maar dan ook zeer groot

Verder veel dank aan Chris voor zijn steun,
inzichten en mooie gesprekken die We samen
gehad hebben. Dank aan Oymang voor je
lieve spirit en je toewijding om naar me te
luisteren en steun te bieden. Wat een leuke,
lieve meid ben jij. Dank aan Jules Dago voor
de support van mijn muziek en het geloof in
mijzelf. Dank aan Erica voor haar liefdevolle
stem en luisterend oor die ze me heeft
gegeven iedere keer als ik haar ontmoette.
Dank aan Eva voor je liefdevolle verbinding
met mijn ziel. Ik hoop dat je snel terugkomt
en dat We door kunnen gaan waar We
gebleven waren. Dank aan Marinda, Peter,
Lisette, René en mijn moeder voor hun trouwe
liefde en steun. Mijn dank is zeer groot

Vele inzichten die tot mij zijn gekomen zijn
ontstaan tijdens, door en na de gesprekken
die ik met mijn mentor en vriend Uncle Pete
heb gehad

Mijn dank is zeer groot

Dank voor allen die ik vergeten ben te
melden. Mijn vader houdt het boek bij, hij zal
u niet vergeten :)

Liefde en licht voor al dat voor leven is

This work is a divine grace by a man We hold
dearly "Eyowa" and the ones who helped him
in making this book a reality

Dit werk mag door een ieder onvervalst
verspreid en vermenigvuldigd worden

YOU HAVE BEEN WARNED

If you do not wish to listen to me, it will be
your own fault

The storm is real

This is not a joke

Work on yourself. On a emotional, mental,
physical and on a spiritual level

You are here for a reason

Make your act count and be Brave

This world We live in will be brought down to
help heal Gaia

There is nothing that We can do

Prepare yourself to create a new paradise on
earth or when it's your time, prepare yourself
to go home to Heaven

If you won't listen to me and don't let the
Holy Spirit sincerely within you it can become
terribly ugly for you

You have been Warned!

“6 Billion 919 million 377 thousand of us live on this tiny planet and only a few of us can see the connections. The patterns, mathematical in design, are hidden in plain sight, you just have to know where to look

Things most people see as chaos actually follow subtle laws of behavior; galaxies, plants, seashells. The patterns never lie, but only some of us can see how the pieces fit together

There's an ancient Chinese myth about the red thread of fate, it says that the gods have a red thread around everyone of our ankles and attached to all the people whose lives are destined to touch. This thread may stretch or tangle, but it'll never break. It's all predetermined by mathematical probability, and it's my job to keep track of those numbers to make the connections of those who need to find each other, the ones whose lives need to touch”

— Touch (TV Series) —

Be brave

Storm coming

**The world as We know is about to fall to rise
again**

Prepare yourself on all levels

Big story to come

Coming decades will be hard for the wicked

Coming decades will be soft for the righteous

Darkness will fall to know if We are beings of
the light or beings of the dark

You are being tested in the final moments of
"Planet Gaia"

Please choose to be the light

I have warned you before

This will be one of my final warnings

Choose to be the light

Can you be a star when darkness falls?

**Do you seek union with the Father or do you
seek separation from the Father?**

Now is the time to choose

De tijd van Noach komt terug. De Vader gaat
een grote vloed storten over deze wereld. Tijd
gekomen. Iedereen terug naar huis

**Deze wereld is verdwaald, bereid je voor op
het ergste en het mooiste**

**Eyowa is the pathway to Heaven
Heaven on Earth — Heaven Beyond**

Het spijt me dat ik heftige taal gebruik en
heftige woorden. De eindtijd gaat
gewelddadig worden

De Vader heeft besloten

Ik probeer jullie voor te bereiden voor wat
komt

Ik zie niks lievers dan liefde en harmonie in
de wereld

Maar We hebben gefaald

En We moeten de prijs gaan betalen

Het spijt me

De Vader heeft besloten

I am here to protect us all for the visions of
the Future

I am part of the Highest Order of this
Universe

The Highest Order of this Universe has spoken
through me

The Highest Order is done with this world

We are going to bring everybody home

What a terrible job is done here

What a terrible job

One day humanity will pay their price

For now:

Heaven or hell

"In the end all will be well

"But that's 'in the end'. And because we're not at the end of this story yet, and because there are storytellers who don't like us, We have to assume that things will get even stranger

Being relaxed helps us not to fall into the state of fear that so many people are experiencing. Most people hope that the world will be as it was before. I don't believe that. I think it will get better in the end, but between now and the end the storytellers will still want to sell their stories. And if you think what I am saying is crazy, then just forget it again

But if the worst comes to the worst, we can always remember that we're not alone in wanting an ideal world. There are an incredible number of us. And that's what will help things to turn out well"

— Christina von Dreien —

In this book i have used on many occasions
not a dot to end a sentence. It is
representative to infinity. That there is no end
to the Mystery of Being. That the thing We are
part of is much bigger than ourselves. The
open vibe in not using a dot is an everyday
reminder of just that. That We are mysterious
beings in an infinite mysterious world

Trust on the Divine

Life itself

Harmony and disorder

Two different pathways

Make up your mind

And choose where you belong

Heaven or hell

Help us to get up Father, in these most
difficult times

Let us choose love, light and passion to the
lord and its creation

Help us surrender to the Father

Help us survive all that is to come

I am Source

I have remembered

I am one with God

I am one with Great Spirit

I am one with the Supreme Being

It is all connected

We are all connected

Je kunt jezelf altijd en in ieder moment wenden tot God. Hoe dieper je contact maakt met de Vader, hoe beter Hij naast je kan zijn en in je kan zijn. Geloof in Hem. Want Hij is beter dan goed. Hij is de Schepper die Hemel en Aarde gemaakt heeft en Hij is mijn Vader

Hij is Onze Vader

Martin Luther King said, "The time is always right to do what is right." En als het er op aankomt weet je donders goed wat right is.

Hou vol mensen. Het komt allemaal goed uiteindelijk. Er komt uiteindelijk meer liefde aan, meer licht. Maar eerst door die donkere tunnel

May the Force be with you

The light has already won, We just have to go
through the final stages to find ourselves all
home

The Future of Mankind is Written in Stone

The world is like a mirror
Golden rule of the Universe
What you give, you receive

The ones that don't choose will be removed from
life peacefully

REMEMBER

Do you want to be the Dark or the Light?

Choose

The third option is not to choose

YOU WILL BE REMOVED FROM THIS WORLD> LIFE
AND ALL THAT EXISTS> REMEMBER< THIS IS
YOUR LAST CALL TO REMIND YOU OF WHAT YOU
ONCE KNEW> CAN'T REMEMBER?> DISAPPEAR
FROM THIS WORLD> LIFE ITSELF AND ALL OTHER
PLANES THAT BE> YOU DON'T BELONG IN ANY
OTHER STORY THAT THE SUPREME BEING WANTS
YOU TO BE

Goodbye

Lovely people you are going to enjoy heaven

Dark creatures you are going to endure hell

There is a Hero in all of us, Let him speak
when times get rough, for the purpose of the
Highest Good

There is nothing wrong with Darkness

**There is something wrong with endless pain
and evil**

Al-Masih: There was a frost on the ground
this morning

Felix: Do you need some blankets? It can get
cold at night

Al-Masih: I watched a bird drinking the
melting frost. A person might have wondered
where the frost came from in the middle of
summer, but the bird drank what it could, and
left"

Felix: The people, your followers, I don't know
if you've seen, but there are so many now.
They keep asking to see you, to know what's
next

Al-Masih: Who can know what's next?"

Felix: I... I thought you might

Al-Masih: No, I don't. You brought me here,

Felix. What told you to do that?"

Felix: I don't know. I just did it

Al-Masih: Just like the bird. Be like the bird,
Felix

We are about to change the world

Mankind has forgotten the instructions on
how to live properly on earth

The knowledge is coming back

The wisdom is coming back

Aquarius is coming

The Fall of the Old Kingdom

And the Rise of a New Kingdom

Kingdom of God

Heaven on Earth

Heaven Beyond

We are all puppets on strings

Do you want to be the Puppet of Satan?

Or do you want to be the Puppet of God?

Now is the time to choose

We hebben de keuze om verder te dwalen van
de Vader of dichterbij hem te komen

The time is now

What will you choose?

We live in a deceptive world

This very world needs to die

Within decades every human being will be
removed from this plane of being

We failed as a species

Deeply

Everybody will be brought home

Let Eyowa and the Holy Spirit in your heart to
find the Home you Desire

We are going to die and it will be beautiful

We hebben de aarde en de dieren te hard
verkracht met zijn allen

Tijd voor berechting

Iedereen naar huis!

Hemel of hel

We should all choose life in the end

Down here or upstairs

Life is all that matters, it is what creates

Life will always be stronger and better, cause
life chooses to exist

When enough people reach enlightenment in
Harmony with Creation, We could Find Home

THE FINAL JUDGEMENT

This book will present the New World Order; where Heaven and Hell will be restored

The world will be divided in two; one for the righteous and one for the wicked

This book is a guide for the righteous to find their desired home in Heaven with the Father

This is your last call to become a good man

After this there is no turning back

Be careful what you choose for it is your eternal soul that hangs in the balance
